3. 11–29–93 order including amendment of section and NOTE refiled 5–12–94 as an emergency; operative 5–12–94 (Register 94, No. 19). A Certificate of Compliance must be transmitted to OAL by 9–9–94 or emergency language will be repealed by operation of law on the following day.
4. Editorial correction of HISTORY 3 (Register 94, No. 21).
5. Certificate of Compliance as to 5–12–94 order transmitted to OAL 9–9–94 with amendment of subsection (a)(6) filed 10–24–94 (Register 94, No. 43).
6. Editorial correction of subsection (b)(2) (Register 99, No. 12).
7. Renumbering and amendment of former article 6 to article 8, renumbering of former section 100172 to section 100177 and renumbering of former section 100167 to section 100172, including amendment of section heading and section, filed 3–15–99; operative 4–14–99 (Register 99, No. 12).
8. Renumbering of former article 8 to article 7, relocation of newly designated article 7 heading to precede section 100167, repealer of former section 100172, renumbering and relocation of former article 10 to article 9, and renumbering of former section 100178 to section 100172 filed 9–10–2004; operative 10–10–2004 (Register 2004, No. 37).

9. Amendment of subsections (a), (c) and (d) and amendment of NOTE filed 6–26–2008; operative 7–26–2008 (Register 2008, No. 26).

§ 100173. Denial/Revocation Standards.

(a) The authority shall deny/revoke a paramedic license if any of the following apply to the applicant:

(1) Has committed any sexually related offense specified under Section 290 of the Penal Code.

(2) Has been convicted of murder, attempted murder, or murder for hire.

(3) Has been convicted of two or more felonies.

(4) Is on parole or probation for any felony.

(b) The authority shall deny/revoke a paramedic license, if any of the following apply to the applicant:

(1) Has been convicted and released from incarceration for said offense during the preceding fifteen years for the crime of manslaughter or involuntary manslaughter.

(2) Has been convicted and released from incarceration for said offense during the preceding ten years for any offense punishable as a felony.

(3) Has been convicted of two misdemeanors within the preceding five years for any offense relating to the use, sale, possession, or transportation of narcotics or addictive or dangerous drugs.

(4) Has been convicted of two misdemeanors within the preceding five years for any offense relating to force, violence, threat, or intimidation.

(5) Has been convicted within the preceding five years of any theft related misdemeanor.

(c) The authority may deny/revoke a paramedic license if any of the following apply to the applicant:

(1) Has committed any act involving fraud or intentional dishonesty for personal gain within the preceding seven years.

(2) Is required to register pursuant to Section 11590 of the Health & Safety Code.

(d) Subsections (a) and (b) shall not apply to convictions that have been pardoned by the governor, and shall only apply to convictions where the applicant/licensee was prosecuted as an adult. Equivalent convictions from other states shall apply to the type of offenses listed in (a) and (b). As used in this section, "felony" or "offense punishable as a felony" refers to an offense for which the law prescribes imprisonment in the state prison as either an alternative or the sole penalty, regardless of the sentence the particular defendant received.

(e) This section shall not apply to those paramedics who obtained their California Paramedic License prior to the effective date of this Section; unless:

(1) The licensee is convicted of any misdemeanor or felony subsequent to the effective date of this Section.

(2) The licensee committed any sexually related offense specified under Section 290 of the Penal Code.

(3) The licensee failed to disclose to the EMS Authority any prior convictions when completing his/her application for initial paramedic license or license renewal.

(f) Nothing in this section shall prevent the authority from taking licensure action pursuant to Health & Safety Code Section 1798.200.

(g) The director may grant a license to anyone otherwise precluded under subsections (a) and (b) of this section if the director believes that extraordinary circumstances exist to warrant such an exemption.

(h) Nothing in this section shall negate an individual's right to appeal the denial of a license or petition for reinstatement of a license pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

§ 100175. Rehabilitation Criteria for Denial, Placement on Probation, Suspension, Revocations, and Reinstatement of License.

(a) At the discretion of the EMS Authority, the EMS Authority may issue a license subject to specific provisional terms, conditions, and review. When considering the denial, placement on probation, suspension, or revocation of a license pursuant to Section 1798.200 of the Health and Safety Code, or a petition for reinstatement or reduction of penalty under Section 11522 of the Government Code, the EMS Authority in evaluating the rehabilitation of the applicant and present eligibility for a license, shall consider the following criteria:

(1) The nature and severity of the act(s) or crime(s).

(2) Evidence of any act(s) committed subsequent to the act(s) or crime(s) under consideration as grounds for denial, placement on probation, suspension, or revocation which also could be considered grounds

for denial, placement on probation, suspension, or revocation under Section 1798.200 of the Health and Safety Code.

(3) The time that has elapsed since commission of the act(s) or crime(s) referred to in subsection (1) or (2) of this section.

(4) The extent to which the person has complied with any terms of parole, probation, restitution, or any other sanctions lawfully imposed against the person.

(5) If applicable, evidence of expungement proceedings pursuant to Section 1203.4 of the Penal Code.

(6) Evidence, if any, of rehabilitation submitted by the person.

Chapter 5. Process for Applicant Verification

§ 100190. Limitations on Paramedic Licenses for Aliens.

(a) All eligibility requirements contained herein shall be applied without regard to the race, creed, color, gender, religion, or national origin of the individual applying for the public benefit.

(b) Pursuant to Section 411 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, (Pub. L. No. 104-193 (PRWORA)), (8 U.S.C. § 1621), and not withstanding any other provision of this division, aliens who are not qualified aliens, nonimmigrant aliens under the Immigration and Nationality Act (INA) (8 U.S.C. Section 1101 et seq.), or aliens paroled into the United States under Section 212(d)(5) of the INA (8 U.S.C. § 1182(d)(5)), for less than one year, are not eligible to receive a California paramedic license as set forth in Section 1797.172 of Division 2.5 of the Health and Safety Code, except as provided in 8 U.S.C. 1621(c)(2).

(c) A qualified alien is an alien who, at the time he or she applies for, receives, or attempts to receive a public benefit, is, under Section 431(b) and (c) of the PWRORA (8 U.S.C. § 1641(b) and (c)), any of the following:

(1) An alien who is lawfully admitted for permanent residence under the INA (8 U.S.C. § 1101 et seq.).

(2) An alien who is granted asylum under Section 208 in the INA (8 U.S.C. § 1158).

(3) A refugee who is admitted to the United States under Section 207 of the INA (8 U.S.C. § 1157).

(4) An alien who is paroled into the United States under Section 212(d)(5) of the INA (8 U.S.C. § 1182(d)(5)) for a period of at least one year.

(5) An alien whose deportation is being withheld under Section 243(h) of the INA (8 U.S.C. § 1253(h)) (as in effect immediately before the effective date of Section 307 of Division C of Public Law 104-208) or Section 241(b)(3) of such Act (8 U.S.C. Section 1251(b)(3)) (as amended by Section 305 (a) of Division C of Public Law 104-208).

(6) An alien who is granted conditional entry pursuant to Section 203(a)(7) of the INA as in effect prior to April 1, 1980. (8 U.S.C. Section 1153(a)(7)) (See editorial note under 8 U.S.C. Section 1101, "Effective Date of 1980 Amendment.")

(7) An alien who is a Cuban or Haitian entrant (as defined in Section 501(e) of the Refugee Education Assistance Act of 1980 (8 U.S.C. Section 1522 note)).

(8) An alien who meets all of the conditions of subparagraphs (A), (B), (C), and (D) below:

(A) The alien has been battered or subjected to extreme cruelty in the United States by a spouse or a parent, or by a member of the spouse's or parent's family residing in the same household as the alien, and the spouse or parent of the alien consented to, or acquiesced in, such battery or cruelty. For purposes of this subsection, the term "battered or subjected to extreme cruelty" includes, but is not limited to being the victim of any act or threatened act of violence including any forceful detention, which results or threatens to result in physical or mental injury. Rape, molestation, incest (if the victim is a minor), or forced prostitution shall be considered as acts of violence.

(B) There is a substantial connection between such battery or cruelty and the need for the benefits to be provided in the opinion of the Emergency Medical Services Authority. For purposes of this subsection, the following circumstances demonstrate a substantial connection between the battery or cruelty and the need for the benefits to be provided:

1. The benefits are needed to enable the alien to become self–sufficient following separation from the abuser.

2. The benefits are needed to enable the alien to escape the abuser and/or the community in which the abuser lives, or to ensure the safety of the alien from the abuser.

3. The benefits are needed due to a loss of financial support resulting from the alien's separation from the abuser.

4. The benefits are needed because the battery or cruelty, separation from the abuser, or work absences or lower job performance resulting from the battery or extreme cruelty from legal proceedings relating thereto (including resulting child support, child custody, and divorce actions) cause the alien to lose his or her job or to earn less or to require the alien to leave his or her job for safety reasons.

5. The benefits are needed because the alien requires medical attention or mental health counseling, or has become disabled, as a result of the battery or extreme cruelty.

6. The benefits are needed because the loss of a dwelling or source of income or fear of the abuser following separation from the abuser jeopardizes the alien's ability to care for his or her children (e.g., inability to house, feed, or clothe children or to put children into day care for fear of being found by the abuser).

7. The benefits are needed to alleviate nutritional risk or need resulting from the abuse or following separation from the abuser.

8. The benefits are needed to provide medical care during a pregnancy resulting from the abuser's sexual assault or abuse of, or relationship with, the alien and/or to care for any resulting children.

9. Where medical coverage and/or health care services are needed to replace medical coverage or health care services the alien had when living with the abuser.

(C) The alien has a petition that has been approved or has a petition pending which sets forth a prima facie case for:

1. Status as a spouse or child of a United States citizen pursuant to clause (ii), (iii), or (iv) of Section 204(a)(1)(A) of the INA (8 U.S.C. § 1154(a)(1)(A)(ii), (iii) or (iv)),

2. Classification pursuant to clause (ii) or (iii) of Section 204(a)(1)(B) of the INA (8 U.S.C. § 1154(a)(1)(B)(ii) or (iii)),

3. Suspension of deportation and adjustment of status pursuant to section 214(a)(3) of the INA (8 U.S.C. sec. 1254) as in effect prior to April 1, 1997 [Pub.L. 104–208, sec. 501 (effective September 30, 1996, pursuant to sec. 591); Pub.L. 104–208, sec. 304 (effective April 1, 1997, pursuant to sec. 309); Pub.L. 105–33, sec. 5581 (effective pursuant to sec. 5582)] (incorrectly codified as "cancellation of removal under section 240A of such Act [8 U.S.C. § 1229b (as in effect prior to April 1, 1997),"

4. Status as a spouse or child of a United States citizen pursuant to clause (i) of Section 204(a)(1)(A) of the INA (8 U.S.C. § 1154(a)(1)(A)(i)) or classification pursuant to clause (i) of Section 204(a) (1) (B) of the INA (8 U.S.C. § 1154(a)(1)(B)(i)), or

5. Cancellation of removal pursuant to Section 240A(b)(2) of the INA (8 U.S.C. Section 1229b(b)(2)).

(D) For the period for which benefits are sought, the individual responsible for the battery or cruelty does not reside in the same household or family eligibility unit as the individual subjected to the battery or cruelty.

(9) An alien who meets all of the conditions of subparagraphs (A), (B), (C), (D) and (E) below:

(A) The alien has a child who has been battered or subjected to extreme cruelty in the United States by a spouse or a parent of the alien (without the active participation of the alien in the battery or cruelty), or by a member of the spouse's or parent's family residing in the same household as the alien, and the spouse or parent consented or acquiesced to such battery or cruelty. For purposes of this subsection, the term "battered or subjected to extreme cruelty" includes, but is not limited to being the victim of any act or threatened act of violence including any forceful detention, which results or threatens to result in physical or mental injury. Rape, molestation, incest (if the victim is a minor), or forced prostitution shall be considered as acts of violence.

(B) The alien did not actively participate in such battery or cruelty.

(C) There is a substantial connection between such battery or cruelty and the need for the benefits to be provided in the opinion of the Emergency Medical Services Authority. For purposes of this subsection, the following circumstances demonstrate a substantial connection between the battery or cruelty and the need for the benefits to be provided:

1. The benefits are needed to enable the alien's child to become self–sufficient following separation from the abuser.

2. The benefits are needed to enable the alien's child to escape the abuser and/or the community in which the abuser lives, or to ensure the safety of the alien's child from the abuser.

3. The benefits are needed due to a loss of financial support resulting from the alien's child's separation from the abuser.

4. The benefits are needed because the battery or cruelty, separation from the abuser, or work absences or lower job performance resulting from the battery or extreme cruelty or from legal proceedings relating thereto (including resulting child support, child custody, and divorce actions) cause the alien's child to lose his or her job or to earn less or to require the alien's child to leave his or her job for safety reasons.

5. The benefits are needed because the alien's child requires medical attention or mental health counseling, or has become disabled, as a result of the battery or extreme cruelty.

6. The benefits are needed because the loss of a dwelling or source of income or fear of the abuser following separation from the abuser jeopardizes the alien's child's ability to care for his or her children (e.g., inability to house, feed, or clothe children or to put children into day care for fear of being found by the abuser).

7. The benefits are needed to alleviate nutritional risk or need resulting from the abuse or following separation from the abuser.

8. The benefits are needed to provide medical care during a pregnancy resulting from the abuser's sexual assault or abuse of, or relationship with, the alien's child and/or to care for any resulting children.

9. Where medical coverage and/or health care services are needed to replace medical coverage or health care services the alien's child had when living with the abuser.

(D) The alien child meets the requirements of subsection (c)(8)(C) above.

(E) For the period for which benefits are sought, the individual responsible for the battery or cruelty does not reside in the same household or family eligibility unit as the individual subjected to the battery or cruelty.

(10) An alien child who meets all of the conditions of subparagraphs (A), (B), and (C) below:

(A) The alien child resides in the same household as a parent who has been battered or subjected to extreme cruelty in the United States by that parent's spouse or by a member of the spouse's family residing in the

same household as the parent and the spouse consented or acquiesced to such battery or cruelty. For purposes of this subsection, the term "battered or subjected to extreme cruelty" includes, but is not limited to being the victim of any act or threatened act of violence including any forceful detention, which results or threatens to result in physical or mental injury. Rape, molestation, incest (if the victim is a minor), or forced prostitution shall be considered as acts of violence.

(B) There is a substantial connection between such battery or cruelty and the need for the benefits to be provided in the opinion of the Emergency Medical Services Authority. For purposes of this subsection, the following circumstances demonstrate a substantial connection between the battery or cruelty and the need for the benefits to be provided:

1. The benefits are needed to enable the alien child's parent to become self–sufficient following separation from the abuser.

2. The benefits are needed to enable the alien child's parent to escape the abuser and/or the community in which the abuser lives, or to ensure the safety of the alien child's parent from the abuser.

3. The benefits are needed due to a loss of financial support resulting from the alien child's parent's separation from the abuser.

4. The benefits are needed because the battery or cruelty, separation from the abuser, or work absences or lower job performance resulting from the battery or extreme cruelty from legal proceedings relating thereto (including resulting child support, child custody, and divorce actions) cause the alien child's parent to lose his or her job or to earn less or to require the alien child's parent to leave his or her job for safety reasons.

5. The benefits are needed because the alien child's parent requires medical attention or mental health counseling, or has become disabled, as a result of the battery or extreme cruelty.

6. The benefits are needed because the loss of a dwelling or source of income or fear of the abuser following separation from the abuser jeopardizes the alien child's parent's ability to care for his or her children (e.g., inability to house, feed, or clothe children or to put children into day care for fear of being found by the abuser).

7. The benefits are needed to alleviate nutritional risk or need resulting from the abuse or following separation from the abuser.

8. The benefits are needed to provide medical care during a pregnancy resulting from the abuser's sexual assault or abuse of, or relationship with, the alien child's parent and/or to care for any resulting children.

9. Where medical coverage and/or health care services are needed to replace medical coverage or health care services the alien child's parent had when living with the abuser.

(C) The alien child meets the requirements of subsection (c)(8)(C) above.

(d) For purposes of this section, "nonimmigrant" is defined the same as in Section 101(a)(15) of the INA (8 U.S.C. Section 1101(a)(15)).

(e) For purposes of establishing eligibility for paramedic licensure as described in Section 1797.172 of Division 2.5 of the Health and Safety Code, the following requirements must be met:

(1) The applicant must declare himself or herself to be a citizen of the United States or a qualified alien under subsection (c), a nonimmigrant alien under subsection (d), or an alien paroled into the United States for less than one year under Section 212(d)(5) of the INA (8 U.S.C. § 1182(d)(5)). The applicant shall declare that status through use of the "Statement of Citizenship, Alienage, and Immigration Status for State Public Benefits," Form IS–01 (4/98, incorporated by reference).

(2) The applicant must present documents of a type acceptable to the Immigration and Naturalization Service (INS) which serve as a reasonable evidence of the applicant's declared status. A fee receipt from the INS for replacement of a lost, stolen, or unreadable INS document is reasonable evidence of the alien's declared status.

(3) The applicant must complete and sign Form IS–01.

(4) Where the documents presented do not on their face appear to be genuine or to relate to the individual presenting them, the government entity that originally issued the documents shall be contacted for verification. With regard to naturalized citizens and derivative citizens presenting certificates of citizenship and aliens, the INS is the appropriate government entity to contact for verification. The Emergency Medical Services Authority shall request verification from the INS by filing INS Form G–845 with copies of the pertinent documents provided by the applicant with the local INS office. If the applicant has lost his or her original documents or presents expired documents or is unable to present any documentation evidencing his or her immigration status, the applicant shall be referred to the local INS office to obtain documentation.

(5) The type of documentation referred to the INS for verification pursuant to INS Form G–845 shall include the following:

(A) The document presented indicates immigration status but does not include an alien registration or alien admission number.

(B) The document is suspected to be counterfeit or to have been altered.

(C) The document includes an alien registration number in the A60 000 000 (not yet issued) or A80 000 000 (illegal border crossing) series.

(D) The document is one of the following: an INS Form I–181b notification letter issued in connection with an INS Form I–181 Memorandum of Creation of Record of Permanent Residence, an Arrival–Departure Record (INS Form I–94) or a foreign passport stamped "PROCESSED FOR I–551, TEMPORARY EVIDENCE OF LAWFUL PERMANENT RESIDENCE" that INS issued more than one year before the date of application for paramedic licensure.

(6) If the INS advises that the applicant has citizenship status or immigration status which makes him or her a qualified alien, a nonimmigrant or alien paroled for less than one year under section 212(d)(5) of the INA, the INS verification shall be accepted. If the INS advises that it cannot verify that the applicant has citizenship status or an immigration status that makes him or her a qualified alien, a nonimmigrant or an alien paroled for less than one year under section 212(d)(5) of the INA, benefits shall be denied and the applicant notified pursuant to the paramedic licensure program's regular procedures of his or her rights to appeal the denial of benefits.

(f) Pursuant to Section 434 of the PRWORA (8 U.S.C. § 1644), where the Emergency Medical Services Authority reasonably believes that an alien is unlawfully in the state based on the failure of the alien to provide reasonable evidence of the alien's declared status, after an opportunity to do so, said alien shall be reported to the Immigration and Naturalization Service.

(g) Provided that the applicant has completed and signed all licensure applications pursuant to Section (e)(1) under penalty of perjury, and has met all state eligibility requirements, eligibility for paramedic licensure shall not be delayed, denied, reduced or terminated while the status of the applicant is verified.

(h) Any applicant who is eligible for paramedic licensure, and whose license is denied or revoked pursuant to subsections (b) and (e), is entitled to a hearing, pursuant to CCR Title 22, Division 9, Chapter 4, Section 100175, and Division 2.5 of the Health and Safety Code, Chapter 7, Sections 1798.204 and 1798.207.

HISTORY

1. New section filed 5–3–88; operative 6–2–88 (Register 88, No. 19).
2. Renumbering of former section 100206 to section 100202 and renumbering and amendment of former section 100213 to section 100206 filed 2–2–2000; operative 3–3–2000 (Register 2000, No. 5).

Article 2. General Provisions

§ 100207. Application of Chapter.

(a) The medical director shall adhere to the provisions of this chapter when implementing any of the following disciplinary actions:

(1) Denying a certificate;

(2) Placing a certificate holder on probation;

(3) Suspending a certificate; or

(4) Revoking a certificate.

(b) In order to place a certificate holder on probation or deny, suspend, or revoke a certificate, the medical director must first determine there exists a threat to the public health and safety, as evidenced by the occurrence of any of the actions listed in Section 1798.200(c) of Division 2.5 by the applicant or certificate holder.

(c) An application for certification or recertification shall be denied without prejudice and does not require an IRP, when an applicant does not meet the requirements for certification or recertification, including but not limited to, failure to pass a certification or recertification examination, lack of sufficient continuing education or documentation of a completed refresher course, failure to furnish additional information or documents requested by the certifying authority, or failure to pay any required fees. The denial shall be in effect until all requirements for certification or recertification are met. If a certificate expires before recertification requirements are met, the certificate shall be deemed a lapsed certificate and subject to the provisions of a lapsed certificate.

(d) Nothing in this chapter shall be construed to limit the authority of a base hospital medical director to provide supervision and medical control for prehospital emergency medical care personnel as specified in local medical control policies and procedures developed pursuant to requirements of Division 2.5 and Chapters 3 and 4 of this division for medical control and supervision.

1. New section filed 5–3–88; operative 6–2–88 (Register 88, No. 19).
2. Relocation of article 2 heading from section 100215 to section 100207, renumbering of former section 100207 to section 100203 and renumbering of former section 100215 to section 100207, including amendment of section and NOTE, filed 2–2–2000; operative 3–3–2000 (Register 2000, No. 5).

§ 100208. Substantial Relationship Criteria for the Denial, Placement on Probation, Suspension, or Revocation of a Certificate.

(a) For the purposes of denial, placement on probation, suspension, or revocation of a certificate, pursuant to Section 1798.200 of Division 2.5, a crime or act shall be considered to be substantially related to the qualifications, functions, or duties of a certificate holder if to a substantial degree it evidences present or potential unfitness of a certificate holder to perform the functions authorized by the certificate in a manner consistent with the public health and safety.

(b) For the purposes of a crime, the record of conviction or a certified copy of the record shall be conclusive evidence of such conviction.

(1) "Crime" means any act in violation of the penal laws of this state, any other state, or federal laws. This also means violation(s) of any statute which impose criminal penalties for such violations.

(2) "Conviction" means the final judgement on a verdict of finding of guilty, a plea of guilty, or a plea of nolo contendere.

2. Repealer and new section filed 2–2–2000; operative 3–3–2000 (Register 2000, No. 5).

§ 100209. Jurisdiction of Medical Director.

(a) The medical director may take disciplinary action, according to the provisions of this chapter, against a certificate holder for which any of the following conditions is true:

(1) the certificate was issued by the local EMS agency for which s/he is the designated medical director; or

(2) the certificate holder utilizes or has utilized the certificate or the skills authorized by the certificate, including certificates issued by public safety agencies, within the jurisdiction of that medical director.

(b) For an action against a multiple certificate holder, the medical director shall determine, according to the circumstances of the case and the nature of the threat to the public health and safety, whether the action shall apply to one certificate or multiple certificates.

(c) If the medical director takes any disciplinary action which affects a certificate, the medical director shall notify the EMS Authority of the findings of the investigation and the disciplinary action taken using Form EMSA–CRI (Revised 10/01).

   To facilitate accurate identification of the certificate holder, please provide the individual's certification number and the individual's Social Security number.

3. **AFFECTED CERTIFICATE:**

   Check EMT-I or EMT-II to indicate the affected certificate. Specify the effective date of certification and the name of the agency that issued the certificate. If the affected certificate is for EMT-II, please indicate whether or not the certificate holder may continue to work as an EMT-I.

4. **TYPE OF ACTION TAKEN:**

   Check whether the action being reported is a new action or a modification of a previous action (i.e., If you previously reported the immediate suspension of a certificate and you are now reporting that the certificate has been revoked, check "modified action.") Then check the appropriate box(es) to indicate which of the following action(s) is being reported. Provide the additional information as indicted for each type of action.

   Immediate Suspension: Specify the date that the immediate suspension took effect.

   Probation: If probation is for a specific time period, check the top box and indicate the specific dates that the probation will be in effect. If the probation will require that a special requirement (such as completion of specific training, etc.) be met prior to reinstatement, check the second box and note the requirements on the line provided (i.e. complete 10 supervised ALS contacts, etc.)

   Suspension: Follow the instructions given above for the probation.

   Revocation: Specify the effective date of the revocation.

   Denial: Specify the date that the certificate was denied. Note: Report denials only if the denial if for one of the reasons listed in Section 1798.200 of the Health and Safety Code. A routine denial for failure to meet any basic certification requirement (i.e., completion of training, passage of certification exam, provision of required documentation, etc.) is not a negative certification action and should not be reported on this form.

   Reinstatement: Specify the date that the reinstatement was/will be effective.

5. **REASON(S) FOR NEGATIVE CERTIFICATION ACTION:**

   Specify the reason(s) the individual presents a threat to the public health and safety as safety as listed in Section 1798.200 of the Health and Safety Code. **These are only valid reasons for taking a negative certification action under the law.** If you are taking a negative certification for any reason that does not appear to be covered by the listed reason, please call the EMS Authority for clarification of applicable policy before completing the action.

6. **LOCAL EMS AGENCY INFORMATION:**

   Provide the name of the local EMS Agency taking the negative action and have the medical director sign and date the negative action report. Also provide the name and phone number of the person who should be contacted if further information is needed regarding the action.

Article 3. Evaluation and Investigation

§ 100210. Evaluation of Information.

(a) The medical director shall evaluate information received from a credible source, including information obtained from an application, medical audit or complaint, alleging or indicating the possibly of a threat to the public health and safety by the action of an applicant for, or holder of, a certificate issued pursuant to Division 2.5.

(b) If the medical director determines, following evaluation of the information, that further inquiry into the situation is necessary or that disciplinary action may be warranted, the medical director may conduct an investigation of the allegations.

HISTORY

1. New section filed 5–3–88; operative 6–2–88 (Register 88, No. 19).
2. Relocation and amendment of article 3 heading from section 100219 to section 100210, renumbering of former section 100210 to section 100205 and renumbering and amendment of former section 100219 to section 100210 filed 2–2–2000; operative 3–3–2000 (Register 2000, No. 5).

§ 100211. Use of an Investigative Review Panel (IRP).

(a) If, at any time during the medical director's review or investigation, the medical director determines, in his/her expert opinion, that the facts support placing a certificate holder on probation or the denial, suspension or revocation of a certificate, the medical director may convene an IRP to assist in establishing the facts of the case and to report its findings and recommendation to the medical director. Prior to the IRP hearing, the medical director shall not discuss the case with any IRP member.

(b) If the medical director does not convene an IRP prior to making a final decision to place a certificate holder on probation or deny, suspend, or revoke a certificate, the applicant for, or holder of, a certificate may, within fifteen (15) calendar days of the date that written notification of the decision to take disciplinary action is received, request in writing that an IRP be convened. Within thirty (30) days of receipt of such a request, the medical director shall convene an IRP to review the facts of the case and make a recommendation.

(c) The IRP shall consist of at least three (3) persons. IRP members must be knowledgeable in the provision of prehospital emergency medical care and EMS system policies and procedures, including all provisions of this chapter. One (1) member of the IRP shall be mutually agreed upon by the certificate holder and the medical director, if the certificate holder so requests. The IRP shall not include the local EMS agency medical director, any staff of the local EMS agency, or anyone who submitted allegations against the certificate holder or was directly involved in any incident which is included in the investigation.

(d) An IRP member shall voluntarily disqualify herself/himself and withdraw from any case in which s/he cannot accord a fair and impartial review. The applicant for, or holder of, a certificate may request, in writing within seven (7) days of receipt of notice of the date of the IRP, the disqualification of any IRP member. The request must state the reasons upon which it is claimed that a fair and impartial review cannot be accorded. The medical director shall determine within three (3) days of receipt of the request whether the evidence warrants approval of the request to disqualify the specified IRP member and so notify the requestor by certified mail prior to the date of the IRP.

(e) Prior to the conduct of the IRP hearing, the applicant or certificate holder who is under investigation or any representative of the applicant/certificate holder is prohibited from contacting any person chosen to serve on the IRP and IRP members are prohibited from contacting the applicant or certificate holder who is under investigation or any representative of the applicant/certificate holder.

(f) A notice, along with a copy of this chapter and any other policies or procedures established by the local EMS agency for implementation of the provisions of this chapter, shall be sent by certified mail to the certificate holder and his/her relevant employer(s) at least ten (10) days prior to the IRP. The notice shall state the following:

(1) the purpose of the IRP;

(2) membership of the IRP and provisions for disqualification of a member of the IRP;

(3) date, time, and location of the IRP review;

(4) applicant's/certificate holder's right to be present during the presentation of any testimony before the IRP;

(5) applicant's/certificate holder's right to call witnesses and to cross examine witnesses called by the medical director to give testimony before the IRP;

(6) applicant's/certificate holder's right to be represented by legal counsel at the IRP or to be accompanied to the IRP by any other person of the applicant's/certificate holder's choosing to provide advice and support; and

(7) applicant's/certificate holder's right to present an oral and/or written argument and present and rebut relevant evidence.

(8) applicant's/certificate holder's right to request that the IRP be open to the public.

(g) A hearing record of the IRP proceedings shall be prepared and may be done by stenographic reporter or electronic recording.

(h) The IRP shall be closed to the public unless the applicant/certificate holder requests the hearing be open to the public. However, a member of the IRP may order closure of all, or any part of, the proceedings for any of the following reasons:

(1) To satisfy the federal or state Constitution, statute or other law, including but not limited to, laws protecting privileged, confidential, or other protected information.

(2) To conduct the proceedings, including the manner of examining witnesses, in a way that is appropriate to protect a minor witness or a witness with a developmental disability, as defined in Section 4512 of the Welfare and Institutions Code, from intimidation or other harm, taking into account the rights of all persons.

(i) The IRP shall assess all the available information on the matter in order to establish the facts of the case and shall make a written report of its findings and recommendation to the medical director. The report shall be submitted to the medical director within fifteen (15) days of the date of the IRP review.

(j) In lieu of an IRP, the local EMS agency may contract with the Office of Administrative Hearings of the State of California for the services of an administrative law judge or a hearing officer to conduct proceedings pursuant to this chapter.

Article 4. Determination and Notification of Action

§ 100212. Determination of Disciplinary Action by Medical Director.

(a) The medical director shall determine what disciplinary action, if any, relative to the individual's certificate(s) shall be taken as a result of the findings of the investigation.

(b) Upon determining the disciplinary action to be taken relative to an individual's certificate(s), the medical director shall complete, and place in the record, a statement certifying the decision made by him/her and the date the decision was made. The decision must contain findings of fact and a determination of issues, together with the disciplinary action and the date the disciplinary action shall take effect. An immediate suspension shall take effect upon the date the notice required by Section 100213

of this chapter is mailed to the certificate holder. For all other disciplinary actions, the effective date shall be thirty (30) days from the date the notice is mailed to the applicant for, or holder of, a certificate unless an IRP is requested. If an IRP is requested, the effective date of the disciplinary action shall be thirty (30) days from the date the notification is mailed to the applicant for, or holder of, a certificate of the medical director's final decision following the IRP. The statement shall include the signature of the medical director, the date signed, and the location where the statement was signed.

§ 100213. Immediate Suspension.

(a) A medical director may immediately suspend a certificate if, in the opinion of the medical director, immediate suspension is necessary to ensure the public health and safety.

(b) Prior to or concurrent with initiation of an immediate suspension of a certificate, the certificate holder and his/her relevant employer(s), shall be notified as specified in Section 100217 of this chapter. The notice shall be served by certified mail or in person.

(c) An individual whose certificate has been immediately suspended may request an IRP, if an IRP was not held prior to the immediate suspension. Such a request must be made in writing to the medical director and sent by certified mail within fifteen (15) days from the date written notification of the immediate suspension is received.

(d) In addition to the provisions of this section, the IRP convened to review the case for an immediate suspension shall operate pursuant to the requirements, with the exception of the time frames, for an IRP described in Section 200211 of this chapter.

(e) Within fourteen (14) days of receipt of the certificate holder's request, the medical director shall convene an IRP to review the facts which prompted the immediate suspension of the individual's certificate.

(f) The medical director shall present evidence for review by the IRP that prompted the immediate suspension.

(g) within seven (7) days of the IRP review of the facts which prompted the immediate suspension, the certificate holder shall be notified, by certified mail, of the IRP's findings and recommendation and the medical director's decision regarding continuation of the suspension.

§ 100214. Placement of a Certificate Holder on Probation.

Pursuant to Section 100207, the medical director may place a certificate holder on probation any time an infraction or performance deficiency occurs which indicates a need to monitor the individual's conduct in the EMS system in order to protect the public health and safety. The term of the probation and any conditions, such as satisfactory completion of remedial training, shall be determined by the medical director based on the facts of the case. The individual's performance shall be reviewed periodically during the probationary period, in accordance with local EMS agency policies and procedures.

1. Renumbering and amendment of former section 100224 to section 100214 filed 2–2–2000; operative 3–3–2000 (Register 2000, No. 5).

§ 100215. Suspension of a Certificate.

(a) The medical director may suspend an individual's EMT–I or EMT–II certificate for a specified period of time for actions listed in Section 1798.200(c) of Division 2.5 in order to protect the public health and safety.

(b) The term of the suspension and any conditions for reinstatement, such as satisfactory completion of remedial training, shall be determined by the medical director based on the facts of the case.

(c) Upon the expiration of the term of suspension, the individual's certificate shall be reinstated if all conditions for reinstatement have been met. If the conditions for reinstatement have not been met, or the individual cannot demonstrate that s/he retains the necessary knowledge and skills or it can be proven the individual practiced emergency medical care, pursuant to the certificate under suspension, during the term of suspension, the medical director shall continue the suspension until all conditions for reinstatement have been met may begin proceedings for further disciplinary action.

(d) If the suspension period will run past the expiration date of the certificate, the individual must meet the recertification requirements for certificate renewal prior to the expiration date of the certificate.

§ 100217. Notification of Action.

(a) For all action other than an immediate suspesnion, the medical director shall notify the applicant/certificate holder and his/her relevant employer(s) of the disciplinary action within ten (10) days after making the final determination of what that action shall be.

(b) The notification shall be served by certified mail or in person and shall include the following information:

(1) the specific allegations or evidence which resulted in the disciplinary action;

(2) a summary of the findings of the investigation, including the findings and recommendation of the IRP, if one was convened;

(3) the disciplinary action(s) to be taken, and the effective date(s) of the action(s), including the duration of the action(s);

(4) which certificate(s) the action applies to in cases of multiple certificate holders;

(5) a statement that the certificate holder must report the disciplinary action to any other local EMS agency in whose jurisdiction s/he uses the certificate;

(6) if the certificate holder has been placed on probation, a statement that, during the probationary period, the certificate holder must report the probation if s/he applies for certification or accreditation from another certifying authority or local EMS agency;

(7) if the certificate has been suspended, a statement that the certificate holder must report that suspension if s/he applies for any certification or accreditation from another certifying authority or local EMS agency; or

(8) if the certificate has been denied or revoked, a statement that s/he must report that action if s/he applies for any certification or accreditation from another certifying authority or local EMS agency, and that his/her application may be denied unless s/he presents documentation which, in the opinion of the medical director of the local EMS agency, demonstrates that the threat to the public health and safety which was the basis for the denial or revocation is no longer applicable;

(9) within fifteen (15) days of receipt of the final decision, the individual's right to file with the local EMS agency, in writing and by certified mail, a response to the final decision in which the individual may:

(A) concur with the disciplinary action; or

(B) request an IRP review of the disciplinary action if no IRP was convened.

(10) information on the IRP process, a copy of this chapter, and a copy of any local policies and procedures developed for local implementation of this chapter.

Chapter 7. Trauma Care Systems

Article 1. Definitions

§ 100236. Abbreviated Injury Scale.

"Abbreviated Injury Scale" or "AIS" is an anatomic severity scoring system. For the purposes of data sharing, the standard to be followed is AIS 90. For the purpose of volume performance measurement auditing, the standard to be followed is AIS 90 using AIS code derived or computer derived scoring.

NOTE: Authority cited: Sections 1797.107 and 1798.161, Health and Safety Code. Reference: Section 1798.161, Health and Safety Code.

HISTORY

1. New section filed 9–18–86, operative 10–18–86; Register 86, No. 38.
2. Repealer and new section filed 7–13–99; operative 8–12–99 (Register 99, No. 29).

§ 100237. Immediately Available.

"Immediately" or "immediately available" means:

(a) unencumbered by conflicting duties or responsibilities;

(b) responding without delay when notified; and

(c) being physically available to the specified area of the trauma center when the patient is delivered in accordance with local EMS agency policies and procedures.

NOTE: Authority cited: Sections 1797.107 and 1798.161, Health and Safety Code. Reference: Section 1798.161, Health and Safety Code.

HISTORY

1. New section filed 9–18–86, operative 10–18–86; Register 86, No. 38.
2. Repealer of section 100237 and renumbering and amendment of former section 100238 to section 100237 filed 7–13–99; operative 8–12–99 (Register 99, No. 29).

§ 100238. Implementation.

"Implementation" or "implemented" or "has implemented" means the development and activation of a trauma care system plan by a local EMS agency, including the actual triage, transport, and treatment of trauma patients in accordance with the plan.

NOTE: Authority cited: Sections 1797.107 and 1798.161, Health and Safety Code. Reference: Section 1798.161, Health and Safety Code.

1. New section filed 9–18–86, operative 10–18–86; Register 86, No. 38.
2. Renumbering of former section 100241 to section 100240 and renumbering and amendment of former section 100243 to section 100241 filed 7–13–99; operative 8–12–99 (Register 99, No. 29).

§ 100242. Qualified Specialist.

(a) "Qualified specialist" or "qualified surgical specialist" or "qualified non–surgical specialist" means a physician licensed in California who is board certified in a specialty by the American Board of Medical Specialties, the Advisory Board for Osteopathic Specialities, a Canadian board or other appropriate foreign specialty board as determined by the American Board of Medical Specialties for that specialty.

(b) A non–board certified physician may be recognized as a "qualified specialist" by the local EMS agency upon substantiation of need by a trauma center if:

(1) the physician can demonstrate to the appropriate hospital body and the hospital is able to document that he/she has met requirements which are equivalent to those of the Accreditation Council for Graduate Medical Education (ACGME) or the Royal College of Physicians and Surgeons of Canada;

(2) the physician can clearly demonstrate to the appropriate hospital body that he/she has substantial education, training, and experience in treating and managing trauma patients which shall be tracked by the trauma quality improvement program; and

(3) the physician has successfully completed a residency program.

§ 100246. Service Area.

"Service area" means that geographic area defined by the local EMS agency in its trauma care system plan as the area served by a designated trauma center.

NOTE: Authority cited: Sections 1797.107 and 1798.161, Health and Safety Code. Reference: Section 1798.161, Health and Safety Code.

HISTORY

1. New section filed 9–18–86, operative 10–18–86; Register 86, No. 38.
2. Renumbering of former section 100246 to section 100244 and renumbering and amendment of former section 100248 to section 100246 filed 7–13–99; operative 8–12–99 (Register 99, No. 29).

§ 100247. Trauma Care System.

"Trauma care system" or "trauma system" or "inclusive trauma care system" means a system that is designed to meet the needs of all injured patients. The system shall be defined by the local EMS agency in its trauma care system plan as described in Section 100256 of this Chapter.

NOTE: Authority cited: Sections 1797.107 and 1798.161, Health and Safety Code. Reference: Sections 1798.160 and 1798.161, Health and Safety Code.

Article 2. Local EMS Agency Trauma System Requirements

§ 100253. Application of Chapter.

(a) A local EMS agency which has implemented or plans to implement a trauma care system shall develop a written trauma care system plan that includes policies and/or procedures to assure compliance of the trauma system with the provisions of this Chapter.

(b) A local EMS agency may specify additional requirements in addition to those specified in this Chapter.

(c) A local EMS agency that implements a trauma care system on or after the effective date of this Chapter shall submit its trauma system plan to the EMS Authority and have it approved prior to implementation.

(d) A local EMS agency that has implemented a trauma system prior to the effective date of the revisions to this Chapter shall submit its updated trauma system plan to the EMS Authority within two (2) years of the effective date of the revisions to this Chapter, which is August 12, 1999.

(e) The EMS Authority shall notify the local EMS agency submitting its trauma care system plan within fifteen (15) days of receiving the plan that:

(1) its plan has been received, and

(2) it contains or does not contain the information requested in Section 100255 of this Chapter.

(f) The EMS Authority shall:

(1) notify the local EMS agency either of approval or disapproval of its trauma system plan within sixty (60) days of receipt of the plan; and

(2) provide written notification of approval or the reasons for disapproval of a trauma system plan.

(g) If the EMS Authority disapproves a trauma system plan, the local EMS agency shall have six (6) months from the date of notification of the disapproval to submit a revised trauma system plan which conforms to this Chapter or to appeal the decision to the Commission on Emergency Medical Services (EMS) which shall make a determination within four (4) months of receipt of the appeal. If a revised trauma system plan is approved by the EMS Authority, the local EMS agency shall begin implementation of the plan within six (6) months of its approval.

(h) If the EMS Authority determines that a local EMS agency has failed to implement the trauma system in accordance with the approved plan, the approval of the plan may be withdrawn. The local EMS agency may appeal the decision to the Commission on EMS, which shall make a determination within six (6) months of the appeal.

(i) After approval of a trauma system plan, the local EMS agency shall submit to the EMS Authority for approval any significant changes to that trauma system plan prior to the implementation of the changes. In those instances where a delay in approval would adversely impact the current level of trauma care, the local EMS agency may institute the changes and then submit the changes to the EMS Authority for approval within thirty (30) days of their implementation.

(j) The local EMS agency shall submit a trauma system status report as part of its annual EMS Plan update. The report shall address, at a minimum, the status of trauma plan goals and objectives.

(k) No health care facility shall advertise in any manner or otherwise hold themselves out to be a trauma center unless they have been so designated by the local EMS agency, in accordance with this Chapter.

(*l*) No provider of prehospital care shall advertise in any manner or otherwise hold themselves out to be affiliated with the trauma system or a trauma center unless they have been so designated by the local EMS agency, in accordance with this Chapter.

NOTE: Authority cited: Sections 1797.107 and 1798.161, Health and Safety Code. Reference: Sections 1798.257, 1798.161, 1798.163 and 1798.166, Health and Safety Code.

HISTORY

1. New section filed 9–18–86, operative 10–18–86; Register 86, No. 38.
2. Renumbering of former section 100253 to section 100252 and renumbering and amendment of former section 100254 to section 100253, including amendment and repositioning of article 2 heading to precede section 100253, filed 7–13–99; operative 8–12–99 (Register 99, No. 29).

§ 100254. Trauma System Criteria.

(a) A local EMS agency that plans to implement or modify a trauma system shall include with the trauma plan, a description of the rationale used for trauma system design planning for number and location of trauma centers including:

(1) projected trauma patient volume and projected number and level of trauma centers necessary to provide access to trauma care;

(A) No more than one (1) Level I or Level II trauma center shall be designated for each 350,000 population within the service area.

(B) Where geography and population density preclude compliance with subsection (a)(1)(A), exemptions may be granted by the EMS Authority with the concurrence of the Commission on EMS on the basis of documented local needs.

(2) resource availability to meet staffing requirements for trauma centers;

(3) transport times;
(4) distinct service areas; and
(5) coordination with neighboring trauma systems.

(b) The local EMS agency may authorize the utilization of air transport within its jurisdiction to geographically expand the primary service area(s) provided that the expanded service area does not encroach upon another trauma system, or that of another trauma center, unless written agreements have been executed between the involved local EMS agencies and/or trauma centers.

(c) A local EMS agency may require trauma centers to have helicopter landing sites. If helicopter landing sites are required, then they shall be approved by the Division of Aeronautics, Department of Transportation pursuant to Division 2.5, Title 21 of the California Code of Regulations.

(d) All prehospital emergency medical care personnel rendering trauma patient care within an organized trauma system shall be trained in the local trauma triage and patient care methodology.

(e) All trauma patient transport vehicles shall be equipped with two-way telecommunications equipment capable of accessing hospitals, in accordance with local EMS agency policies regarding communication.

(f) All prehospital providers shall have a policy approved by the local EMS agency for the early notification of trauma centers of the impending arrival of a trauma patient.

2. Renumbering of former section 100254 to section 100253, including repositioning of article 2 heading to precede section 100253 and renumbering and amendment of former section 100255 to section 100254, filed 7–13–99; operative 8–12–99 (Register 99, No. 29).

§ 100255. Policy Development.

A local EMS agency planning to implement a trauma system shall develop policies which provide a clear understanding of the structure of the trauma system and the manner in which it utilizes the resources available to it. The trauma system policies shall address at least the following:

(a) system organization and management;
(b) trauma care coordination within the trauma system;
(c) trauma care coordination with neighboring jurisdictions, including EMS agency/system agreements;
(d) data collection and management;
(e) fees, including those for application, designation and redesignation, monitoring and evaluation;
(f) establishment of service areas for trauma centers;
(g) trauma center designation/redesignation process to include a written agreement between the local EMS agency and the trauma center;
(h) coordination with all health care organizations within the trauma system to facilitate the transfer of an organization member in accordance with the criteria set forth in Article 5 of this Chapter;
(i) coordination of EMS and trauma system for transportation including intertrauma center transfer and transfers from a receiving hospital to a trauma center;
(j) the integration of pediatric hospitals, if applicable;
(k) trauma center equipment;
(l) ensuring the availability of trauma team personnel;
(m) criteria for activation of trauma team;
(n) mechanism for prompt availability of specialists;
(o) quality improvement and system evaluation to include responsibilities of the multidisciplinary trauma peer review committee;
(p) criteria for pediatric and adult trauma triage, including destination;
(q) training of prehospital EMS personnel to include trauma triage;
(r) public information and education about the trauma system;
(s) marketing and advertising by trauma centers and prehospital providers as it relates to the trauma care system; and
(t) coordination with public and private agencies and trauma centers in injury prevention programs.

§ 100256. Trauma Plan Development.

(a) The initial plan for a trauma care system that is submitted to the EMS Authority shall be comprehensive with objectives that shall be clearly stated. The initial trauma care system plan shall contain at least the following:

(1) Summary of the plan;
(2) organizational structure;
(3) needs assessment;
(4) inclusive trauma system design, which includes those facilities involved in the care of acutely injured patients, including coordination with neighboring agencies;
(5) documentation that any intercounty trauma center agreements have been approved by the EMS agencies of both counties;
(6) objectives;
(7) implementation schedule;
(8) fiscal impact of the system;
(9) policy and plan development process;
(10) written documentation of local approval; and
(11) table of contents identifying where the information in this Section and Sections 100254, 100255 and 100257 of this Chapter can be found in the plan.

(b) The system design shall address the operational implementation of the policies developed pursuant to Section 100255 and the following aspects of hospital service delivery:

(1) Critical care capability including but not limited to burns, spinal cord injury, rehabilitation and pediatrics;
(2) medical organization and management; and
(3) quality improvement.

(c) A local EMS agency shall advise the EMS Authority when there are changes or revisions in policy or plan development pursuant to the sections of this Article.

§ 100257. Data Collection.

(a) The local EMS agency shall develop and implement a standardized data collection instrument and implement a data management system for trauma care.

(1) The system shall include the collection of both prehospital and hospital patient care data, as determined by the local EMS agency;
(2) trauma data shall be integrated into the local EMS agency and State EMS Authority data management system; and
(3) all hospitals that receive trauma patients shall participate in the local EMS agency data collection effort in accordance with local EMS agencies policies and procedures.

(b) The prehospital data shall include at least those data elements required on the EMT–II or EMT–P patient care record, as specified in Section 100129 of the EMT–II regulations and Section 100176 of the EMT–P regulations.

(c) The hospital data shall include at least the following, when applicable:

(1) Time of arrival and patient treatment in:
(A) Emergency department or trauma receiving area; and
(B) operating room.
(2) Dates for:
(A) Initial admission;

(B) intensive care; and
(C) discharge.
(3) Discharge data, including:
(A) Total hospital charges (aggregate dollars only);
(B) patient destination; and
(C) discharge diagnosis.
(4) The local EMS agency shall provide periodic reports to all hospitals participating in the trauma system.

2. Renumbering of former section 100257 to section 100256 and renumbering and amendment of former section 100258 to section 100257 filed 7–13–99; operative 8–12–99 (Register 99, No. 29).

§ 100258. Trauma System Evaluation.

(a) The local EMS agency shall be responsible for the development and ongoing evaluation of the trauma system.
(b) The local EMS agency shall be responsible for the development of a process to receive information from EMS providers, participating hospitals and the local medical community on the evaluation of the trauma system, including but not limited to:
(1) trauma plan;
(2) triage criteria;
(3) activation of trauma team; and
(4) notification of specialists.
(c) The local EMS agency shall be responsible for periodic performance evaluation of the trauma system, which shall be conducted at least every two (2) years. Results of the trauma system evaluation shall be made available to system participants.
(d) The local EMS agency shall be responsible for ensuring that trauma centers and other hospitals that treat trauma patients participate in the quality improvement process contained in Section 100265.

2. Renumbering of former section 100258 to section 100257 and renumbering and amendment of former section 100259 to section 100258 filed 7–13–99; operative 8–12–99 (Register 99, No. 29).

Article 3. Trauma Center Requirements

§ 100259. Level I and Level II Trauma Centers.

(a) A Level I or II trauma center is a licensed hospital which has been designated as a Level I or II trauma center by the local EMS agency. While both Level I and II trauma centers are similar, a Level I trauma center is required to have staff and resources not required of a Level II trauma center. The additional Level I requirements are located in Section 100260. Level I and II trauma centers shall have appropriate pediatric equipment and supplies and be capable of initial evaluation and treatment of pediatric trauma patients. Trauma centers without a pediatric intensive care unit, as outlined in (e)(1) of this section, shall establish and utilize written criteria for consultation and transfer of pediatric patients needing intensive care. A Level I or Level II trauma center shall have at least the following:
(1) A trauma program medical director who is a board–certified surgeon, whose responsibilities include, but are not limited to, factors that affect all aspects of trauma care such as:
(A) recommending trauma team physician privileges;
(B) working with nursing and administration to support the needs of trauma patients;
(C) developing trauma treatment protocols;
(D) determining appropriate equipment and supplies for trauma care;
(E) ensuring the development of policies and procedures to manage domestic violence, elder and child abuse and neglect;
(F) having authority and accountability for the quality improvement peer review process;
(G) correcting deficiencies in trauma care or excluding from trauma call those trauma team members who no longer meet standards;
(H) coordinating pediatric trauma care with other hospital and professional services;
(I) coordinating with local and State EMS agencies;
(J) assisting in the coordination of the budgetary process for the trauma program; and
(K) identifying representatives from neurosurgery, orthopaedic surgery, emergency medicine, pediatrics and other appropriate disciplines to assist in identifying physicians from their disciplines who are qualified to be members of the trauma program.
(2) A trauma nurse coordinator/manager who is a registered nurse with qualifications including evidence of educational preparation and clinical experience in the care of the adult and/or pediatric trauma patient, administrative ability, and responsibilities that include but are not limited to:
(A) organizing services and systems necessary for the multidisciplinary approach to the care of the injured patient;
(B) coordinating day–to–day clinical process and performance improvement as it pertains to nursing and ancillary personnel; and
(C) collaborating with the trauma program medical director in carrying out the educational, clinical, research, administrative and outreach activities of the trauma program.
(3) A trauma service which can provide for the implementation of the requirements specified in this Section and provide for coordination with the local EMS agency.
(4) A trauma team, which is a multidisciplinary team responsible for the initial resuscitation and management of the trauma patient.
(5) Department(s), division(s), service(s) or section(s) that include at least the following surgical specialities, which are staffed by qualified specialists:
(A) general;
(B) neurologic;
(C) obstetric/gynecologic;
(D) opthalmologic;
(E) oral or maxillofacial or head and neck;
(F) orthopaedic;
(G) plastic; and
(H) urologic
(6) Department(s), division(s), service(s) or section(s) that include at least the following non–surgical specialities, which are staffed by qualified specialists:
(A) anesthesiology;
(B) internal medicine;
(C) pathology;
(D) psychiatry; and
(E) radiology;
(7) An emergency department, division, service or section staffed with qualified specialists in emergency medicine who are immediately available.
(8) Qualified surgical specialist(s) or specialty availability, which shall be available as follows:
(A) general surgeon capable of evaluating and treating adult and pediatric trauma patients shall be immediately available for trauma team activation and promptly available for consultation;
(B) On–call and promptly available:
1. neurologic;
2. obstetric/gynecologic;
3. ophthalmologic;
4. oral or maxillofacial or head and neck;
5. orthopaedic;
6. plastic;
7. reimplantation/microsurgery capability. This surgical service may be provided through a written transfer agreement; and

8. urologic.

(C) Requirements may be fulfilled by supervised senior residents as defined in Section 100245 of this Chapter who are capable of assessing emergent situations in their respective specialties.

When a senior resident is the responsible surgeon:

1. the senior resident shall be able to provide the overall control and surgical leadership necessary for the care of the patient, including initiating surgical care;

2. a staff trauma surgeon or a staff surgeon with experience in trauma care shall be on-call and promptly available;

3. a staff trauma surgeon or a staff surgeon with experience in trauma care shall be advised of all trauma patient admissions, participate in major therapeutic decisions, and be present in the emergency department for major resuscitations and in the operating room for all trauma operative procedures.

(D) Available for consultation or consultation and transfer agreements for adult and pediatric trauma patients requiring the following surgical services;

1. burns;

2.. cardiolthoracic;

3. pediatric;

4. reimplantation/microsurgery; and

5. spinal cord injury.

(9) Qualified non-surgical specialist(s) or specialty availability, which shall be available as follows:

(A) Emergency medicine, in-house and immediately available at all times. This requirement may be fulfilled by supervised senior residents, as defined in Section 100245 of this Chapter, in emergency medicine, who are assigned to the emergency department and are serving in the same capacity. In such cases, the senior resident(s) shall be capable of assessing emergency situations in trauma patients and of providing for initial resuscitation. Emergency medicine physicians who are qualified specialists in emergency medicine and are board certified in emergency medicine shall not be required by the local EMS agency to complete an advanced trauma life support (ATLS) course. Current ATLS verification is required for all emergency medicine physicians who provide emergency trauma care and are qualified specialists in a specialty other than emergency medicine.

(B) Anesthesiology. Level II shall be promptly available with a mechanism established to ensure that the anesthesiologist is in the operating room when the patient arrives. This requirement may be fulfilled by senior residents or certified registered nurse anesthetists who are capable of assessing emergent situations in trauma patients and of providing any indicated treatment and are supervised by the staff anesthesiologist. In such cases, the staff anesthesiologist on-call shall be advised about the patient, be promptly available at all times, and be present for all operations.

(C) Radiology, promptly available; and

(D) Available for consultation:

1. cardiology;

2. gastroenterology;

3. hematology;

4. infectious diseases;

5. internal medicine;

6. nephrology;

7. neurology;

8. pathology; and

9. pulmonary medicine.

(b) In addition to licensure requirements, trauma centers shall have the following service capabilities:

(1) Radiological service. The radiological service shall have immediately available a radiological technician capable of performing plain film and computed tomography imaging. A radiological service shall have the following additional services promptly available:

(A) angiography; and

(B) ultrasound.

(2) Clinical laboratory service. A clinical laboratory service shall have:

(A) a comprehensive blood bank or access to a community central blood bank; and

(B) clinical laboratory services immediately available.

(3) Surgical service. A surgical service shall have an operating suite that is available or being utilized for trauma patients and that has:

(A) Operating staff who are promptly available unless operating on trauma patients and back-up personnel who are promptly available; and

(B) appropriate surgical equipment and supplies as determined by the trauma program medical director.

(c) A Level I or Level II trauma center shall have a basic or comprehensive emergency service which has special permits issued pursuant to Chapter 1, Division 5 of Title 22. The emergency service shall:

(1) designate an emergency physician to be a member of the trauma team;

(2) provide emergency medical services to adult and pediatric patients; and

(3) have appropriate adult and pediatric equipment and supplies as approved by the director of emergency medicine in collaboration with the trauma program medical director.

(d) In addition to the special permit licensing services, a trauma center shall have, pursuant to Section 70301 of Chapter 1, Division 5 of Title 22 of the California Code of Regulations, the following approved supplemental services:

(1) Intensive Care Service:

(A) the ICU shall have appropriate equipment and supplies as determined by the physician responsible for the intensive care service and the trauma program medical director;

(B) The ICU shall have a qualified specialist promptly available to care for trauma patients in the intensive care unit. The qualified specialist may be a resident with two (2) years of training who is supervised by the staff intensivist or attending surgeon who participates in all critical decision making; and

(C) the qualified specialist in (B) above shall be a member of the trauma team.

(2) Burn Center. This service may be provided through a written transfer agreement with a Burn Center.

(3) Physical Therapy Service. Physical therapy services to include personnel trained in physical therapy and equipped for acute care of the critically injured patient.

(4) Rehabilitation Center. Rehabilitation services to include personnel trained in rehabilitation care and equipped for acute care of the critically injured patient. These services may be provided through a written transfer agreement with a rehabilitation center.

(5) Respiratory Care Service. Respiratory care services to include personnel trained in respiratory therapy and equipped for acute care of the critically injured patient.

(6) Acute hemodialysis capability.

(7) Occupational therapy service. Occupational therapy services to include personnel trained in occupational therapy and equipped for acute care of the critically injured patient.

(8) Speech therapy service. Speech therapy services to include personnel trained in speech therapy and equipped for acute care of the critically injured patient.

(9) Social Service.

(e) A trauma center shall have the following services or programs that do not require a license or special permit.

(1) Pediatric Service. In addition to the requirements in Division 5 of Title 22 of the California Code of Regulations, the pediatric service providing in-house pediatric trauma care shall have:

(A) a pediatric intensive care unit approved by the California State Department of Health Services' California Children Services (CCS); or a written transfer agreement with an approved pediatric intensive care unit. Hospitals without pediatric intensive care units shall establish and utilize

written criteria for consultation and transfer of pediatric patients needing intensive care; and

(B) a multidisciplinary team to manage child abuse and neglect.

(2) Acute spinal cord injury management capability. This service may be provided through a written transfer agreement with a Rehabilitation Center;

(3) Protocol to identify potential organ donors as described in Division 7, Chapter 3.5 of the California Health and Safety Code;

(4) An outreach program, to include:

(A) capability to provide both telephone and on-site consultations with physicians in the community and outlying areas; and

(B) trauma prevention for the general public;

(4) Written interfacility transfer agreements with referring and specialty hospitals;

(5) Continuing education. Continuing education in trauma care shall be provided for:

(A) staff physicians;

(B) staff nurses;

(C) staff allied health personnel;

(D) EMS personnel; and

(E) other community physicians and health care personnel.

2. Renumbering of former section 100259 to section 100258 and new article 3 (sections 100259-100264) and section 100259 filed 7-13-99; operative 8-12-99 (Register 99, No. 29).

§ 100260. Additional Level I Criteria.

In addition to the above requirements, a Level I trauma center shall have:

(a) One of the following patient volumes annually:

(1) a minimum of 1200 trauma program hospital admissions, or

(2) a minimum of 240 trauma patients per year whose Injury Severity Score (ISS) is greater than 15, or

(3) an average of 35 trauma patients (with an ISS score greater than 15) per trauma program surgeon per year.

(b) Additional qualified surgical specialists or specialty availability on-call and promptly available:

(1) cardiothoracic; and

(2) pediatrics;

(c) A surgical service that has at least the following:

(1) operating staff who are immediately available unless operating on trauma patients and back-up personnel who are promptly available.

(2) cardiopulmonary bypass equipment: and

(3) operating microscope.

(d) Anesthesiology immediately available. This requirement may be fulfilled by senior residents or certified registered nurse anesthetists who are capable of assessing emergent situations in trauma patients and of providing treatment and are supervised by the staff anesthesiologist.

(e) An intensive care unit with a qualified specialist in-house and immediately available to care for trauma patients in the intensive care unit. The qualified specialist may be a resident with two (2) years of training who is supervised by the staff intensivist or attending surgeon who participates in all critical decision making.

(f) A Trauma research program; and

(g) An ACGME approved surgical residency program.

HISTORY

1. New section filed 9-18-86, operative 10-18-86; Register 86, No. 38.
2. Repealer of article 5 (sections 100260-100262) and section and new section filed 7-13-99; operative 8-12-99 (Register 99, No. 29).

§ 100261. Level I and Level II Pediatric Trauma Centers.

(a) A Level I or II pediatric trauma center is a licensed hospital which has been designated as a Level I or II pediatric trauma center by the local EMS agency. While both Level I and II pediatric trauma centers are similar, a Level I pediatric trauma center is required to have staff and resources not required of a Level II pediatric trauma center. The additional Level I requirements for pediatric trauma centers are located in Section 100262. A Level I or Level II pediatric trauma center shall have at least the following:

(1) A pediatric trauma program medical director who is a board-certified surgeon with experience in pediatric trauma care (may also be trauma program medical director for adult trauma services), whose responsibilities include, but are not limited to, factors that affect all aspects of pediatric trauma care such as:

(A) recommending pediatric trauma team physician privileges;

(B) working with nursing and administration to support the needs of pediatric trauma patients;

(C) developing pediatric trauma treatment protocols:

(D) determining appropriate equipment and supplies for pediatric trauma care;

(E) ensuring the development of policies and procedures to manage domestic violence and child abuse and neglect;

(F) having authority and accountability for the pediatric trauma quality improvement peer review process;

(G) correcting deficiencies in pediatric trauma care or excluding from trauma call those trauma team members who no longer meet standards;

(H) coordinating pediatric trauma care with other hospital and professional services;

(I) coordinating with local and State EMS agencies;

(J) assisting in the coordination of the budgetary process for the trauma program; and

(K) identifying representatives from neurosurgery, orthopedic surgery, emergency medicine, pediatrics and other appropriate disciplines to assist in identifying physicians from their disciplines who have pediatric trauma care experience and who are qualified to be members of the pediatric trauma program.

(2) A pediatric trauma nurse coordinator/manager who is a registered nurse with qualifications (may also be trauma nurse coordinator/manager for adult trauma services) including evidence of educational preparation and clinical experience in the care of pediatric trauma patients, administrative ability, and responsibilities that include but are not limited to factors that affect all aspects of pediatric trauma care, including:

(A) organizing services and systems necessary for the multidisciplinary approach to the care of the injured child;

(B) coordinating day-to-day clinical process and performance improvement as it pertains to pediatric trauma nursing and ancillary personnel; and

(C) collaborating with the pediatric trauma program medical director in carrying out the educational, clinical, research, administrative and outreach activities of the pediatric trauma program.

(3) A pediatric trauma service which can provide for the implementation of the requirements specified in this section and provide for coordination with the local EMS agency.

(4) A pediatric trauma team, which is a multidisciplinary team responsible for the initial resuscitation and management of the pediatric trauma patient.

(A) the pediatric trauma team leader shall be a surgeon with pediatric trauma experience as defined by the trauma program medical director;

(B) the remainder of the team shall include physician, nursing and support personnel in sufficient numbers to evaluate, resuscitate, treat and stabilize pediatric trauma patients.

(5) Department(s), division(s), service(s) or section(s) that include at least the following surgical specialists and which are staffed by qualified specialists with pediatric experience:

A. neurologic;

B. obstetric/gynecologic (may be provided through a written transfer agreement with a hospital that has a department, division, service, or section that provides this service);

C. ophthalmologic;

D. oral or maxillofacial or head and neck;
E. orthopaedic;
F. pediatric;
G. plastic;
H. urologic; and
I. microsurgery/reimplantation (may be provided through a written transfer agreement with a hospital that has a department, division, service, or section that provides this service).

(6) Department(s), division(s), service(s), or section(s) that include at least the following non–surgical specialties which are staffed by qualified specialists with pediatric experience:
A. anesthesiology;
B. cardiology;
C. critical care;
D. emergency medicine;
E. gastroenterology;
F. general pediatrics;
G. hematology/oncology;
H. infectious disease;
I. neonatology;
J. nephrology;
K. neurology;
L. pathology;
M. psychiatry;
N. pulmonology;
O. radiology; and
P. rehabilitation/physical medicine. This requirement may be provided through a written agreement with a pediatric rehabilitation center.

(7) An emergency department, division, service or section staffed with qualified specialists in emergency medicine with pediatric trauma experience, who are immediately available.

(8) Qualified surgical specialist(s) or specialty availability, which shall be available as follows:

(A) Pediatric surgeon, capable of evaluating and treating pediatric trauma patients shall be immediately available for trauma team activation and promptly available for consultation. This requirement may be fulfilled by:

1. a staff pediatric surgeon with experience in pediatric trauma care; or

2. a staff trauma surgeon with experience in pediatric trauma care; or

3. a senior general surgical resident who has completed at least three clinical years of surgical residency training. When a senior resident is the responsible surgeon:

a. the senior resident shall be able to provide the overall control and surgical leadership necessary for the care of the patient, including initiating surgical care; and

b. a staff pediatric surgeon with experience in pediatric trauma care or a staff trauma surgeon with experience in pediatric trauma care shall be on–call and promptly available; and

c. a staff pediatric surgeon or a staff surgeon with experience in pediatric trauma care shall participate in major therapeutic decisions, be advised of all pediatric trauma patient admissions and be present in the emergency department for major resuscitations and in the operating room for all trauma operative procedures.

(B) On–call and promptly available with pediatric experience;

1. neurologic;

2. obstetric/gynecologic. This surgical service may be provided through a written transfer agreement;

3. ophthalmologic;

4. oral or maxillofacial or head and neck;

5. orthopaedic;

6. plastic;

7. reimplantation/microsurgery capability. This surgical service may be provided through a written transfer agreement;

8. urologic;

(C) Requirements may be fulfilled by supervised senior residents as defined in Section 100245 of this Chapter who are capable of assessing emergent situations in their respective specialties. When a senior resident is the responsible surgeon:

1. The senior resident shall be able to provide the overall control and surgical leadership necessary for the care of the patient, including initiating surgical care;

2. a staff trauma surgeon or a staff surgeon with experience in trauma care shall be on–call and promptly available;

3. a staff trauma surgeon or a staff surgeon with experience in trauma care shall be advised of all trauma patient admissions, participate in major therapeutic decisions, and be present in the emergency department for major resuscitations and in the operating room for all trauma operative procedures.

(D) Available for consultation or consultation and transfer agreements for pediatric trauma patients requiring the following surgical services;

1. burns;

2. cardiothoracic; and

3. spinal cord injury.

(9) Qualified nonsurgical specialist(s) or specialty availability, which shall be available as follows:

(A) Emergency medicine, in–house and immediately available at all times. This requirement may be fulfilled by a qualified specialist in pediatric emergency medicine; or a qualified specialist in emergency medicine with pediatric experience; or a subspecialty resident in pediatric emergency medicine who has completed at least one year of subspecialty residency education in pediatric emergency medicine. In such cases, the senior resident(s) shall be capable of assessing emergency situations in trauma patients and of providing for initial resuscitation. Emergency medicine physicians who are qualified specialists in emergency medicine and are board certified in emergency medicine or pediatric emergency medicine shall not be required by the local EMS agency to complete an advanced trauma life support course. Current ATLS verification is required for all emergency medicine physicians who provide emergency trauma care and are qualified specialists in a speciality other than emergency medicine. When a senior resident is the responsible emergency physician in–house:

1. a qualified specialist in pediatric emergency medicine, or emergency medicine with pediatric experience shall be promptly available; and

2. the qualified specialist on–call shall be notified of all patients who require resuscitation, operative surgical intervention, or intensive care unit admission.

(B) Anesthesiology, Level II shall be promptly available with a mechanism established to ensure that the anesthesiologist is in the operating room when the patient arrives. This requirement may be fulfilled by a senior resident or certified registered nurse anesthetists with pediatric experience who are capable of assessing emergent situations in pediatric trauma patients and of providing any indicated treatment and are supervised by the staff anesthesiologist. In such cases, the staff anesthesiologist with pediatric experience on–call shall be advised about the patient, be promptly available at all times, and be present for all operations.

(C) Radiology, promptly available; and

(D) Available for consultation or provided through transfer agreement, qualified specialists with pediatric experience:
a. adolescent medicine;
b. child development;
c. genetics/dysmorphology;
d. neuroradiology;
e. obstetrics;
f. pediatric allergy and immunology;
g. pediatric dentistry;
h. pediatric endocrinology;
i. pediatric pulmonology; and
j. rehabilitation/physical medicine.

(E) Pediatric critical care, in–house and immediately available. The in–house requirement may be fulfilled by:

1. a qualified specialist in pediatric critical care medicine; or

2. a qualified specialist in anesthesiology with experience in pediatric critical care;

3. a qualified surgeon with expertise in pediatric critical care; or

4. a physician who has completed at least two years of residency in pediatrics. When a senior resident is the responsible pediatric critical care physician then:

a. a qualified specialist in pediatric critical care medicine, or a qualified specialist in anesthesiology with experience in pediatric critical care, shall be on–call and promptly available; and;

b. the qualified specialist on–call shall be advised about all patients who may require admission to the pediatric intensive care unit and shall participate in all major therapeutic decisions and interventions;

(F) Qualified specialists with pediatric experience shall be on the hospital staff and available for consultation:

1. general pediatrics;
2. mental health;
3. neonatology;
4. nephrology;
5. pathology;
6. pediatric cardiology;
7. pediatric gastroenterology;
8. pediatric hematology/oncology;
9. pediatric infectious disease;
10. pediatric neurology; and
11. pediatric radiology.

(b) In addition to licensure requirements, pediatric trauma centers shall have the following service capabilities:

(1) Radiological service. The radiological service shall have in–house and immediately available a radiological technician capable of performing plain film and computed tomography imaging. A radiological service shall have the following additional services promptly available for children:

(A) angiography; and

(B) ultrasound.

(2) Clinical laboratory service. A clinical laboratory service shall have:

(A) a comprehensive blood bank or access to a community central blood bank; and

(B) clinical laboratory services immediately available with micro sampling capability.

(3) Surgical service. A surgical service shall have an operating suite that is available or being utilized for trauma patients and that has:

(A) Operating staff who are promptly available unless operating on a trauma patient and back up personnel who are promptly available; and

(B) appropriate surgical equipment and supplies as determined by the pediatric trauma program medical director.

(4) Nursing services that are staffed by qualified licensed nurses with education, experience, and demonstrated clinical competence in the care of critically ill and injured children.

(c) A Level I and II pediatric trauma center shall have a basic or comprehensive emergency service which have special permits issued pursuant to Chapter 1, Division 5 of Title 22. The emergency service shall:

(1) designate an emergency physician to be a member of the pediatric trauma team;

(2) provide emergency medical services to pediatric patients; and

(3) have appropriate pediatric equipment and supplies as approved by the director of emergency medicine in collaboration with the trauma program medical director.

(d) In addition to the special permit licensing services, a pediatric trauma center shall have, pursuant to Section 70301 of Chapter 1, Division 5 of Title 22 of the California Code of Regulations, the following approved supplemental services:

(1) Burn Center. This service may be provided through a written transfer agreement with a Burn Center;

(2) Physical Therapy Service. Physical therapy services to include personnel trained in pediatric physical therapy and equipped for acute care of the critically injured child;

(3) Rehabilitation Center. Rehabilitation services to include personnel trained in rehabilitation care and equipped for acute care of the critically injured patient. These services may be provided through a written transfer agreement with a rehabilitation center;

(4) Respiratory Care Service. Respiratory care services to include personnel trained in respiratory therapy and equipped for acute care of the critically injured patient;

(5) Acute hemodialysis capability;

(6) Occupational therapy service. Occupational therapy services to include personnel trained in pediatric occupational therapy and equipped for acute care of the critically injured child;

(7) Speech therapy service. Speech therapy services to include personnel trained in pediatric speech therapy and equipped for acute care of the critically injured child; and

(8) Social Service.

(e) A trauma center shall have the following services or programs that do not require a license or special permit.

(1) A Pediatric Intensive Care Unit (PICU) approved by the California State Department of Health Services California Children Services (CCS).

(A) The PICU shall have appropriate equipment and supplies as determined by the physician responsible for the pediatric intensive care service and the pediatric trauma program medical director;

(B) the pediatric intensive care specialist shall be promptly available to care for trauma patients in the intensive care unit; and

(C) the qualified specialist in (B) above shall be a member of the trauma team.

(2) Acute spinal cord injury management capability. This service may be provided through a written transfer agreement with a Rehabilitation Center;

(3) Protocol to identify potential organ donors as described in Division 7, Chapter 3.5 of the California Health and Safety Code;

(4) An outreach program, to include:

(A) capability to provide both telephone and on–site consultations with physicians in the community and outlying areas;

(B) trauma prevention for the general public;

(C) public education and illness/injury prevention education.

(5) written interfacility transfer agreements with referring and specialty hospitals; and

(6) continuing education. Continuing education in pediatric trauma care shall be provided for:

(A) staff physicians;

(B) staff nurses;

(C) staff allied health personnel;

(D) EMS personnel; and

(E) other community physicians and health care personnel.

(7) In addition to special permit licensing services, a pediatric trauma center shall have:

(A) outreach and injury prevention programs specifically related to pediatric trauma and injury prevention;

(B) a suspected child abuse and neglect team (SCAN);

(C) an aeromedical transport plan with designated landing site; and

(D) Child Life program.

§ 100262. Additional Level I Pediatric Trauma Criteria.

In addition to the above requirements, a Level I pediatric trauma center shall have:

(a) A pediatric trauma program medical director who is a board–certified pediatric surgeon, whose responsibilities include, but are not limited to, factors that affect all aspects of pediatric trauma care.

(b) Additional qualified pediatric surgical specialists or specialty availability on–call and promptly available:

(1) cardiothoracic;

(2) pediatric neurologic;

(3) pediatric ophthalmologic;

(4) pediatric oral or maxillofacial or head and neck; and

(5) pediatric orthopaedic,

(c) A surgical service that has at least the following:

(1) operating staff who are immediately available unless operating on trauma patients and back–up personnel who are promptly available.

(2) cardiopulmonary bypass equipment; and

(3) operating microscope.

(d) Additional qualified pediatric non–surgical specialist or specialty availability on–call and promptly available:

(1) pediatric anesthesiology;

(2) pediatric emergency medicine;

(3) pediatric gastroenterology;

(4) pediatric infectious disease;

(5) pediatric nephrology;

(6) pediatric neurology;

(7) pediatric pulmonology; and

(8) pediatric radiology.

(e) the qualified pediatric PICU specialist shall be immediately available, advised about all patients who may require admission to the PICU, and shall participate in all major therapeutic decisions and interventions;

(f) Anesthesiology shall be immediately available. This requirement may be fulfilled by a senior resident or certified registered nurse anaesthetists who are capable of assessing emergent situations in trauma patients and providing treatment and are supervised by the staff anesthesiologist.

(g) Pediatric trauma research program.

(h) Maintain an education rotation with an ACGME approved and affiliated surgical residency program.

§ 100263. Level III Trauma Centers.

A Level III trauma center is a licensed hospital which has been designated as a Level III trauma center by the local EMS agency. A Level III trauma center shall include equipment and resources necessary for initial stabilization and personnel knowledgeable in the treatment of adult and pediatric trauma. A Level III trauma center shall have at least the following:

(a) A trauma program medical director who is a qualified surgical specialist, whose responsibilities include, but are not limited to, factors that affect all aspects of trauma care such as:

(1) recommending trauma team physician privileges;

(2) working with nursing administration to support the nursing needs of trauma patients;

(3) developing trauma treatment protocols;

(4) having authority and accountability for the quality improvement peer review process;

(5) correcting deficiencies in trauma care or excluding from trauma call those trauma team members who no longer meet the standards of the quality improvement program; and

(6) assisting in the coordination of budgetary process for the trauma program.

(b) A trauma nurse coordinator/manager who is a registered nurse with qualifications including evidence of educational preparation and clinical experience in the care of adult and/or pediatric trauma patients, administrative ability, and responsibilities that include, but are not limited to:

(1) organizing services and systems necessary for the multidisciplinary approach to the care of the injured patient;

(2) coordinating day–to–day clinical process and performance improvement as pertains to nursing and ancillary personnel, and

(3) collaborating with the trauma program medical director in carrying out the educational, clinical, research, administrative and outreach activities of the trauma program.

(c) A trauma service which can provide for the implementation of the requirements specified in this Section and provide for coordination with the local EMS agency.

(d) The capability of providing prompt assessment, resuscitation and stabilization to trauma patients.

(e) The ability to provide treatment or arrange for transportation to a higher level trauma center as appropriate.

(f) An emergency department, division, service, or section staffed so that trauma patients are assured of immediate and appropriate initial care.

(g) Intensive Care Service:

(1) the ICU shall have appropriate equipment and supplies as determined by the physician responsible for the intensive care service and the trauma program medical director;

(2) the ICU shall have a qualified specialist promptly available to care for trauma patients in the intensive care unit. The qualified specialist may be a resident with two (2) years of training who is supervised by the staff intensivist or attending surgeon who participates in all critical decision making; and

(3) the qualified specialist in (2) above shall be a member of the trauma team;

(h) A trauma team, which will be a multidisciplinary team responsible for the initial resuscitation and management of the trauma patient.

(i) Qualified surgical specialist(s) who shall be promptly available:

(1) general;

(2) orthopedic; and

(3) neurosurgery (can be provided through a transfer agreement)

(j) Qualified non–surgical specialist(s) or speciality availability, which shall be available as follows:

(1) Emergency medicine, in–house and immediately available; and

(2) Anesthesiology, on–call and promptly available with a mechanism established to ensure that the anesthesiologist is in the operating room when the patient arrives. This requirement may be fulfilled by senior residents or certified registered nurse anesthetists who are capable of assessing emergent situations in trauma patients and of providing any indicated emergent anesthesia treatment and are supervised by the staff anesthesiologist. In such cases, the staff anesthesiologist on–call shall be advised about the patient, be promptly available at all times, and be present for all operations.

(3) The following services shall be in–house or may be provided through a written transfer agreement:

(A) Burn care.

(B) Pediatric care.

(C) Rehabilitation services.

(k) The following service capabilities:

(1) Radiological service. The radiological service shall have a radiological technician promptly available.

(2) Clinical laboratory service. A clinical laboratory service shall have:

(A) a comprehensive blood bank or access to a community central blood bank; and

(B) clinical laboratory services promptly available.

(3) Surgical service. A surgical service shall have an operating suite that is available or being utilized for trauma patients and that has:

(A) Operating staff who are promptly available; and

(B) appropriate surgical equipment and supplies requirements which have been approved by the local EMS agency.

(l) Written transfer agreements with Level I or II trauma centers, Level I or II pediatric trauma centers, or other specialty care centers, for the immediate transfer of those patients for whom the most appropriate medical care requires additional resources.

(m) An outreach program, to include:

(1) capability to provide both telephone and on-site consultations with physicians in the community and outlying areas; and

(2) trauma prevention for the general public.

(n) Continuing education. Continuing education in trauma care, shall be provided for:

(1) staff physicians;

(2) staff nurses;

(3) staff allied health personnel;

(4) EMS personnel; and

(5) other community physicians and health care personnel.

§ 100264. Level IV Trauma Center.

A Level IV trauma center is a licensed hospital which has been designated as a Level IV trauma center by the local EMS agency. A Level IV trauma center shall include equipment and resources necessary for initial stabilization and personnel knowledgeable in the treatment of adult and pediatric trauma. A Level IV trauma center shall have at least the following:

(a) A trauma program medical director who is a qualified specialist whose responsibilities include, but are not limited to, factors that affect all aspects of trauma care, including pediatric trauma care, such as:

(1) recommending trauma team physician privileges;

(2) working with nursing administration to support the nursing needs of trauma patients;

(3) developing treatment protocols;

(4) having authority and accountability for the quality improvement peer review process;

(5) correcting deficiencies in trauma care or excluding from trauma call those trauma team members who no longer meet the standards of the quality improvement program; and

(6) assisting in the coordination of the budgetary process for the trauma program.

(b) A trauma nurse coordinator/manager who is a registered nurse with qualifications including evidence of educational preparation and clinical experience in the care of adult and/or pediatric trauma patients, administrative ability, and responsibilities that include, but are not limited to:

(1) organizing services and systems necessary for the multidisciplinary approach to the care of the injured patient;

(2) coordinating day-to-day clinical process and performance improvement as it pertains to nursing and ancillary personnel; and

(3) collaborating with the trauma program medical director in carrying out the educational, clinical, research, administrative and outreach activities of the trauma program.

(c) A trauma service which can provide for the implementation of the requirements specified in this Section and provide for coordination with the local EMS agency.

(d) The capability of providing prompt assessment, resuscitation and stabilization to trauma patients.

(e) The ability to provide treatment or arrange transportation to higher level trauma center as appropriate.

(f) An emergency department, division, service, or section staffed so that trauma patients are assured of immediate and appropriate initial care.

(g) A trauma team, which will be a multidisciplinary team responsible for the initial resuscitation and management of the trauma patient.

(h) The following service capabilities:

(1) Radiological service. The radiological service shall have a radiological technician promptly available.

(2) Clinical laboratory service. A clinical laboratory service shall have:

(A) a comprehensive blood bank or access to a community central blood bank; and

(B) clinical laboratory services promptly available.

(i) Written transfer agreements with Level I, II or III trauma centers, Level I or II pediatric trauma centers, or other specialty care centers, for the immediate transfer of those patients for whom the most appropriate medical care requires additional resources.

(j) An outreach program, to include:

(1) capability to provide both telephone and on-site consultations with physicians in the community and outlying areas; and

(2) trauma prevention for the general public.

(k) Continuing education. Continuing education in trauma care, shall be provided for:

(1) staff physicians;

(2) staff nurses;

(3) staff allied health personnel;

(4) EMS personnel; and

(5) other community physicians and health care personnel.

Article 4. Quality Improvement

§ 100265. Quality Improvement.

Trauma centers of all levels shall have a quality improvement process to include structure, process, and outcome evaluations which focus on improvement efforts to identify root causes of problems, intervene to reduce or eliminate these causes, and take steps to correct the process. In addition the process shall include:

(a) A detailed audit of all trauma-related deaths, major complications and transfers (including interfacility transfer);

(b) A multidisciplinary trauma peer review committee that includes all members of the trauma team;

(c) Participation in the trauma system data management system;

(d) Participation in the local EMS agency trauma evaluation committee; and

(e) Each trauma center shall have a written system in place for patients, parents of minor children who are patients, legal guardian(s) of children who are patients, and/or primary caretaker(s) of children who are patients to provide input and feedback to hospital staff regarding the care provided to the child.

(f) Following of applicable provisions of Evidence Code Section 1157.7 to ensure confidentiality.

Article 5. Transfer of Trauma Patients

§ 100266. Interfacility Transfer of Trauma Patients.

(a) Patients may be transferred between and from trauma centers providing that:

(1) any transfer shall be, as determined by the trauma center surgeon of record, medically prudent; and

(2) in accordance with local EMS agency interfacility transfer policies.

(b) Hospitals shall have written transfer agreements with trauma centers. Hospitals shall develop written criteria for consultation and transfer of patients needing a higher level of care.

(c) Hospitals which have repatriated trauma patients from a designated trauma center shall provide the information required by the system trauma registry, as specified by local EMS agency policies, to the transferring trauma center for inclusion in the system trauma registry.

(d) Hospitals receiving trauma patients shall participate in system and trauma center quality improvement activities for those trauma patients which have been transferred.

Article 2. General Provisions

§ 100300. Application of Chapter.

(a) It is the scope of this Chapter to establish minimum standards for the integration of EMS Aircraft and personnel into the local EMS prehospital patient transport system as a specialized resource for the transport and care of emergency medical patients.

(b) A local EMS agency may integrate aircraft into its prehospital patient transport system. Each local EMS agency choosing to integrate such aircraft into its prehospital care system shall develop a program which at minimum:

(1) Classifies EMS aircraft in accordance with Section 100300(c)(3).

(2) Incorporates into their EMS plan the utilization of EMS aircraft including but not limited to an inventory of:

(A) The number and type of authorized EMS aircraft.

(B) The patient capacity of authorized EMS aircraft.

(C) The level of patient care provided by EMS aircraft personnel.

(D) Receiving facilities with landing sites approved by the State Department of Transportation, Aeronautics Division.

(3) Establishes policies and/or procedures to assure compliance with the provisions of this Chapter.

(4) Develops written agreements with air ambulance or rescue aircraft providers specifying conditions to routinely serve their jurisdiction.

(c) In those jurisdictions where a local EMS agency has chosen to integrate aircraft into its prehospital patient transport system:

(1) No person or organization shall provide or hold themselves out as providing prehospital Air Ambulance or Air Rescue services unless that

[The next page is 1415.]

person or organization has aircraft which have been classified by a local EMS agency or in the case of the California Highway Patrol, California Department of Forestry, and California National Guard, the EMS Authority.

(2) All EMS Aircraft shall be classified.

(3) EMS aircraft classification shall be limited to the following categories:

(A) Air Ambulance

(B) ALS Rescue Aircraft

(C) BLS Rescue Aircraft

(D) Auxiliary Rescue Aircraft

(4) EMS Aircraft classification shall be reviewed in accordance with policies of the classifying agency. Reclassification shall occur if there is a transfer of ownership or a change in the aircraft's category.

(5) EMS aircraft must be authorized by the local EMS agency in order to provide prehospital patient transport within the jurisdiction of the local EMS agency.

A request from a designated dispatch center shall be deemed as authorization of aircraft operated by the California Highway Patrol, Department of Forestry, National Guard or the Federal Government.

(6) Air Ambulance and Air Rescue service providers including any company, lessee, agency (excluding agencies of the federal government), provider, owner, operator who provides or makes available prehospital air transport or medical personnel either directly or indirectly or any hospital where an EMS aircraft is based, housed, or stationed permanently or temporarily shall adhere to all federal, state, and local statutes, ordinances, policies, and procedures related to EMS aircraft operations, including qualifications of flight crews and aircraft maintenance.

(7) The local EMS agency may charge a fee to cover the costs directly associated with the classification and authorization of EMS aircraft.

NOTE: Authority cited: Sections 1797.1 and 1797.107, Health and Safety Code. Reference: Sections 1797.103, 1797.212, 1797.218, 1797.224 and 1797.252, Health and Safety Code.

1. New section filed 3–29–88; operative 4–28–88 (Register 88, No. 16).
2. Change without regulatory effect amending subsection (b)(1) filed 1–8–97 pursuant to section 100, title 1, California Code of Regulations (Register 97, No. 2).

Article 3. Personnel

§ 100302. Medical Flight Crew.

(a) The medical flight crew of an EMS aircraft shall have training in aeromedical transportation as specified and approved by the authorizing EMS agency including but not limited to:

(1) General patient care in–flight.

(2) Changes in barometric pressure, and pressure related maladies.

(3) Changes in partial pressure of oxygen.

(4) Other environmental factors affecting patient care.

(5) Aircraft operational systems.

(6) Aircraft emergencies and safety.

(7) Care of patients who require special consideration in the airborne environment.

(8) EMS system and communications procedures.

(9) The prehospital care system(s) within which they operate including local medical and procedural protocols.

(10) Use of onboard medical equipment.

(b) All medical flight crews shall participate in such continuing education requirements as required by their licensure or certification. Continuing education in aeromedical transportation subjects may be required by the authorizing EMS agency.

(c) (Reserved)

(d) (Reserved)

(e) In situations where the medical flight crew is less medically qualified than the ground personnel from whom they receive patients they may assume patient care responsibility only in accordance with policies and procedures of the requesting local EMS agency.

(f) EMS aircraft that do not have a medical flight crew shall not transport patients except in accordance with the policies and procedures of the requesting local EMS agency.

NOTE: Authority cited: Sections 1797.1 and 1797.107, Health and Safety Code. Reference: Sections 1797.17, 1797.171, 1797.172, 1797.175, 1797.176, 1797.178, 1797.214, 1797.218, 1798 and 1798.6, Health and Safety Code.

HISTORY

1. New section filed 3–29–88; operative 4–28–88. Subsections (c) and (d) were disapproved by OAL (Register 88, No. 16).

Article 4. System Operation

§ 100304. System Policies and Procedures.

(a) Those local EMS agencies choosing to integrate aircraft into the prehospital patient transport system shall develop policies and procedures for:

(1) the authorization of EMS aircraft to be utilized in prehospital patient care.

(2) requesting EMS aircraft including but not limited to the types of personnel and/or organizations that may request or cancel EMS aircraft. EMS aircraft requests shall only be made through a dispatch center which has been designated by a local EMS agency.

(3) the dispatching of EMS aircraft. These policies and procedures shall include but not be limited to:

(A) Availability and appropriateness of transportation and medical personnel resources including:

1. Ground versus air transport as related to proximity and type of incident.

2. Medical capability of potential responders.

(B) Notification of and coordination with other responding agencies.

(C) Termination of EMS aircraft response.

(4) Determining EMS aircraft patient destination including consideration of an interim stop at a rural hospital and continuation of care until the responsibility is assumed by the emergency or other staff of a final destination hospital.

(5) Orientation of pilots and medical flight crews to the local EMS system.

(6) Addressing and resolving formal complaints regarding the integration of aircraft into the prehospital patient transport system.

(b) The local agency's policies and procedures for medical control shall apply to the medical flight crew. Such policies and procedures may be modified by the local EMS agency, if required by the uniqueness of EMS aircraft response.

(c) The authorizing EMS agency's policies and procedures for record keeping and quality assurance, shall apply to EMS aircraft operations. Current policies and procedures maybe modified if required by the uniqueness of EMS aircraft response.

Article 5. Equipment and Supplies, Aircraft Specifications

§ 100306. Space and Equipment.

(a) All EMS Aircraft shall be configured so that:

(1) There is sufficient space in the patient compartment to accommodate one (1) patient on a stretcher and one (1) patient attendant. Air ambulances shall at a minimum have space to accommodate one (1) patient and two (2) patient attendants.

(2) There is sufficient space for medical personnel to have adequate access to the patient in order to carry out necessary procedures including CPR on the ground and in the air.

(3) There is sufficient space for medical equipment and supplies required by State regulations or authorizing EMS agency policy.

(4) Additional authorizing EMS agency requirements are met.

(b) Each EMS aircraft shall have adequate safety belts and tie-downs for all personnel, patient(s), stretcher(s) and equipment to prevent inadvertent movement.

(c) Each EMS aircraft shall have on-board equipment and supplies commensurate with the scope of practice of the medical flight crew as specified by the classifying EMS agency. This requirement may be fulfilled through the utilization of appropriate kits (cases/packs) which can be carried on a given flight to meet the needs of a specific type of patient and/or additional medical personnel not usually staffing the aircraft.

(d) Communications

(1) In accordance with authorizing EMS agency policies, all EMS aircraft shall have the capability of communicating with:

(A) Designated dispatch center(s).

(B) EMS ground units at the scene of an emergency.

(C) Designated base hospitals.

(D) Receiving hospitals.

(E) Other appropriate facilities or agencies.

(2) All EMS aircraft shall utilize appropriate radio frequencies for dispatch, routing and coordination of flights. This excludes use of Med 1-8 and HEAR (155.340 MHz and 155.280 MHz) for these purposes.

(3) Radio equipment may be inspected to assure compliance with the requirements of the authorizing EMS agency.

Article 2. General Provisions

§ 100328. Poison Control Center Criteria.

The EMS Authority shall utilize the following criteria in designating facilities as poison control centers:

(a) No more than one (1) poison control center shall be designated for each two (2) million people.

(1) For those poison control center service areas with populations greater than two (2) million, additional facilities may be designated on the basis of a change in local need within that area as determined by the EMS Authority, including population, geographic distribution, and other factors affecting the efficiency and effectiveness of providing poison information services.

(b) The poison control center service area of a designated poison control center shall be distinct from that covered by any other designated poison control center.

(1) If an additional facility is designated pursuant to subsection (a)(1) of this Section, the poison control center service area may be redefined by the EMS Authority.

(c) The applicant has provided poison control information to the public and health professionals in its proposed service area for at least a two (2) year period.

NOTE: Authority cited: Sections 1797.1, 1797.107 and 1798.180, Health and Safety Code. Reference: Sections 1797.97 and 1798.180, Health and Safety Code.

HISTORY
1. New section filed 2–18–92; operative 3–19–92 (Register 92, No. 13).

§ 100329. Poison Control Center Responsibilities.

(a) In order to be designated as a regional poison control center a facility shall:

(1) Be immediately available by a direct incoming telephone system to the public and health professionals within the poison control center service area;

(2) have staff as defined in Section 100330(c) immediately available twenty–four (24) hours a day to answer poison exposure calls;

(3) have, within the poison control center area, poison information resources which include at least the following:

(A) One (1) or more current product information resources;

(B) current texts covering both general and specific aspects of acute and chronic poisoning management available at the central telephone answering site; and

(C) a list of poison center specialty consultants available on an on–call basis through a written agreement.

(4) have access to journal articles and published studies regarding medical toxicology either in the poison control center or through access to a medical library.

(5) have written treatment and triage protocols that are developed and updated by the poison control center program director and approved by the medical director. Each written protocol shall include the following elements:

(A) Description and types of exposures which may need no medical intervention;

(B) description and types of exposures which may be managed at home by simple therapeutic procedures in the professional opinion of the medical director, and a treatment and triage protocol for such management;

(C) description and types of exposures which may require referral for medical evaluation and/or treatment;

(D) a protocol for initial patient management;

(E) a protocol for determining the need for patient transport to a facility in accordance with the policies and procedures of the local EMS agency; and

(F) a description of how the poison control center correlates with local EMS policies and procedures, including 9–1–1.

(6) develop and maintain a poisoning data collection and reporting system as defined in Section 100332 and as required by Title 17, Sections 2500 through 2653.

(7) develop and provide a poison oriented health education program for the public and health professionals to include at least physicians, nurses, prehospital emergency medical services personnel; and

(8) develop and maintain a quality assurance program as defined in Section 100331.

NOTE: Authority cited: Sections 1797.1, 1797.107 and 1798.180, Health and Safety Code. Reference: Section 1797.97 and 1798.180, Health and Safety Code.

HISTORY
1. New section filed 2–18–92; operative 3–19–92 (Register 92, No. 13).

§ 100330. Poison Control Center Staffing.

(a) Each poison control center shall have a medical director who shall be a physician and surgeon currently licensed in the State of California, who has a minimum of two (2) years' postgraduate training in clinical toxicology and/or a minimum of three (3) years' clinical experience in the last five (5) years in toxicology or poison information sciences, and who devotes a minimum of ten (10) percent of his or her practice to treating poisoned patients. The medical director shall be on–call to the staff of the poison control center and shall participate in professional medical education programs pursuant to subsection (b)(4) of this Section. Duties of the medical director shall include, but not be limited to:

(1) Assisting the specialists in poison information upon request or in accordance with treatment and triage protocols;

(2) approving treatment and triage protocols as specified in Section 100329(a)(4) which are written and updated by the program director pursuant to subsection (b)(3) of this Section;

(3) reviewing the quality assurance program as specified in Section 100331;

(4) consulting with physicians on the treatment of poisoned patients as appropriate; and

(5) reviewing the poison center specialty consultant(s)' qualifications and approving or disapproving the consultation services applicant(s).

(b) Each poison control center shall have a program director who shall be a pharmacist, physician or registered nurse, licensed in the State of California, who has a minimum of two (2) years' postgraduate training in clinical toxicology and/or a minimum of three (3) years' clinical experience in the last five (5) years in toxicology and/or poison information sciences. The program director must have two (2) years' experience in the administration of a health related program. Duties of the program director shall be coordinated with the medical director and shall include, but not be limited to:

(1) Supervising the poison control center's organization, staff, funding and quality assurance;

(2) determining and ensuring the availability of staff identified in subsections (a), (c), (d) and (e) of this Section;

(3) developing and updating treatment and triage protocols as specified in Section 100329(a)(4) to be approved by the medical director pursuant to subsection (a)(2) of this Section;

(4) developing and/or approving poison oriented health education programs for the public and health professionals pursuant to Section 100329(a)(6). These education programs shall be coordinated with the local EMS agency(s);

(5) developing and maintaining a data collection system as specified in Section 100332; and

(6) assisting the specialists in poison information upon request or in accordance with treatment and triage protocols.

(c) Each poison control center shall have a specialist(s) in poison information who shall be a pharmacist, physician, or registered nurse currently licensed in the State of California, who has training or experience in toxicology and poison information sciences as defined by the medical and program director of the poison control center. Duties of the specialist in poison information shall include, but not be limited to:

(1) Answering incoming telephone calls, evaluating the poison exposure history, providing management information and determining the necessity for additional medical consultation;

(2) updating poison information files; and

(3) teaching poison oriented health education programs.

(d) Each poison control center may have a poison information provider(s) trained in reading, understanding and transmitting poison information. The poison information provider will be under the direct on–site supervision of a specialist in poison information.

(e) Each poison control center shall have a poison center specialty consultant(s) who is qualified by training and/or experience to provide specialized toxicology information related to the poisonings encountered in the area serviced by the poison control center. The poison center specialty consultant shall have a written agreement with the poison control center that is updated yearly to provide consultation services on an on–call basis.

§ 100331. Quality Assurance Program.

(a) A poison control center shall have a quality assurance program which shall include at a minimum:

(1) Case review of all deaths in which poison control center consultation was provided;

(2) case review and critique of a sample of cases;

(3) screenings of poisoning and exposure cases by type of poison; and

(4) either direct monitoring of a sample of calls or tape recordings of calls.

(b) The medical director shall conduct an audit and case review of poisoning cases at least quarterly.

Article 3. Designation Process

§ 100333. Designation Process.

(a) A facility that wishes to be designated as a poison control center shall submit a written application to the EMS Authority along with supporting documentation that explains how it meets the provisions of these regulations.

(b) The application for approval shall include at least the following:

(1) Organization chart;

(2) names, qualifications, duty statements, and hours available of:

(A) Medical director;

(B) program director or coordinator;

(C) specialist(s) in poison information;

(D) poison information provider(s); and

(E) poison center specialty consultants.

(3) written verification of contracts with poison center specialty consultants;

(4) information explaining how the responsibilities of Section 100329(a)(1) through 100329(a)(7) are being met;

(5) description of proposed service area and how it will be integrated with:

(A) the affected local EMS agencies' service area and system; and

(B) other poison control centers.

(6) intent to execute a written agreement with the EMS Authority committing the applicant to meet the requirements of this chapter.

(c) The EMS Authority shall notify the local EMS Agencies in the proposed poison control center service area within ten (10) working days of receiving the application that the facility is applying for designation.

(d) The EMS Authority shall notify the facility submitting its application for poison control center designation within thirty (30) working days of receiving the application that:

(1) The application has been received;

(2) the application contains or does not contain the information required by this Section; and

(3) what information is missing, if any.

(e) The EMS Authority shall conduct a site visit to determine that the facility's resources and capabilities described in its application are in compliance with these regulations.

(f) The EMS Authority shall:

(1) Notify the facility submitting an application for regional poison control center designation, and the EMS agencies in the proposed poison control center service area, that the facility either has been "designated," received "temporary designation," or received a "provisional certificate," or has been "disapproved for designation" within 120 days of receipt of a complete application; and

(2) provide the reasons for disapproval of an application if disapproved for designation.

(g) A facility holding a temporary designation or a provisional certificate, must achieve full designation status on or before the conclusion of the temporary designation or provisional certificate, or cease operation. No further action of the EMS Authority is required.

(h) If the EMS Authority disapproves an application, the facility submitting the application shall have three (3) months from the date notification of the disapproval is received to submit a written appeal which states the reasons for objecting to the EMS Authority's decision.

(1) The EMS Authority will present the appeal package to the Commission on Emergency Medical Services. The appeal package shall include the following:

(A) The EMS Authority's written disapproval;

(B) The facility's written appeal;

(C) The facility's application and any documents the EMS Authority used to make the decision for disapproval.

(2) The Commission on EMS shall consider the appeal at their next regularly scheduled Commission meeting, at which time the facility shall have the opportunity to address the Commission. The Commission on EMS shall make a determination within one (1) year of receipt of the appeal.

(i) Poison control center designation shall be for four (4) years at which time a new application for continued poison control center designation shall be submitted.

(j) If a poison control center does not wish to continue being designated, it shall terminate its designation by notifying the EMS Authority at least sixty (60) days before the date of termination stating the reasons for its termination. The EMS Authority shall inform the local EMS agency(s) in the poison control center service area.

(k) The EMS Authority may conduct periodic evaluations of approved poison control centers. This may include a yearly site visit.

NOTE: Authority cited: Sections 1797.1, 1797.107 and 1798.180, Health and Safety Code. Reference: Sections 1797.97 and 1798.180, Health and Safety Code.

1. New section filed 2–18–92; operative 3–19–92 (Register 92, No. 13).

§ 100334. Revocation of Designation.

(a) If the EMS Authority determines that a designated poison control center has not implemented a program consistent with its designation requirements, its designation as a poison control center may be withdrawn.

(b) When the EMS Authority intends to withdraw a poison control center's designation, the Director shall:

(1) Notify the poison control center of the proposed action;

(2) concurrently serve the poison control center with a description of the deficiencies; and

(3) advise the poison control center of the right to a hearing.

(c) The EMS Authority may temporarily terminate designation prior to any hearing when in the opinion of the Director, the action is necessary to protect the public's health or safety. The Director shall:

(1) Notify the poison control center of the temporary suspension and the effective date thereof; and

(2) serve the poison control center with a description of the deficiencies.

(d) When a poison control center receives written notice or service of the EMS Authority's intent to withdraw the poison control center's designation, the poison control center shall have seven (7) working days from the date of receipt of the written notice or service to respond in writing to the EMS Authority's description of deficiencies. Upon receipt of a notice of defense to the allegation by the poison control center, the EMS Authority shall, within fifteen (15) days, set the matter for hearing. The hearing shall be held as soon as possible but not later than thirty (30) days after receipt of the notice.

(e) The temporary suspension shall remain in effect until such time as the hearing is completed and the Director has made a final determination on the merits.

(f) The temporary suspension shall be deemed vacated if the Director fails to make a final determination on the merits within thirty (30) days after the original hearing has been completed.

Article 2. Approved Continuing Education

§ 100391. Continuing Education Topics.

(a) Continuing education for EMS personnel shall be in any of the topics contained in the respective National Standard Curricula for training EMS personnel, except as provided in Section 100391.1(a)(8) of this Chapter.

(b) In lieu of completing the required CEH, EMT–I certification can be maintained by successfully completing an approved refresher course pursuant to Section 100080 of Chapter 2, Division 9, Title 22, California Code of Regulations.

(c) All approved CE shall contain a written and/or skills competency based evaluation related to course, class, or activity objectives.

(d) Approved CE courses shall be accepted statewide.

NOTE: Authority cited: Sections 1797.107, 1797.172, 1797.174, 1797.175, 1797.185 and 1797.194, Health and Safety Code. Reference: Sections 1797.7, 1797.172, 1797.185 and 1797.214, Health and Safety Code.

HISTORY

1. New article 2 (sections 100391–100391.1) and section filed 9–10–2004; operative 10–10–2004 (Register 2004, No. 37).

§ 100391.1. Continuing Education Delivery Formats and Limitations.

(a) Delivery formats for CE courses shall be by any of the following:

(1) Classroom — didactic and/or skills laboratory where direct interaction with instructor is possible.

(2) Organized field care audits of patient care records;

(3) Courses offered by accredited universities and colleges, including junior and community colleges;

(4) Structured clinical experience, with instructional objectives, to review or expand the clinical expertise of the individual.

(5) Media based and/or serial productions (e.g. films, videos, audiotape programs, magazine articles offered for CE credit, home study, computer simulations or interactive computer modules).

(6) Precepting EMS students or EMS personnel as a hospital clinical preceptor, as assigned by an EMS training program, an EMS service provider, a hospital or alternate base station approved according to this Division. In order to issue CE for precepting EMS students or EMS personnel, an EMS service provider, hospital or alternate base station must be a CE provider approved according to this Chapter. CE for precepting can only be given for actual time spent precepting a student or EMS personnel and must be issued by the EMS training program, EMS service provider, hospital or alternate base station that has an agreement or contract with the hospital clinical preceptor or with the preceptor's employer.

(7) Precepting EMS students or EMS personnel as a field preceptor, as assigned by an EMS training program or an EMS service provider approved according to this Division. CE for precepting can only be given for actual time precepting a student and must be issued by the EMS training program or EMS service provider that has an agreement or contract with the field preceptor or with the preceptor's employer. In order to issue CE for precepting EMS students or EMS personnel, an EMS service provider must be a CE provider approved according to this Chapter.

(8) Advanced topics in subject matter outside the scope of practice of the certified or licensed EMS personnel but directly relevant to emergency medical care (e.g. surgical airway procedures).

(9) At least fifty percent of the required CE hours must be in a format that is instructor based, which means that instructor resources are readily available to the student to answer questions, provide feedback, provide clarification, and address concerns (e.g., on–line CE courses where an instructor is available to the student). This provision shall not include precepting or magazine articles for CE credit. The CE provider approving authority shall determine whether a CE course, class or activity is instructor based.

(10) During a certification or licensure cycle, an individual may receive credit, one time only, for service as a CE course, class, or activity instructor. Credit received shall be the same as the number of CE hours applied to the course, class, or activity.

(11) During a certification or licensure cycle, an individual may receive credit, one time only, for service as an instructor for one of the following, an approved EMT–I, EMT–II, or paramedic training program, except that the hours of service shall not exceed fifty percent of the total CE hours required in a single certification or licensure cycle.

(12) When guided by the EMS service provider's QIP, an EMS service provider that is an approved CE provider may issue CEH for skills competency demonstrations to address any deficiencies identified by the service provider's QIP. Skills competency demonstration shall be conducted in accordance with the respective National Standard Curriculum skills outline or in accordance with the policies and procedures of the local EMS agency medical director.

(b) An individual may receive credit for taking the same CE course, class, or activity no more than two times during a single certification or licensure cycle.

(c) Local EMS agencies may not require additional continuing education hours for accreditation.

(d) If it is determined through a QIP that EMS personnel working in a local EMS system need remediation or refresher in an area of the individual's knowledge and/or skills, a local EMS agency medical director or an EMS service provider may require the EMS personnel to take an approved CE course with learning objectives that addresses the remediation or refresher needed, as part of the individual's required hours of CE for maintaining certification or licensure.

(e) Because paramedic license renewal applications are due to the EMS Authority thirty days prior to the expiration date of a paramedic license, a continuing education course(s) taken in the last month of a paramedic's licensure cycle, may be applied to the paramedic's subsequent licensure cycle, if that CE course(s) was not applied to the licensure cycle during which the CE course(s) was taken.

Article 3. Continuing Education Records

§ 100392. Continuing Education Records.

(a) In order for CE to satisfy the requirements for maintaining EMS personnel certification or licensure, CE shall be completed during the current certification/licensure cycle, except as provided in Section 100391.1(e) of this Chapter, and shall be submitted to the appropriate certifying/licensing authority.

(b) In order for CE to satisfy the requirements for renewal of a lapsed certificate/license, CE shall be valid for a maximum of two years prior to the date of a completed application for certificate/license renewal.

(c) EMS personnel shall maintain for four years CE certificates issued to them by any CE provider.

(d) CE certificates may be audited for cause by the certifying/licensing authority or as part of the certifying/licensing authority's continuing education verification process.

(e) Approved CE provider record requirements are contained in Section 100395, sub–sections (b) and (*l*) of this Chapter.

Article 4. CE Provider Approval Process

§ 100393. Application for Approval.

(a) In order to be an approved CE provider, an organization or individual shall submit an application packet for approval to the appropriate CE approving authority, along with the fee specified by that authority.

(1) The fee assessed by the EMS Authority is specified in Section 100171(b)(7) of Chapter 4, Division 9, Title 22, California Code of Regulations.

(b) The application packet shall include, but may not be limited to:

(1) Name and address of the applicant;

(2) Name of the program director, program clinical director, and contact person, if other than the program director or clinical director;

(3) The type of entity or organization requesting approval; and,

(4) The resumes of the program director and the clinical director.

(c) The CE approving authority shall, within fourteen working days of receiving a request for approval, notify the CE provider that the request has been received, and shall specify what information, if any, is missing.

(d) The CE approving authority shall approve or disapprove the CE request within sixty calendar days of receipt of the completed request.

(e) If the CE request is approved, the CE approving authority shall issue a CE provider number according to the standardized sequence developed by the EMS Authority.

(f) The CE approving authority may approve CE providers for up to four years, and may monitor the compliance of CE providers to the standards established by the CE approving authority.

(g) When a CE provider is approved by either a local EMS agency or the EMS Authority, the CE provider is approved to conduct CE courses statewide.

§ 100393.1. Application for Renewal.

(a) The CE provider shall submit an application for renewal at least sixty calendar days before the expiration date of their CE provider approval in order to maintain continuous approval.

(b) All CE provider requirements shall be met and maintained for renewal as specified in Section 100395 of this Chapter.

NOTE: Authority cited: Sections 1797.107, 1797.172, 1797.174, 1797.175, 1797.185 and 1797.194, Health and Safety Code. Reference: Sections 1797.7, 1797.172, 1797.185 and 1797.214, Health and Safety Code.

Article 5. CE Provider Denial/Disapproval Process

§ 100394. CE Provider Disapproval.

(a) Noncompliance with any criterion required for CE provider approval, use of any unqualified teaching personnel, or noncompliance with any other applicable provision of this Chapter may result in denial, probation, suspension or revocation of CE provider approval by the CE approving authority.

(b) Notification of noncompliance and action to place on probation, suspend or revoke shall be carried out as follows:

(1) A CE approving authority shall notify the approved CE provider program director in writing, by certified mail, of the provision of this Chapter with which the CE provider is not in compliance.

(2) Within fifteen days of receipt of the notification of noncompliance, the approved CE provider shall submit in writing, by certified mail, to the approving authority one of the following:

(A) Evidence of compliance with the provisions of this Chapter, or

(B) A plan for meeting compliance with the provisions of this Chapter within sixty days from the date of receipt of the notification of noncompliance.

(3) Within fifteen days of receipt of the response from the approved CE provider, or within thirty days from the mailing date of the noncompliance notification if no response is received from the approved CE provider, the CE approving authority shall notify the EMS Authority and the approved CE provider in writing, by certified mail, of the decision to accept the evidence of compliance, accept the plan for meeting compliance, or place on probation, suspend or revoke the CE provider approval.

(4) If the CE provider approving authority decides to place on probation, suspend or revoke the CE provider's approval, the notification specified in sub–section (b)(3) of this section shall include the beginning and ending dates of the probation or suspension and the terms and conditions for lifting of the probation or suspension or the effective date of the revocation, which may not be less than sixty days from the date of the CE approving authority's letter of decision to the EMS Authority and the CE provider.

(c) If CE provider status is suspended or revoked, approval for CE credit shall be withdrawn for all CE programs scheduled after the date of action.

(d) The CE approving authority shall notify the EMS Authority of each CE provider approved, placed on probation, suspended or revoked within its jurisdiction within thirty calendar days of action.

(e) The EMS Authority shall maintain a list of all CE providers that are approved, placed on probation, suspended or revoked and shall post the listing on the EMS Authority's website.

Article 6. CE Providers for EMS Personnel

§ 100395. CE Provider Requirements.

(a) In order to be approved as an EMS continuing education provider, the provisions in this Section shall be met.

(1) The applicant shall submit an application packet as specified in Section 100393(b) of this Chapter and any required fee to the approving authority at least sixty calendar days prior to the date of the first educational activity.

(b) An approved CE provider shall ensure that:

(1) The content of all CE is relevant, designed to enhance the practice of EMS emergency medical care, and be related to the knowledge base or technical skills required for the practice of emergency medical care.

(2) Records shall be maintained for four years and shall contain the following:

(A) Complete outlines for each course given, including a brief overview, instructional objectives, comprehensive topical outline, method of evaluation and a record of participant performance;

(B) Record of time, place, and date each course is given and the number of CE hours granted;

(C) A curriculum vitae or resume for each instructor;

(D) A roster signed by course participants, or in the case of media based/serial production courses, a roster of course participants, to include name and certificate or license number of EMS personnel taking any CE course, class, or activity and a record of any course completion certificate(s) issued.

(c) The CE approving authority shall be notified within thirty calendar days of any change in name, address, telephone number, program director, clinical director or contact person.

(d) All records shall be made available to the CE approving authority upon request. A CE provider shall be subject to scheduled site visits by the approving authority.

(e) Individual classes, courses or activities shall be open for scheduled or unscheduled visits by the CE approving authority and/or the local EMS agency in whose jurisdiction the CE course, class or activity is being offered.

(f) Each CE provider shall provide for the functions of administrative direction, medical quality coordination and actual program instruction through the designation of a program director, a clinical director and instructors. Nothing in this section precludes the same individual from being responsible for more than one of these functions.

(g) Each CE provider shall have an approved program director, who is qualified by education and experience in methods, materials and evaluation of instruction, which shall be documented by at least forty hours in teaching methodology. Following, but not limited to, are examples of courses that meet the required instruction in teaching methodology:

(1) California State Fire Marshal (CSFM) "Fire Instructor 1A and 1B"; or

(2) National Fire Academy (NFA) "Fire Service Instructional Methodology" course; or

(3) a training program that meets the U. S. Department of Transportation/National Highway Traffic Safety Administration 2002 Guidelines for Educating EMS Instructors, such as the EMS Educator Course of the National Association of EMS Educators.

(4) Individuals with equivalent experience may be provisionally approved for up to two years by the approving authority pending completion of the above specified requirements. Individuals with equivalent experience who teach in geographic areas where training resources are limited and who do not meet the above program director requirements may be approved upon review of experience and demonstration of capabilities.

(h) The duties of the program director shall include, but not be limited to:

(1) Administering the CE program and ensuring adherence to state regulations and established local policies.

(2) Approving course, class, or activity, including instructional objectives, and assigning CEH to any CE program which the CE provider sponsors; approving all methods of evaluation, coordinating all clinical and field activities approved for CE credit; approving the instructor(s) and signing all course, class, or activity completion records and maintaining those records in a manner consistent with these guidelines. The responsibility for signing course, class, or activity completion records may be delegated to the course, class, or activity instructor.

(i) Each CE provider shall have an approved clinical director who is currently licensed as a physician, registered nurse, physician assistant, or paramedic. In addition, the clinical director shall have had two years of academic, administrative or clinical experience in emergency medicine or EMS care within the last five years. The duties of the clinical director shall include, but not be limited to, monitoring all clinical and field activities approved for CE credit, approving the instructor(s), and monitoring the overall quality of the EMS content of the program.

(j) Each CE provider instructor shall be approved by the program director and clinical director as qualified to teach the topics assigned, or have evidence of specialized training which may include, but is not limited to, a certificate of training or an advanced degree in a given subject area, or have at least one year of experience within the last two years in the specialized area in which they are teaching, or be knowledgeable, skillful and current in the subject matter of the course, class or activity.

(k) Continuing education credit shall be assigned on the following basis:

(1) Classes or activities less than one CEH in duration will not be approved.

(2) For courses greater than one CEH, credit may be granted in no less than half hour increments.

(l) Each CE provider shall maintain for four years:

(1) Records on each course, class, or activity including, but not limited to, title, objectives, outlines, qualification of instructors, dates of instruction, location, participant rosters, sample tests or other methods of evaluation, and records of course, class, or activity completions issued.

(2) Summaries of test results, or other methods of evaluation. The type of evaluation used may vary according to the instructor, content of program, number of participants and method of presentation.

(m) Providers shall issue to the participant a tamper resistant document or certificate of proof of successful completion of a course, class, or activity within thirty calendar days of completion of the course, class, or activity. The CE certificate or documentation of successful completion must contain the name of participant, certificate or license number, class title, CE provider name and address, date of course, class, or activity and signature of program director or class instructor. A digitally reproduced signature of the program director or class instructor is acceptable for media based/serial production CE courses. In addition, the following statements shall be printed on the certificate of completion with the appropriate information filled in:

"This course has been approved for (number) hours of continuing education by an approved California EMS CE Provider and was (check one) ____ instructor–based, ____ non–instructor based". "This document must be retained for a period of four years"

"California EMS CE Provider # _____ – _____"

(n) Information disseminated by CE providers publicizing CE must include at a minimum the following:

(1) CE provider's policy on refunds in cases of nonattendance by the registrant or cancellation by provider;

(2) a clear, concise description of the course, class or activity content, objectives and the intended target audience (e.g. paramedic, EMT–II, EMT–I, First Responder or all);

(3) CE provider name, as officially on file with the approving authority; and

(4) specification of the number of CE hours to be granted. Copies of all advertisements disseminated to the public shall be sent to the approving authority and the local EMS agency in whose jurisdiction the course, class, or activity is conducted prior to the beginning of the course, class, or activity. However, the approving authority or the local EMS agency may request that copies of the advertisements not be sent to them.

(o) When two or more CE providers co–sponsor a course, class, or activity, only one approved CE provider number will be used for that course, class, or activity and the CE provider, whose number is used, assumes the responsibility for meeting all applicable requirements of this Chapter.

(p) An approved CE provider may sponsor an organization or individual that wishes to provide a single course, class or activity. The approved CE provider shall be responsible for ensuring the course, class, or activity meets all requirements and shall serve as the CE provider of record. The approved CE provider shall review the request to ensure that the course, class, or activity complies with the minimum requirements of this Chapter.

Chapter 12. EMS System Quality Improvement

Article 1. Definitions

§ 100400. Emergency Medical Services System Quality Improvement Program.

"Emergency Medical Services System Quality Improvement Program" or EMS QI Program means methods of evaluation that are composed of structure, process, and outcome evaluations which focus on improvement efforts to identify root causes of problems, intervene to reduce or eliminate these causes, and take steps to correct the process and recognize excellence in performance and delivery of care.

NOTE: Authority cited: Sections 1797.103, 1797.107, 1797.174 and 1797.176, Health and Safety Code. Reference: Sections 1797.174, 1797.202, 1797.204, 1797.220 and 1798.175, Health and Safety Code.

Article 2. EMS Service Provider

§ 100402. EMS Service Provider Responsibilities.

(a) An EMS service provider shall:

(1) Develop and implement, in cooperation with other EMS system participants, a provider–specific written EMS QI program, as defined in Section 100400 of this Chapter. Such programs shall include indicators, as defined in Section III and Appendix E of the Emergency Medical Services System Quality Improvement Program Model Guidelines, which address, but are not limited to, the following:

(A) Personnel
(B) Equipment and Supplies
(C) Documentation
(D) Clinical Care and Patient Outcome
(E) Skills Maintenance/Competency
(F) Transportation/Facilities
(G) Public Education and Prevention
(H) Risk Management

(2) Review the provider–specific EMS QI Program annually for appropriateness to the operation of the EMS provider and revise as needed.

(3) Participate in the local EMS agency's EMS QI Program that may include making available mutually agreed upon relevant records for program monitoring and evaluation.

(4) Develop, in cooperation with appropriate personnel/agencies, a performance improvement action plan when the EMS QI Program identifies a need for improvement. If the area identified as needing improvement includes system clinical issues, collaboration is required with the provider medical director and the local EMS agency medical director or his/her designee if the provider does not have a medical director.

(5) Provide the local EMS agency with an annual update, from date of approval and annually thereafter, on the provider EMS QI Program. The update shall include, but not be limited to, a summary of how the EMS provider's EMS QI Program addressed the program indicators.

(b) The EMS provider EMS QI Program shall be in accordance with the Emergency Medical Services Quality Improvement Program Model Guidelines (Rev. 3/04), incorporated herein by reference, and shall be approved by the local EMS agency. This is a model program which will develop over time and is to be tailored to the individual organization's quality improvement needs and is to be based on available resources for the EMS QI program.

(c) The provider EMS QI Program shall be reviewed by the local EMS agency at least every five years.

Article 3. Paramedic Base Hospital

§ 100403. Paramedic Base Hospital and Alternate Base Station Responsibilities.

(a) A paramedic base hospital and alternate base station shall:

(1) Develop and implement, in cooperation with other EMS system participants, a hospital–specific written in EMS QI program, as defined in Section 100400 of this Chapter. Such programs shall include indicators, as defined in Section III and Appendix E of the Emergency Medical Services System Quality Improvement Program Model Guidelines, which address, but are not limited to, the following:

(A) Personnel
(B) Equipment and Supplies
(C) Documentation
(D) Clinical Care and Patient Outcome
(E) Skills Maintenance/Competency
(F) Transportation/Facilities
(G) Public Education and Prevention
(H) Risk Management

(2) Review hospital–specific EMS QI Program annually for appropriateness to the operation of the base hospital or alternative base station and revise as needed.

(3) Participate in the local EMS agency's EMS QI Program that may include making available mutually agreed upon relevant records for program monitoring and evaluation.

(4) Develop, in cooperation with appropriate personnel/agencies, a performance improvement action plan when the base hospital or alternative base station EMS QI Program identifies a need for improvement. If the area identified as needing improvement includes system clinical issues, collaboration with the base hospital medical director or his/her designee or alternate base station medical director or his/her designee is required.

(5) Provide the local EMS agency with an annual update, from date of approval and annually thereafter, on the hospital EMS QI Program. The update shall include, but not be limited to, a summary of how the base hospital/alternate base station's EMS QI Program addressed the program indicators.

(b) The base hospital/alternate base station EMS QI Program shall be in accordance with the Emergency Medical Services Quality Improvement Program Model Guidelines (Rev. 3/04), incorporated herein by reference, and shall be approved by the local EMS agency. This is a model program which will develop over time and is to be tailored to the individual organization's quality improvement needs and is to be based on available resources for the EMS QI program.

(c) The base hospital/alternate base station EMS QI Program shall be reviewed by the local EMS agency at least every five years.

Article 4. Local EMS Agency

§ 100404. Local EMS Agency.

(a) The local EMS agency shall:

(1) Develop and implement, in cooperation with other EMS system participants, a system–wide written EMS QI program, as defined in Section 100400 of this Chapter. Such programs shall include indicators, as defined in Section III and Appendix E of the Emergency Medical Services System Quality Improvement Program Model Guidelines, which address, but are not limited to, the following:

(A) Personnel

(B) Equipment and Supplies

(C) Documentation

(D) Clinical Care and Patient Outcome

(E) Skills Maintenance/Competency

(F) Transportation/Facilities

(G) Public Education and Prevention

(H) Risk Management

(2) Review system–wide EMS QI Program annually for appropriateness to the system and revise as needed.

(3) Develop, in cooperation with appropriate personnel/agencies, a performance improvement action plan when the EMS QI Program identifies a need for improvement. If the area identified as needing improvement includes system clinical issues, collaboration is required with the local EMS agency medical director.

(4) Provide the EMS Authority with an annual update, from date of approval and annually thereafter, on the local EMS Agency's EMS QI Program. The update shall include, but not be limited to, a summary of how the local EMS Agency's EMS QI Program addressed the program indicators.

(b) The local EMS Agency EMS QI Program shall be in accordance with the Emergency Medical Services System Quality Improvement Program Model Guidelines (Rev. 3/04), incorporated herein by reference, and shall be approved by the EMS Authority. This is a model program which will develop over time and is to be tailored to the individual organization's quality improvement needs and is to be based on available resources for the EMS QI program.

(c) The local EMS Agency EMS QI Program shall be reviewed by the EMS Authority at least every five years.

(2) Review state EMS QI Program annually for appropriateness to the state and revise as needed.

(3) Develop, in cooperation with appropriate personnel/agencies, a performance improvement action plan when the EMS QI Program identifies a need for improvement. If the area identified as needing improvement includes clinical issues, collaboration is required with the EMS Authority medical consultant.

(4) Provide the local EMS Agencies with an annual update on the EMS Authority's EMS QI Program. The update shall include, but not be limited to, a summary of how the EMS Authority's EMS QI Program addressed the state indicators.

(b) The EMS Authority EMS QI Program shall be in accordance with the Emergency Medical Services System Quality Improvement Program Model Guidelines (Rev. 3/04), incorporated herein by reference. This is a model program which will develop over time and is to be tailored to the individual organization's quality improvement needs and is to be based on available resources for the EMS QI program.

§ 100519. Commission Review of Contract Recommendations.

(a) At the meeting of the commission following the recommendation of the executive director in respect to any contract, the commission shall serve as a review body, and may, by majority vote:

(1) approve a proposed contract;

(2) disapprove a proposed contract;

(3) disapprove in part a proposed contract;

(4) disapprove a proposed contract subject to specified conditions;

(5) take other appropriate action upon the advise of the executive director.

(b) In the event the commission takes action pursuant to (a)(3) or (a)(4) above, such action is a disapproval of the entire proposed contract unless the contractor assents to such partial disapproval or specified conditions within ten (10) days following the commission meeting.

(c) Contracts shall be deemed approved by the commission if, within twenty (20) days after approval by the executive director, no action is taken by the commission pursuant to subparagraphs (1) through (4) above, unless such twenty days time limit is waived by the contractor.

Chapter 3. Confidentiality of Contract Negotiations

§ 100527. Confidentiality.

(a) All matters set forth in Section 6254(q) of the Government Code including but not limited to the contract negotiations of the executive director, contract recommendations, and deliberations of the commission relating to contract approval or disapproval as set forth in these regulations and recommendations of the Department of Finance or Department of Health Services to the commission, shall be confidential, and considered by the commission in closed session.

NOTE: Authority cited: Sections 14082, 14082.5 and 14165.4, Welfare and Institutions Code. Reference: Sections 6254(q) and 11127, Government Code.

HISTORY

1. Order of Repeal of 6–30–83 emergency order (subsection (b) only) filed 11–28–83 by OAL pursuant to Government Code Section 11349.6 (Register 83, No. 52).
2. Certificate of Compliance including amendment of subsection (a) transmitted to OAL 10–28–83 and filed 12–27–83 (Register 83, No. 52).

§ 100531. Procedure in Furtherance of Fair Competition in Contract Negotiations.

(a) Prior to beginning contract negotiations with any hospital:

(1) The Executive Director shall request that the hospital certify in writing that no individual participating in the negotiation on behalf of the hospital is also representing, providing consultation to, negotiating on behalf of, or otherwise participating in the contract negotiations for any other competing hospital; and

(2) The Executive Director shall request that the hospital demonstrate that it has obtained reasonable written assurances from individuals participating in the negotiations on its behalf that they will not collaborate or discuss the negotiations with any other individual who is not participating in the negotiations on behalf of said hospital. Such other individuals shall include but not be limited to individuals who may be representing, consulting with, negotiating on behalf of, or otherwise participating in the contract negotiations for any other competing hospital. Such assurances shall be in the form of written declarations under penalty of perjury.

(b) For purposes of this section the following definitions of terms shall apply:

(1) Competing hospital. A competing hospital is any hospital, under a different ownership, which is located in the same or a contiguous Health Facility Planning Area which is also in the process of negotiating a Medi–Cal contract with the Executive Director.

(2) Participate in negotiations. An individual is considered to participate in the negotiations on behalf of a hospital if he or she attends the negotiation sessions or is involved in preparing, approving or giving advice with respect to the hospital's negotiating strategy or contract proposal. However, an individual shall not be considered to participate in negotiations as a result of rendering educational or consultative services which do not involve a communication between the hospital and the individual regarding the specific content of a term of the hospital's contract proposal, or the specific content of a term of the contract under negotiation.

(c) The Executive Director shall refuse to negotiate with any hospital which does not provide certification or reasonable assurances as requested in accordance with the foregoing. For good cause shown, the Executive Director may, in the exercise of his sound discretion, waive, in writing, such certification or assurances.

(d) This statement is not intended to prohibit or restrict the disclosure of the terms of a negotiated binding contract to the extent that such disclosure is in accordance with applicable law.

(e) This section shall not apply in situations where the Executive Director has invited a group of hospitals to negotiate a contract as a unit pursuant to Welfare and Institutions Code Section 14087.26.

NOTE: Authority cited: Sections 14081, 14082, 14082.5, 14087.26 and 14165.4, Welfare and Institutions Code. Reference: Sections 14081, 14165 and 14165.5, Welfare and Institutions Code.

HISTORY

1. New section filed 4–13–84 as an emergency; effective upon filing (Register 84, No. 15). A Certificate of Compliance must be transmitted to OAL within 120 days or emergency language will be repealed on 8–11–84.
2. Certificate of Compliance including amendment of subsections (a) and (b)(2) transmitted to OAL 8–10–84 and filed 9–5–84 (Register 84, No. 36).

Chapter 4. Conflict of Interest Code

§ 100540. General Provisions.

The Political Reform Act, Government Code Sections 81000 et seq., requires state and local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices Commission has adopted a regulation, 2 Cal. Code Regs. Section 18730, which contains the terms of a standard Conflict of Interest Code, which can be incorporated by reference, and which m;ay be amended by the Fair Political Practices Commission after public notice and hearings. Therefore, the terms of California Code of Regulations, title 2, section 18730, and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, along with the attached Appendix in which officials and employees are designated and disclosure catego-

ries are set forth, constitute the Conflict of Interest Code of the California Medical Assistance Commission.

Designated employees shall file statements of economic interests with the California Medical Assistance Commission, and the California Medical Assistance Commission will make the statements available for public inspection and reproduction. (Gov. Code, §81008.) Upon receipt of the statements of the Commissioners and Executive Director, the California Medical Assistance Commission shall make and retain a copy and forward the original of these statements to the Fair Political Practices Commission. Original statements for all other designated employees will be retained by the California Medical Assistance Commission, and copies will be provided to the Office of the Governor.

NOTE: Authority cited: Sections 14082, 14082.5 and 14165.4, Welfare and Institutions Code; and Section 11152, Government Code. Reference: Sections 87300–87302 and 87306, Government Code.

HISTORY

1. New Chapter 4 (Section 100540 and Appendix) filed 4–27–88, operative 5–27–88. Approved by Fair Political Practices Commission 3–25–88 (Register 88, No. 18). For history of former Chapter 4 (Sections 100540–100559), see Register 86, No. 28.
2. Amendment of section and Appendix filed 2–23–2007; operative 3–25–2007. Approved by Fair Political Practices Commission 1–8–2007 (Register 2007, No. 8).

Division 11. Department of Community Services and Development

Chapter 1. Community Services Block Grant Regulations

§ 100601. Definitions.

For the purposes of these regulations:

(a) "Affected public" means interested parties and eligible entities as defined in Government Code Section 12730(e).

(b) "CAA" means community action agency as defined in Government Code Section 12750(a).

(c) "CCSBG" means California Community Services Block Grant.

(d) "Contract" means a statement of grant action which when cosigned by authorized agents of the Department and the grantee, and subsequently approved by the Department of General Services pursuant to Section 10295 of the Public Contract Code, is deemed a valid, enforceable agreement.

(e) "CSA" means Community Services Administration.

(f) "CSBG" means Community Services Block Grant.

(g) "Indian tribe" and "tribal organization" means those tribes, bands, or other organized groups of Indians recognized in the State in which they reside or considered by the Secretary of the Interior to be an Indian tribe or an Indian organization for any purpose.

(h) "LPA" means limited purpose agency as defined in Government Code Section 12775(a).

(i) "MSFW" means Migrant and Seasonal Farmworker as defined in Section 100620 of these regulations.

(j) "DEO" means State Department of Economic Opportunity as defined in Government Code Section 12085.

(k) "Target Area" means a contiguous territory with a high incidence of poverty in which a grantee concentrates or desires to concentrate its operations.

(*l*) "Reasonable Opportunity" as used in Government Code Section 12730(k)(2), shall mean a period of 90 days from the date notice is sent to the designated CAA stating that it has failed to comply with the requirements of Government Code Section 12725 et. seq.

NOTE: Authority cited: Section 12781(d), Government Code. Reference: Section 12725 et seq., Government Code.

HISTORY

1. New division 11 (sections 100601–100795, not consecutive) filed 12–12–85; designated effective 12–31–85 pursuant to Government Code section 11346.2(d) (Register 85, No. 50).
2. Change without regulatory effect amending subsections (b), (d), (h), (j), (*l*) and NOTE filed 12–20–93 pursuant to title 1, section 100, California Code of Regulations (Register 93, No. 52).
3. Change without regulatory effect amending division heading filed 1–28–99 pursuant to section 100, title 1, California Code of Regulations (Register 99, No. 5).

§ 100605. Tripartite Board Composition.

(a) Tripartite Board Composition.

(1) Any community action agency which is an eligible entity to receive funding under CSBG shall have a tripartite board as described in the Government Code Sections 12750(a)(2) and 12751.

(2) If an eligible CAA is a public CAA which has the additional requirements of a governing board composed of officials of the local political subdivision such as the county board of supervisors or city council, a community action board shall be established to satisfy the tripartite board requirement.

(3) The community action board shall have at least 12 members and not more than 30 members. The membership of the board shall be divisible by 3 in order to implement the tripartite requirement as stated in Government Code Section 12751.

(b) Public Sector Representation.

(1) For the purpose of Government Code Section 12751(a), appointive public officials are defined to include employees of agencies and members of boards established under State or local law who have the responsibility and authority to decide and carry out the policy of those agencies or boards.

(2) Public officials who are designated for representation on the community action board may choose representatives to serve on the board in their place or in their absence. The representatives need not be Public officials themselves so long as they are entitled to speak and act for the officials whom they represent in connection with the board's business.

(c) Low–Income Representatives.

(1) "Democratic selection process" for the purposes of this article, shall be defined as a methodology reflecting the choice(s) of the people.

(2) Although representatives of the poor need not themselves be poor, they must nonetheless be selected in a manner which ensures they truly represent the poor.

(3) Area Representatives of Low–Income Persons. Should a community action program be concerned primarily with compact geographic areas in which poverty is concentrated, such as neighborhoods or "target areas" of the community, the representatives of the low–income shall be selected by the residents of those neighborhoods or areas. All residents of any such neighborhood or area may participate in the selection process, but special emphasis and attention must be given to ensuring that those residents who are poor participate fully in the selection process. The number of representatives to be selected from each area of concentration of poverty, in relation to the total number of representatives of the low–income on the board, should be proportionate to the number of low–income persons in the area, as compared to the number of low–income persons in the community as a whole.

(4) Non–area Representatives of Low–Income Persons. In some communities or parts of communities it may not be feasible for some or all of the representatives of the poor to be selected on a neighborhood or target area basis (for example, in a rural community where poor persons are scattered throughout the entire area or, in an urban community where there may be a neighborhood in which poverty is concentrated, but where poor people reside outside such neighborhoods). In such cases, representatives of the low–income population shall be selected only by the low–income population, whom the community action program is intended to serve and who reside outside of areas where poverty is concentrated. The non–area representatives should themselves live outside of any target areas separately represented under subsection (3) of this section. The number of such "non–area" representatives, in relation to the total number of representatives of the low–income on the board, should also be proportionate to the number of low–income persons living outside geographic areas in which poverty is concentrated, as compared to the number of low–income persons in the community as a whole.

(5) Selecting Representatives of Low–Income Persons. In the selection process, whether for area or non–area representatives of the poor, to the maximum extent possible, the low–income groups and individuals to be represented should be involved. Among the selection processes that may be utilized, either alone or in combination, are:

(A) Nominations and elections, either within neighborhoods, or within the community as a whole.

(B) Selection at a meeting or conference to which all neighborhood residents, and especially those who are poor, are invited.

(C) Selection of representatives to a community–wide board by members of neighborhood or sub–area boards, who are themselves, selected by neighborhood or area residents.

(D) Selection, on a small area basis (such as a city block), of representatives who in turn select members for a community–wide board.

(E) Selection of representatives, either directly to a Community Action Board or for membership on a neighborhood board, by existing organizations whose membership is predominantly composed of low–income persons.

(F) This list is not intended to limit the variety of selection processes which may be used. Any democratic selection process ensuring the maximum feasible participation of the poor is potentially acceptable. In all cases attention should be given to the fair representation of significant minority groups within the community.

(6) The designating officials of a CAA shall select candidates for low-income seats, who are declared low-income over persons desiring to represent the low-income community, who are not declared low-income.

(d) Private Sector Representation.

(1) In choosing private sector participation CAA's shall select groups and interests to ensure that the board is securing broad community involvement.

(2) Once the groups and interests to be represented have been selected, their respective representatives on the board shall be chosen by those groups and interests.

HISTORY

1. Change without regulatory effect amending subsections (a)(1), (b)(1) and NOTE and repealer of subsection (a)(4) filed 12–20–93 pursuant to title 1, section 100, California Code of Regulations (Register 93, No. 52).

§ 100610. Designation and Recognition of a New or an Alternate CAA.

(a) Process for Designation. A political subdivision seeking designation of a new or alternate CAA, shall follow all the requirements set forth below as follows:

(1) Notice of Intent to Designate. A written notice of intent to designate shall be prepared by the political subdivision which shall designate a new or alternate community action agency. This notice shall be posted in a public place, mailed to the Department, and mailed to municipalities within the political subdivision and shall be placed in the newspaper having the widest circulation within the political subdivision. The notice shall clearly indicate the following:

(A) Indicate any specific proposal for designation.

(B) Indicate that testimony will be taken at the public hearing.

(C) The date, time and location of the public hearing to consider the question of CAA designation.

(D) Advise the public of the opportunity to submit written comments to the political subdivision prior to the public hearing.

Public Hearings. The public hearings for designation of recognition of a new or alternate CAA, shall be carried out pursuant to the local laws (i.e., statutes, ordinances, or regulations) governing public hearings, normally adhered to by the political subdivision to assure the public has an opportunity to comment on the CAA designation process.

(3) Legislative passage of an Act, Ordinance or Resolution of Designation. Having conducted at least one public hearing, the political subdivision shall make a designation in the same manner in which they normally exercise their legislative jurisdiction.

(4) Application for Recognition. After a political subdivision has made a designation, the designator shall submit to DEO two copies of an application for provisional recognition as a CAA. This application is composed of the following documents:

(A) Statement requesting recognition as a community action agency.

(B) The designation documents (i.e., act, ordinance, or resolution) together with the certification documents from the political subdivision.

(C) The notice of intent to designate and a list of the locations where such notice was posted as proof of newspaper publication.

(D) Minutes of the public hearing during which the CAA was designated.

(b) Granting of Recognition. After determining that all of the aforementioned requirements have been met, DEO will grant to the applicant agency provisional recognition.

(1) Upon receipt of the notification of provisional recognition status, the applicant shall proceed to organize itself, to select and appoint the members of its governing or administering board, to formally adopt bylaws and to otherwise prepare itself for final recognition.

(2) An applicant who has received provisional recognition shall submit a map of the area to be served by the applicant to DEO.

(3) Upon receipt of the above indicated items, DEO will review same to determine whether or not the applicant has complied with all pertinent requirements of Section 12750 et seq. of the Government Code and the Community Services Block Grant Program. Upon DEO's determination that the applicant has satisfied all compliance requirements, the Department will provide written notification to the applicant that final recognition has been granted.

§ 100730. Monitoring and Periodic Evaluation.

(a) Grantee's Responsibilities. Grantees shall constantly monitor their performance under grant supported activities to assure that time schedules are being met, projected work units by time periods are being accomplished, and other performance goals are being achieved. This review shall be made for each program, function, or activity of each grant as set forth in the approved grant agreement.

(1) Each grantee shall prepare a quarterly program progress report on the form designated by the Department. Each report shall be submitted to the Department no later than thirty calendar days following the subject quarter.

(2) The performance report for each goal shall include, but not be limited to the following:

(A) Description of actual accomplishments compared to the objective established for the reporting period. The result of activities should be quantified wherever possible.

(B) Reasons why established objectives were not met.

(C) Other information as appropriate.

(b) DEO shall monitor and evaluate the performance of functions, projects and activities supported by CSBG funds frequently enough to ensure that these grant supported activities are accomplished as set forth in the statement of grant action and that CSBG funds are properly disbursed.

§ 100751. Due Process Rights for Clients Denied Services.

(a) Any person who has applied for benefits and/or services, provided under a contract or delegation agreement with the Department, whose application has been denied has the right to appeal such action to the grantee. For purposes of this section, the Department will consider that there has been a denial of assistance when:

(1) The benefits, services and/or funds currently are available and;

(2) The grantee has the authority to provide or disburse such benefits, services and/or funds and;

(3) The applicant meets or believes that he/she can prove that he/she meets program eligibility criteria.

(b) Each grantee shall establish and make known to all applicants, procedures for the review of partial or complete denial of assistance to any person or household. If the grantee has an existing appeal process which includes the following elements, its continued use will satisfy the requirements of this section. If, however, the grantee has a procedure which excludes any of the elements below it shall be amended to include those factors which are excluded.

(1) Provisions for notifying the applicant in writing of the reasons for denial of assistance and that he/she may request a review of the denial and may submit additional information (in writing or orally) which the applicant believes would warrant a favorable determination.

(2) Provisions for reviewing the denial of an application for assistance in an expeditious manner if such is requested by the applicant. This shall include the specific assignment of responsibility to a senior level official or standing committee other than the person making the initial determination.

(3) Provisions for expeditiously notifying the applicant in writing of the grantees final decision.

(4) The methods the agency will employ to publicize the existence of the appeals process.

(5) Provisions for ensuring that every effort will be made to provide persons who do not comprehend English with written materials and procedures in the appropriate languages.

(6) Provisions for the retention of documents relating to specific denials of assistance and action(s) taken by the grantee. Such records must be maintained in the grantee's files for three years and shall be available for review by DEO officials upon request.

(c) A written description of the aforementioned required procedures shall be maintained on file by the grantee and shall be available for public inspection.

(d) Any person who has applied for benefits and/or services, provided under a subgrant or contract with the Department, whose application has been denied and who has exhausted all grantee appeal rights, may appeal the denial of assistance to the Department. Should the appeal remain unresolved and the applicant desires to appeal further, the written appeal and all other supportive documentation must be received by the responsible Department official within twenty (20) calendar days of the grantee's final decision.

(e) Under no circumstances shall the grantee or the Department waive the applicant's right to appeal.

§ 100760. Non–Discrimination.

(a) A grantee will not discriminate against any employee or applicant for employment because of race, sex, creed, color, religion, or national origin. Also, prohibition against discrimination on the basis of age or with respect to an otherwise qualified handicapped individual shall apply. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, religion, sex, age, handicap or national origin. Such action shall include, but shall not be limited to the following: Employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training including apprenticeship. The grantee agrees to post in conspicuous places available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(b) A grantee will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, religion, handicap, age, sex or national origin.

(c) A grantee will send to each labor union representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided by the contracting officer, advising the labor union representative of the contractor's commitments under Section 202 of Executive Order No. 11246 of September24, 1985, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(d) A grantee will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the U.S. Secretary of Labor.

(e) Grantee will comply with all provisions of Title VI and VII of the Civil Rights Act of 1964, as amended.

HISTORY

1. Change without regulatory effect amending NOTE filed 12–20–93 pursuant to title 1, section 100, California Code of Regulations (Register 93, No. 52).

§ 100770. Significant Numbers.

(a) In ascertaining if "significant numbers" of eligible beneficiaries have petitioned the political subdivision for reconsideration of the subdivision's designation of a particular CAA, the political subdivision must consider the following factors when reviewing the petitions:

(1) The number of petitions which seek reconsideration;

(2) The relative frequency of petitions;

(3) The validity of the complaint in the petitions; and

(4) The gravity of the complaint contained in the petition.

(b) Each political subdivision must apply the aforementioned factors to each petition received charging noncompliance, on a case by case basis. If after reviewing all petition(s) received, the political subdivision is satisfied that the complaints contained in a reasonable number of petitions are valid then such political subdivision will be deemed to have been petitioned by a significant number.

§ 100775. Revocation of Recognition and Designation by DEO.

The Director of the Department may revoke the recognition and/or the designation of a community action agency which has failed to comply with the requirements of Government Code Section 12725 et seq. only after complying with the following conditions:

(a) The grantee's contract has been terminated pursuant to California Code of Regulations Section 100780;

(b) The grantee has been provided a reasonable opportunity to comply with the requirements of this Article pursuant to California Code of Regulations Section 100601, and has failed to do such; and

(c) The Department has obtained authority to terminate the contract from the Secretary of the U.S. Department of Health and Human Services, if applicable, pursuant to Section 676 A of the Community Services Block Grant Act, (42 U.S.C. 9905A).

NOTE: Authority cited: Section 12781(d), Government Code. Reference: Section 12781(c) and (d), Government Code.

HISTORY

1. Change without regulatory effect amending opening paragraph, subsections (a)–(c) and NOTE filed 12–20–93 pursuant to title 1, section 100, California Code of Regulations (Register 93, No. 52).

§ 100780. Denial of Refunding, Suspension and Termination of Contract Procedures.

(a) Purpose and Scope—This section establishes the rules and procedures governing the denial of refunding and the suspension and termination of contracts. This section shall not apply to any administrative action based upon any violation or alleged violation of Title VI of the Civil Rights Act of 1964. In case of such violations or alleged violations, the provisions of 45 CFR Part 1010 shall apply.

(b) Definitions.

(1) The term "termination" means the cancellation by the Department of state and or federal assistance in whole or in part, under a contract at any time prior to the time of completion.

(2) The term "suspension" means an action taken by the Department which temporarily suspends state and/or federal assistance under the contract, pending DEO's decision to terminate the contract.

(3) The term "responsible Department official" means the Director, Deputy Director, or any other official who is authorized to make the contract in questions, or the designee of any of these officials.

(c) Failure to Comply with Contract Terms and Conditions.

When a grantee has materially failed to comply with the contract terms and conditions, the Department may suspend the contract in whole or in part.

(d) Suspension Notice.

(1) The responsible Department official shall notify the grantee in writing that the Department intends to suspend a contract, in whole or in part, unless good cause is shown why the contract should not be suspended. The notice shall specify the grounds for the proposed suspension, the proposed effective date of suspension and the grantee's right to submit written material in opposition to the intended suspension and of its right to request an informal meeting at which the grantee may respond with an attempt to show cause why such suspension should not occur. The period of time within which the grantee may submit such written material or request the informal meeting shall be specified in the notice of intent to suspend and shall be no less than 5 days after the notice has been sent. If the grantee requests a meeting, the responsible Department official shall set a time and place for the meeting, which shall not be less than 5 days after the grantee's request is received by the Department. In lieu of the right of the grantee to request an informal meeting, the responsible Department official may on his/her own initiative establish a time and place for such a meeting. In no event, however, shall such a meeting be scheduled less than 7 days after the notice of intent to suspend has been sent to the grantee. The responsible Department official may extend the periods of time or dates previously referred to and shall notify the grantee of any such extension.

(2) At the time the responsible Department official sends the notice of intent to suspend the grantee, he/she shall also send a copy of it to any delegate agency whose activities or failure to act are a substantial cause of the proposed suspension, and shall inform such delegate agency that it shall be entitled to submit written material or to participate in the informal meeting referred to in subparagraph (d) (1) of this section. The responsible Department official may give such notice to any other delegate agency.

(3) Within 3 days of receipt of the notice, the grantee shall send a copy of these regulations to all delegate agencies which would be financially affected by the proposed suspension action. Any delegate agency which wishes to submit written material may do so within the time stated in the notice. Any delegate agency that wishes to participate in the informal meeting may request permission to do so from the responsible Department official, who may in his/her discretion, grant or deny such permission. In acting upon any such request from a delegate agency, the responsible Department official shall take into account the effect of the proposed suspension on the particular delegate agency, the extent to

which the meeting would become unduly complicated as a result of granting such permission, and the extent to which the interest of the delegate agency requesting such permission appears to be adequately represented by other participants.

(4) In the notice of intent to suspend, the responsible Department official shall invite voluntary action to adequately correct the deficiency which led to the initiation of the suspension proceeding.

(5) The responsible Department official shall consider any timely material presented to him/her during the course of the informal meeting provided for in subparagraph (d) (1) of this section, as well as any showing that the grantee has adequately corrected the deficiency which led to the initiation of suspension proceedings. If after considering the material presented to him/her, the responsible Department official concludes the grantee has failed to show cause why the contract should not be suspended, he/she may suspend the grant in whole or in part and under such terms and conditions as he/she shall specify.

(6) Notice of such suspension shall be promptly transmitted to the grantee and shall become effective upon delivery. Suspension shall not exceed a 30 day period unless during such period of time, termination proceedings are initiated or unless the responsible DEO official and the grantee agree to a continuation of the suspension for an additional period of time. If termination proceedings are initiated, the suspension shall remain in full force and effect until such proceedings have been fully concluded.

(7) During a period of suspension, no new expenditures shall be made by the grantee and no new obligations shall be incurred in connection with the suspended program except as specifically authorized in writing by the responsible Department official. Expenditures to fulfill legally enforceable commitments made prior to the notice of suspension, in good faith and in accordance with the grantee's approved work program, and not in anticipation of suspension or termination, shall not be considered new expenditures. However, funds shall not be recognized as committed solely because the grantee has obligated them by contract or otherwise to a delegate agency.

(8) The responsible Department official may in his/her discretion modify the terms, condition and nature of the suspension or rescind the suspension action at any time on his/her own initiative or upon a showing satisfactory to him/her that the grantee has adequately corrected the deficiency which led to the suspension and that repetition is not threatened. A suspension partly or fully rescinded may, in the discretion of the responsible Department official, be reimposed with or without further proceeding. Provided, however, that the total time of suspension may not exceed 30 days unless termination proceedings are initiated in accordance with Department policies and procedures governing the termination of contracts or unless the responsible Department official and the grantee agree to a continuation of the suspension for an additional period of time. If termination proceedings are initiated, the suspension shall remain in full force and effect until such proceedings have been fully concluded.

(e) Notice and Pre-hearing Procedures.

(1) If the responsible DEO official believes a grantee's violation of the terms and conditions of its contract is sufficiently serious to warrant termination, whether or not the contract has been suspended, he/she shall state that there appears to be grounds which warrant termination and shall set forth the specific reasons therefor. If the reason(s) result in whole or substantial part from the activities of a delegate agency, the notice shall identify that delegate agency. The notice shall also advise the grantee that the matter has been set down for hearing at a stated time and place in accordance with paragraph (f) of this section. In the alternative, the notice shall advise the grantee of its right to request a hearing and shall fix a period of time which shall not be less than 10 days, in which the grantee may request such a hearing.

(2) Termination hearings shall be conducted in accordance with the provisions of paragraphs (g) and (h) of this section. They shall be scheduled for the earliest practicable date, but not later than 30 days after a grantee has requested such a hearing. Consideration shall be given to a request by a grantee to advance or postpone the date of a hearing scheduled by the Department. Any such hearing shall afford the grantee a full and fair opportunity to demonstrate that it is in compliance with all applicable laws, regulations, and other requirements. In any termination hearing, the Department shall have the burden of justifying the proposed termination. However, if the basis of the proposed termination is the failure of a grantee to take action required by law, regulation, or other requirement, the grantee shall have the burden of proving that such action was timely taken.

(3) If a grantee requests that the Department hold a hearing in accordance with subparagraph (e)(1) of this section, it shall send a copy of its request for such a hearing to all delegate agencies which would be financially affected by the termination and to each delegate agency identified in the notice pursuant to subparagraph (e)(1) of this section. This material shall be sent to these delegate agencies at the same time the grantee's request is made to the Department. The grantee shall promptly send the Department a list of the delegate agencies to which it has sent such material and the date on which it was sent.

(4) If the responsible Department official pursuant to subparagraph (e)(1) of this section informs a grantee that a proposed termination action has been set for hearing, the grantee shall, within 5 days of its receipt of this notice, send a copy of it to all delegate agencies which would be financially affected by the termination action and to each delegate agency identified in the notice pursuant to subparagraph (e)(1) of this section. The grantee shall send the responsible Department official a list of all delegate agencies notified and the dates of notification.

(5) If the responsible Department official has initiated termination proceedings because of the activities of a delegate agency, that delegate agency may participate in the hearing as a matter of right. Any other delegate agency, person, agency or organization that wishes to participate in the hearing may, in accordance with paragraph (g) of this section, request permission to do so from the presiding officer of the hearing. Such participation shall not, without the consent of the Department and the grantee, alter the time limitations for the delivery of papers or other procedures set forth in this section.

(6) The results of the proceeding and any measure taken thereafter by the Department pursuant to this section shall be fully binding upon the grantee and all its delegate agencies whether or not they actually participated in the hearing.

(7) A grantee may waive a hearing and submit written information and argument for the record. Such material shall be submitted to the responsible Department official within a reasonable period of time to be fixed by him/her upon the request of the grantee. The failure of a grantee to request a hearing, or to appear at a hearing for which a date has been set, unless excused for good cause, shall be deemed a waiver of the right to a hearing and consent to the making of a decision on the basis of such information as is then in the possession of the Department.

(8) The responsible Department official may attempt, either personally or through a representative, to resolve the issues in dispute by informal means prior to the date of any applicable hearing.

(f) Time and Place of Termination Hearings.

The termination hearing shall be held in Sacramento, CA, at a time and place fixed by the responsible Department official, unless he/she determines that the convenience of the Department or of the parties or their representatives requires that another place be selected.

(g) Termination Hearing Procedures.

(1) The termination hearing, the decision on termination and any review thereof shall be conducted in accordance with paragraph (g), (h) and (i) of this section.

(2) The presiding officer at the hearing shall be the responsible Department official. The presiding officer shall conduct a full and fair hearing, avoid delay, maintain order, and make a sufficient record for a full and true disclosure of the facts and issues. To accomplish these ends, the presiding officer shall have all powers authorized by law, and he/she may make all procedural and evidentiary rulings necessary for the conduct of

the hearing. The hearing shall be open to the public unless the presiding officer, for good cause shown, determines otherwise.

(A) After the notice described in subparagraph (g)(6) of this section is filed with the presiding officer, he/she shall not consult any person or party on a fact in issue unless on notice and opportunity for all parties to participate. However, in performing his/her functions under this subparagraph the presiding officer may use the assistance and advise of an attorney designated by the General Counsel of the Department. The attorney designated to assist him/her however, must not have represented the Department or any other party or otherwise participated in a proceeding, recommendation, or decision in the particular matter.

(3) Both the Department and the grantee are entitled to present their cases by oral or documentary evidence, to submit rebuttal evidence and to conduct such examination and cross–examination as may be required for a full and true disclosure of the facts bearing on the issues. The issues shall be those stated in the notice required to be filed by subparagraph (g)(6) of this section, those stipulated in a pre–hearing conference or those agreed to by the parties.

(4) In addition to the Department, the grantee, and any delegate agencies which have a right to appear, the presiding officer, in his/her discretion, may permit the participation in the proceedings of such persons or organizations as he/she deems necessary for a proper determination of the issues involved. Such participation may be limited to those issues or activities which the presiding officer believes will meet the needs of the proceeding, and may be limited to the filing of written material.

(A) Any person or organization that wishes to participate in a proceeding may apply for permission to do so from the presiding officer. This application, which shall be made as soon as possible after the notice of proposed termination has been received by the grantee, shall state the applicant's interest in the proceeding, the evidence or arguments the applicant intends to contribute, and the necessity for the introduction of such evidence or arguments.

(B) The presiding officer shall permit or deny such participation and shall give notice of his/her decision to the applicant, the grantee, and the Department and, in the case of denial, a brief statement of the reasons therefor. The presiding officer may, however, subsequently permit such participation if, in his/her opinion, it is warranted by subsequent circumstances. If participation is granted, the presiding officer shall notify all parties of that fact and may, in appropriate cases, include in the notification a brief statement of the issues as to which participation is permitted.

(C) Permission to participate to any extent is not a recognition that the participant has any interest which may be adversely affected or that the participant may be aggrieved by any decision, but is allowed solely for the aid and information of the presiding officer.

(5) All papers and documents which are required to be filed shall be filed with the presiding officer. Prior to filing, copies shall be sent to the other parties.

(6) The responsible Department official shall send the grantee and any other party a notice which states the time, place, and nature of the hearing, and the legal authority and jurisdiction under which the hearing is to be held. The notice shall also identify with reasonable specificity the facts relied on in justifying termination and the Department requirements which it is contended the grantee has violated. The notice shall be filed and served not later than 10 days prior to the hearing and a copy therefor shall be filed with the presiding officer.

(7) The grantee and any other party which has a right or permission to participate in the hearing shall give written confirmation to the Department of its intention to appear at the hearing 3 days before it is scheduled to occur. Failure to do so may, at the discretion of the presiding officer, be deemed a waiver of the right to a hearing.

(8) All papers and documents filed or sent to a party shall be signed in ink by the appropriate party or his/her authorized representative. The date on which papers are filed shall be the day on which the papers or documents are deposited, postage prepaid in the U.S. mail, or are delivered in person. The effective date of the notice specifying the grounds which warrant termination shall be the date of its delivery or attempted delivery at the grantee's last known address as reflected in the records of the Department.

(9) Prior to the commencement of a hearing the presiding officer may, subject to the provisions of subparagraph (g)(2)(A) of this section, require the parties to meet with him/her or correspond with him/her concerning the settlement of any matter which will expedite a quick and fair conclusion of the hearing.

(10) Technical rules of evidence shall not apply to hearings conducted pursuant to this section but the presiding officer shall apply rules or principles designed to assure production of relevant evidence and to subject testimony to such examination and cross–examination as may be required for a full and true disclosure of the facts. The presiding officer may exclude irrelevant, immaterial, or unduly repetitious evidence. A transcript shall be made of the oral evidence and shall be made available to any participant upon payment of the prescribed costs. All documents and other evidence submitted shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced by either side on the issues.

(11) If the presiding officer determines that the interests of justice would be served, he/she may authorize the taking of depositions provided that all parties are afforded an opportunity to participate in the taking of the depositions. The party who requested the deposition shall arrange for a transcript to be made of the proceedings and shall upon request, and at his/her expense, furnish all other parties with copies of the transcript.

(12) Official notice may be taken of a public document, or part thereof, such as a statute, official report, decision, opinion or published scientific data issued by any agency of the Federal Government or a State or local government and such document or data may be entered on the record without further proof of authenticity. Official notice may also be taken of such matters as may be judicially noticed in the courts of the United States, State of California, or any other matter of established fact within the general knowledge of the Department. If the decision of the presiding officer rests on official notice of a material fact not appearing in evidence, a party shall on timely request be afforded an opportunity to show the contrary.

(13) After the hearing has concluded, but before the presiding officer makes his/her decision, he/she shall afford each participant a reasonable opportunity to submit proposed findings of fact and conclusions. After considering each proposed finding or conclusion the presiding officer shall state in his/her decision whether he/she has accepted or rejected them in accordance with the provisions of paragraph(h) and (i) of this section.

(h) Decision.

(1) Each decision of a presiding officer shall set forth his/her findings of fact, and conclusions, and shall state whether he/she has accepted or rejected each proposed finding of fact and conclusion committed by the parties, pursuant to subparagraph (g)(13) of this section. Findings of fact shall be based only upon evidence submitted to the presiding officer and matters of which official notice has been taken. The decision shall also specify the requirement or requirements with which it is found that the grantee has failed to comply.

(2) The decision of the presiding officer may provide for continued suspension or termination of the contract in whole or in part, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Community Services Block Grant Act, as amended.

(3) If the hearing is held by an independent hearing examiner rather than by the responsible Department official, he/she shall make an initial decision, and a copy of this initial decision shall be mailed to all parties. Any party may, within 20 days of the mailing of such initial decision or such longer period of time as the presiding officer specifies, file with the responsible Department official his/her exceptions to the initial decision and any supporting brief or statement. Upon the filing of such exceptions, the responsible Department official shall, within 20 days of the mailing

of the exceptions, review the initial decision and issue his/her own decision thereon, including the reasons therefor. The decision of the responsible Department official may increase, modify, approve, vacate, remit, or mitigate any sanction imposed in the initial decision or may remand the matter to the presiding officer for further hearing or consideration.

(4) Whenever a hearing is waived, a decision shall be made by the responsible Department official and a written copy of the final decision of the reasonable Department official shall be given to the grantee.

(5) The grantee may request the Director to review a final decision made by the responsible Department official which provides for termination. Such a request must be made in writing within 15 days after the grantee has been notified of the decision in question and must state in detail the reasons for seeking the review. In the event the grantee requests such a review, the Director or his/her designee shall consider the reasons stated by the grantee for seeking the review and shall approve, modify, vacate or mitigate any sanction imposed by the responsible Department official or remand the matter to the responsible Department official for further hearing or consideration. The decision of the responsible Department official will be given great weight by the Director or his/her designee during the review. During the course of his/her review, the Director or his/her designee may, but is not required to, hold a hearing or allow the filing of briefs and arguments. Pending the decision of the Director or his/her designee, the grant shall remain suspended under the terms and the conditions specified by the responsible Department official unless the responsible Department official or the Director or his/her designee determines otherwise. Every reasonable effort shall be made to complete the review by the Director or his/her designee within 30 days of receipt of the grantee's request by the Director. The Director or his/her designee may, however, extend this period of time if he/she determines that additional time is necessary for an adequate review.

(6) The responsible Department official or the presiding officer of a termination hearing may alter, eliminate or modify any of the provisions of this section with the consent of the grantee and, in the case of a termination hearing, with the consent of all delegate agencies that have a right to participate in the hearing pursuant the subparagraph (e)(5) of this section. Such consent must be in writing or be recorded in the hearing transcript.

(7) The procedures established by this section shall not preclude the Department from pursuing other remedies authorized by law.

(i) Right to Counsel; Travel Expenses.

(1) The Department and the grantee shall have the right to be represented by counsel or other authorized representatives in all proceedings under this section. Any grantee or delegate agency if authorized by resolution of their Board of Directors, may transfer sufficient funds from their current operating grants to pay for fees, travel and per diem expenses of such attorney. The fees for such attorneys shall be the reasonable and customary fees for an attorney practicing in the locality of the attorney. However, such fees shall not exceed $100 per day, exclusive of travel costs and per diem, without the prior written approval of the Department.

(2) The Board of Directors of the grantee or any delegate agency which has a right to participate in an informal meeting pursuant to subparagraph (e)(8) of this section will also be authorized to designate two persons in addition to an attorney whose travel and per diem expenses to attend the meeting or hearing may be paid from the organization's current operating grant. Such travel and per diem expenses shall conform to the policies set forth in Office of Management and Budget (OMB) Circular A–110, dated 7/30/76, and OMB Circular A–102, dated 9/12/77, and other applicable federal laws or regulations which may supercede these policies.

(j) Denial of Refunding.

(1) No grantee shall be denied refunding by the Department without the Department first complying with paragraphs (e), (f), (g), (h) and (i) of this section.

(2) In addition to the general requirements of subsection (a), the Department shall obtain authority to terminate the contract of community action agency grantees or migrant and seasonal farmworker organization grantees from the Secretary of the U.S. Department of Health and Human Services pursuant to Section 676 A of the Community Services Block Grant Act, (42 U.S.C. 9905A), prior to a denial of refunding.

(k) Disposition of Unexpended Funds.

Upon termination, the disposition of unexpended CSBG funds and of property purchased with program funds shall be in accordance with the provisions of Section 100740 of Article 3 of these regulations, entitled Grant Closeouts for Terminated Grantees. Termination shall not affect expenditures or legally binding commitments made prior to the grantees receipt of notice of the termination provided such expenditures were made in good faith and are otherwise allowable.

HISTORY

1. New section filed 5–8–92; operative 6–8–92 (Register 92, No. 20).

§ 100805. Appeal Process.

(a) Any person who has applied for benefits and/or services provided under a grant award from a contractor or a subcontractor whose application has been denied or not acted upon within fifteen (15) working days or has not received satisfactory performance according to the agreed upon program requirements of the contract has the right to first appeal such action to the contractor and, if not satisfied, subsequently appeal to DEO. For purposes of this section, DEO shall consider that there has been a denial of assistance when the following exists and a client has been refused service:

(1) The benefits, services and/or funds are currently available; and

(2) The contractor has the authority to provide or disburse such benefits, services and/or funds; and

(3) The applicant meets or believes that he/she can prove that he/she meets program eligibility criteria; and

(4) The applicant meets the conditions of the approved priority service plan.

(b) A written appeals process shall be established by each contractor and shall be provided to all applicants who are denied assistance.

(1) Procedures for the review of partial or complete denial of assistance to any person or household shall include the following:

(A) Provisions for notifying the applicant in writing of the reasons for denial of assistance and advising the applicant that he/she may request a review of the denial and may submit additional information (in writing or orally) which the applicant believes would warrant a favorable determination.

(B) Provisions for reviewing the denial of an application for assistance in an expeditious manner if such is requested by the applicant. This shall include the specific assignment of responsibility to a senior level official or standing committee other than the person making the initial determination.

(C) Provisions for notifying the applicant of the contractor's final decision.

(D) The methods the contractor will employ to notify applicant of the existence of the appeals process.

(E) Provisions for ensuring that every effort will be made to provide persons who do not comprehend English with written materials and/or procedures in the appropriate language(s).

(F) Provisions for the retention of documents relating to specific denials of assistance and action(s) taken by the contractor. Such records must be maintained in the contractor's files for three years and shall be available for review by DEO officials upon request.

(G) Provisions to inform applicants that an appeal to DEO may be requested as part of the fair hearing process and provisions for providing a description to the applicant of the process and criteria for appeal to DEO as outlined in subsections (c) and (d) of this section.

(2) A written description of the aforementioned required procedures shall be maintained on file by the contractor and shall be available for public inspection.

(c) Should the applicant decide to appeal to DEO, the applicant shall submit a written appeal request to DEO within ten (10) working days from the date of the contractor's final decision. Upon request from DEO, the contractor shall provide all supportive documentation to DEO, postmarked within ten (10) working days of the request.

(d) DEO shall provide an opportunity for an administrative fair hearing if an applicant's concern is not resolved by appeal to the contractor. Within five (5) working days, upon receipt of a request for a fair hearing, DEO shall schedule a fair hearing to be conducted no later than fifteen (15) working days from receipt of a request for a fair hearing. The fair hearing shall be conducted in accordance with the following criteria:

(1) The hearing shall be held in a place reasonably convenient to the applicant and open to the public.

(2) The applicant shall receive notification of the hearing no less than five (5) working days before the scheduled hearing, to enable a proper preparation of the applicant's appeal.

(3) The applicant shall have an opportunity to review his/her claim file, which contains all the evidence to be presented, prior to the hearing.

(4) The hearing officer shall be an impartial adjudicator who has not participated in the decision being appealed.

(5) The applicant is guaranteed the right to:

(A) Have a representative at the hearing;

(B) Present evidence, including oral and/or written statements on his/her behalf;

(C) Present witnesses; and

(D) Cross–examine witnesses.

(6) The applicant shall be given the opportunity to elect to have the matter determined through use of a declaration in lieu of personal appearance.

(7) The hearing officer shall issue a final decision, in writing, within thirty (30) calendar days following the conclusion of the fair hearing.

HISTORY

1. New section filed 5–8–92; operative 6–8–92 (Register 92, No. 20).

§ 100810. Certification Requirements.

(a) Prior to receiving funds, a new contractor selected for funding under LIHEAP shall submit an accounting system report, signed by an independent certified public accountant or an independent State–licensed public accountant, or, in the case of a public agency, the financial officer responsible for providing required financial services to the contractor.

(b) The report shall certify that the new contractor has established an adequate accounting system with internal controls to safeguard assets, check the accuracy and reliability of all accounting data, promote operating efficiency, and assure compliance with any other fiscal requirements provided for by law.

HISTORY

1. New section filed 5–8–92; operative 6–8–92 (Register 92, No. 20).

§ 100815. Closeout Process.

(a) A contractor shall submit all grant closeout documents, including final financial, performance, and other reports required as a condition of the grant award, no later than ninety (90) calendar days following the date of completion of the contract. Upon written request by the contractor, the Department may extend the submittal date. Required reports may include but are not limited to:

(1) Final performance or activity report.

(2) Final expenditure report and request for reimbursement.

(3) State–owned property report. The contractor must submit an inventory of all state–owned property (as distinct from property acquired

with contract funds) for which it is accountable and request disposition instructions from the Department for property no longer needed.

(b) The Contractor must refund any unexpended funds to the Department.

(c) The Department will, within 90 days after receipt of reports in paragraph (a) of this section, make upward or downward adjustments to the allowable costs.

(d) The Department will make prompt payment to the contractor for allowable reimbursable costs which have not been reimbursed during the regular monthly billing process. This payment shall, however, be contingent upon receipt of the reports identified in paragraph (a) of this section.

(e) The Department will close out the contract when it determines that all applicable administrative actions and all required work have been completed.

(f) The close out of a contract does not affect:

(1) The Department's right to disallow costs and recover funds on the basis of a later audit or other review;

(2) The contractor's obligation to return any funds due as a result of later refunds, corrections, or other transactions;

(3) Records retention requirements;

(4) Property management requirements; and

(5) Audit requirements.

HISTORY

1. New section filed 5–8–92; operative 6–8–92 (Register 92, No. 20).

§ 100820. Designation of a New or Alternate Contractor.

(a) In the event a contractor files for bankruptcy or in some other manner ceases operations or has its grant terminated in accordance with Section 100875 of this Chapter, DEO shall select a new contractor based on 42 United States Code, Section 8624. In all instances where a new contractor is identified, DEO shall, prior to selecting said contractor, determine that the agency involved meets program and fiscal requirements.

(b) The following procedure shall be used for selecting a successor:

(1) DEO shall seek out a private nonprofit or public agency which is located and currently providing services to the general low–income population in the subject area. The agency shall be given the opportunity to fill the vacancy. Should there be more than one such entity interested in serving, special consideration shall be given in accordance with 42 U.S.C., Section 8624(b)(6) as follows:

(A) A local public or private nonprofit agency which was receiving Federal funds under any low–income energy assistance program or weatherization program under the Economic Opportunity Act of 1964 or any other provision of law on August 12, 1981.

(B) Any successor public or private nonprofit agency which is operated in substantially the same manner and for substantially the same purpose as the predecessor agency as described in subsection (b)(1)(A) above.

(2) When no such eligible entity or public or private nonprofit agency exists in a subject area, an entity which is located and providing services in an area contiguous to the subject area shall be offered the opportunity to serve using the same priority order as specified in subsection (b)(1) above.

(3) When no such eligible entity or public or private nonprofit agency exists contiguous to the subject area, an eligible entity located closest to or within reasonable proximity to the subject area shall be offered the opportunity to serve using the same priority order as specified in subsection (b)(1) above.

(c) In the event that more than one eligible entity exists and is willing to perform services after applying the procedures for selection of a successor agency in subsection (b), DEO shall utilize a competitive process to select a new contractor. When a competitive process is required, the Department will provide, at a minimum, the following to all interested parties. This information will be provided at least thirty (30) calendar days prior to the deadline for request for consideration under the competitive process.

(1) The background and purpose of the need for the competitive process.

(2) A description of the work to be performed and the service area in which it must be performed.

(3) The eligibility criteria for participating in the competitive process.

(4) A description of the required format for the response.

(5) The timetable for submittal, review and evaluation of the responses.

(6) The criteria which will be used by the Department to select the successor contractor.

HISTORY

1. New section filed 5–8–92; operative 6–8–92 (Register 92, No. 20).

§ 100825. Financial Statements and Audits.

(a) Single agency–wide audits shall be conducted in accordance with Office of Management and Budget (OMB) Circular A–128 or OMB Circular A–133, which are hereby incorporated by reference, as specified in (a)(1), (a)(2) and (a)(3) of this section along with other applicable Federal laws or regulations which may be adopted.

(1) OMB Circular A–128 shall be used when the contractor is a state or local government or an Indian tribe as defined in the Circular.

(2) OMB Circular A–133 shall be used when the contractor is a nonprofit agency or an institution of higher education as defined in the Circular.

(3) Should a question arise regarding an entity's status as either a public or private nonprofit, the Department shall request and accept a decision from the State Controller's Office as to which OMB Circular should be used.

(b) Audited financial statements shall be prepared in accordance with generally accepted accounting principles; generally accepted government auditing standards; those audit standards that apply to financial and compliance audits set forth in the Government Auditing Standards, 1988 Revision, issued by the General Accounting Office, which is hereby incorporated by reference; along with any other applicable State and Federal guidelines. Additionally, the audit shall show receipt and expenditure of DEO funds separately by program component and contract award.

(c) Entities governed by OMB Circular A–128 shall submit to the State Controller's Office, Division of Audits, two (2) copies of the required audit report within one (1) year of the expiration of the contractor's fiscal year.

(d) Entities governed by OMB Circular A–133 shall submit to DEO two (2) copies of the required audit report within ninety (90) calendar days of the expiration of the contractor's fiscal year. Under extenuating circumstances and upon written request by the contractor, DEO may grant an extension of time for submittal of the audit report.

(e) Where services or funds under this Chapter are provided to, for, or by a wholly–owned or –controlled subsidiary of a contractor, the contractor shall provide assurances that an audit will be performed of the subsidiary organization in accordance with this Chapter. The required audit report shall be made available to DEO upon request.

HISTORY

1. New section filed 5–8–92; operative 6–8–92 (Register 92, No. 20).

§ 100830. Funding Formula.

(a) Weatherization Services. The State shall designate service areas and provide funds to contractors for weatherization services based on the following factors:

(1) A service area shall contain no less than fifty thousand (50,000) people as established by the latest available United States Census, but in no case shall a currently established service area be reduced in size nor an agency presently funded under this Chapter which does not meet the criteria of this subsection be declared ineligible.

(2) A minimum funding level for each service area shall be no less than $65,000 except in the event of a federal grant reduction which exceeds twenty (20) percent of the prior year federal allocation. Should a federal grant reduction exceed twenty (20) percent of the prior year federal allocation, the minimum funding level shall be reduced.

(3) Funds may be targeted and made available to provide weatherization services to special population groups as needs are identified.

(4) The remaining funds shall be distributed by service area utilizing a formula which includes, at a minimum, the following:

(A) Low-income population;

(B) Energy costs; and

(C) Heating and cooling degree days.

(b) ECIP Services. The State shall designate service areas and provide funds to contractors for ECIP services based on the following factors:

(1) A service area shall contain no less than fifty thousand (50,000) people as established by the latest available United States Census, but in no case shall a currently established service area be reduced in size nor an agency presently funded under this Chapter which does not meet the criteria of this subsection be declared ineligible.

(2) A minimum funding level for each service area shall be no less than $85,000 except in the event of a federal grant reduction which exceeds twenty (20) percent of the prior year federal allocation. Should a federal grant reduction exceed twenty (20) percent of the prior year federal allocation, the minimum funding level shall be reduced.

(3) The remaining funds shall be distributed by service area utilizing a formula which includes, at a minimum, the following:

(A) Low-income population;

(B) Energy costs; and

(C) Heating and cooling degree days.

HISTORY

1. New section filed 5-8-92; operative 6-8-92 (Register 92, No. 20).

§ 100835. Contract Development Process.

(a) Any contract that is being considered for a new program year shall be subject to review and comment.

(b) A notice of proposed changes to the provisions of the contract language shall be provided to the DEO Advisory Commission and all contractors for review and comment.

(c) Interested parties shall have no less than thirty (30) calendar days from the notice of proposed change to present written comments to the Department or oral comments at a scheduled DEO Advisory Commission meeting.

(d) The Department shall review and consider all written and public comments when finalizing the actual contract language.

(e) Any amendment other than those identified below shall be subject to the same processes identified in (b) and (c) of this section. The following types of amendments, or combination of amendments, shall not be subject to review and comment:

(1) Extension of term only.

(2) Funding increase.

(3) Amendments required as a result of a State or Federal law or regulation.

HISTORY

1. New section filed 5-8-92; operative 6-8-92 (Register 92, No. 20).

§ 100840. Payment Process.

(a) DEO shall issue an advance payment, if requested in writing, to a contractor in an amount not to exceed twenty-five (25) percent of the contractor's total award for each component contained in the contract.

(b) In the event a contract award is amended to increase the total dollar amount, a subsequent advance payment not to exceed twenty-five (25) percent of the increased amount may be authorized by DEO, if a contractor requests an advance payment in writing. The need for an additional advance payment shall be based upon an analysis of contractor's documented cash flow requirements as recorded on monthly reports.

(c) A contractor shall submit a monthly invoice to DEO based on a fixed fee or an actual cost/earned reimbursement basis, as specified in the contract, for LIHEAP weatherization services performed.

(1) Payment under a fixed fee contract shall be equivalent to the value of allowable activities performed at the rate stated in the contract. Any excess income generated as a result of actual costs being less than the fixed rate shall be used by the contractor for any valid low-income energy assistance/weatherization activity, in accordance with LIHEAP statutory and regulatory limits on expenditures. The allowable period for expenditure of the excess income shall be the same as that for expenditure of program income.

(2) Payment under an actual cost/earned reimbursement contract shall be equivalent to contractor's actual allowable expenditures provided that, no later than the termination date of the contract, this amount does not exceed the value of allowable activities performed as stated in the contract.

(d) A contractor shall submit a monthly invoice to DEO prepared on an actual cash expenditure basis for ECIP services performed.

(e) Payments to a contractor shall be processed through the State Controller's Office and shall be contingent upon receipt by DEO of all monthly reports required by the contract.

HISTORY

1. New section filed 5-8-92; operative 6-8-92 (Register 92, No. 20).

§ 100845. Political Activities.

(a) A contractor shall refrain from all political activities if the activities involve the use of any funds which are the subject of this Chapter or any other funds, programs, projects, or activities which originate from this Chapter.

(b) A contractor shall be prohibited from any activity which is designed to provide voters or prospective voters with transportation to the polls or to provide similar assistance in connection with an election if such activities involve the use of any funds which are subject to this Chapter.

(c) A contractor shall refrain from all lobbying activities if such activities involve the use of any funds which are the subject of this Chapter or any other funds, programs, projects, or activities which originate from this Chapter.

HISTORY

1. New section filed 5-8-92; operative 6-8-92 (Register 92, No. 20).

§ 100855. Program and Interest Income.

(a) All interest earned on deposited LIHEAP funds shall be treated as program income in accordance with the Intergovernmental Cooperation Act (31 U.S.C. 6501, et seq.).

(b) A contractor shall comply with the requirements and standards set forth in the Common Rule, Section .25, Program Income, as published in Volume 53, Number 48, Federal Register, March 11, 1988, which is hereby incorporated by reference and other applicable Federal laws or regulations which may be adopted.

(c) Program income is defined as gross income received by a contractor directly generated or earned as a result of grant activities during the term of the contract. If costs are incurred in generating program income, these costs may be deducted from the gross program income to identify reportable net program income.

(d) Program income shall be used in one of the following ways:

(1) Added to grant funds awarded by DEO to further program objectives;

(2) Used to finance the non–Federal share of cost sharing or matching requirements of other Federal programs, when approved by DEO; or

(3) Deducted from the total project costs in determining the total allowable expenditures.

(e) Program income earned during a grant period may be retained and used during the program year and/or subsequent program years for grant approved expenditures for energy, subject to the following conditions:

(1) A contractor shall maintain records which clearly identify the receipt and disposition of all grant–related income in the same manner as required for other DEO grant funds.

(2) A contractor shall identify in the grant closeout report all program income remaining over the expenditure of such income during the program year.

§ 100865. Recapture and Redistribution of Unexpended Funds.

(a) Contract time extensions shall be approved when DEO determines that extenuating circumstances occurred beyond the control of the contractor. A contractor shall request the time extension in writing and provide justification for the request.

(b) In the event there are unexpended funds after determinations have been made regarding extensions, DEO shall offer recaptured funds to private nonprofit or public entities which are currently providing services and have met the goals and objectives as established in the existing contract. When distributing these funds, the Department shall give special consideration to the needs of the low–income population.

HISTORY

1. New section filed 5–8–92; operative 6–8–92 (Register 92, No. 20).

§ 100870. Record Keeping.

(a) A contractor shall comply with the record keeping standards set forth in the Common Rule, section .42, Retention and access requirements for records, as published in Volume 53, Number 48, Federal Register, March 11, 1988, which is hereby incorporated by reference, and other applicable Federal laws or regulations which may augment or supersede these standards.

(b) A contractor shall maintain all records required under LIHEAP for a minimum period of three (3) years following the submission of the final expenditure report. However, all records shall be maintained until resolution of all audit findings is completed.

(c) A contractor shall make all books, documents, papers and records relative to LIHEAP available to the State or any of its duly–authorized representatives, for examination or reproduction, upon a request thereof. The State shall pay contractor actual costs for any reproduction requested.

(d) Records shall be maintained in a confidential manner to assure compliance with the Information Practices Act of 1977 (Civil Code, Section 1798, et seq.).

HISTORY

1. New section filed 5–8–92; operative 6–8–92 (Register 92, No. 20).

§ 100875. Suspension and Termination.

(a) High Risk.

The Department may designate a contractor as a high risk agency and impose special conditions/restrictions on the agency's contract(s) if it is determined that one or more of the following conditions exists:

(1) The contractor has a history of unsatisfactory performance (noncompliance with contractual terms);

(2) The contractor is not financially stable;

(3) The contractor's management system does not meet the management standards set forth in regulatory standards for the administration of federally funded grants;

(4) The contractor has not conformed with terms and/or conditions of previous award(s); or

(5) The contractor is otherwise not responsible.

(b) Should a high risk designation be warranted because the conditions identified in subsection (a) are found to exist, the Department shall notify the contractor in writing of the following and grant the contractor thirty (30) days to implement corrective action or provide evidence which rebuts the designation.

(1) The rationale for the high risk designation;

(2) The nature of the special contract condition(s) and/or restriction(s) being imposed;

(3) The reason(s) for imposing the special condition(s) and/or restriction(s);

(4) The corrective actions which must be taken and the time allowed for completing the corrective actions before the special conditions are removed;

(5) The procedures for requesting reconsideration of the condition(s)/restriction(s) imposed.

(c) If the contractor fails to provide evidence warranting reconsideration of the designation within the time specified in subsection (b), the agency will be provided official notice of the high risk designation. Notification will also be distributed to all other known funding sources of the contractor.

(d) Should the Department determine that contract(s) will be awarded or continued once an agency has been designated high risk, special conditions and/or restrictions which correspond to the high risk condition shall be imposed. Special conditions or restrictions may include but are not limited to the following:

(1) Require payment on a reimbursement basis;

(2) Limit the term of the contract within the funding period;

(3) Require additional financial reports;

(4) Require frequent on–site review; or

(5) Require the contractor to obtain technical or management assistance.

If the Department is notified by a separate funding source that it has designated a contractor high risk, the Department may impose special conditions and/or restrictions on the contractor.

(e) The removal of the high risk designation can only be accomplished by the contractor providing proof of corrective action deemed satisfactory by the Department. DEO will notify other funding sources of the high risk designation removal.

(f) Notice of Intent to Suspend. Should a contractor fail to address and remedy the conditions which led to its high risk designation within the time frame specified pursuant to subsection (b)(4), DEO shall notify the contractor in writing that it intends to suspend a contract(s) in whole or in part, unless good cause is shown why the contract(s) should not be suspended. The notice shall specify the grounds for the proposed suspension, the proposed effective date of the suspension, the time frame within which the contractor must respond to the notice and the action necessary to adequately correct the deficiency which led to the initiation of the suspension process.

(g) Informal Meeting on Suspension. The contractor shall have a right to submit documentation in opposition to the intended suspension and to request an informal meeting to show cause why such suspension should not occur. The period of time within which the contractor may submit such documentation or request the informal meeting shall be specified in the notice of intent to suspend and shall be no less than five (5) working days after the notice has been sent. Should the contractor request a meeting, the responsible Department official shall set a time and place for the meeting, which shall not be less than five (5) working days following the receipt of the contractor's request. In lieu of the right of the contractor to request an informal meeting, the Department may on its own initiative establish a time and place for such a meeting. In no event, however, shall such a meeting be scheduled less than seven (7) working days after the notice of intent to suspend has been sent to the contractor. The Department official may extend the periods of time or dates previously referred to and shall notify the contractor, in writing, of any such extension.

(h) Department Review of Suspension Documents. DEO shall consider any material presented during the course of the informal meeting provided for in subsection (g) of this section, as well as any showing that the contractor has adequately corrected the deficiency which led to the initiation of suspension proceedings. If after considering the material presented the Department concludes that the contractor has failed to show cause why the contract should not be suspended, the Department may suspend the contract in whole or in part and under such terms and conditions as the Department may specify.

(i) Suspension. Should the Department determine suspension is warranted under subsection (h), notice of suspension shall be promptly transmitted to the contractor and shall become effective upon delivery. Suspension shall not exceed a ninety (90) calendar day period unless, during such period of time, termination proceedings are initiated or the Department and the contractor agree to a continuation of the suspension for an additional period of time.

(1) During the period of suspension, no new expenditures shall be made by the contractor, and no new obligations shall be incurred in connection with the suspended program except as specifically authorized in writing by DEO. Expenditures to fulfill legally enforceable commitments made prior to the notice of suspension, in good faith and in accordance with the contractor's approved work program and not in anticipation of suspension or termination, shall not be considered new expenditures. However, funds shall not be recognized as committed solely because the contractor has obligated them by contract or otherwise to another party.

(2) The Department may modify the terms, conditions and nature of the suspension or rescind the suspension action at any time upon the Department's initiative or upon a satisfactory showing that the contractor has adequately corrected the deficiency which led to the suspension and that repetition is not threatened. A suspension partly or fully rescinded may, at the discretion of DEO, be reimposed with or without further proceedings. However, the total time of suspension may not exceed ninety (90) calendar days unless termination proceedings are initiated in accordance with DEO policies and procedures governing the termination of contracts or unless DEO and the contractor agree to a continuation of the suspension for an additional period of time. If termination proceedings are initiated, the suspension shall remain in full force and effect until such proceedings have been fully concluded.

(j) Termination. Should a contractor substantially breach the terms and conditions of its contract so as to warrant termination, whether or not the contract has been suspended, the Department shall state that there appear to be grounds which warrant termination and shall set forth the specific reasons therefore.

(1) Notice of Termination. A notice shall advise the contractor that the matter has been set down for hearing at a stated time and place, the nature of the hearing, and the legal authority under which the hearing is to be held. The notice shall also specify the facts upon which the proposed termination has been based and the requirements which the contractor has allegedly violated.

(2) Termination Hearing. Hearings shall be scheduled for the earliest practicable date, but not less than thirty (30) days after issuance of the notice of termination. Any such hearing shall afford the contractor a full and fair opportunity to demonstrate that it is in compliance with all applicable laws, regulations, and other requirements. The hearing shall be open to the public unless the presiding officer, for good cause shown, determines otherwise. Both the Department and the contractor are entitled to present their case by oral or documentary evidence, to submit rebuttal evidence and to conduct such examination and cross-examination as may be required for a full and true disclosure of the facts bearing on the issues.

Any person or organization who wishes to participate in the hearing shall apply for permission to do so from the Department. The Department shall permit or deny such participation and shall give written notice of the decision to the applicant and the contractor, and, in the case of denial, a brief statement of the reasons therefore.

(3) The decision of the Department shall be made no later than ten (10) days following the hearing. The decision shall be in writing and shall set forth the findings of fact and conclusions. It shall state whether the Department has accepted or rejected each finding of fact or conclusions.

(4) In the event of termination, DEO may proceed to provide services in the area served by the terminated contractor in the manner prescribed in Section 100820 of this Chapter.

(5) DEO shall retain lien rights on all funds advanced and/or all property provided.

(6) Upon termination of any agreement, DEO, unless expressly granted in writing, shall not pay contractor for any obligations incurred after the effective date of such termination.

§ 100901. Definitions.

The following definitions shall apply to this subchapter:

(a) "Applicant" means any person applying to the Department and/or its contracting agencies for a public benefit.

(b) "Battered or subjected to extreme cruelty" means, but is not limited to, being the victim of any act or threatened act of violence, including any forceful detention, which results or threatens to result in physical or mental injury. Psychological or sexual abuse or exploitation, including rape, molestation, incest (if the victim is a minor), or forced prostitution shall be considered as acts of violence. Other abusive actions may also be acts of violence under this rule. Acts or threatened acts that, in and of themselves, may not initially appear violent may be part of an overall pattern of violence.

(c) "Department" means the California Department of Community Services and Development.

(d) "INA" means the Immigration and Nationality Act.

(e) "INS" means the Immigration and Naturalization Service.

(f) "Noncitizen" means any person not a citizen or national of the United States.

(g) "Nonprofit charitable organization" for purposes of this subchapter, shall mean an organization which shall include, but not necessarily be limited to, organizations which have received a tax exemption from the Internal Revenue Service pursuant to Internal Revenue Code section 501(c)(3). An organization is "nonprofit" if it is organized and operated for purposes other than making gains or profits for the organization, its members or its shareholders, and is precluded from distributing any gains or profits to its members or shareholders. An organization is "charitable" if it is organized and operated for charitable purposes. The term "charitable" includes organizations dedicated to relief of the poor and distressed or the underprivileged, as well as religiously affiliated organizations and educational organizations.

(h) "PRWORA" means the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, (P. L. 104-193).

(i) "Qualified alien" means an alien who, at the time he or she applies for, receives, or attempts to receive a public benefit, is, under 8 U.S.C. § 1641(b) and (c), any of the following:

(1) An alien lawfully admitted for permanent residence under the INA (8 U.S.C. § 1101 et seq.).

(2) An alien who is granted asylum under Section 208 of the INA (8 U.S.C. § 1158).

(3) A refugee who is admitted to the United States under Section 207 of the INA (8 U.S.C. § 1157).

(4) An alien who is paroled into the United States under Section 212(d)(5) of the INA (8 U.S.C. § 1182(d)(5)) for a period of at least one year.

(5) An alien whose deportation is being withheld under Section 243 (h) of the INA (8 U.S.C. § 1253(h)) (as in effect immediately before the effective date of Section 307 of division C of Public Law (P.L.) 104-208) or Section 241(b)(3) of such Act (8 U.S.C. § 1251(b)(3)) (as amended by Section 305(a) of division C of P.L. 104-208).

(6) An alien who is granted conditional entry pursuant to Section 203(a)(7) of the INA as in effect prior to April 1, 1980 (8 U.S.C. § 1153(a)(7).

(7) An alien who is a Cuban and Haitian entrant (as defined in Section 501 (e) of the Refugee Education Assistance Act of 1980).

(8) An alien under 8 U.S.C. § 1641(c)(1) who:

(A) has been battered or subjected to extreme cruelty in the United States by a spouse or a parent, or by a member of the spouse's or parent's family residing in the same household as the alien, and the spouse or parent of the alien consented to, or acquiesced in, such battery or cruelty, and has the need for the benefits to be provided

(B) and has a petition that has been approved or has a petition pending which sets forth a prima facie case for:

(i) status as a spouse or child of a United States citizen pursuant to clause (ii), (iii), or (iv) of Section 204(a)(1)(A) of the INA (8 U.S.C. § 1154(a)(1)(A) (ii), (iii), or (iv)),

(ii) status as a spouse or child of a lawful permanent resident pursuant to clause (ii) or (iii) of Section 204(a)(1)(B) of the INA (8 U.S.C. § 1154(a)(1)(B)(ii) or (iii)),

(iii) suspension of deportation under section 244(a)(3) of the Immigration and Nationality Act (as in effect before the title III-A effective date in section 309 of the Illegal Immigration and Immigrant Responsibility Act of 1996,

(iv) status as a spouse or child of a United States citizen pursuant to clause (i) of Section 204(a)(1)(A) of the INA (8 U.S.C. § 1154(a)(1)(A)(i)) or status as a spouse or child or unmarried son or daughter of a lawful permanent resident pursuant to clause (i) of Section 204(a)(1)(B) of the INA (8 U.S.C. § 1154(a)(1)(B)(i)), or

(v) cancellation of removal under the INA (8 U.S.C. § 1229b(b)(2)).

(9) An alien under 8 U.S.C. § 1641(c)(2) whose child:

(A) has been battered or subjected to extreme cruelty in the United States by a spouse or a parent of the alien (without the active participation of the alien in the battery or cruelty), or by a member of the spouse or parent's family residing in the same household as the alien and the spouse or parent consented or acquiesced to such battery or cruelty, and the alien did not actively participate in such battery or cruelty, but only if (in the opinion of the Department of Community Services and Development and/or its contractors) there is a substantial connection between such battery or cruelty and the need for the benefits to be provided; and

(B) who meets the requirements of subparagraph (B) of paragraph (8); or

(10) An alien child under 8 U.S.C. § 1641(c)(3) who:

(A) resides in the same household as a parent who has been battered or subjected to extreme cruelty in the United States by that parent's spouse or by a member of the spouse's family residing in the same household as the parent and the spouse consented or acquiesced to such battery or cruelty, but only if (in the opinion of the agency providing such benefits) there is a substantial connection between such battery or cruelty and the need for the benefits to be provided, and:

(B) who meets the requirement of subparagraph (B) of paragraph (8)

(11) and for the period for which benefits are sought, the individual responsible for the battery or cruelty to the individuals identified in Sections (8), (9) and (10) does not reside in the same household or family eligibility unit as the individual subjected to the battery or cruelty.

(12) and there is a substantial connection between such battery or cruelty to the individuals identified in Sections (8), (9) and (10) and the

need for the benefits to be provided in the opinion of the Department of Community Services and Development and/or its contractors.

HISTORY

1. New section filed 6–14–2001 as an emergency; operative 6–14–2001 (Register 2001, No. 24). A Certificate of Compliance must be transmitted to OAL by 10–12–2001 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 6–14–2001 order transmitted to OAL 9–20–2001 and filed 11–2–2001 (Register 2001, No. 44).

§ 100902. Eligibility for Federal Public Benefits.

To be eligible to receive federal public benefits under the Department's programs:

(a) The applicant must declare himself or herself to be a citizen or national of the United States or a qualified alien under 8 U.S.C. § 1641(b) or (c).

(b) The applicant shall declare that status through use of the "Statement of Citizenship or Noncitizen Status for Public Benefits," CSD Form 600, Revised 6/01.

(c) The applicant must present documents of a type set forth in List A of CSD Form 600, Revised 6/01, in the case of an applicant who is a citizen or national or List B of CSD Form 600 in the case of an applicant who is a noncitizen, that serves as reasonable evidence of the applicant's declared status at the time of application. A fee receipt from the INS for replacement of a lost, stolen, or unreadable INS document is reasonable evidence of the noncitizen applicant's declared status.

(d) The applicant must complete and sign CSD Form 600, Revised 6/01.

(e) Where the documents presented appear to be questionable or do not appear to relate to the individual presenting them, the government entity that originally issued the documents shall be contacted for verification. With regard to naturalized citizens and derivative citizens presenting certificates of citizenship and noncitizens, the INS is the appropriate government entity to contact for verification. Contractors of the Department of Community Services and Development shall request verification from the INS by filing INS Form G–845 with copies of the pertinent documents provided by the applicant with the local INS office. If the applicant has lost his or her original documents or presents expired documents or is unable to present any documentation evidencing his or her immigration status, the applicant shall be referred to the local INS office to obtain documentation.

(1) Inquiries regarding battered noncitizen petitions should be directed to the Vermont Service Center at (802) 527–3160.

(2) Inquiries regarding applications for suspension of deportation and cancellation of removal statuses should be directed to the Executive Office for Immigration Review (EOIR).

(f) Documents that should be referred to the INS for verification using the INS Form G–845 shall include the following:

(1) The document presented indicates immigration status but does not include an alien registration or alien admission number.

(2) The document is suspected to be counterfeit or to have been altered.

(3) The document includes an alien registration number in the A60 000 000 (not yet issued) or A80 000 000 (illegal border crossing) series.

(4) The document is one of the following: an INS Form I–181b notification letter issued in connection with an INS Form I–181 Memorandum of Creation of Record of Permanent Residence, an Arrival–Departure Record (INS Form I–94) or a foreign passport stamped "PROCESSED FOR I–551, TEMPORARY EVIDENCE OF LAWFUL PERMANENT RESIDENCE" that INS issued more than one year before the date of application for federal public benefits.

(g) If the INS advises that the applicant has acquired citizenship status or has an immigration status which makes him or her a qualified alien, the INS verification shall be accepted. If the INS advises that it cannot verify that the applicant has acquired citizenship status or an immigration status that makes him or her a qualified alien, benefits shall be denied and the applicant notified pursuant to section 100905 of his or her rights to appeal the denial of benefits under the Low–Income Home Energy Assistance Program, and/or the Department of Energy Low–Income Weatherization Assistance Program.

(h) An applicant who contends the INS made an erroneous determination of immigration status must be advised to contact the INS, and provided assistance as needed in how to contact the INS to contest the INS determination.

(i) Provided that the noncitizen has completed and signed CSD Form 600, Revised 6/01, under penalty of perjury, eligibility for services under the Low–Income Home Energy Assistance Program, or the Department of Energy Low–Income Weatherization Assistance Program shall not be delayed, denied, reduced, or terminated while the status of the applicant is verified, or while the applicant pursues an appeal pursuant to (g) or (h) of this section.

HISTORY

1. New section filed 6–14–2001 as an emergency; operative 6–14–2001 (Register 2001, No. 24). A Certificate of Compliance must be transmitted to OAL by 10–12–2001 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 6–14–2001 order transmitted to OAL 9–20–2001 and filed 11–2–2001 (Register 2001, No. 44).

§ 100903. Self–Certification.

Self–certification is allowed only under the LIHEAP Energy Crisis Intervention Program (ECIP) component pursuant to section 2604(c)(1) and (2) of the LIHEAP, P.L. 97–35, as amended, which requires that assistance in the form of a payment guarantee be provided not later than forty–eight (48) hours after a household applies for ECIP, and not later than eighteen (18) hours if the household is in a life–threatening situation.

(a) An applicant may self–certify that he/she is a U.S. citizen or non–citizen national or a qualified alien by signing, under penalty of perjury, CSD Form 600, if he/she is not able to provide documentation.

(b) Applicant must provide proof of citizenship or noncitizen status to provider within thirty (30) days.

(c) If documentation is not received within 30 days, the applicant must be notified in writing that he/she is ineligible to receive future benefits until the proof is received.

HISTORY

1. New section filed 6–14–2001 as an emergency; operative 6–14–2001 (Register 2001, No. 24). A Certificate of Compliance must be transmitted to OAL by 10–12–2001 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 6–14–2001 order transmitted to OAL 9–20–2001 and filed 11–2–2001 (Register 2001, No. 44).

§ 100904. Exemptions.

(a) Pursuant to 8 U.S.C. § 1642(d), a nonprofit charitable organization that provides federal, state, or local public benefits shall not be required to determine, verify, or otherwise require proof of eligibility of any applicant or beneficiary with respect to his or her immigration status.

(b) Nothing in this section shall be construed to withdraw eligibility for the services under the applicable programs subject to these regulations under 8 U.S.C. § 1611(b) for short–term, non–cash, in–kind emergency disaster relief.

NOTE: Authorities cited: Sections 12781(d) and 16367.5, Government Code. Reference: Sections 1611(b) and 1642(d), 8 U.S.C.; and 63 FR 41662 and 41664.

HISTORY

1. New section filed 6–14–2001 as an emergency; operative 6–14–2001 (Register 2001, No. 24). A Certificate of Compliance must be transmitted to OAL by 10–12–2001 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 6–14–2001 order transmitted to OAL 9–20–2001 and filed 11–2–2001 (Register 2001, No. 44).

§ 100904.5. Fair Hearing.

Any applicant who is determined to be ineligible or who was made eligible for services under the Low–Income Home Energy Assistance Program, and/or the Department of Energy Low–Income Weatherization Assistance Program whose services are denied, terminated, suspended, or reduced is entitled to a hearing, pursuant to section 100805 of the Low–Income Home Energy Assistance Program regulations, Chapter 2, Division 11, Title 22; or the Department of Energy Low–Income Weatherization Assistance Program contract provisions.

Chapter 4. Naturalization Services Regulations

§ 100905. Matching Funds Requirement.

In order to be eligible for funding under the Naturalization Services Program, citizenship assistance providers shall provide a 25 percent match, either through public or private funds or in–kind contributions, unless the Director of the Department of Community Services and Development waives the matching requirement based on the financial ability of the provider to meet the matching requirement. All contributions, including cash and third party in–kind, shall be accepted as part of the citizenship assistance provider's matching funds requirement when such contributions meet all of the following criteria:

(a) They are verifiable from the provider's records.

(b) They are not included as contributions for any other project or program.

(c) They are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(d) They are allowable under the applicable cost principles.

(e) They are authorized or not prohibited under federal, state, or local government laws or regulations.

Division 12. Child Care Facility Licensing Regulations

Chapter 1. Child Care Center General Licensing Requirements

Article 1. General Requirements and Definitions

§ 101151. General.

(a) The general regulations in this chapter shall apply to all child care centers regulated by Division 12, except where specifically exempted. Additional or special requirements found in the corresponding subchapters pertaining to each category shall apply only to such individual child care center categories.

(b) The licensee shall ensure compliance with all applicable laws and regulations.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73 and 1596.81, Health and Safety Code.

HISTORY

1. Editorial correction readopting Division 6, Chapter 1 (Articles 1–7, Sections 80000–80088, not consecutive) as new Division 12, Chapter 1 (Articles 1–7, Sections 101151–101239, not consecutive), filed 7–1–85; designated effective 7–1–85 (Register 85, No. 27).
2. Change without regulatory effect (Register 86, No. 29).
3. Amendment of chapter 1 heading and amendment of subsection (a) filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101152. Definitions.

The following general definitions shall apply wherever the terms are used throughout Division 12, Chapter 1, except where specifically noted otherwise. Any additional definitions found at the beginning of any subchapter in this chapter shall apply only to such specific child care center category.

(a)(1) "Administrator" means the licensee, or the adult designated by the licensee to act in his/her behalf in the overall management of the facility.

(2) "Adult" means a person who is 18 years of age or older.

(3) "Applicant" means any adult, general partner(s) of a partnership, corporation, county, city, public agency or other governmental entity that has applied for a child care center license.

(4) "Assistant Infant Care Center Director" ("Assistant Director") means the individual as specified in Section 101415.1 designated by the child care center director to act in his or her behalf in the overall management of an infant care center.

(5) "Authorized Representative" means any person or entity authorized by law to act on behalf of any child. Such person or entity may include but not be limited to a minor's parent, a legal guardian, a conservator or a public placement agency.

(b)(1) "Basic Services" means those services required by applicable laws and regulations to be provided by the licensee in order to obtain and maintain a child care center license.

(c)(1) "California Clearance" means an individual has no felony or misdemeanor convictions reported by the California Department of Justice. However, the individual may have been arrested with no criminal conviction, convicted of a minor traffic offense or adjudicated as a juvenile.

(2) "Capacity" means the maximum number of children authorized to be provided care and supervision at any one time in any licensed child care center.

(3) "Care and Supervision" means any one or more of the following activities provided by a person or child care center to meet the needs of children in care:

(A) Assistance in diapering, toileting, dressing, grooming, bathing and other personal hygiene.

(B) Assistance with taking medications as specified in Sections 101226(e)(3) and (e)(4).

(C) Storing and/or distribution of medications as specified in Section 101226(e).

(D) Arrangement of and assistance with medical and dental care.

(E) Maintenance of rules for the protection of children.

(F) Supervision of children's schedules and activities for the protection of children.

(G) Monitoring food intake or special diets.

(H) Providing basic services as defined in Section 101152.b.(1).

(4) "Child" means a person under 18 years of age who is being provided care and supervision in a child care center, except where specified otherwise.

(5) "Child Abuse Central Index" means the California Department of Justice maintained statewide, multi–jurisdictional, centralized index of child abuse investigation reports. These reports pertain to alleged incidents of physical abuse, sexual abuse, mental/emotional abuse and/or severe neglect. Each child protection agency (police, sheriff, county welfare and probation departments) is required by law to forward to the California Department of Justice a report of every child abuse incident it investigates, unless an incident is determined to be unfounded.

(6) "Child Abuse Central Index Clearance" means that the California Department of Justice has conducted a name search of the index and the search did not result in a match or the search resulted in a match but the California Department of Social Services determined after an investigation that the allegation of child abuse or neglect was not substantiated.

(7) "Child Care Center" or "Day Care Center" (or "center") means any child care facility of any capacity, other than a family child care home as defined in Section 102352f.(1), in which less than 24–hour per day non–medical care and supervision are provided to children in a group setting. The term "Child Care Center" supersedes the term "Day Care Center" as used in previous regulations.

(8) "Child Care Center Director" or "Day Care Center Director" means the administrator of a child care center. The term "Child Care Center Director" supersedes the term "Day Care Center Director" as used in previous regulations.

(A) The term "head teacher" is an acceptable substitute for the term "child care center director" provided that the head teacher meets the qualifications of a child care center director and there is written delegation of responsibilities as specified in Section 101215.1(c)(1).

(9) "Child Care Facility" or "Child Day Care Facility" (or "facility") means any place or building in which less than 24–hour per day nonmedical care and supervision, as defined in Section 101152c.(2), are provided to children in a group setting. The term "Child Care Facility" supersedes the term "Child Day Care Facility" as used in previous regulations.

(10) "Combination Center" means any combination of child care center, infant center, school–age child care center, and child care center for mildly ill children that is owned and operated by one licensee at a common address.

(11) "Completed Application" means:

(A) The applicant has submitted and the Department has received all required materials including: an approved fire clearance, if appropriate, from the State Fire Marshal; and a criminal record clearance on the applicant and any other individuals specified in Section 101170.

(B) The Department has completed a site visit to the child care center.

(12) "Control of Property" means the right to enter, occupy and maintain the operation of the child care center property within regulatory requirements. Evidence of control of property may include, but is not limited to, the following:

(13) "Conviction" means:

(A) A criminal conviction in California; or

(B) Any criminal conviction of another state, federal, military or other jurisdiction, which if committed or attempted in California, would have been punishable as a crime in California.

(14) "Criminal Record Clearance" means an individual has a California Department of Justice clearance and an FBI clearance.

(A) a Grant Deed showing ownership; or

(B) the lease agreement or rental agreement; or

(C) a court order or similar document that shows the authority to control the property pending outcome of a probate proceeding or an estate settlement.

(d)(1) "Deficiency" means any failure to comply with any provision of the California Child Day Care Act (Health and Safety Code, section 1596.70, et seq.) and/or regulations adopted by the Department pursuant to the Act.

(2) "Department" means the California Department of Social Services (CDSS) or any state, county or other public agency authorized by CDSS to assume specified licensing responsibilities pursuant to Health and Safety Code Sections 1596.77 and 1596.82. The term "Department" supersedes the term "Licensing Agency" as used in previous regulations.

(3) "Developmental Disability" means a disability as defined in Welfare and Institutions Code Section 4512(a).

(4) "Director" means the director of the California Department of Social Services.

(e)(1) "Emergency Approval to Operate" (EAO) (LIC 9117 [4/93]) means a temporary approval to operate a facility for no more than 60 days pending the Department's decision on whether to approve or deny a provisional license.

(2) "Emergency Substitute," as described in Section 101216.3(h)(1), means a person at least 18 years of age.

(3) "Evaluator" means any person who is a duly authorized officer, employee or agent of the Department, including any officer, employee or agent of a county or other public agency authorized by the Department to license child care centers.

(4) "Evidence of Licensee's Death" shall include, but is not limited to, a copy of the death certificate, obituary notice, certification of death from the decedent's mortuary or a letter from the attending physician or coroner's office verifying the licensee's death.

(5) "Exception" means a written authorization issued by the Department to use alternative means which meet the intent of a specific regulation and that are based on the unique needs or circumstances of a specific child or staff person. Exceptions are not transferable or applicable to other children, staff persons, child care centers or licensees.

(6) "Exemption" means an exception to the requirements of Health and Safety Code Section 1596.871 and applicable regulations. Exemptions are not transferable.

(7) "Existing Child Care Center" means any child care center operating under a valid, unexpired license on the date this chapter becomes effective.

(f)(1) "Federal Bureau of Investigation (FBI) Clearance" means an individual has no felony or misdemeanor convictions reported by the FBI. The individual may also have been arrested with no criminal conviction, convicted of a minor traffic offense or adjudicated as a juvenile.

(g)(1) "Guardian" means any person appointed by the Superior Court, or court of competent jurisdiction, to care for the person, or estate, or the person and estate of another, as the legal guardian pursuant to law.

(h) (Reserved)

(i)(1) "Infant" means a child under two years of age.

(2) "Infant Care Center" means any child care center or part of a child care center of any capacity where less than 24–hour per day nonmedical care and supervision are provided to infants in a group setting.

(3) "Infant Care Center Director" means the administrator of an infant care center as specified in section 101415.

(4) "Infant Care Teacher" means a teacher as specified in section 101416.2.

(j) (Reserved)

(k) (Reserved)

(*l*)(1) "License" means a written authorization by the Department to operate a child care center and to provide care and supervision. A license is not transferable.

(2) "Licensee" means the adult, general partner(s) of a partnership, controlling partners in a limited liability corporation, corporation, county, city, public agency or other governmental entity having the authority and responsibility to operate a licensed child care center.

(3) "Licensing Agency" — See "Department" as specified in Section 101152d.(2). The term "Department" supersedes the term "Licensing Agency" as used in previous regulations.

(m)(1) "Medical Professional" means an individual who is licensed or certified in California to perform the necessary medical procedures within his/her scope of practice. This includes, but is not limited to, Medical Doctor (MD), Registered Nurse (RN) and Licensed Vocational Nurse (LVN).

(2) "Mental Disorder" means any of the disorders set forth in the Diagnostic and Statistical Manual of Mental Disorders (Third Edition), published by the American Psychiatric Association, and a degree of functional impairment that renders a person eligible for the services enumerated under the Lanterman–Petris–Short Act (commencing with Section 5000 of the Welfare and Institutions Code).

(n)(1) "Nonambulatory Person" is defined in Health and Safety Code Section 13131.

(A) A person who uses supportive restraints as specified in Section 101223.1 is deemed nonambulatory.

(B) A person is not deemed nonambulatory solely because he/she is deaf, blind, or prefers to use a mechanical aid.

(o) (Reserved)

(p)(1) "Physician" means a person licensed as a physician and surgeon by the Medical Board of California or the Osteopathic Medical Board of California.

(2) "Preschool–age child" means a child as defined in Health and Safety Code Section 1597.059.

(3) "Provide" or "Provision" means to make available any service or personnel to meet licensing or other requirements.

(4) "Provisional License" means a temporary license issued in accordance with the criteria specified in Section 101181.

(q)(1) "Qualified Teacher Substitute" means a person at least 18 years of age with at least six postsecondary semester or equivalent quarter units in early childhood education or child development.

(r)(1) "Rehabilitation" means the effort to reestablish good character since the date of the last conviction, including, but not limited to, education, counseling or therapy, training, stable employment, restitution, remorse, changes in lifestyle, or community service.

(2) "Relative" means spouse, parent, stepparent, son, daughter, brother, sister, stepbrother, stepsister, half–brother, half–sister, uncle, aunt, nephew, niece, first cousin or any such person denoted by the prefix "grand" or "great," or the spouse of any of the persons specified in this definition even after the marriage has been terminated by death or dissolution.

(s)(1) "School–Age Child" means any child who meets one of the following:

(A) Has entered the first grade or above;

(B) Is in a child care program providing care and supervision exclusively to children enrolled in kindergarten and above.

(2) "School–Age Child Care Center" means any child care center or part of a child care center of any capacity where less than 24–hour per day nonmedical care and supervision are provided to school–age children in a group setting.

(3) "Serious Deficiency" means any deficiency that presents an immediate or substantial threat to the physical health, mental health or safety of the children in a child care center.

(4) "Simplified Exemption" means an exemption granted on the Department's own motion, as authorized in Health and Safety Code Section 1596.871(c)(3), if the individual's criminal history meets specific criteria established by Department regulation.

(5) "Substantial Compliance" means the absence of any serious deficiencies.

(t)(1) "Toddler Component" means the component of a preschool or infant care program designed for children between the ages of 18 months and 30 months.

(u)(1) "Urgent Need" means a situation where prohibiting the operation of the child care center would be detrimental to a child's physical health, mental health, safety or welfare. Circumstances constituting urgent need include but are not limited to:

(A) A change in the location of the child care center when children are in need of services from the same operator at the new location.

(B) A change of ownership of the child care center when children are in need of services from a new operator.

(v) (Reserved)

(w)(1) "Waiver" means a nontransferable written authorization issued by the Department to use alternative means which meet the intent of a specific regulation and that are based on a facility–wide need or circumstance.

Article 3. Application Procedures

§ 101167. Transfer and Sale.

(a) A license is not transferable.

(1) If the sale of a licensed child care center will result in the issuance of a new license, the requirements of Health and Safety Code Section 1597.14 apply.

(2) In the event of the sale and transfer of property and business, the applicant (buyer) shall be issued an Emergency Approval to Operate (EAO) (LIC 9117 [4/93]) if the applicant (buyer) complies with Health and Safety Code Section 1597.14.

(3) The applicant (buyer) who is issued an EAO (LIC 9117 [4/93]) shall perform all the duties, functions and responsibilities required of a licensee.

(4) Failure to comply with licensing laws and regulations under this section, as determined by the Department, shall result in the denial of the application for a license. This denial shall also constitute termination of the EAO (LIC 9117 [4/93]).

(5) The Department shall provide to the applicant (buyer) written notification of the denial. This notice shall be effective immediately upon receipt.

(b) "A bona fide offer," as specified in Health and Safety Code Section 1597.14(a)(1), means a proposal by the buyer to purchase the child care center with definite terms in writing communicated to the seller and accompanied by a cash deposit.

§ 101168. Applicant Qualifications.

(a) Any adult may apply for a license regardless of age, sex, race, religion, color, political affiliation, national origin, disability, marital status, actual or perceived sexual orientation, or ancestry.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73 and 1596.81, Health and Safety Code; and Section 51, Civil Code.

HISTORY

1. Amendment filed 9–14–98; operative 11–1–98 (Register 98, No. 38).
2. Editorial correction of NOTE (Register 2002, No. 39).
3. Change without regulatory effect amending subsection (a) and NOTE filed 12–10–2003 pursuant to section 100, title 1, California Code of Regulations (Register 2003, No. 50).

§ 101169. Application for License.

(a) Any adult, partnership, corporation, county, city, public agency or other governmental entity wishing to obtain a license shall fill out and file with the Department an Application Booklet (LIC 281A [12/96]), as well as submit to the Department the documents specified in Section 101169(d) below.

(1) Applicants for licensure of a combination center may file one application.

(A) Licensees requesting the addition of a toddler component to their preschool or infant care program shall submit an amended application consisting of an Application for a Child Day Care Center License (LIC 200A [12/92]); a program description; a sketch of the center showing where the toddler component will be located; a schedule for outdoor activities; and, if necessary, a fire clearance. The toddler component is considered an extension of the preschool or infant care license.

(2) Each separately licensed component of a single program shall be capable of independently meeting the provisions of applicable regulations as determined by the Department.

(3) The Department has the authority to issue one license to a single program, or to a separately licensed component of a single program, that is located in multiple buildings at a common address.

(b) Prior to filing an LIC 281A (12/96) and the documents specified in Section 101169(d) below, the applicant shall attend an orientation provided by the Department.

(1) The orientation shall cover, but not be limited to, the following areas:

(A) How to complete the application process.

(B) Scope of child care center operation subject to regulation by the Department.

(2) A licensee applying for another child care center license need not attend another orientation within two years of completing a previous orientation.

(3) An applicant applying for more than one child care center license is only required to attend one orientation.

(c) The applicant/licensee shall cooperate with the Department in providing verification and/or documentation as requested by the Department.

(d) The LIC 281A (12/96) and supporting documents shall together contain the following:

(1) Name (or proposed name) and address of the child care center.

(2) Name, and residence and mailing addresses of applicant.

(A) If the applicant is a partnership, copies of the partnership agreement and all documents governing the partnership, as well as the name and principal business address of each partner.

(B) If the applicant is a corporation or association, the name, title and principal business address of each officer, executive director and member of the governing board.

(C) If the applicant is a corporation that issues stock, the name and address of each person owning more than 10 percent of stock in the corporation.

(D) If the applicant is a corporation, a copy of the articles of incorporation, the constitution, the bylaws, and the board resolution authorizing the submission of the application.

(E) If the applicant is a corporation, each member of the board of directors, executive director, and any officer shall list the name of all facilities which they have been licensed to operate, employed by or a member of the board of the directors, executive director or an officer.

(3) If the applicant is leasing or renting the premises of the child care center, a copy of the lease or rental agreement and the name, address and telephone number of the property owner.

(4) The category of child care center to be operated.

(5) Maximum number of children to be served.

(6) Age range and the categories of children to be served including, but not limited to, children with disabilities and/or nonambulatory children.

(7) Hours or periods of operation of the child care center.

(8) Name of administrator.

(9) Information required by Health and Safety Code Section 1596.95(d).

(10) Information required by Health and Safety Code Section 1596.95(e).

(11) Name, address and telephone number of the city or county fire department, the district providing fire protection services, or the State Fire Marshal's office with jurisdiction in the area where the child care center is located.

(12) A plan of operation as specified in Section 101173.

(13) Fingerprint cards as specified in Section 101170.

(14) Requests to check the Child Abuse Registry as required by Health and Safety Code Section 1596.877.

(15) A health–screening report on the applicant as specified in Section 101216(g).

(16) The processing fee for an application as specified in Section 101187.

(17) Water supply clearance as specified in Section 101172.

(18) Evidence that the applicant has posted signs at the entrance to the child care center that provide the telephone number of the local health department and information on child passenger restraint systems pursuant to Health and Safety Code Section 1596.95(g) and Vehicle Code Section 27360(b).

(A) The signs shall provide all of the following information:

1. Protect your child—it is the law.

2. Children under the age of four years, regardless of weight, or weighing less than 40 pounds, regardless of age, must be in an approved child passenger restraint system.

3. You may be cited for a violation of the child passenger restraint system provisions. In addition, your automobile insurance rates could be adversely affected as a result.

4. Call your local health department for more information.

(19) Such other information as may be required pursuant to Health and Safety Code Section 1596.95(h).

(20) Evidence regarding the applicant's reputable and responsible character as required by Health and Safety Code Section 1596.95(b).

(e) The application shall be signed by the applicant.

(1) If the applicant is a partnership, the application shall be signed by each partner.

(2) If the applicant is a corporation, county, city, public agency or other governmental entity, the application shall be signed by the chief executive officer or the authorized representative.

(f) The application shall be filed with the Department's office that serves the geographical area in which the child care center is located.

§ 101170. Criminal Record Clearance.

(a) The Department shall conduct a criminal record review of all persons specified in Health and Safety Code Section 1596.871(b). The Department has the authority to approve or deny a facility license, or employment, residence or presence in the facility, based on the results of this review.

(b) The following individuals are exempt from the requirement to submit fingerprints:

(1) A volunteer who is a relative, legal guardian, or foster parent of a child in the facility.

(2) A volunteer that provides time–limited specialized services if all of the following apply:

(A) The volunteer is directly supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(B) The volunteer spends no more than 16 hours per week at the facility.

(C) The volunteer is not left alone with children in care.

(3) A volunteer who is a senior citizen if all of the following apply:

(A) The senior citizen participates in a Foster Grandparent Program under the authority of the National Senior Service Corps and administered by the Corporation for National Service.

(B) The facility has an agreement with the foster grandparent program concerning the placement of the foster grandparent.

(C) The foster grandparent is supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(D) The foster grandparent is not left alone with children in care.

(4) A student who is enrolled or participating at an accredited educational institution if all of the following apply:

(A) The student is directly supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(B) The facility has an agreement with the educational institution concerning the placement of the student.

(C) The student spends no more than 16 hours per week at the facility.

(D) The student is not left alone with the children in care.

(5) A third–party repair person, or similar retained contractor, if all of the following apply:

(A) The individual is hired for a defined, time–limited job.

(B) The individual is not left alone with children.

(C) When children are present in the room in which the repairperson or contractor is working, a staff person who has a criminal record clearance or exemption is also present.

(6) A medical professional, as defined in Section 101152(m)(1), who holds a valid license or certification from the individual's governing California medical care regulatory entity if all of the following apply:

(A) The criminal record of the individual has been cleared as a condition of licensure or certification by the individual's California medical care regulatory entity.

(B) The individual is providing time-limited specialized clinical care or services.

(C) The individual is providing care or services within the individual's scope of practice.

(D) The individual is not a community care facility licensee and is not employed, retained, or contracted by the licensee.

(7) Employees of a licensed home health agency who have a contract with a child's parent or guardian and are in the facility at the request of that parent or guardian.

(A) The exemption shall not apply to an individual who is employed, retained or contracted by the licensee.

(8) An attendant or facilitator for a child with a developmental disability who is visiting the child or providing direct care and supervision to the child.

(A) The exemption shall not apply to an individual who is employed, retained or contracted by the licensee.

(c) Prior to the Department issuing a license, the applicant and the administrator shall obtain a California criminal record clearance or exemption.

(d) All individuals subject to criminal record review shall, be fingerprinted and sign a Criminal Record Statement (LIC 508 [Rev. 1/03]) under penalty of perjury.

(1) A person signing the LIC 508 must:

(A) Declare whether he/she has been convicted of a crime, other than a minor traffic violation as specified in Section 101170(k) regardless of whether the individual was granted a pardon for the conviction, received an expungement pursuant to Penal Code 1203.4 or the individual's record was sealed as a result of a court order.

(B) If convicted of a crime other than a minor traffic violation as specified in Section 101170(k), provide information regarding the conviction.

(2) The licensee shall submit these fingerprints to the California Department of Justice, along with a second set of fingerprints for the purpose of searching the records of the Federal Bureau of Investigation, or comply with Section 101170(e)(1), prior to the individual's employment or initial presence in the child care facility.

(A) Fingerprints shall be submitted to the California Department of Justice by the licensee or sent by electronic transmission to the California Department of Justice by a fingerprinting entity approved by the California Department of Social Services.

(e) All individuals subject to a criminal record review pursuant to Health and Safety Code Section 1596.871 shall prior to working, residing or volunteering in a licensed facility:

(1) Obtain a California clearance or a criminal record exemption as required by the Department or

(2) Request a transfer of a criminal record clearance as specified in Section 101170(f) or

(3) Request and be approved for a transfer of a criminal record exemption, as specified in Section 101170.1(r), unless, upon request for a transfer, the Department permits the individual to be employed, reside or be present at the facility.

(f) A licensee or applicant for a license may request a transfer of a criminal record clearance from one state licensed facility to another, or from TrustLine to a state licensed facility by providing the following documents to the Department:

(1) A signed Criminal Background Clearance Transfer Request, LIC 9182 (Rev. 4/02).

(2) A copy of the individual's driver's license, or

(3) A valid identification card issued by the Department of Motor Vehicles, or

(4) A valid photo identification issued by another state or the United States government if the individual is not a California resident.

(5) Any other documentation required by the Department (e.g., LIC 508, Criminal Record Statement [Rev. 1/03] and job description).

(g) The licensee shall maintain documentation of criminal record clearances or criminal record exemptions of employees in the individual's personnel file as required in Section 101217.

(h) Violation of Section 101170(e) will result in a citation of a deficiency and an immediate assessment of civil penalties of one hundred dollars ($100) per violation per day for a maximum of five (5) days by the Department.

(1) Subsequent violations within a twelve (12) month period will result in a civil penalty of one hundred dollars ($100) per violation per day for a maximum of thirty (30) days.

(2) The Department may assess civil penalties for continued violations as permitted by Health and Safety Code Section 1596.99.

(i) Violation of Section 101170(e) may result in a denial of the license application or suspension and/or revocation of the license.

(j) The licensee shall maintain documentation of criminal record clearances or criminal record exemptions of volunteers that require fingerprinting.

(1) Documentation shall be available for inspection by the Department.

(k) If the criminal record transcript of any individuals specified in the Health and Safety Code Section 1596.871(b) discloses a plea or verdict of guilty, or a conviction following a plea of nolo contendere, for any crime other than a minor traffic violation for which the fine was less than $300 and an exemption pursuant to Section 101170.1(a) has not been granted, the Department shall take the following actions:

(1) For initial applicants, denial of the application.

(2) For current licensees, the Department may institute an administrative action, including, but not limited to, revocation of the license.

(3) For current employees, exclude the affected individual pursuant to Health and Safety Code Section 1596.8897, and deny the application or revoke the license, if the individual continues to provide services and/or reside at the facility.

(4) For convicted individuals residing in the facility, licensee or employee, exclusion of the affected individual pursuant to Health and Safety Code Section 1596.8897, and denial of the application or revocation of the license, if the individual continues to provide services and/or reside at the facility.

(*l*) The Department may seek verification from a law enforcement agency or court of an individual's criminal record as reported to the Department from any member of the public or affected individual.

(1) Upon obtaining confirmation from a law enforcement agency or court of the offense, the Department shall proceed as if this criminal record information was provided by the California Department of Justice.

(m) If the Department determines that any licensee or individual specified in Health and Safety Code Section 1596.871(b) is arrested for a crime for which, if convicted, an individual is not eligible, by law, to receive an exemption, pending completion of its investigation into the facts underlying the arrest, the Department may take the following actions:

(1) If the arrested individual is a licensee, the Department may notify the licensee, by telephone or in writing, to immediately cease operation for up to 30 days.

(2) If the individual arrested is not a licensee, the Department may notify the licensee and the individual associated with the facility, by telephone or in writing, that the individual may not be present in the facility for up to 30 days.

(n) After the Department notifies the licensee, pursuant to Section 101170(o)(1), or the individual pursuant to Section 101170(o)(2), he or she may present a written appeal that:

(1) he or she is not the individual who was arrested,

(2) he or she has not been arrested for a crime that by law an individual is not eligible to receive an exemption, or

(3) he or she was arrested for a crime that by law an individual is not eligible to receive an exemption but the charges have been dropped or reduced to a crime that by law an individual would be eligible to receive an exemption.

The appeal shall contain the licensee's or individual's current address and telephone number. After the Department receives the appeal and any supporting documentation, it shall review the appeal and notify the licensee or individual of its decision within five (5) working days.

(o) Should the Department determine at any time during the 30 days referred to in Sections 101170(o)(1) and (o)(2) that the criminal charges have been dropped or reduced to a charge for a crime that by law an individual would be eligible to receive an exemption, the Department shall immediately rescind the notice.

(p) Nothing in this action shall be interpreted to supercede the Department's authority under Sections 1596.886 and 1596.8897 of the Health and Safety Code.

NOTE: Authority cited: Sections 1596.81 and 1596.98(c), Health and Safety Code. Reference: Sections 1596.81(b), 1596.871 and 1596.99, Health and Safety Code.

§ 101170.1. Criminal Record Exemption.

(a) The Department will notify a licensee to act immediately to terminate the employment of, remove from the facility or bar from entering the facility any person described in Sections 101170.1(a)(1) through (5) below while the Department considers granting or denying an exemption. Upon notification, the licensee shall comply with the notice.

(1) Any person who has been convicted of, or is awaiting trial for, a sex offense against a minor;

(2) Any person who has been convicted of a felony;

(3) Any person who has been convicted of an offense specified in Sections 243.4, 273a, 273d, 273g, or 368 of the Penal Code or any other crime specified in Health and Safety Code Section 1596.871(c)(2);

(4) Any person who has been convicted of any crime specified below:

(A) Battery

(B) Shooting at Inhabited Dwelling

(C) Corporal Injury on Spouse/Cohabitant

(D) Discharging Firearm with Gross Negligence

(E) Exhibiting Weapon/Firearm

(F) Threat to Commit a Crime Resulting in Gross Bodily Injury or Death

(G) Criminal Threat to Harm or Injure Another Person

(H) Cruelty to Animals

(I) Willful Harm or Injury to Child; or

(5) Any other person ordered to be removed by the Department.

(b) In addition to the requirements of Section 101170.1(a), the licensee must return the confirmation of removal form that is sent by the Department, within five (5) days of the date of the form, that confirms under penalty of perjury that the individual has been removed from the facility.

(1) Confirmation must be made on either a Removal Confirmation — Exemption Needed, LIC 300A (Rev. 9/03), Removal Confirmation — Denial, LIC 300B (Rev. 9/03), Removal Confirmation — Rescinded, LIC 300C (Rev. 9/03), or Removal Confirmation — Nonexemptible, LIC 300D (Rev. 9/03).

(c) After a review of the criminal record transcript, the Department may grant an exemption if:

(1) The applicant /licensee requests an exemption for himself or herself, or

(2) The applicant/licensee requests an exemption in writing for an individual associated with the facility, or

(3) The applicant/licensee chooses not to seek an exemption on the affected individual's behalf, the affected individual requests an individual exemption in writing, and

(4) The affected individual presents substantial and convincing evidence satisfactory to the Department that he/she has been rehabilitated and presently is of such good character as to justify being issued or maintaining a license, employment or residence in a licensed facility.

(d) To request a criminal record exemption, a licensee or license applicant must submit information that indicates that the individual meets the requirements of Section 101170.1(c)(4). The Department will notify the licensee or license applicant and the affected individual, in concurrent, separate notices, that the affected individual has a criminal conviction and needs to obtain a criminal record exemption.

(1) The notice to the affected individual shall include a list of the conviction(s) that the Department is aware of at the time the notice is sent that must be addressed in an exemption request.

(2) The notice will list the information that must be submitted to request a criminal record exemption.

(3) The information must be submitted within forty-five (45) days of the date of the Department's notice.

(A) Individuals who submit a criminal record exemption request shall cooperate with the Department by providing any information requested by the Department, including, but not limited to, police reports and certified court documents to process the exemption request, pursuant to Section 101170.1(e).

(B) If the individual for whom the criminal record exemption is requested is an employee or resident other than a spouse or dependent family member and the licensee/license applicant does not submit the information listed in the Department's written notice within 45 days of the date of the notice, the Department may cease processing the exemption request and close the case.

(C) If the individual for whom the criminal record exemption is requested is an applicant, licensee, spouse or dependent family member and and the licensee/license applicant does not submit the information listed in the Department's written notice within 45 days of the date of the notice, the Department may deny the exemption request.

(D) Individuals may request a criminal record exemption on their own behalf if the licensee or license applicant:

1. Chooses not to request the exemption and

2. Chooses not to employ or terminates the individual's employment after receiving notice of the individual's criminal history, or

3. Removes the individual who resides in the facility after receiving notice of the individual's criminal history.

(e) The Department shall consider factors including, but not limited to, the following as evidence of good character and rehabilitation:

(1) The nature of the crime including, but not limited to, whether it involved violence or a threat of violence to others.

(2) Period of time since the crime was committed and number of offenses.

(3) Circumstances surrounding the commission of the crime that would demonstrate the unlikelihood of repetition.

(4) Activities since conviction, including employment or participation in therapy or education, that would indicate changed behavior.

(5) A full and unconditional pardon granted by the Governor.

(6) Character references.

(A) All character references shall be on a Reference Request form (LIC 301E — Exemptions [Rev. 7/03]).

(7) A certificate of rehabilitation from a superior court.

(8) Evidence of honesty and truthfulness as revealed in exemption application documents.

(A) Documents include, but are not limited to:

1. A Criminal Record Statement (LIC 508, Criminal Record Statement [Rev. 1/03]) and

2. The individual's written statement/explanation of the conviction and the circumstances about the arrest.

(9) Evidence of honesty and truthfulness as revealed in exemption application interviews and conversations with the Department.

(f) The Department shall also consider the following factors in evaluating a request for an exemption:

(1) Facility and type of association.

(2) The individual's age at the time the crime was committed.

(g) The Department may deny the individual's exemption request if:

(1) The individual fails to provide documents requested by the Department, or

(2) The individual fails to cooperate with the Department in the exemption process.

(h) The reasons for any exemption granted or denied shall be in writing and shall be kept by the Department.

(1) Exemption denial notices shall specify the reason the exemption was denied.

(i) The Department has the authority to grant a criminal record exemption that places conditions on the individual's continued licensure, and employment or presence in a licensed facility.

(j) It shall be conclusive evidence that the individual is not of such good character as to justify issuance of an exemption if the individual:

(1) Makes a knowingly false or misleading statement regarding:

(A) Material relevant to their application for a criminal record clearance or exemption,

(B) His or her criminal record clearance or exemption status to obtain employment or permission to be present in a licensed facility, after the Department has ordered that they be excluded from any or all licensed facilities, or

(C) His or her criminal record clearance or exemption status in order to obtain a position with duties that are prohibited to him/her by a conditional exemption; or

(2) Is on probation or parole.

(A) If the individual is currently on probation, and provides sufficient proof that the probationary period(s) is informal, unsupervised and no probation officer is assigned, the Department may, in its discretion, grant a criminal record exemption notwithstanding Section 101170.1(j)(2).

(k) The Department shall consider granting a criminal record exemption for an individual when the individual's criminal record history meets all of the applicable criteria specified in Sections 101170.1(k)(1) through (6) and the individual provides the Department with substantial and convincing evidence of good character as specified in Section 101170.1(c)(4). For purposes of this section, a violent crime is a crime that, upon evaluation of the code section violated and/or the reports regarding the underlying offense, presents a risk of harm or violence.

(1) The individual has been convicted of one nonviolent misdemeanor, and one year has lapsed since completing the most recent period of incarceration or probation.

(2) The individual has been convicted of two or more nonviolent misdemeanors and four consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.

(3) The individual has been convicted of one or more violent misdemeanors and 15 consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.

(4) The individual has been convicted of one nonviolent felony and four consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.

(5) The individual has been convicted of two or more nonviolent felonies and ten consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.

(6) The individual has not been convicted of a violent felony.

(7) If the individual is currently on probation, and provides sufficient proof that the probationary period(s) is informal, unsupervised and no probation officer is assigned, the period of lapsed time required in Section 101170.1(k)(1) through (5) above shall begin from the last date of conviction(s).

(*l*) It shall be a rebuttable presumption that an individual is not of such good character as to justify the issuance of an exemption if the individual fails to meet the requirements specified in Sections 101170.1(k)(1) through (6).

(m) The Department shall not grant an exemption if the individual has a conviction for any offense specified in Section 1596.871(f) of the Health and Safety Code.

(n) The Department shall consider granting a simplified criminal record exemption if the individual has the criminal history profile outlined in Sections 101170.1(n)(1) through (4) below:

(1) The individual does not have a demonstrated pattern of criminal activity;

(2) The individual has no more than one conviction;

(3) The conviction is a misdemeanor and is a crime that is nonviolent and does not pose a risk of harm to an individual; and

(4) It has been at least five consecutive years since the completion of the most recent period of incarceration or supervised probation.

(o) At the Department's discretion, an individual who is otherwise eligible for a simplified exemption may be required to go through the standard exemption process if the Department determines such action will help to protect the health and safety of clients.

(p) If the Department denies or cannot grant a criminal record exemption the Department shall:

(1) For initial applicants, deny the application.

(2) For current licensees, the Department may institute an administrative action, including, but not limited to, revocation of the license.

(3) For current employees, exclude the affected individual pursuant to Health and Safety Code Section 1596.8897, deny the application or revoke the license, if the individual continues to provide services and/or reside at the facility.

(4) For individuals residing in the facility, including spouses of the applicant or the licensee, exclude the affected individual pursuant to Health and Safety Code Section 1596.8897, deny the application or revoke the license, if the individual continues to provide services and/or reside at the facility.

(q) If a request for an exemption has been denied, the individual shall be excluded for a period of two years unless the individual has been convicted of a crime for which no exemption may be granted pursuant to Section 101170.1(m). If a request for an exemption has been denied based

on a conviction of a crime for which no exemption may be granted, the individual shall be excluded for the remainder of the individual's life.

(1) If the Department determines during the review of an exemption request, that the individual was denied an exemption for a conviction of a crime for which an exemption may be granted within the preceding two years, the Department shall cease any further review of the request until two years have elapsed from the date of the denial. In cases where the individual requested a hearing on an exemption denial, the Department shall cease review of the request for an exemption until two years from the effective date of the decision and order of the Department upholding the denial. In cases where the individual submitted a petition for reinstatement or reduction in penalty pursuant to Government Code Section 11522 that was denied, the Department shall cease review of the request for an exemption until two years from the effective date of the decision and order of the Department denying the petition.

(2) An exclusion order based solely upon a denied exemption shall remain in effect and the individual shall not be employed in or present in a licensed facility or certified home, unless either a petition or an exemption is granted.

(3) If an individual who has previously been denied an exemption reapplies after the relevant time period described in Section 101170.1(q)(1) above, the Department may, according to the provisions in Section 101170.1 et seq., grant or deny the subsequent request for an exemption.

(4) If an individual submits a petition pursuant to Government Code Section 11522 for reinstatement or reduction of penalty for an exclusion, an individual must submit his/her fingerprints through an electronic fingerprinting system approved by the Department and submit to the Department a statement of the reason why the individual should be permitted to work or be present in a facility, along with all information required of an individual requesting a criminal record exemption as provided in Section 101170.1. If it is determined, based upon information provided by the Department of Justice, that the individual has been convicted of a crime for which no exemption may be granted, the petition shall be denied. An individual's failure to submit fingerprints or other information as requested by the Department, shall be grounds for denial of the petition. The burden shall be on the petitioner to prove sufficient rehabilitation and good character to justify the granting of the petition.

(r) A licensee or applicant for a license may request a transfer of a criminal record exemption from one state licensed facility to another by providing the following documents to the Department:

(1) A signed Criminal Record Exemption Transfer Request, LIC 9188 (Rev. 9/03).

(2) A copy of the individual's:

(A) Driver's license, or

(B) Valid identification card issued by the Department of Motor Vehicles, or

(C) Valid photo identification issued by another state or the United States Government if the individual is not a California resident.

(3) Any other documentation required by the Department (e.g., LIC 508, Criminal Record Statement [Rev. 1/03] and job description).

(s) The Department may consider factors including, but not limited to, the following in determining whether or not to approve the transfer of an exemption from one facility to another:

(1) The basis on which the Department granted the exemption;

(2) The nature and frequency of client contact in the new position;

(3) The category of facility where the individual wishes to transfer;

(4) The type of clients in the facility where the individual wishes to transfer;

(5) Whether the exemption was appropriately evaluated and granted in accordance with existing exemption laws or regulations; or

(6) Whether the exemption meets current exemption laws or regulations.

(t) If the Department denies the individual's request to transfer a criminal record exemption, the Department shall provide the individual and the licensee with written notification that states the Department's decision and informs the affected individual of their right to an administrative hearing to contest the Department's decision.

(u) At the Department's discretion, an exemption may be rescinded if it is determined that:

(1) The exemption was granted in error or

(2) The exemption does not meet current exemption laws or regulations or

(3) The conviction for which an exemption was granted subsequently becomes non–exemptible by law.

(v) The Department may rescind an individual's criminal record exemption if the Department obtains evidence showing that the individual engaged in conduct which is inconsistent with the good character requirement of a criminal record exemption, as evidenced by factors including, but not limited to, the following:

(1) Violations of licensing laws or regulations;

(2) Any conduct by the individual that indicates that the individual may pose a risk to the health and safety of any individual who is or may be a client;

(3) Nondisclosure of a conviction or evidence of lack of rehabilitation that the individual failed to disclose to the Department, even if it occurred before the exemption was issued; or

(4) The individual is convicted of a subsequent crime.

(w) If the Department rescinds an exemption the Department shall:

(1) Notify the licensee and the affected individual in writing; and

(2) Initiate an administrative action.

(x) If the Department learns that an individual has been convicted of a crime after obtaining a criminal record clearance or exemption, the Department, at its sole discretion, may initiate an administrative action to protect the health and safety of clients.

§ 101170.2. Child Abuse Central Index.

(a) Prior to granting a license for a child care center, the Department shall conduct a Child Abuse Central Index (CACI) review pursuant to Health and Safety Code Section 1596.877 and Penal Code Section 11170(b)(3). The Department shall check the CACI for the applicant(s) and all individuals subject to a criminal record review, pursuant to Health and Safety Code Section 1596.871(a) and shall have the authority to approve or deny a facility license, employment, or presence in the facility based on the results of the review.

(1) The applicant shall submit the Child Abuse Central Index checks (LIC 198A [3/99]) for all individual's required to be checked directly to the California Department of Justice at the same time that the individual's

fingerprints are submitted for a criminal background check as required by Section 101170(a).

(A) Individuals who have submitted the Child Abuse Central Index check (LIC 198A [3/99]) with fingerprints on or after January 1, 1999 need not submit a new check if the individual can transfer their criminal record clearance or exemption pursuant to Section 80019(e) or Section 80019.1(f).

(2) The Department shall investigate any reports received from the CACI. The investigation shall include, but not be limited to, the review of the investigation report and file prepared by the child protective agency that investigated the child abuse report. The Department shall not deny a license based upon a report from the CACI unless the Department substantiates the allegation of child abuse.

(b) Subsequent to licensure, all individuals subject to a criminal record review, pursuant to Health and Safety Code Section 1596.871, shall complete a Child Abuse Central Index check (LIC 198A [3/99]) prior to employment or initial presence in the child care facility.

(1) The licensee shall submit the Child Abuse Central Index checks (LIC 198A [Rev. 3/99]) directly to the California Department of Justice at the same time that the individual's fingerprints are submitted for a criminal background check as required by Section 101170(d).

(A) Individuals who have submitted the Child Abuse Central Index check (LIC 198A [3/99]) with fingerprints on or after January 1, 1999 need not submit a new check if the individual can transfer their criminal record clearance or exemption pursuant to Section 80019(e) or Section 80019.1(f).

(2) The Department shall check the Child Abuse Central Index (CACI) pursuant to Penal Code Section 11170(b)(3). The Department shall investigate any reports received from the CACI. The investigation shall include, but not be limited to, the review of the investigation report and file prepared by the child protective agency that investigated the child abuse report. The Department shall not deny a license or take any other administrative action based upon a report from the CACI unless the Department substantiates the allegation of child abuse.

(3) The Department shall investigate any subsequent reports received from the CACI. The investigation shall include, but not be limited to, the review of the investigation report and file prepared by the child protective agency that investigated the child abuse report. The Department shall not revoke a license or take any other administrative action based upon a report from the CACI unless the Department substantiates the allegation of child abuse.

§ 101172. Water Supply Clearance.

(a) All child care centers where water for human consumption is from a private source shall meet the following requirements:

(1) As a condition of initial licensure, the applicant shall provide evidence of an onsite inspection of the source of the water and a bacteriological analysis that establishes the safety of the water. The inspection and the bacteriological analysis shall be conducted by the local health department, the California Department of Health Services or a licensed commercial laboratory.

(2) Subsequent to initial licensure, the licensee shall provide evidence of a bacteriological analysis of the private water supply as frequently as is necessary to ensure the safety of the children, but no less frequently than specified in the following table:

LICENSED CAPACITY	ANALYSIS REQUIRED	PERIODIC SUBSEQUENT ANALYSIS
6 or fewer	Initial licensing	Not required unless evidence supports the need for such analysis to protect children.
7 through 15	Initial licensing	Annually
16 through 24	Initial licensing	Semiannually
25 or more	Initial licensing	Quarterly

§ 101173. Plan of Operation.

(a) Each licensee shall have and keep on file a current written, definitive plan of operation. A copy of the plan shall be submitted to the Department with the license application.

(b) The plan and related materials shall contain the following:

(1) Statement of purposes, and program methods and goals.

(2) Statement of admission policies and procedures.

(3) A copy of the admission agreement.

(4) Administrative organization, if applicable.

(5) Staffing plan, qualifications and duties, if applicable.

(6) Plan for in-service education of staff if required by regulations governing the specific child care center category.

(7) A sketch of the building(s) to be occupied, including a floor plan that describes the capacities of the buildings and the uses intended, the

room dimensions, and the rooms to be used for nonambulatory children; and a sketch of the grounds that shows buildings, driveways, fences, storage areas, pools, gardens, recreation areas and other space used by the children. All sketches shall show dimensions.

(8) Sample menus and a schedule for one calendar week indicating the time of day that meals and snacks are to be served.

(9) Transportation arrangements provided by the applicant/licensee for children who do not have independent arrangements.

(10) Rate–setting policy including, but not limited to, a policy on refunds.

(11) Consultant and community resources to be utilized by the child care center as part of its program.

(c) Any proposed changes in the plan of operation that affect services to children shall be subject to departmental approval prior to implementation and shall be reported as specified in Section 101212.

(d) The child care center shall operate in accordance with the terms specified in the plan of operation.

§ 101174. Disaster and Mass Casualty Plan.

(a) Each licensee shall have a disaster and mass casualty plan of action. The plan shall be in writing and shall be readily available.

(b) The plan shall be subject to review by the Department and shall include:

(1) Designation of administrative authority and staff assignments.

(2) Contingency plans for action during fires, floods and earthquakes including, but not limited to, the following:

(A) Fire safety plan.

(B) Means of exiting.

(C) Transportation arrangements.

(D) Relocation sites that are equipped to provide safe temporary accommodations for children.

(E) Supervision of children during evacuation or relocation, and contact after relocation to ensure that relocation has been completed as planned.

(F) Means of contacting local agencies, including but not limited to the fire department, law enforcement agencies, and civil defense and other disaster authorities.

(3) Any special methods and procedures necessary for the evacuation and relocation of nonambulatory children.

(c) The licensee shall instruct all children, age and abilities permitting, and all child care personnel, including volunteers, in their duties and responsibilities under the plan.

(d) Disaster drills shall be conducted at least every six months.

(1) Completion of such drills shall not require travel away from the child care center grounds or contact with local disaster agencies.

(2) The drills shall be documented. This documentation shall be kept in the child care center for at least one year.

2. Amendment filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101175. Waivers and Exceptions for Program Flexibility.

(a) Unless the licensee receives prior written departmental approval for a waiver or an exception as specified in (b) below, the licensee shall maintain continuous compliance with all licensing regulations.

(b) The Department has the authority to approve the use of alternate concepts, programs, services, procedures, techniques, equipment, space, personnel qualifications or staffing ratios, or the conduct of experimental or demonstration projects, under the following circumstances:

(1) Such alternatives shall be carried out with provisions for safe and adequate services, and shall in no instance be detrimental to the health and safety of any child in care.

(2) The applicant or licensee shall submit to the Department a written request for a waiver or an exception and substantiating evidence supporting the request.

(3) Within 30 days of the receipt of a request for a waiver or an exception, the Department shall notify the applicant or licensee in writing of the approval or denial of the request, or of the need for additional information to substantiate the request.

(A) The licensee shall maintain and make available for review, at the child care center, a copy of the written approval or denial.

§ 101178. Application Review.

(a) If the applicant has not submitted all materials specified in Section 101169 within 90 days of the Department's receipt of the application, the Department shall notify the applicant in writing that the application is incomplete. This notice shall describe the materials that the applicant must submit to complete the application.

(1) If the applicant does not complete the application within 30 days after such notice, the application shall be deemed withdrawn provided that the Department has not denied or taken action to deny the application.

(A) The above requirement shall not apply to child care centers under construction.

(b) The Department shall cease review of any application under the conditions specified in Health and Safety Code Section 1596.851.

(2) The circumstances and conditions under which the Department may continue to review a previously denied application shall include, but not be limited to, the following:

(A) A fire clearance previously denied but now approved;

(B) An administrator who previously did not meet the minimum qualifications but now does; or

(C) A person with a criminal record previously associated with the center, which was the basis for license denial, but who is now no longer associated with the center.

(3) This review shall not constitute approval of the application.

(4) If the Department ceases review of an application, the application shall be returned to the applicant. The applicant shall be responsible for requesting the Department to resume reviewing the application pursuant to Health and Safety Code Section 1596.851.

(c) The application fee is nonrefundable.

§ 101179. Capacity Determination.

(a) A license shall be issued for a specific capacity, which shall be the maximum number of children that can be cared for at any given time. The Department may issue a license for fewer children than requested.

(b) The number of children for which the child care center is licensed to provide care and supervision shall be determined on the basis of the Department's application review, which shall take into consideration the following:

(1) The fire clearance specified in Section 101171.

(2) The licensee's/administrator's ability to comply with applicable laws and regulations.

(3) Physical features of the child care center, including available space, that are necessary to comply with this chapter.

(4) Number of available staff to meet the care and supervision needs of the children.

(5) Any restrictions pertaining to the specific category of child care center.

(c) When the license is issued for fewer children than requested, the licensee shall be notified in writing of the reasons for the limitation and of the licensee's rights to appeal the decision as specified in Section 101205.

(d) The Department has the authority to decrease existing licensed capacity with the licensee's agreement, when there is a change in any of the factors specified in (b) above.

(1) If the licensee does not agree to the decrease in capacity, the Department has the authority to initiate revocation action as specified in Section 101206.

(e) The Department is authorized to restrict care to specific individuals.

(1) If care and supervision are limited to specific individuals, the Department shall specify the names of the individuals in a letter to the licensee.

(2) Except where the limitation is requested by the licensee, the licensee shall be notified in writing of the reasons for such limitation and of the licensee's right to appeal the decision as specified in Section 101205.

2. Amendment filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101180. Withdrawal of Application.

(a) An applicant may withdraw an application for a license. The withdrawal of the application shall be in writing.

(1) The fee for processing the application shall be forfeited.

(b) As specified in Health and Safety Code Section 1596.854, the Department has the authority to take action against an applicant even if the applicant has withdrawn an application for a license.

HISTORY

1. Amendment of section and NOTE filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101181. Provisional License.

(a) The Department has the authority to issue a provisional license pursuant to Health and Safety Code Sections 1596.84 and 1596.96 provided the child care center is in substantial compliance with applicable laws and regulations, as defined in Section 101152s.(4), and has submitted a completed application as specified in Section 101152c.(8).

(b) The Department shall not issue a provisional license if a corporate applicant's board of directors, executive director and officer are ineligible for licensure, as specified in Health and Safety Code Section 1596.952(b).

(c) The Department has the authority to issue a provisional license for a maximum of 90 days to otherwise qualified applicants who are not in compliance with the requirements for health and safety training as specified in Health and Safety Code Section 1596.866.

(d) During the provisional license period, if the Department discovers any deficiencies that threaten the physical health, mental health, safety or welfare of the children, the Department has the authority to institute administrative action or civil proceedings, or to refer the case for criminal prosecution.

(e) A provisional license terminates on the date specified on the provisional license or upon denial of the application, whichever is earlier.

(1) Health and Safety Code Section 1596.84 specified how long and under what circumstances a provisional license may last.

(f) If the Department determines after its review specified in Section 101178 that the provisional licensee does not meet licensing requirements, the application shall be denied as specified in Section 101205; the provisional license shall immediately terminate; and operation shall immediately cease.

(g) If the Department denies the application for a license, the applicant may appeal the denial as provided in Section 101205. Until the Director adopts a decision on the denial action, the child care center is unlicensed.

2. Amendment of section and NOTE filed 9–14–98; operative 11–1–98 (Register 98, No. 38).
3. New subsection (b), subsection relettering and amendment of NOTE filed 10–4–2000; operative 11–3–2000 (Register 2000, No. 40).

§ 101182. Issuance/Term of a License.

(a) The Department shall issue a license to an applicant in accordance with the provisions of Health and Safety Code Section 1597.13 after a completed application has been compiled and upon determination that all licensing requirements have been met.

(2) A separate license shall be issued for each component of a combination center.

(3) If the application is denied, the notice of denial shall include the information specified in Section 101205.

(b) Issuance of a license shall constitute written notice that the application is complete and has been granted.

(c) No limitation shall be imposed on the licensee or printed on the license solely because a licensee is a parent who has administered or will continue to administer corporal punishment not constituting child abuse, as defined in Penal Code Section 11165(g) or Health and Safety Code Section 1531.5(c), on his/her own child(ren).

(d) Except for provisional licenses as provided in Section 101181, a license remains in effect until it is:

(1) Forfeited or surrendered as specified in Sections 101186 through 101187 and in Health and Safety Code Section 1596.858.

(2) Suspended or revoked as specified in Section 101206.

(e) As a condition of licensure, child care personnel shall complete health and safety training pursuant to Health and Safety Code Section 1596.866.

HISTORY

1. Repealer filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101185. Submission of New Application.

(a) A licensee shall file a new Application Booklet (LIC 281A [12/96]) and supporting documents as specified in Section 101169 whenever there is a proposed change of any of the following types:

(1) Child care center category.

(A) Notwithstanding (a) and (a)(1) above, a licensee wishing to add a toddler component to its existing preschool or infant care program shall submit an amended application as specified in Section 101169(a)(1)(A). The toddler program component is considered an extension of the preschool or infant care license.

(2) Sale or transfer of the majority of stock.

(3) Separating from a parent company.

(4) Merger with another company.

(5) Change of licensee.

(b) When a licensee proposes a change in capacity, a change in the number of nonambulatory children or a change in location, the licensee may, in lieu of filing an entirely new LIC 281A (12/96) and supporting documents as specified in Section 101169, transfer documents from an existing application to a new application. In such a case, the new application documents must include:

(1) An Application for a Child Day Care Center License (LIC 200A [12/92]).

(2) A fire clearance, if necessary.

(3) An update of existing application documents affected by the change, as determined by the Department.

(d) A new LIC 281A (12/96) and supporting documents as specified in Section 101169 shall be filed whenever an applicant fails to complete a new application within the time limit required by Section 101178(a) if the applicant chooses to continue the application process.

2. New subsection (a)(3)(A) and amendment of NOTE filed 8–22–94; operative 9–21–94 (Register 94, No. 34).
3. Amendment filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101186. Conditions for Forfeiture of a Child Care Center License.

(a) Conditions for forfeiture of a child care center license shall be as specified in Health and Safety Code Section 1596.858.

(2) "Licensee abandons the facility [child care center]" shall mean either of the following:

(A) The licensee informs the Department that the licensee no longer accepts responsibility for the child care center; or

(B) The Department is unable to determine the licensee's whereabouts after the following:

1. The Department requests information about the licensee's whereabouts from the child care center staff, if any staff can be contacted; and

2. The Department has made at least one phone call per day to the licensee's last telephone number of record for five consecutive workdays with no response; and

3. The Department has sent a certified letter requesting the licensee to contact the Department to the licensee's last mailing address of record with no response within seven calendar days.

(b) If the licensee dies, an adult relative who has control of the property may operate a previously licensed child care center under an Emergency Approval to Operate (EAO) (LIC 9117 [4/93]) provided the following conditions are met:

(1) The relative, or an adult acting on the relative's behalf, notifies the Department by telephone during the first working day after the licensee's death that the relative intends to operate the child care center.

(2) The relative files with the Department within five calendar days of the licensee's death an Application for a Child Day Care Center License (LIC 200A [12/92]) and evidence of the licensee's death as specified in Section 101152e.(4).

(A) Notwithstanding the instructions on the LIC 200A (12/92), the Department shall permit the relative to submit only the information on the front side of the LIC 200A (12/92).

(3) The relative files his/her fingerprint cards with the Department of Justice within five calendar days of the licensee's death.

(c) If the adult relative complies with (b)(1) and (b)(2) above, he/she shall not be considered to be operating an unlicensed child care center pending the Department's decision on whether to approve a provisional license.

(d) The Department shall make a decision within 60 days after the application is submitted on whether to issue a provisional license pursuant to Section *101181*.

(1) A provisional license shall be granted only if the Department is satisfied that the conditions specified in (b) above and Section 101181 have been met and that the health and safety of the children attending the child care center will not be jeopardized.

§ 101187. Licensing Fees.

(a) An applicant or licensee shall be charged fees as specified in Health and Safety Code Section 1596.803.

(b) When a licensee moves a child care center from one location to another, the relocation fee shall be as specified in Health and Safety Code Section 1596.803(b)(1)(A).

(1) To qualify for the relocation fee, the following shall apply:

(A) The licensee has notified the Department before actually relocating the child care center.

(B) The child care center licensing category remains the same.

(C) The fee is based on the capacity requested for the new location.

(c) The fees are nonrefundable.

§ 101193. Deficiencies in Compliance.

(a) If during a licensing evaluation the evaluator determines that a deficiency exists, the evaluator shall issue a notice of deficiency unless the deficiency is not serious and is corrected during the visit.

(b) Prior to completion of an evaluation or other licensing visit, the person in charge of the child care center shall meet with the evaluator to discuss any deficiencies noted, to jointly develop a plan for correcting each deficiency, and to acknowledge receipt of the notice of deficiency.

(c) The evaluator shall, at the completion of the visit, personally deliver the notice of deficiency to the licensee or the person in charge of the

child care center. If the licensee is not present, the evaluator shall also mail a copy of the notice to the licensee.

(1) If the person in charge of the child care center refuses to accept the notice, the evaluator shall make a note of the refusal on the notice and leave a copy of the notice at the center. The evaluator shall also mail a copy of the notice to the licensee.

(d) The notice of deficiency shall be in writing and shall include the following:

(1) A citation of the law or regulation that has been violated.

(2) A description of the deficiency stating the manner in which the licensee failed to comply with a specified law or regulation and, if applicable, the particular place or area of the child care center in which the deficiency occurred.

(3) The plan developed, as specified in (b) above, for correcting each deficiency.

(4) A date by which each deficiency shall be corrected.

(A) In determining the date for correcting a deficiency, the evaluator shall consider the following factors:

1. The potential hazard presented by the deficiency.

2. The number of children affected.

3. The availability of equipment or personnel necessary to correct the deficiency.

4. The estimated time for delivery and/or installation of necessary equipment.

(B) The date for correcting a deficiency shall not be more than 30 calendar days following service of the notice of deficiency unless the evaluator determines that the deficiency cannot be completely corrected in 30 calendar days.

(C) If the date for correcting the deficiency is more than 30 calendar days following service of the notice of deficiency, the notice shall specify the corrective actions that must be taken within 30 calendar days to begin correction.

(D) If civil penalties are assessed, the evaluator shall require correction of the deficiency within 24 hours and shall specify on the notice of deficiency the date by which the correction must be made.

(5) The amount of the civil penalty assessed and the date the penalty begins.

(6) The address and telephone number of the Department's office responsible for reviewing notices of deficiencies for the area in which the child care center is located.

§ 101194. Follow–up Visits to Determine Compliance.

(a) A follow–up visit shall be conducted to determine compliance with the plan of correction specified in the notice of deficiency.

(1) A follow–up visit shall be conducted within 10 working days following the date(s) of correction specified in the notice of deficiency unless the licensee has demonstrated that the deficiency was corrected as required.

(2) No penalty shall be assessed unless a follow–up visit is conducted.

(b) If a follow–up visit indicates that a deficiency was not corrected on or before the date specified in the notice of deficiency, the evaluator shall issue a notice of penalty.

(c) A notice of penalty shall be in writing and shall include:

(1) The amount of the penalty assessed and the date the payment is due.

(2) The name and address of the agency responsible for collecting the penalty.

(d) When an immediate penalty has been assessed pursuant to sections 101195(c), (d) and (e), and correction is made when the evaluator is present, a follow–up visit is not required.

HISTORY

1. Renumbering of former section 101194 to section 101207 and renumbering and amendment of former section 101204 to section 101194 filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101195. Penalties.

(a) A penalty of $50 per day, per cited violation, shall be assessed for serious deficiencies that are not corrected by the date specified in the notice of deficiency, up to a maximum of $150 per day.

(b) Notwithstanding Section 101195(a) above, an immediate penalty of $100 per cited violation per day for a maximum of five (5) days shall be assessed if any individual required to be fingerprinted under Health and Safety Code Section 1596.871(b) has not obtained a California clearance or criminal record exemption, requested a transfer of a criminal record clearance or requested and be approved for a transfer of an exemption as specified in Section 101170(e) prior to working, residing or volunteering in the facility.

(1) Subsequent violations within a twelve (12) month period will result in a civil penalty of one hundred dollars ($100) per violation per day for a maximum of thirty (30) days.

(2) The Department may assess civil penalties for continued violations as permitted by Health and Safety Code Section 1596.99.

(3) Progressive civil penalties specified in Sections 101195(d) and (e) below shall not apply.

(c) Notwithstanding (a) above, an immediate penalty of $150 per day shall be assessed if a child becomes sick, is injured or dies as a result of a deficiency.

(d) When a child care center is cited for a deficiency and violates the same regulation subsection within a 12–month period, the child care center shall be cited and an immediate penalty of $150 per cited violation shall be assessed for one day only. Thereafter, a penalty of $50 per day, per cited violation, shall be assessed until the deficiency is corrected.

(e) When a child care center that was cited for a deficiency subject to the immediate penalty assessment specified in Section 101195(d) above violates the same regulation subsection within a 12–month period of the last violation, the child care center shall be cited and an immediate penalty of $150 per cited violation shall be assessed for one day only. Thereafter, a penalty of $150 per day, per cited violation, shall be assessed until the deficiency is corrected.

(1) For purposes of Sections 101195(d) and (e) above, a regulation subsection is the regulation denoted by a lower–case letter after the main regulation number.

(f) If any deficiency is not corrected by the date specified in the notice of deficiency, a penalty shall be assessed for the notice of deficiency, a penalty shall be assessed for each day following that date until compliance has been demonstrated.

(1) Immediate penalty assessment as specified in Sections 101195(c), (d) and (e) shall begin on the day the deficiency is cited.

(g) If a licensee or his/her representative reports to the Department that a deficiency has been corrected, the penalty shall cease as of the day the Department receives either verbal or written notification that the correction was made.

(1) If the evaluator determines the deficiency was not corrected as reported, civil penalties shall continue to accrue from the date of the original citation.

(2) If it can be verified that the correction was made prior to the date of notification, the penalty shall cease as of that earlier date.

(h) If necessary, a site visit shall be made immediately or within five working days to confirm that the deficiency has been corrected.

(i) If an immediate civil penalty is assessed and the deficiency is corrected on the same day, the penalty shall still be assessed for that day.

(j) Unless otherwise ordered by the Department all penalties are due and payable upon receipt of the notice for payment, and shall be paid only by check or money order made payable to the agency indicated in the notice.

(k) The Department has the authority to file a claim in a court of competent jurisdiction or to take other appropriate action for failure to pay penalties as specified in (j) above.

8. Certificate of Compliance as to 3–11–2004 order, including further amendment of subsections (b) and (b)(1) and repealer of subsection (b)(1)(A), transmitted to OAL 7–9–2004 and filed 8–20–2004 (Register 2004, No. 34).
9. Amendment of subsection (b), new subsection (b)(1), subsection renumbering, amendment of newly designated subsection (b)(2) and amendment of NOTE filed 7–11–2006; operative 8–10–2006 (Register 2006, No. 28).

§ 101196. Review of Licensing Decisions.

(a) Any person may request a review of a licensing decision against him/her within 10 working days of receipt of the written decision unless an administrative action pursuant to the California Administrative Procedure Act has commenced against the person.

(1) "Licensing decision" means a decision that applies to notices of deficiency, civil penalties, and waivers and exceptions.

(2) If the review is of a deficiency that has not been corrected, civil penalties continue to accrue during the review process.

(b) The review specified in (a) above shall be conducted by a higher–level staff person than the person who made the licensing decision and issued the related notice of deficiency, civil penalty, or waiver or exception.

(c) The reviewer may uphold, amend or dismiss the licensing decision; or may extend the date specified for the correction of a deficiency.

§ 101198. Unlicensed Facility Penalties.

(a) A penalty of $200 per day shall be assessed for the operation of an unlicensed child care center under either of the following conditions:

(1) The operator has not submitted a completed application for licensure within 15 calendar days of issuance of a Notice of Operation in Violation of Law pursuant to Section 101157, and continues to operate.

(A) For purposes of this section, an application is deemed completed if it includes the information required in Section 101169.

(B) The completed application is deemed to be submitted when received by the Department.

(2) Unlicensed operation continues after denial of the initial application.

(A) Notwithstanding any appeal action, child care center operation must cease within 10 calendar days of the mailing of the notice of denial or upon receipt of the denial notice by the operator, whichever occurs first.

(b) The $200 per day penalty shall be assessed for the continued operation of an unlicensed child care center as follows:

(1) On the 16th calendar day after the operator has been issued the Notice of Operation in Violation of Law and has not submitted a completed application as required.

(A) The $200 per day penalty shall continue until the operator ceases operation or submits a completed application pursuant to Section 101198(a)(1)(A) and (B).

(2) On the 10th calendar day after the mailing of the notice of denial or upon receipt of the denial notice by the operator, whichever occurs first.

(A) The $200 per day penalty shall continue until the operator ceases operation.

(c) If the unlicensed operator or his/her representative reports to the Department that unlicensed operation has ceased, the penalty shall cease as of the day the Department receives the notification.

(1) A site visit shall be made immediately or within five working days to verify that the unlicensed child care center operation has ceased.

(2) Notwithstanding (c) above, if the unlicensed child care center operation has not ceased, penalties shall continue to accrue without interruption from the date of initial penalty assessment.

(d) All penalties shall be due and payable upon receipt of the Notice for Payment from the Department, and shall be paid by check or money order made payable to the Department as indicated in the notice.

(e) The Department has the authority to file a claim in any court of competent jurisdiction or to take other appropriate action for failure to pay penalties as specified in (d) above.

(g) A person assessed civil penalties may appeal the penalty under Section 101196.

§ 101198.1. Denial or Revocation of License for Failure to Pay Civil Penalties.

(a) The licensee shall be responsible for paying civil penalties.

(1) Unless otherwise provided, the transfer, surrender, forfeiture or revocation of a license shall not affect the licensee's responsibility for paying any civil penalties accrued while the license was in effect.

(b) The Department shall have the authority to deny or revoke any license for failure to pay civil penalty assessments.

(1) The Department shall have the authority to approve payment arrangements acceptable to the Department.

(2) The Department shall have the authority to approve the form of payment.

(3) The licensee's failure to pay civil penalty assessments pursuant to a payment plan approved by the Department may result in the denial or revocation of any license, and/or any other appropriate action.

(c) Any denial or revocation of the license for failure to pay civil penalties may be appealed as provided by Health and Safety Code Section 1596.887.

Article 5. Administrative Actions

§ 101205. Denial of License.

(a) Except as specified in Section 101181, which provides for issuance of a provisional license based upon substantial compliance, the Department shall deny an application for a license if the applicant is not in compliance with applicable laws and regulations. The Department shall issue the denial in accordance with Health and Safety Code Section 1597.11.

(1) The Department shall deny an application if the applicant fails to pay any civil penalty assessments, unless payment arrangements acceptable to the Department have been made.

(2) The Department may deny an application for licensure or revoke a license if the applicant/licensee, staff and/or volunteers violate Health and Safety Code Section 1596.885.

(3) The Department shall deny an application for licensure for grounds specified in Health and Safety Code Section 1596.952(b).

(4) An application shall not be denied solely because the applicant is a parent who has administered or will continue to administer corporal punishment not constituting child abuse, as defined in Penal Code Section 11165(g) or Health and Safety Code Section 1531.5(c), on his/her own child(ren).

(b) If an application is denied, the Department shall inform the applicant of the denial in writing.

(1) The notice shall include the reasons for the denial. The notice shall also advise the applicant of the right to appeal as provided for by Health and Safety Code Section 1596.879.

(c) If the application for a license is denied, the application processing fee shall be forfeited.

(d) Notwithstanding any appeal action, the child care center is unlicensed and shall not operate pending adoption by the Director of a decision on the denial action.

Article 6. Continuing Requirements

§ 101212. Reporting Requirements.

(a) Each licensee or applicant shall furnish to the Department reports as required by the Department including, but not limited to, the following:

(b) The name of the child care center director, and any fully qualified teacher(s) designated to act in the child care center director's absence, shall be reported to the Department within 10 days of a change of child care center director or designee(s).

(1) Whenever a change in child care center director is reported, in addition to his/her name, the report shall include the following:

(A) Verification of the completion of the course work required in Section 101215.1(h). A photocopy of a college transcript, or a photocopy of a Child Development Site Supervisor Permit or a Child Development Program Director Permit, shall meet this requirement.

(B) Verification of successful completion of high school. A photocopy of a high school diploma or GED shall meet this requirement.

(C) A summary of the experience required in Section 101215.1(h).

(c) The licensee shall notify the Department in writing of his/her intent prior to making any structural changes that reduce the total amount of indoor or outdoor activity space. Such structural changes shall include, but not be limited to, room additions.

(d) Upon the occurrence during the operation of the child care center of any of the events specified in (d)(1) below, a report shall be made to the Department by telephone or fax within the Department's next working day and during its normal business hours. In addition, a written report containing the information specified in (d)(2) below shall be submitted to the Department within seven days following the occurrence of such event.

(1) Events reported shall include the following:

(A) Death of any child from any cause.

(B) Any injury to any child that requires medical treatment.

(C) Any unusual incident or child absence that threatens the physical or emotional health or safety of any child.

(D) Any suspected physical or psychological abuse of any child.

(E) Epidemic outbreaks.

(F) Poisonings.

(G) Catastrophes.

(H) Fires or explosions that occur in or on the premises.

(2) Information provided shall include the following:

(A) Child's name, age, sex and date of admission.

(B) Date and nature of event.

(C) Attending physician's name, findings, and treatment, if any.

(D) Disposition of the case.

(e) The items below shall be reported to the Department within 10 working days following their occurrence:

(1) Organizational changes specified in Sections 101185(a)(2) through (a)(5).

(2) Any change in the licensee's or applicant's mailing address.

(3) Any change of the chief executive officer of a corporation, of the general partner(s) of a partnership, or of the controlling partners in a limited liability corporation.

(A) Such notification shall include the new chief executive officer's or partner's name and address.

(B) Fingerprints shall be submitted as specified in Section 101170(d).

(4) Any changes in the plan of operation that affect services to children.

(f) The items specified in (d)(1)(A) through (H) above shall also be reported to the child's authorized representative.

(g) The items specified in (d)(1)(E) through (G) above shall also be reported to the local health officer when appropriate pursuant to the California Code of Regulations, Title 17, Section 2500.

(1) The licensee shall report to the local health officer all outbreaks or suspected outbreaks involving two or more children of any communicable disease listed in (g)(2)(A) below (including diseases, such as head lice, not listed in Title 17, Section 2500).

(h) The item specified in (d)(1)(H) shall also be reported immediately to the local fire authority. In areas not having organized fire services, a report shall be made to the State Fire Marshal within 24 hours.

§ 101215. Administrator Qualifications and Duties.

(a) The administrator must be at least 18 years of age. The licensee, if an individual or any member of the governing board of the licensed corporation, may be the administrator provided that he/she meets the qualifications specified in this section and in applicable regulations elsewhere in this chapter.

(b) The administrator shall have the following qualifications:

(1) Knowledge of the requirements for providing the type of care and supervision children need, and the ability to communicate with such children.

(2) Knowledge of and ability to comply with applicable laws and regulations.

(3) Ability to maintain or supervise the maintenance of financial and other records.

(4) Ability to establish the center's policy, program and budget.

(5) Ability to recruit, employ, train, direct and evaluate qualified staff, and to terminate employment of staff.

(c) Each licensee shall make provision for continuing operation and carrying out of the administrator's responsibilities during any absence of the administrator.

HISTORY

1. Change without regulatory effect (Register 86, No. 29).
2. Amendment filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101215.1. Child Care Center Director Qualifications and Duties.

(a) In addition to Section 101215, the following shall apply:

(b) All child care centers shall have a director.

(1) Only one director shall be required in a combination center.

(c) The child care center director shall be responsible for the operation of the center, for compliance with regulations, and for communications with the Department; and has the authority to acknowledge receipt of deficiency notices and to correct deficiencies that constitute immediate threats to children's health and safety.

(1) There shall be a clear written statement of the administrative responsibility and authority delegated to the child care center director.

(A) A copy of this written statement shall be given to the child care center director and shall be made available to the Department upon request.

(d) The child care center director, or the substitute director as specified in (f) below, shall be on the premises during the hours the center is in operation.

(1) The child care center director shall not accept outside employment that interferes with the duties specified in this chapter.

(e) A child care center that offers an evening and/or nighttime program shall employ a director for each such program, as well as for the day program.

(f) When the child care center director is absent from the center, arrangements shall be made for a fully qualified teacher as specified in Section 101216.1(c) to act as a substitute. This substitute child care center director shall be aware of center operations, including total enrollment; shall be trained in program operation; and shall be designated as an authorized person to correct operational deficiencies that constitute immediate threats to children's health and safety.

(1) If the child care center director is absent for more than 30 consecutive calendar days, the substitute director shall meet the qualifications of a director.

(g) A licensee who is responsible for two or more centers may serve as the child care center director of one of the centers provided that he/she meets the qualifications specified in (h) below, or may serve as the executive director of all of the centers provided that a qualified child care center director is employed for each individual center.

(h) Child care center directors shall have completed one of the following prior to employment:

(1) High school graduation or GED; completion, with passing grades, of 15 semester or equivalent quarter units as specified in (h)(1)(A) and (h)(1)(B) below at an accredited or approved college or university; and at least four years of teaching experience in a licensed child care center or comparable group child care program.

(A) Three of the 15 units required in (h)(1) above shall be in administration or staff relations.

(B) Twelve of the 15 units required in (h)(1) above shall include courses that cover the general areas of child growth and development, or human growth and development; child, family and community, or child and family; and program/curriculum.

(2) An associate of arts degree from an accredited or approved college or university with a major or emphasis in early childhood education or child development; and at least two years of teaching experience in a licensed child care center or comparable group child care program.

(A) Three semester or equivalent quarter units shall be in administration or staff relations.

(3) A bachelor's degree from an accredited or approved college or university with a major or emphasis in early childhood education or child development; and at least one year of teaching experience in a licensed child care center or comparable group child care program.

(A) Three semester or equivalent quarter units shall be in administration or staff relations.

(4) A Child Development Site Supervisor Permit or a Child Development Program Director Permit issued by the California Commission on Teacher Credentialing.

(i) Approved schools, colleges or universities, including correspondence courses offered by the same, means those approved/authorized by the U.S. Department of Education, Office of Postsecondary Education, or by the California Department of Consumer Affairs, Bureau for Private Postsecondary and Vocational Education.

(j) Accredited schools, colleges or universities, including correspondence courses offered by the same, means those accredited by any one of the following recognized accrediting agencies:

(1) Accrediting Commission, Distance Education and Training Council.

(2) Western Association of Schools and Colleges.

(3) Accrediting Bureau of Health Education Schools.

(4) Association of Independent Colleges and Schools.

(5) National Association of Trade and Technical Schools.

(k) Units earned through correspondence courses from approved or accredited schools, colleges or universities shall be accepted for meeting educational requirements as specified in (h) above.

(*l*) Each year of experience required in (h)(1), (h)(2) or (h)(3) above shall be verified as having been performed satisfactorily, at least three hours per day for a minimum of 100 days in a calendar year, as a teacher under the supervision of a person who would qualify as a director under this chapter.

(m) A child care center director shall complete 15 hours of health and safety training if necessary pursuant to Health and Safety Code Section 1596.866.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73, 1596.866, 1596.87, 1597.05 and 1597.055, Health and Safety Code.

HISTORY

1. Renumbering of former section 101315 to new section 101215.1, including amendment of section heading, section and NOTE, filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101216. Personnel Requirements.

(a) Child care center personnel shall be competent to provide the services necessary to meet the individual needs of children in care and shall at all times be employed in numbers sufficient to meet those needs.

(b) The Department has the authority to require any licensee to provide additional staff whenever the Department determines and documents that additional staff are required for the provision of services necessary to meet the needs of children in care. The licensee shall be informed in writing of the reasons for the Department's determination. The following factors shall be taken into consideration in determining the need for additional staff:

(1) Needs of the children.

(2) Extent of the services provided by the center.

(3) Physical arrangements of the center.

(4) Existence of a state of emergency or disaster.

(c) The license may utilize volunteers provided that such volunteers are supervised and are not included in the center's staffing plan.

(d) The following child care center personnel shall be at least 18 years old:

(1) Persons who supervise employees and/or volunteers.

(2) Persons, including volunteers, who provide any element of care and supervision to children.

(e) All personnel shall be given on-the-job training in the areas listed below, or shall have related experience that demonstrates knowledge of and skill in those areas. Such training or experience shall be appropriate to the job assigned and shall be evidenced by safe and effective job performance.

(1) Principles of nutrition, food preparation and storage, and menu planning.

(2) Housekeeping and sanitation principles, including universal health precautions.

(3) Provision of child care and supervision, including communication.

(4) Assistance with prescribed medications that are self-administered.

(5) Recognition of early signs of illness and the need for professional assistance.

(6) Availability of community services and resources.

(f) At least one staff member who is trained in pediatric cardiopulmonary resuscitation and pediatric first aid pursuant to Health and Safety Code Section 1596.866 shall be present when children are at the child care center or offsite for center activities.

(g) All personnel, including the licensee, administrator and volunteers, shall be in good health and shall be physically and mentally capable of performing assigned tasks.

(1) Except as specified in (3) below, good physical health shall be verified by a health screening, including a test for tuberculosis, performed by or under the supervision of a physician not more than one year prior to or seven days after employment or licensure.

(2) Each person specified in (g) above shall have a health-screening report signed by the person performing the screening. This report shall indicate the following:

(A) The person's physical qualifications to perform the duties to be assigned.

(B) The presence of any health condition that would create a hazard to the person, children or other staff members.

(3) The good physical health of each volunteer who works in the center shall be verified by:

(A) A statement signed by each volunteer affirming that he/she is in good health.

(B) Results of a test for tuberculosis performed not more than one year prior to or seven days after initial presence in the center.

(h) Personnel that pose a threat to the health and safety of children shall be relieved of their duties.

(i) Prior to employment or initial presence in the child care center, all employees and volunteers subject to a criminal record review shall:

(1) Obtain a California clearance or a criminal record exemption as required by law or Department regulations or

(2) Request a transfer of a criminal record clearance as specified in Section 101170(f) or

(3) Request and be approved for a transfer of a criminal record exemption, as specified in Section 101170.1(r), unless, upon request for a transfer, the Department permits the individual to be employed, reside or be present at the facility.

(j) Personnel shall provide for the care and safety of children without physical or verbal abuse, exploitation or prejudice.

(k) The licensee or designated individual shall instruct all personnel to report observations or evidence of violations of any of the personal rights specified in Section 101223.

(l) All personnel shall be informed of their rights pursuant to Sections 1596.881 and 1596.882 of the Health and Safety Code.

(1) The licensee shall provide each employee with a Notice of Employee Rights (LIC 9052 [11/94]).

(A) Each employee shall be asked to sign and date the LIC 9052 (11/94) to acknowledge receipt of the form.

(B) A copy of the signed LIC 9052 (11/94) shall be kept in the employee's personnel record.

(C) If the employee refuses to sign the LIC 9052 (11/94), a dated notation to that effect shall be kept in the employee's personnel record.

§ 101216.1. Teacher Qualifications and Duties.

(a) In addition to Section 101216, the following shall apply:

(b) Prior to employment, a teacher shall meet the requirements of (b)(1) or (b)(2) below:

(1) A teacher shall have completed, with passing grades, at least six postsecondary semester or equivalent quarter units of the education requirement specified in (c)(1) below; or shall have obtained a Child Development Assistant Permit issued by the California Commission on Teacher Credentialing.

(A) After employment, a teacher hired under (b) above shall complete, with passing grades, at least two units each semester or quarter until the education requirement specified in (c)(1) below is met.

(2) A teacher shall meet the requirements of Health and Safety Code Section 1597.055.

(c) To be a fully qualified teacher, a teacher shall have one of the following:

(1) Twelve postsecondary semester or equivalent quarter units in early childhood education or child development completed, with passing grades, at an accredited or approved college or university; and at least six months of work experience in a licensed child care center or comparable group child care program.

(A) The units specified in (c)(1) above shall include courses that cover the general areas of child growth and development, or human growth and development; child, family and community, or child and family; and program/curriculum.

(B) Experience shall be verified as having been performed satisfactorily, at least three hours per day for a minimum of 50 days in a six-month period, as a paid or volunteer staff member under the supervision of a person who would qualify as a teacher or director under this chapter.

(2) A current and valid Child Development Associate (CDA) credential with the appropriate age-level endorsement issued by the CDA National Credentialing Program of the Council for Early Childhood Profes-

sional Recognition; and at least six months of on-the-job training and/or work experience in a licensed child care center or comparable group child care program.

(A) A CDA credential shall show the appropriate preschool or infant/toddler age-level endorsement to qualify an individual for employment in a preschool or infant care center.

(B) A CDA credential is valid for three years from the date of award. A renewal may be granted every five years thereafter upon approval by the CDA National Credentialing Program.

(C) Experience shall be verified as having been performed satisfactorily, at least three hours per day for a minimum of 50 days in a six-month period, as a paid or volunteer staff member under the supervision of a person who would qualify as a teacher or director under this chapter.

1. Individuals who possess a CDA credential may have also completed the required six months of work experience specified in (c)(2)(C) above. This work experience shall be verified to confirm that the experience requirement has been met.

(3) One of the following Child Development Permits issued by the California Commission on Teacher Credentialing:

(A) Child Development Associate Teacher Permit; or

(B) Child Development Teacher Permit; or

(C) Child Development Master Teacher Permit.

(d) Approved schools, colleges or universities, including correspondence courses offered by the same, means those approved/authorized by the U.S. Department of Education, Office of Postsecondary Education, or by the California Department of Consumer Affairs, Bureau for Private Postsecondary and Vocational Education.

(e) Accredited schools, colleges or universities, including correspondence courses offered by the same, means those accredited by any one of the following recognized accrediting agencies:

(1) Accrediting Commission, Distance Education and Training Council.

(2) Western Association of Schools and Colleges.

(3) Accrediting Bureau of Health Education Schools.

(4) Association of Independent Colleges and Schools.

(5) National Association of Trade and Technical Schools.

(f) Units earned through correspondence courses from approved or accredited schools, colleges or universities shall be accepted for meeting educational requirements as specified in (c) above.

(g) A photocopy of the teacher's Child Development Permit as specified in (c)(3) above, or a photocopy of the teacher's transcript(s) documenting successful completion of required course work, shall be maintained at the center.

(h) These education requirements shall not apply to teachers employed as teachers prior to May 1, 1970. A teacher who was employed prior to May 1, 1970, shall remain qualified provided that he/she has had no break in employment as a teacher in a child care center exceeding three consecutive years.

(i) A teacher shall complete 15 hours of health and safety training if necessary pursuant to Health and Safety Code Section 1596.866 and as specified in Section 101215.1(m)(1).

(j) Each teacher shall visually observe aides under his/her supervision whenever the aide is working with children, except as provided for in Sections 101216.2(e)(1) and 101230(c)(1).

HISTORY

1. Renumbering of former section 101316.2 to new section 101216.1, including amendment of section and NOTE, filed 9-14-98; operative 11-1-98 (Register 98, No. 38).

§ 101216.2. Teacher Aide Qualifications and Duties.

(a) In addition to Section 101216, the following shall apply:

(b) Notwithstanding Section 101216(d), centers may use aides who are less than 18 years old provided they are either:

(1) High school graduates.

(2) Currently participating in an occupational program conducted by an accredited high school or college.

(c) Verification that an aide who is less than 18 years old meets the qualifications required in (b)(1) or (b)(2) above shall be obtained and kept at the center.

(d) An aide assisting a fully qualified teacher (as specified in Section 101216.1(c)) in the supervision of up to 18 preschool-age children pursuant to Section 101216.3 shall meet the following requirements:

(1) Completion of six postsecondary semester or equivalent quarter units in early childhood education or child development, or

(2) Completion of at least two postsecondary semester units or equivalent quarter units in early childhood education or child development each semester or quarter following initial employment, and

(3) Continuation in the educational program each semester or quarter until six units have been completed.

(e) An aide shall work only under the direct supervision of a teacher.

(1) An aide who is 18 years of age or older, and who meets the requirements of this section and Section 101216, may escort and/or assist children in going to the bathroom, and may supervise napping children as specified in Section 101230(c)(1), without being under the direct supervision of a teacher.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73, 1596.81, 1596.87, 1597.05 and 1597.059, Health and Safety Code.

HISTORY

1. Renumbering and amendment of former section 101316.3 to new section 101216.2 filed 9-14-98; operative 11-1-98 (Register 98, No. 38).

§ 101216.3. Teacher-Child Ratio.

(a) There shall be a ratio of one teacher visually observing and supervising no more than 12 children in attendance, except as specified in (b) and (c) below.

(1) The number of children in attendance shall not exceed licensed capacity.

(2) Whenever children are engaged in activities away from the center, no teacher shall be in charge of a group of more than 12 children.

(b) The licensee may use teacher aides in a teacher-child ratio of one teacher and one aide for every 15 children in attendance.

(1) A ratio of one fully qualified teacher (as specified in Section 101216.1(c)) and one aide for every 18 children in attendance in a preschool program is allowed when the aide meets the qualifications specified in Section 101216.2(d).

(A) This ratio does not apply to children enrolled in an infant care center or a school-age child care center.

(c) Child development programs funded by the California Department of Education and operating under Title 5 of the California Code of Regulations are not required to meet the teacher-child ratios specified in (a) and (b) above. Title 5 staffing ratios shall apply in such centers.

(d) The licensee may include the child care center director in the teacher-child ratio when the director is actually engaged in teaching a group of children.

(1) The licensee may include the substitute child care center director in the teacher-child ratio when the substitute director is actually engaged in teaching a group of children.

(e) Each licensee shall maintain an up-to-date list of qualified teacher substitutes as defined in Section 101152q.(1). Substitutes on this list shall be called immediately in case of emergency or illness to meet the teacher-child ratios required by this chapter.

(f) During nap periods the teacher-child ratio specified in Section 101230(c) shall apply.

(g) A teacher shall not be required to perform housekeeping or maintenance duties that prevent him/her from performing duties related to providing care and supervision to children.

(h) Persons employed for clerical, housekeeping and maintenance functions shall not be included as teachers in the teacher-child ratio.

(1) The licensee may use such persons as emergency substitutes for teachers while a qualified teacher substitute is being secured.

HISTORY

1. Renumbering and amendment of former section 101316.5 to new section 101216.3 filed 9–14–98; operative 11–1–98 (Register 98, No. 38).
2. Editorial correction of subsections (e) and (f) (Register 2002, No. 39).

§ 101216.4. Preschool Program with Toddler Component.

(a) Licensees serving preschool–age children may create a special program component for children between the ages of 18 months and 30 months. The provisions of Sections 101151 through 101239.2 shall apply for children over 24 months, except as specified in Sections 101216.4(a)(1) through (6). The provisions of Sections 101351 through 101439.1 shall apply for children between the ages of 18 and 24 months participating in a preschool toddler component, except as specified in Sections 101216.4(a)(1) through (6).

(1) Child care centers with an existing preschool program wishing to establish a toddler component shall submit an amended application and obtain approval from the Department.

(2) Children in a child care center between the ages of 18 months and 30 months may be placed in the toddler program. A child older than 30 months may participate in the toddler program with written permission from the child's authorized representative. No child in the toddler program shall be placed in the preschool program before the age of 30 months without written permission from the child's authorized representative.

(3) It shall be permissible for a child whose developmental needs require continuation in a toddler component to remain in the toddler component up to a maximum age of three years.

(4) A ratio of six children to each teacher shall be maintained for all children in attendance in the toddler program. An aide who is participating in on–the–job–training may be substituted for a teacher when directly supervised by a fully qualified teacher.

(5) The maximum group size, with two teachers, or one fully qualified teacher and one aide, shall not exceed 12 toddlers.

(6) The toddler program shall be conducted in areas physically separate from those used by older or younger children. Space planning and usage for the toddler component shall be governed by the provisions of Section 101438.3. Plans to alternate use of outdoor play space must be approved by the Department.

(A) Requirements for physical separation between children in the toddler component and older or younger children need not apply when a planned activity is being conducted.

§ 101216.6. Staffing for Water Activities.

(a) There shall be at least one adult who has a valid water–safety certificate on file at the center present during water activities in or near any of the following bodies of water:

(1) Swimming pool.

(2) Any portable pool with sides so high that children using the pool cannot step out unassisted by a person or device (including a ladder).

(3) Potentially dangerous natural bodies of water including, but not limited to, oceans, lakes, rivers and streams.

(b) A ratio of not less than one adult, including teachers, to every six children, or fraction thereof, shall be maintained during water activities in or near any of the bodies of water specified in (a)(1) through (3) above.

(1) Lifeguards or personnel supervising anyone other than center children at the water activity site shall not be included in this ratio.

§ 101217. Personnel Records.

(a) The licensee shall ensure that personnel records are maintained on the licensee, administrator and each employee. Each personnel record shall contain the following information:

(1) Employee's full name.

(2) Driver's license number if the employee is to transport children.

(3) Date of employment.

(4) A statement signed by the employee that he/she is at least 18 years of age.

(5) Current home address and phone number.

(6) Documentation of the educational background, training and/or experience specified in this chapter.

(7) Past experience, including types of employment and former employers.

(8) Duties of the employee.

(9) Termination date if no longer employed by the child care center.

(10) A signed and dated copy of a Notice — Employee Rights (LIC 9052 [3/03]).

(11) A health screening as specified in Section 101216(g).

(12) Tuberculosis test documents as specified in Section 101216(g).

(13) A signed statement regarding their criminal record history as required by Section 101170(d).

(14) Documentation of either a criminal record clearance or a criminal record exemption as required by Section 101170(e).

(b) Personnel records shall be maintained for all volunteers and shall contain the following:

(1) A health statement as specified in Section 101216(g).

(2) Tuberculosis test documents as specified in Section 101216(g)(3).

(3) For volunteers that are required to be fingerprinted pursuant to Section 101170:

(A) A signed statement regarding their criminal record history as required by Section 101170(d).

(B) Documentation of either a criminal record clearance or a criminal record exemption as required by Section 101170(e).

(c) All personnel records shall be available to the Department to inspect, audit, and copy upon demand during normal business hours. Records may be removed if necessary for copying. Removal of records shall be subject to the following requirements:

(1) Licensing representatives shall not remove the following current records for current personnel unless the same information is otherwise readily available in another document or format.

(A) Health–screening records and results of tuberculosis tests as specified in Section 101216(g).

(B) Documentation of completion of health and safety training as specified in Sections 101215.1(m), 101216(f), and 101216.1(i).

(C) Any other records containing current emergency or health–related information for current personnel.

(2) Prior to removing any records, a licensing representative shall prepare a list of the records to be removed, sign and date the list upon removal of the records, and leave a copy of the list with the administrator or designee.

(3) Licensing representatives shall return the records undamaged and in good order within three business days following the date the records were removed.

(d) All personnel records shall be maintained at the child care center and shall be available to the licensing agency for review.

(1) The licensee may keep such records in a central administrative location provided that they are readily available to the Department at the child care center site as specified in section 101217(c).

(e) In all cases, personnel records shall document the hours actually worked.

HISTORY

1. Renumbering and amendment of former section 101319 to section 101218 filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101218.1. Admission Procedures and Parental and Authorized Representative's Rights.

(a) In accordance with the child care center's individual program, policies and needs, the licensee shall develop, implement and maintain an admission procedure that enables the person in charge of admissions to:

(1) Determine that the child meets the child care center's admission criteria.

(2) Conduct one or more personal interviews with the child's parent or authorized representative that meets the following requirements:

(A) Enables the person responsible for admissions to understand the state of the child's health and physical and emotional development, and to assess whether the child care center can meet the child's needs.

(B) Provides the child's parent or authorized representative with information about the child care center that shall at least include the child care center's admission policies and procedures, activities, services, regulations, hours and days of operation, fees, procedures to be followed should the child become ill or injured while at the child care center, and procedures for conducting inspections for illness.

(3) Obtain all identifying information specified in Section 101221(b).

(4) Obtain all health information specified in Section 101220.

(b) At the time of acceptance of each child in care, the licensee shall inform each child's parent or authorized representative of his/her rights that include, but are not limited to, the following:

(1) To enter and inspect the child care center in accordance with Health and Safety Code Section 1596.857.

(2) To file a complaint against the licensee with the local licensing office in accordance with Health and Safety Code Section 1596.853.

(3) To review the child care center's public file kept by the local licensing office in accordance with Health and Safety Code Section 1596.859.

(4) To review at the child care center, reports of licensing visits and substantiated complaints against the licensee made during the last three years in accordance with Health and Safety Code Section 1596.859.

(5) To complain to the local licensing office and inspect the child care center without discrimination or retaliation in accordance with Health and Safety Code Section 1596.857.

(6) To request in writing that a parent not be allowed to visit a child or take a child from the child care center provided the custodial parent has shown a certified copy of a court order pursuant to Health and Safety Code Section 1596.857.

(7) To receive from the licensee upon request the name, address and telephone number of the local licensing office in accordance with Health and Safety Code Section 1596.874.

(8) To be informed by the licensee, upon request, of the name and type of association to the child care center for any adult who has been granted a criminal record exemption, and that the name of the person may also be obtained by contacting the local licensing office.

(c) The licensee shall post the PUB 393 (8/02), Child Care Center Notification of Parents' Rights Poster in a prominent, publicly accessible area in the child care center at all times.

(d) The licensee shall provide to the parent or authorized representative the LIC 995E (8/02), Caregiver Background Check Process form.

(e) At the time of acceptance of each child into care and for all children in care on August 7, 2002, the licensee shall give each parent or authorized representative a copy of the Notification of Parents' Rights (LIC 995 [8/02]) and the LIC 995E, Caregiver Background Check Process form.

(1) The licensee shall request the child's parent or authorized representative to sign and date the notice acknowledgement–of–receipt statement at the bottom of the LIC 995 (8/02). The bottom portion of this form must be kept in the child's file as proof that the parent or authorized representative has been notified of his or her rights by the child care center and received a copy of the LIC 995E, Caregiver Background Check Process form.

(2) Whenever a parent or authorized representative makes a request pursuant to Section 101218.1(b)(8), the child care center shall note, date, and initial the request in the child's file. The child care center shall request that the parent or authorized representative also initial the notation documenting the request.

(3) Failure by the licensee to comply with the requirements in Sections 101218.1(b)(8), (c), (d), (e), (e)(1), or (e)(2) shall subject the licensee to civil penalties pursuant to Section 101195.

HISTORY

1. Renumbering and amendment of former section 101319.1 to section 101218.1 filed 9–14–98; operative 11–1–98 (Register 98, No. 38).
2. Amendment of section heading, section and NOTE filed 8–7–2002 as an emergency; operative 8–7–2002 (Register 2002, No. 32). A Certificate of Compliance must be transmitted to OAL by 12–5–2002 or emergency language will be repealed by operation of law on the following day.

3. Amendment of section heading, section and NOTE refiled 12–3–2002 as an emergency; operative 12–5–2002 (Register 2002, No. 49). A Certificate of Compliance must be transmitted to OAL by 4–4–2003 or emergency language will be repealed by operation of law on the following day.

4. Certificate of Compliance as to 12–3–2002 order transmitted to OAL 4–1–2003 and filed 5–12–2003 (Register 2003, No. 20).

§ 101219. Admission Agreements.

(a) The licensee and the child's authorized representative shall jointly complete a current individual written admission agreement for the child. This documentation shall be maintained at the child care center and shall be available for review.

(b) Admission agreements shall specify the following:

(1) Basic services.

(2) Available optional services.

(3) Payment provisions, including the following:

(A) Basic rate.

(B) Optional services rates.

(C) Payor.

(D) Due date.

(E) Frequency of payment.

(4) Modification conditions, including the requirement that the child's authorized representative be given at least 30–calendar–days prior written notice of any basic rate change.

(A) Agreements involving children whose care is funded at government–prescribed rates may specify that the effective date of a government rate change shall be considered the effective date for basic service rate modifications and that no prior notice is necessary.

(5) Refund conditions.

(6) Right of the Department to perform the duties authorized in Sections 101200(b) and (c).

(7) Conditions under which the agreement may be terminated.

(c) The licensee, or his/her designee, and the child's authorized representative shall sign and date the child's admission agreement no later than seven calendar days following admission.

(d) Modifications to the original admission agreement shall be made whenever circumstances covered in the agreement change, and shall be dated and signed by the persons specified in (c) above.

(e) The licensee shall keep the original copy of the admission agreement and give a photocopy to the child's authorized representative.

(f) The licensee shall comply with all terms and conditions set forth in the admission agreement.

(g) The admission agreement shall be automatically terminated by the death of the child. No liability or debt shall accrue after the date of death.

HISTORY

1. Change without regulatory effect (Register 86, No. 29).

2. Amendment filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101220. Child's Medical Assessments.

(a) Prior to, or within 30 calendar days following the enrollment of a child, the licensee shall obtain a written medical assessment of the child. This medical assessment enables the licensee to assess whether the center can provide necessary health–related services to the child.

(1) Such assessment shall be performed by, or under the supervision of, a licensed physician, and shall not be more than one year old when obtained.

(b) The medical assessment shall provide the following:

(1) A record of any infectious or contagious diseases that would preclude care of the child by the licensee.

(2) Results of a test for tuberculosis.

(3) Identification of the child's special problems and needs.

(4) Identification of any prescribed medications being taken by the child.

(5) Ambulatory status.

(c) The Department has the authority to require the licensee to obtain a current written medical assessment if such an assessment is necessary to verify the appropriateness of a client's placement.

(d) If a medical assessment is not available for a child and cannot be obtained within 30 days of admission:

(1) A medical appointment date shall be obtained from the authorized representative upon the child's admission.

(2) A TB test shall be obtained on the child within 30 days of admission.

(e) The licensee is not required to document medical assessments on children who are also enrolled in a public or private elementary school.

(f) A child whose authorized representatives adhere to a religious faith that practices healing by prayer or other spiritual means shall not be required to meet the requirements of this section provided the authorized representatives:

(1) Provide information on the child's health history.

(2) Sign a statement that indicates their:

(A) Acceptance of full responsibility for the child's health.

(B) Refusal to obtain a medical examination of the child.

(C) Request that no medical care be given to the child.

2. Amendment filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101220.1. Immunizations.

(a) Prior to admission to a child care center, children shall be immunized against diseases as required by the California Code of Regulations, Title 17, commencing with Section 6000.

(1) Centers that meet the criteria of Health and Safety Code Section 1596.794 are not required to verify or document children's immunizations.

(e) The licensee shall be permitted to exempt a child from immunization requirements provided that one of the following criteria is met and the related documentation is kept in the child's file:

(1) A physician provides a written statement that an immunization(s) should not be given to the child and specifies how long this exemption is expected to be needed.

(2) The child's authorized representative provides a written statement that immunizations are contrary to his/her personal or religious beliefs.

(f) As required by the California Code of Regulations, Title 17, Section 6035(b), a child who does not meet any of the requirements in Sections 101220.1(c), (d) or (e) above shall not be admitted to a child care center.

(g) The licensee shall document each child's immunizations and shall maintain such documentation in the center for as long as the child is enrolled.

(1) This requirement includes updating each child's immunization record when the child is due to receive required immunizations after enrollment in the child care center.

(i) The licensee is not required to document immunizations of children also enrolled in a public or private elementary school.

HISTORY

1. Renumbering of former section 101320.1 to new section 101220.1, including amendment of section and NOTE, filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101221. Child's Records.

(a) The licensee shall ensure that a separate, complete and current record for each child is maintained in the child care center.

(b) Each record shall contain information including, but not limited to, the following:

(1) Name of child.

(2) Birthdate.

(3) Sex.

(4) Date of Admission.

(5) Name, address and telephone number of the child's authorized representative and of relatives or others who can assume responsibility for the child if the authorized representative cannot be reached when necessary.

(6) A signed copy of the admission agreement specified in Section 101219.

(7) Name, address and telephone number of the child's physician and dentist and any other medical/dental or mental health providers.

(8) Medical assessment, including ambulatory status as specified in Section 101220, and the following health information:

(A) Dietary restrictions and allergies.

(B) Instructions for action to be taken in case the child's authorized representative, or the physician designated by the authorized representative, cannot be reached in an emergency.

(C) A signed consent form for emergency medical treatment unless the child's authorized representative has signed the statement specified in Section 101220(f).

(9) Record of any illness or injury requiring treatment by a physician or dentist and for which the center provided assistance to the child in meeting his/her necessary medical or dental needs.

(10) Record of current medications, including the name of the prescribing physician, and instructions, if any, regarding control and custody of medications.

(11) Signed and dated authorization from the child's authorized representative for each activity away from the center.

(12) Date of termination of services.

(c) All information and records obtained from or regarding children shall be confidential.

(1) The licensee shall be responsible for safeguarding the confidentiality of record contents.

(2) Except as specified in (d) below, or as otherwise authorized by law, the licensee and all employees shall not reveal or make available confidential information.

(d) All children's records shall be available to the Department to inspect, audit, and copy upon demand during normal business hours. Records may be removed if necessary for copying. Removal of records shall be subject to the following requirements:

(1) Licensing representatives shall not remove the following current records for current children in care unless the same information is otherwise readily available in another document or format:

(A) Name, address and telephone number of the child's authorized representative, and of relatives or others who can assume responsibility for the child if the authorized representative cannot be reached, as specified in Section 101221(a)(5).

(B) Name, address and telephone number of the child's physician, dentist and any other health-care providers as specified in Section 101221(a)(7).

(C) Medical assessment and other information as specified in Section 101221(a)(8).

(D) Records of any current illness or injury as specified in Section 101221(a)(9).

(E) Record of current medications as specified in Section 101221(a)(10).

(F) Any current authorizations for children's activities away from the center as specified in Section 101221(a)(11).

(G) Immunization records as specified in Section 101220.1(g).

(H) Any other records containing current emergency or health-related information for current children in care.

(2) Prior to removing any records, a licensing representative shall prepare a list of the records to be removed, sign and date the list upon removal of the records, and leave a copy of the list with the administrator or designee.

(3) Licensing representatives shall return the records undamaged and in good order within three business days following the date the records were removed.

(e) A child's records shall also be open to inspection by the child's authorized representative.

(f) The information specified in (b)(1) through (b)(12) above shall be updated as necessary to ensure the accuracy of the child's record.

(g) Originals or photocopies of all children's records shall be kept for at least three years following termination of service to the child.

(h) The licensee shall provide the name, address and telephone number of the child's authorized representative to a peace officer as specified in Health and Safety Code Section 1596.876.

HISTORY

1. Change without regulatory effect (Register 86, No. 29).
2. Amendment of section and NOTE filed 9-14-98; operative 11-1-98 (Register 98, No. 38).
3. Amendment of subsections (a) and (d)-(d)(1), new subsections (d)(1)(A)-(e), subsection relettering and amendment of NOTE filed 5-9-2005; operative 6-8-2005 (Register 2005, No. 19).

§ 101223. Personal Rights.

(a) The licensee shall ensure that each child is accorded the following personal rights:

(1) To be accorded dignity in his/her personal relationships with staff and other persons.

(2) To be accorded safe, healthful and comfortable accommodations, furnishings and equipment to meet his/her needs.

(3) To be free from corporal or unusual punishment, infliction of pain, humiliation, intimidation, ridicule, coercion, threat, mental abuse or other actions of a punitive nature including but not limited to: interference with functions of daily living including eating, sleeping or toileting; or withholding of shelter, clothing, medication or aids to physical functioning.

(4) To be informed, and to have his/her authorized representative informed, by the licensee of the law regarding complaints including, but not limited to, information on confidentiality and the address and telephone number of the Department's complaint unit.

(5) To be free to attend religious services or activities of his/her choice.

(A) Attendance at religious services in or outside of the center shall be voluntary. The child's authorized representative shall make decisions about the child's attendance at religious services.

(6) Not to be locked in any room, building or center premises by day or night.

(A) The licensee is not prohibited by this provision from locking exterior doors and windows or from establishing rules for the protection of children provided the children are able to exit the center.

(B) The licensee shall obtain prior approval from the Department to utilize means other than those specified in (A) above for securing exterior doors and windows.

(7) Not to be placed in any restraining device. Postural supports may be used as specified in Section 101223.1.

(8) To receive or reject medical care, or health-related services, except for minors for whom a guardian, conservator or other legal authority has been appointed.

(b) The center shall inform each child's authorized representative of the rights specified in (a)(1) through (8) above.

(1) The center shall give each authorized representative a copy of the Personal Rights form (LIC 613A [9/96]).

(A) Each authorized representative shall be asked to sign and date the acknowledgment-of-receipt statement at the bottom of the LIC 613A (9/96). This documentation shall be kept in the child's file.

(2) The center shall post a copy of the LIC 613A (9/96) in a prominent, publicly accessible area in the center.

(c) The licensee shall ensure that each child is accorded the personal rights specified in this section.

HISTORY

1. Change without regulatory effect (Register 86, No. 29).

2. Amendment of section, including renumbering of subsections (a)(7)(A)–(E) to new section 101223.1(a)(1)–(5), filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101223.1. Postural Supports/Protective Devices.

(a) Postural supports may be used with prior approval by the Department as specified in (1) through (5) below.

(1) Supportive restraints shall be limited to appliances or devices, including straps, spring–release trays or soft ties, that are used to support a child in a bed, chair or wheelchair to prevent falling.

(2) All requests to use supportive restraints shall be in writing and shall include a written order from a physician indicating the need for such restraints. The Department is authorized to require additional documentation in order to evaluate the request.

(3) Approved supportive restraints shall be fastened or tied in a manner that permits quick release.

(4) The Department shall approve the use of supportive restraints only after the appropriate fire clearance, as required by Section 101171, has been secured.

(5) The Department has the authority to grant conditional and/or limited approvals to use supportive restraints.

§ 101225. Transportation.

(a) Only drivers licensed for the type of vehicle operated shall be permitted to transport children.

(b) The manufacturer's rated seating capacity of the vehicles shall not be exceeded.

(c) Motor vehicles used to transport children shall be maintained in a safe operating condition.

(d) All vehicle occupants shall be secured in an appropriate restraint system.

(e) Children shall not be left in parked vehicles.

(f) The licensee shall post signs at the entrance to the child care center that provide the telephone number of the local health department and information on child passenger restraint systems pursuant to Health and Safety Code Section 1596.95(g) and Vehicle Code Section 27360(b).

(1) The signs shall provide all of the following information:

(A) Protect your child—it is the law.

(B) Children under the age of four years, regardless of weight, or weighing less than 40 pounds, regardless of age, must be in an approved child passenger restraint system.

(C) You may be cited for a violation of the child passenger restraint system provisions. In addition, your automobile insurance rates could be adversely affected as a result.

(D) Call your local health department for more information.

§ 101226. Health–Related Services.

(a) The licensee shall immediately notify the child's authorized representative if the child becomes ill or sustains an injury more serious than a minor cut or scratch. The licensee shall obtain specific instructions from the authorized representative regarding action to be taken.

(1) In the case of an illness severe enough to require isolation of the child, the center shall follow the procedures specified in Section 101226.2.

(2) In the case of less serious injuries including, but not limited to, minor cuts, scratches and bites from other children requiring assessment and/or administration of first aid by staff, the licensee shall document the injury in the child's record and notify the child's authorized representative of the nature of the injury when the child is picked up from the center.

(b) The licensee shall make prompt arrangements for obtaining medical treatment for any child if necessary.

(c) The licensee shall obtain emergency medical treatment without specific instructions from the child's authorized representative if the authorized representative cannot be reached immediately, or if the nature of the child's illness or injury is such that there should be no delay in getting medical treatment for the child.

(1) The teacher supervising activities away from the center premises shall carry one of the following for each child engaged in such activities:

(A) A signed consent form for emergency medical treatment; or

(B) For a child not required to have a consent form for emergency medical treatment pursuant to Section 101220(f), the phone numbers of the authorized representative, relatives or others who can assume responsibility for the child in an emergency.

(d) The licensee shall maintain the following first–aid supplies in a location accessible to staff but inaccessible to children:

(1) A current edition of a first–aid manual.

(2) Sterile first–aid dressings.

(3) Bandages or roller bandages.

(4) Adhesive tape.

(5) Scissors.

(6) Tweezers.

(7) Thermometer.

(8) Antiseptic solution.

(e) In centers where the licensee chooses to handle medications:

(1) All prescription and nonprescription medications shall be centrally stored in accordance with the requirements specified below:

(A) Medications shall be kept in a safe place inaccessible to children.

(B) Each container shall have an unaltered label.

(C) A refrigerator shall be used to store any medication that requires refrigeration.

(2) All prescription and nonprescription medications shall be maintained with the child's name and shall be dated.

(3) Prescription medications may be administered if all of the following conditions are met:

(A) Prescription medications shall be administered in accordance with the label directions as prescribed by the child's physician.

(B) For each prescription medication, the licensee shall obtain, in writing, approval and instructions from the child's authorized representative for the administration of the medication to the child.

1. This documentation shall be kept in the child's record.

2. The instructions from the child's authorized representative shall not conflict with the label directions as prescribed by the child's physician.

(4) Nonprescription medications may be administered without approval or instructions from the child's physician if all of the following conditions are met:

(A) Nonprescription medications shall be administered in accordance with the product label directions on the nonprescription medication container(s).

(B) For each nonprescription medication, the licensee shall obtain, in writing, approval and instructions from the child's authorized representative for the administration of the medication to the child.

1. This documentation shall be kept in the child's record.

2. The instructions from the child's authorized representative shall not conflict with the product label directions on the nonprescription medication container(s).

(5) The licensee shall develop and implement a written plan to record the administration of prescription and nonprescription medications and to inform the child's authorized representative daily when such medications have been given.

(6) When no longer needed by the child, or when the child withdraws from the center, all medications shall be returned to the child's authorized representative or disposed of after an attempt to reach the authorized representative.

§ 101226.1. Daily Inspection for Illness.

(a) The licensee shall be responsible for ensuring that children with obvious symptoms of illness including, but not limited to, fever or vomiting, are not accepted.

(1) Additional attention shall be paid to children who:

(A) Have been absent because of illness.

(B) Have been exposed to a contagious disease.

(b) The licensee shall develop and implement a written inspection procedure that shall include the following:

(1) No child shall be accepted without contact between center staff and the person bringing the child to the center.

(2) The licensee shall require that the person bringing the child to the center remain until the child is accepted.

(A) After the child has been determined to be without obvious signs of illness and has been accepted, the center shall require that the person sign the child in.

§ 101226.2. Isolation for Illness.

(a) A center shall be equipped to isolate and care for any child who becomes ill during the day.

(1) The isolation area shall be located to afford easy supervision of children by center staff.

(2) The isolation area shall be equipped with a mat, cot, couch or bed for each ill child.

(3) The isolation area shall not be located in the kitchen area or the general–use toilet area.

(4) In combination centers, only one isolation area that serves all licensed components is required.

(b) The child's authorized representative shall be notified immediately when the child becomes ill enough to require isolation, and shall be asked to have the child removed from the center as soon as possible.

§ 101227. Food Service.

(a) In child care centers providing meals to children, the following shall apply:

(1) All food shall be safe and of the quality and in the quantity necessary to meet the needs of the children. Each meal shall include, at a minimum, the amount of food components as specified by Title 7, Code of Federal Regulations, Part 226.20, (Revised January 1, 1990) Requirements for Meals, for the age group served. All food shall be selected, stored, prepared and served in a safe and healthful manner.

(2) Where all food is provided by the center, arrangements shall be made so that each child has available at least three meals per day.

(A) Not more than 15 hours shall elapse between the third meal of one day and first meal of the following day.

(3) Where meal service within a center is elective, arrangements shall be made to ensure availability of a daily food intake meeting the requirements of (a)(1) above for all children who elect meal service in their admission agreement.

(4) Between meals, snacks shall be available for all children unless the food a child may eat is limited by dietary restrictions prescribed by a physician. Each snack shall include at least one serving from each of two or more of the four major food groups.

(5) The following shall be offered daily:

(A) Full–day programs shall offer a midmorning and midafternoon snack.

(B) Full–day programs shall ensure that each child has a lunch.

1. The child's authorized representative may send meals and/or snacks for the child.

(C) Half–day programs shall offer a midmorning or midafternoon snack.

(6) Menus shall be in writing and shall be posted at least one week in advance in an area accessible for review by the child's authorized representative. Copies of the menus as served shall be dated and kept on file for at least 30 days. Menus shall be made available for review by the child's authorized representative and the Department upon request.

(7) Modified diets prescribed by a child's physician as a medical necessity shall be provided.

(A) The licensee shall obtain and follow instructions from the physician or dietitian on the preparation of the modified diet.

(B) A child shall not be served any food to which the child's record indicates he/she has an allergy.

(8) Commercial foods shall be approved by appropriate federal, state and local authorities. All foods shall be selected, transported, stored, prepared and served so as to be free from contamination and spoilage and shall be fit for human consumption. Food in damaged containers shall not be accepted, used or retained.

(9) Where indicated, food shall be cut, chopped or ground to meet individual needs.

(10) Powdered milk shall not be used as a beverage but shall be allowed in cooking and baking. Raw milk, as defined in Division 15 of the California Food and Agricultural Code, shall not be used. Milk shall be pasteurized.

(11) Except upon written approval by the Department, meat, poultry and meat food products shall be inspected by state or federal authorities. Written evidence of such inspection shall be available for all products not obtained from commercial markets.

(12) All home–canned foods shall be processed in accordance with standards of the University of California Agricultural Extension Service. Home–canned foods from outside sources shall not be used.

(13) If food is prepared off the center premises, the following shall apply:

(A) The preparation source shall meet all applicable requirements for commercial food services.

(B) The center shall have the equipment and staff necessary to receive and serve food and to clean up.

(C) The center shall maintain the equipment necessary for in–house food preparation, or shall have an alternate source for food preparation and service in the event of an emergency.

(14) All persons engaged in food preparation and service shall observe personal hygiene and food–service sanitation practices that protect food from contamination.

(15) All foods or beverages capable of supporting the rapid and progressive growth of microorganisms that can cause food infections or food intoxications shall be stored in covered containers at 45 degrees F (7.2 degrees C) or less.

(16) Pesticides and other similar toxic substances shall not be stored in food storerooms, kitchen areas, food–preparation areas, or areas where kitchen equipment or utensils are stored.

(17) Soaps, detergents, cleaning compounds or similar substances shall be stored in areas separate from food supplies.

(18) All kitchen, food–preparation and storage areas shall be kept clean and free of litter and rubbish; and measures shall be taken to keep all such areas free of rodents and other vermin.

(19) All food shall be protected against contamination. Contaminated food shall be discarded immediately.

(20) All equipment (fixed or mobile), dishes and utensils shall be kept clean and maintained in safe condition.

(21) All dishes and utensils used for eating and drinking, and in the preparation of food and drink, shall be cleaned and sanitized after each use.

(A) Dishwashing machines shall reach a temperature of 165 degrees F (74 degrees C) during the washing and/or drying cycle to ensure that dishes and utensils are cleaned and sanitized.

(B) Centers not using dishwashing machines shall clean and sanitize dishes and utensils by an alternative comparable method.

(22) Equipment necessary for the storage, preparation and service of food or snacks shall be provided and shall be well–maintained. Necessary equipment shall include, but not be limited to:

(A) Sink.

(B) Hot and cold running water.

(C) Refrigeration.

(D) Storage space for food.

(23) Tables, dishes and utensils shall be provided in the quantity necessary to serve the children.

(24) Adaptive devices shall be provided for self–help in eating as needed by children.

(25) The food–preparation area shall not be used for:

(A) Children's play activities unless such activities are part of a supervised food–education program.

(B) Napping.

(C) A passageway for children while the area is being used for food preparation or service.

(b) The Department has the authority to require the center to provide documentation on food purchased and used over a given period, including menus, when necessary to determine if the licensee is complying with the food–service requirements in this chapter.

(1) The Department shall specify in writing the documentation required from the licensee.

HISTORY

1. Change without regulatory effect (Register 86, No. 29).
2. Renumbering and amendment of former subsection 101329(a) to new subsection 101229(a)(1) filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101229.1. Sign In and Sign Out.

(a) In addition to the sign–in procedure requirement of Section 101226.1(b), the licensee shall develop, maintain and implement a written procedure to sign the child in/out of the child care center that shall, at a minimum, include the following:

(1) The person who signs the child in/out shall use his/her full legal signature and shall record the time of day.

(b) The person who brings the child to, and removes the child from, the center shall sign the child in/out.

(c) A person who removes the child from the center during the day, and returns the child to the center the same day, shall sign the child in/out.

(d) The sign-in and sign–out sheets with the signatures required by this section and by Section 101226.1 shall be kept for one month and shall be available at the center for review by the Department.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73, 1596.81 and 1597.05, Health and Safety Code.

§ 101230. Activities/Napping.

(a) Each center shall provide a variety of daily activities designed to meet the needs of children in care, including but not limited to:

(1) Quiet and active play.

(2) Rest and relaxation.

(3) Eating.

(4) Toileting.

(b) All children shall be given an opportunity to nap or rest without distraction or disturbance from other activities at the center.

(1) A napping space and a cot or mat shall be available for each child under the age of five.

(2) Centers that serve children in half–day programs are not required to schedule napping periods or have napping equipment for such children.

(3) No child shall be forced to stay awake or to stay in the napping area longer than the normal napping period.

(c) A teacher–child ratio of one teacher supervising 24 napping children is permitted provided that the remaining teachers necessary to meet the overall ratio specified in Section 101216.3(a) are immediately available at the center.

(1) An aide who is 18 years of age or older, and who meets the requirements of Sections 101216 and 101216.2, may supervise 24 napping children in place of a teacher if the conditions specified in (c) above are met.

Article 7. Physical Environment

§ 101237. Alterations to Existing Buildings or New Facilities.

(a) Prior to construction or alterations, the licensee shall notify the Department of the proposed change(s).

(b) The Department has the authority to require the licensee to obtain a building inspection by a local building inspector if the Department suspects that a hazard to children's health and safety exists.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73 and 1596.81, Health and Safety Code.

HISTORY

1. Change without regulatory effect (Register 86, No. 29).
2. Amendment filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101238. Buildings and Grounds.

(a) The child care center shall be clean, safe, sanitary and in good repair at all times to ensure the safety and well–being of children, employees and visitors.

(1) The licensee shall take measures to keep the center free of flies, other insects, and rodents.

(2) The licensee shall safely dispose of water and any disinfectants/solutions that have been used for cleaning.

(b) All children shall be protected against hazards within the center through provision of the following:

(1) Protective devices including but not limited to nonslip material on rugs.

(c) All outdoor and indoor passageways, stairways, inclines, ramps, open porches and other areas of potential hazard shall be kept free of obstruction.

(d) General permanent or portable storage space shall be available for the storage of the center's equipment and supplies.

(1) Such equipment and supplies shall be stored in this space and shall not be stored in space used to meet other requirements specified in this chapter.

(e) All licensees shall ensure the inaccessibility of pools, including swimming pools (in–ground and above–ground), fixed–in–place wading pools, hot tubs, spas, fish ponds or similar bodies of water, through a pool cover or by surrounding the pool with a fence.

(1) Fences shall be at least five feet high and shall be constructed so that the fence does not obscure the pool from view. The bottom and sides of the fence shall comply with Division 1, Appendix Chapter 4 of the 1994 Uniform Building Code. In addition to meeting all of the aforementioned requirements for fences, gates shall swing away from the pool, self–close and have a self–latching device located no more than six inches from the top of the gate. Pool covers shall be strong enough to completely support the weight of an adult and shall be placed on the pool and locked while the pool is not in use.

(A) If licensed prior to June 1, 1995, child care centers with existing pool fencing shall be exempt from the fence requirements specified in Section 101238(e)(1) until such fence is replaced or structurally altered. If the licensee replaces or alters the fence, it shall meet the requirements specified in Section 101238(e)(1).

(2) Where an above–ground pool structure is used as the fence or where the fence is mounted on top of the pool structure, the pool shall be made inaccessible when not in use by removing or making the ladder inaccessible or erecting a barricade to prevent access to decking. If a barricade is used, the barricade shall meet the requirements of Section 101238(e)(1).

(f) All in–ground pools, and all above–ground pools that cannot be emptied after each use shall have an operative pump and filtering system.

(g) Disinfectants, cleaning solutions, poisons and other items that could pose a danger if readily available to children shall be stored where inaccessible to children.

(1) Storage areas for poisons shall be locked.

(2) Firearms and other weapons shall not be allowed on or stored on the premises of a child care center.

(h) Medicines shall be stored as specified in Section 101226(e) and separately from items specified in Section 101238(g) above.

(i) The items specified in Section 101238(g) above shall not be stored in food–storage areas or in storage areas used by or for children.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73, and 1596.81, Health and Safety Code.

HISTORY

1. Change without regulatory effect (Register 86, No. 29).
2. Amendment of subsections (f)–(f)(2) filed 8–14–96; operative 9–13–96 (Register 96, No. 33).
3. Amendment filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101238.2. Outdoor Activity Space.

(a) There shall be at least 75 square feet per child of outdoor activity space based on the total licensed capacity.

(1) The following areas shall not be included in the calculation of outdoor activity space:

(A) Swimming pools and adjacent pool decking.

(B) Natural or man–made hazards such as canals, cliffs, condemned buildings, creeks, lakes, ocean fronts, mines, power lines, quarries, rivers, ravines, swamps, watercourses and areas subject to flooding.

(b) The outdoor activity space shall be situated to:

(1) Provide a shaded rest area for the children.

(2) Permit children to reach the outdoor activity space safely.

(c) Equipment and activity areas shall be arranged so that there is no hazard from conflicting activities.

(d) The surface of the outdoor activity space shall be maintained:

(1) In a safe condition for the activities planned.

(2) Free of hazards including, but not limited to, holes, broken glass and other debris, and dry grasses that pose a fire hazard.

(e) As a condition of licensure, the areas around and under high climbing equipment, swings, slides and other similar equipment shall be cushioned with material that absorbs falls.

(1) Sand, woodchips and peagravel, or rubber mats commercially produced for the purposes of (e) above, are permitted.

(2) The use of cushioning material other than that specified in (e)(1) above shall be approved by the Department prior to installation.

(f) Sandboxes shall be inspected daily and kept free of hazardous foreign materials.

(g) The playground shall be enclosed by a fence to protect children and to keep them in the outdoor activity area. The fence shall be at least four feet high.

(h) Any construction or equipment that could pose a hazard in the outdoor activity area shall be made inaccessible to children in care. This shall include, but not be limited to, incinerators, air–conditioning equipment, water heaters and fuse boxes.

HISTORY

1. Renumbering and amendment of former section 101338.2 to new section 101238.2 filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101238.3. Indoor Activity Space.

(a) There shall be at least 35 square feet of indoor activity space per child based on the total licensed capacity.

(1) Bathrooms, halls, offices, isolation areas, food–preparation areas and storage places shall not be included in the calculation of indoor activity space.

(2) Floor space occupied by shelves, permanent built–in cabinets, space used to meet the requirements of Section 101238.4, and office equipment shall not be included in the calculation of indoor activity space.

(3) Floor area under tables, desks, chairs and other equipment intended for use as part of children's activities shall be included in the calculation of indoor activity space.

(b) The floors of all rooms shall have a surface that is safe and clean.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73, 1596.81 and 1597.05, Health and Safety Code.

1. Renumbering and amendment of former section 101338.3 to new section 101238.3 filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101238.4. Storage Space.

(a) The licensee shall ensure that each child has an individual permanent or portable storage space for his/her clothing, personal belongings and/or bedding.

(b) There shall be permanent or portable storage space in the playrooms for play materials and equipment.

(1) The licensee may store outdoor play materials and equipment outdoors.

(c) Napping equipment shall be stored at the center when not in use.

(d) Combustibles, cleaning equipment and cleaning agents shall be stored in an area separate from food supplies in a locked cabinet or in a location inaccessible to children.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73, 1596.81 and 1597.05, Health and Safety Code.

1. Renumbering and amendment of former section 101338.4 to new section 101238.4 filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101238.5. Wading Pools.

(a) Notwithstanding the requirements of Section 101238(e), fencing is not required for inflatable or other portable plastic wading pools with sides low enough for children using the pool(s) to step out unassisted.

(1) These pools shall be emptied after each use.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73, 1596.81 and 1597.05, Health and Safety Code.

HISTORY

1. Renumbering and amendment of former section 101338.5 to new section 101238.5 filed 9–14–98; operative 11–1–98 (Register 98, No. 38).

§ 101239. Fixtures, Furniture, Equipment and Supplies.

(a) A comfortable temperature for children shall be maintained at all times.

(1) The licensee shall maintain the temperature in rooms that children occupy between a minimum of 68 degrees F (20 degrees C) and a maximum of 85 degrees F (30 degrees C).

(A) In areas of extreme heat the maximum shall be 20 degrees F (11.1 degrees C) less than the outside temperature.

(b) All window screens shall be in good repair and free of insects, dirt and debris.

(c) Fireplaces and open–faced heaters shall be made inaccessible to children to ensure children's safety.

(d) The licensee shall provide lamps or lights as necessary in all rooms and other areas to ensure the comfort and safety of all persons in the child care center.

(e) Faucets used by children for personal care shall deliver hot water.

(1) Hot water temperature controls shall be maintained to automatically regulate temperature of hot water delivered to plumbing fixtures used by children to attain a hot water temperature of not less than 105 degrees F (40.5 degrees C) and not more than 120 degrees F (48.8 degrees C).

(2) Taps delivering water at 125 degrees F (51.6 degrees C) or above shall be prominently identified by warning signs.

(3) Notwithstanding (e) and (e)(1) above, handwashing fixtures shall not be required to deliver hot water.

(4) All toilets, handwashing and bathing facilities shall be maintained in safe and sanitary operating condition. Additional equipment, aids and/or conveniences shall be provided as needed in centers that serve children with physical disabilities.

(f) Solid waste shall be stored, located and disposed of in a manner that will not transmit communicable diseases or odors, create a nuisance, or provide a breeding place or food source for insects or rodents.

(1) All containers used for storage of solid wastes, including moveable bins, shall have a tightfitting cover that is kept on; shall be in good repair; and shall be leakproof and rodent–proof.

(2) Solid–waste containers that hold decaying waste, including moveable bins, shall be emptied at least once per week, or more often if necessary to comply with (f) above.

(3) Each movable bin shall provide for suitable access and a drainage device to allow complete cleaning at the storage area.

(g) The licensee shall provide linens of various kinds as necessary to meet the program of services offered by the center and the requirements specified in this chapter.

(h) Based on the total licensed capacity, one toilet and one handwashing fixture shall be maintained for every 15 children or fraction thereof.

(1) Urinals may be used to meet the requirements of this section provided they are low enough for children to reach them, or broad–based platforms or anchored steps are provided to enable children to reach them.

(A) There shall be at least two toilets for each urinal counted.

(B) Centers with toilet–urinal ratios approved prior to December 31, 1983, are not required to meet the ratio in (h)(1)(A) above.

(i) There shall be one toilet and one handwashing fixture, separate from and in addition to the number of toilets and handwashing fixtures required in (h) above, designated for use by children who are ill, for use by staff, and for emergency use. This toilet and handwashing fixture shall be conveniently located in relation to the isolation area.

(1) Child care centers licensed prior to December 31, 1983, and operating continuously since then, are not required to make modifications to meet the requirement in (i) above.

(j) Common towels or washcloths are prohibited.

(k) Tables and chairs shall be provided to meet the needs of the children.

(1) Tables and chairs shall be scaled to the size of the children.

(l) There shall be a cot, couch or bed for each ill child as specified in Section 101226.2.

(m) All play equipment and materials used by children shall be age–appropriate.

(1) The licensee shall provide a variety of age–appropriate equipment, toys and materials in good condition and in sufficient quantity to allow children present to fully participate in planned activities.

(n) Furniture and equipment shall be maintained in good condition, free of sharp, loose or pointed parts.

(1) A baby walker shall not be allowed on the premises of a child care center in accordance with Health and Safety Code Sections 1596.846(b) and (c).

(o) Playground equipment shall be securely anchored to the ground unless it is portable by design.

(1) Equipment shall be maintained in a safe condition, free of sharp, loose or pointed parts.

(p) Furniture and equipment, including cots and mats used for napping, shall be arranged so that no exit is blocked.

(q) All materials and surfaces accessible to children, including toys, shall be free of toxic substances.

§ 101239.1. Napping Equipment.

(a) Cots used for napping shall be maintained in a safe condition.

(b) Floor mats used for napping shall be:

(1) Constructed of foam at least 3/4 inch thick.

(2) Covered with vinyl or similar material that can be wiped.

(3) Marked or colored so that the sleeping side can be distinguished from the floor side.

(4) Wiped with a detergent/disinfectant weekly or when soiled or wet.

(5) Maintained in a safe condition with no exposed foam.

(c) Each cot or mat shall be equipped with a sheet to cover the cot or mat and, depending on the weather, a sheet and/or blanket to cover the child.

(1) Bedding shall not be shared by different children without first laundering the bedding.

(2) Bedding shall be individually stored so that each child's bedding is identifiable and no child's used bedding comes into contact with other bedding.

(3) Sheets shall be washed weekly or when soiled or wet.

(4) Blankets shall be cleaned or changed when soiled.

(d) Napping equipment shall be arranged so that each child has access to a walkway without having to walk on or over the cots or mats of other children.

§ 101239.2. Drinking Water.

(a) Drinking water from a noncontaminating fixture or container shall be readily available both indoors and in the outdoor activity area.

(1) Children shall be free to drink as they wish.

(2) Anchored steps or a broad-based platform shall be utilized when a drinking fountain is too high for the children in care.

(3) See Manual of Policies and Procedures.

(4) All water for drinking shall be potable as defined in the California Code of Regulations, Title 24, Part 5.

§ 101416.2. Infant Care Teacher Qualifications and Duties.

(a) Notwithstanding Section 101216.1, the following shall apply:

(b) Prior to employment, an infant care teacher shall have completed, with passing grades, at least three postsecondary semester or equivalent quarter units in early childhood education or child development, and three postsecondary semester or equivalent quarter units related to the care of infants, at an accredited or approved college or university.

(1) After employment, a teacher who has not completed the course work required in (c)(1) below shall complete, with passing grades, at least two units each semester or quarter until the education requirements are met.

(c) To be a fully qualified infant care teacher, a teacher shall have the following:

(1) Completion, with passing grades, of 12 postsecondary semester or equivalent quarter units in early childhood education or child development at an accredited or approved college or university.

(A) At least three of the units required in (c)(1) above shall be related to the care of infants or shall contain instruction specific to infants.

1. Examples of acceptable course work are pediatric nursing and postnatal care.

(2) At least six months of experience in a licensed infant care center or comparable group child care program for children under five years of age.

(A) Experience shall be verified as having been performed satisfactorily, at least three hours per day for a minimum of 50 days in a six–month period, as a paid or volunteer staff member under the supervision of a person who would qualify as a teacher or director under this chapter.

(d) A photocopy of each teacher's transcript(s) documenting successful completion of required course work shall be maintained at the center.

(e) Under the direction and supervision of the director and the assistant director, the infant care teacher shall provide direct care and supervision to infants at the center.

(f) Teachers shall visually observe aides whenever aides are working with infants, except as provided for in Section 101416.5(d)(1).

(g) An infant care teacher shall complete 15 hours of health and safety training if necessary pursuant to Health and Safety Code Section 1596.866 and as specified in Section 101215.1(m)(1).

§ 101416.5. Staff–Infant Ratio.

(a) In addition to Sections 101216.3(c), (e), (g) and (h), and notwithstanding Sections 101216.3(a), (b), (d) and (f), the following shall apply:

(b) There shall be a ratio of one teacher for every four infants in attendance.

(1) An aide may be substituted for a teacher when all of the following conditions are met:

(A) There is a fully qualified teacher directly supervising no more than 12 infants; and

(B) Each aide is responsible for the direct care and supervision of a group of no more than four infants.

(2) When engaged in activities away from the center, there shall be a minimum of one adult to every two infants in attendance.

(A) This ratio may include authorized representatives of infants in care and adult volunteers to supplement the staff–infant ratio.

(c) The director and the assistant director in an infant care center or a combination center may be counted in the staff–infant ratio when actually working with infants.

(d) There shall be one teacher to visually observe every 12 sleeping infants provided the remaining staff necessary to meet the ratios specified in (b) above are immediately available at the center.

(1) An aide who is 18 years of age or older, and who meets the requirements of Sections 101216 and 101216.2(e), may visually observe 12 sleeping infants in place of a teacher if the conditions specified in (d) above are met.

(e) There shall be provision for overlap of staff for different shifts so that continuity of care is assured.

§ 101417. Toddler Component in an Infant Care Center.

(a) Licensees serving infants may create a special program component for children between the ages of 18 months and 30 months. The provisions of Sections 101151 through 101239.2 and 101351 through 101439.1 shall apply to infant care centers operating a toddler component, except as specified in Sections 101417(a)(1) through (6).

(1) Child care centers with an existing infant care program wishing to establish a toddler component shall submit an amended application as specified in Section 101169(a)(1)(A) and shall obtain approval from the Department.

(2) Children in a child care center between the ages of 18 months and 30 months may be placed in the toddler program. No child shall be placed in the toddler program before the age of 18 months.

(3) The infant care center shall obtain written permission from the child's authorized representative for the placement of the child in the toddler program.

(4) A ratio of six children to each teacher shall be maintained for all children in attendance in the toddler program. An aide who is participating in on-the-job-training may be substituted for a teacher when directly supervised by a fully qualified teacher.

(5) The maximum group size with two teachers, or one fully qualified teacher and one aide, shall not exceed 12 toddlers.

(6) The toddler program shall be conducted in areas physically separate from those used by older or younger children. Space planning and usage for the toddler component shall be governed by the provisions of Section 101438.3. Plans to alternate use of outdoor play space must be approved by the Department.

(A) Requirements for physical separation between children in the toddler component and older or younger children need not apply when a planned activity is being conducted.

§ 101419.2. Infant Needs and Services Plan.

(a) Prior to the infant's first day at the center, the infant care center director or assistant director shall complete a needs and services plan for the infant.

(1) Such plan shall be completed with the assistance of the infant's authorized representative at the personal interview specified in Section 101218.1.

(2) The authorized representative shall sign the plan to verify that he/she has participated in preparing it.

(b) The needs and services plan shall be in writing and shall include the following:

(1) The individual feeding plan.

(2) The individual toilet-training plan, if applicable.

(3) Any services needed by the infant that are different from those provided by the center's normal program. Such items shall include but not be limited to:

(A) Any special exercises for infants with physical disabilities.

(4) A plan for subsequent personal interviews with the authorized representative.

(c) The authorized representative shall be provided with a copy of the needs and services plan and any subsequent updates.

(b) Only licensed drivers 18 years old or older shall be permitted to operate any vehicle used to transport infants.

(c) Motor vehicles used to transport infants shall contain a first-aid kit containing at least the supplies specified in Section 101226(d).

(1) When public transportation is used to transport infants, center staff shall have on hand, and available for use, a first-aid kit as specified in (c) above.

(d) When transporting infants in any motor vehicle, the licensee shall secure each infant in a child passenger restraint system, i.e., a car seat designed for an infant. The child passenger restraint system shall be secured in the vehicle in accordance with the manufacturer's instructions.

(1) The manufacturer's instructions shall be maintained in the center for as long as the infant car seat is in use.

(2) Vehicle Code Section 27360(b) requires that children as specified must be secured in a child passenger restraint system.

(e) The staff-infant ratio shall be maintained while transporting infants in motor vehicles.

(1) The required supervision ratios shall be maintained whether the vehicle is moving or parked.

(f) Infants in motor vehicles shall have constant adult supervision and shall not be left unattended under any circumstances.

§ 101427. Infant Care Food Service.

(a) In addition to Section 101227, the following shall apply:

(b) There shall be an individual feeding plan for each infant.

(1) The plan shall be completed and available for use prior to the infant's first day at the center.

(2) The director or the assistant director, and the infant's authorized representative and/or physician, shall develop the plan.

(A) The authorized representative shall sign the plan to verify that he/she has participated in developing and updating it.

(3) The plan shall include the following items:

(A) Instructions from the infant's physician relating to special diet or feeding.

(B) Feeding schedule.

(C) Breast milk or kind of formula.

(D) Schedule for introduction of solid and new foods.

(E) Food consistency.

(F) Food likes and dislikes.

(G) Food allergies.

(H) Schedule for introduction of cups and utensils.

(4) The plan shall be updated as often as the authorized representative wants, or as necessary to reflect changes in any of the areas specified above.

(5) The infant care center director or assistant director shall discuss current feeding theory with the authorized representative. This discussion should cover the dangers of honey.

(c) The infant shall be fed in accordance with the individual plan.

(1) Bottle–fed infants shall be fed at least once every four hours.

(2) The infant care center shall have appropriate food available for the infant.

(A) Where the infant's authorized representative elects to provide food for the infant but forgets to bring it, the center shall provide appropriate food for the infant.

(3) Introduction of solid foods shall be in accordance with the individual plan.

(d) The infant care center shall provide only commercially prepared formulas for infants.

(1) Commercial formulas shall be stored and prepared in accordance with label directions.

(2) The specific brand of formula shall be specified in the feeding plan.

(3) Any change from one formula to another shall be reflected in advance on the feeding plan.

(e) The infant's authorized representative may provide formula or breast/mother's milk.

(1) Such formula or milk shall be bottled before being accepted by the center.

(A) Bottles shall be labeled.

(f) The infant care center may heat formula or breast/mother's milk.

(g) A supply of bottles and nipples shall be maintained at the infant care center. Bottles and nipples used by one infant shall not be shared with or used by another infant unless sterilized.

(h) Infants who are unable to hold a bottle shall be held by a staff person or other adult for bottle feeding. At no time shall a bottle be propped for an infant. An infant shall not be allowed to carry a bottle while ambulatory. A bottle given to an infant able to hold his/her own bottle shall be unbreakable.

(i) High chairs or other appropriate seating equipment shall be used to seat infants during feeding. Infants who are unable to sit unassisted in a high chair or other seating equipment shall be held by a staff person or other adult for feeding.

(j) Bottles, dishes and containers of food brought by the infant's authorized representative shall be labeled with the infant's name and the current date.

(1) Formula in a partially consumed bottle shall be discarded at the end of each day.

(2) Food shall be discarded if not consumed within 72 hours of the date on the container label.

(3) Bottles and dishes provided by the authorized representative shall be rinsed and returned to the authorized representative for sanitizing at the end of each day.

(k) The infant care center shall not serve honey or corn syrup to any infant.

(l) Commercially prepared baby food in jars shall be transferred to a dish before being fed to the infant.

(1) Any food left over in the dish at the end of the meal shall be discarded.

(m) If requested, arrangements for privacy shall be made for any mother who has reached an agreement with the infant care center to nurse her infant in the center.

(n) Bottles and nipples maintained by the infant care center shall be sterilized using any of the following methods after each use:

(1) Boiled for a minimum of five minutes and air–dried; or

(2) Soaked for a minimum of one minute in a sterilizing solution using 1/2 cup of bleach and five gallons of water and air–dried; or

(3) Bottles may be washed and sterilized using a dishwasher.

(o) Infants shall not be bathed in, and diapers or clothing shall not be rinsed in, the food–preparation area.

§ 101428. Infant Care Personal Services.

(a) There shall be a written toilet–training plan for infants being toilet trained.

(1) The infant's authorized representative and the director or the assistant director shall develop the plan.

(2) The plan shall include the following:

(A) Methods of toilet training;

(B) Introduction and use of appropriate training equipment; and

(C) Introduction and use of appropriate clothing.

(3) Infants who are being toilet trained shall not be required to wear diapers unless specifically indicated in the plan.

(4) The center shall follow the plan in toilet training the infant.

(5) Center staff shall have ready access to the toilet–training plan for infants in their care.

(b) The infant shall be kept clean and dry at all times.

(1) The infant care center shall ensure that the infant has sufficient changes of clothing and diapers so that his/her clothing and diapers can be clean and dry at all times.

(2) Each infant's clothing and diapers shall be changed as often as necessary to ensure that the infant is clean and dry at all times.

(c) Soiled or wet clothing or cloth diapers provided by the infant's authorized representative shall be placed in an airtight container and returned to the authorized representative at the end of each day.

(1) The airtight container shall prevent the escape of fluids and odors and be portable enough to give to the authorized representative.

(d) When changing an infant's diapers, the following shall apply:

(1) Each infant shall be diapered on a changing table.

(A) No infant shall be left unattended while on a changing table.

(2) Infants may be diapered on a changing pad placed on the floor that meets the requirements of Section 101439(h).

(3) Soiled disposable diapers shall either be disposed of as recommended on the packaging or placed in an airtight container for daily disposal outside of the center.

(A) Containers shall be sanitized daily.

(4) Soiled cloth diapers shall be placed in an airtight container.

(5) Diapers provided by the center, when soiled, shall be rinsed, washed and sanitized on a daily basis. If a diaper service is utilized, the diapers shall be placed in the diaper service company container, as instructed, for pickup by the diaper service.

(6) Towels and washcloths used for cleaning infants shall not be shared with other infants or staff and shall be washed after each use.

(7) The changing table and changing pads shall be disinfected after each use even when disposal covers are used.

(A) Infant changing tables may be covered with disposable paper towels or a similar covering that shall be discarded after each diaper change.

(B) The floor space used for diaper changing, if soiled, shall be disinfected after each use.

(e) Whenever a potty chair is used, the following requirements shall be met:

(1) The potty chair shall be placed on the floor and used in accordance with the manufacturer's instructions.

(2) After each use, the potty chair shall be promptly emptied into a flushing toilet, and all surfaces shall be thoroughly cleaned and disinfected.

(3) No infant shall be left unattended while on a potty chair or seat.

(f) As part of toilet training, each infant shall receive instruction and assistance in handwashing after use of the toilet.

§ 101430. Infant Care Activities.

(a) Notwithstanding Section 101230, the following shall apply:

(1) The infant care center shall develop, maintain and implement a written plan to ensure the provision of indoor and outdoor activities designed to meet the needs of infants, including but not limited to:

(A) Quiet and active play.

(B) Rest and relaxation.

(C) Eating.

(D) Toileting.

(E) Individual attention.

(F) Being held by caregiver.

(2) The center shall ensure the participation of infants in the above activities.

(3) All infants shall be given the opportunity to nap/sleep without distraction or disturbance from other activities at the center whenever the infant desires.

(A) No infant shall be forced to sleep, to stay awake or to stay in the napping area.

1. The center is not prohibited from scheduling nap times for infants over 12 months old.

Article 7. Physical Environment

§ 101438.1. Infant Care General Sanitation.

(a) All items used by pets and animals shall be kept out of the reach of infants.

(b) Each caregiver shall wash his/her hands with soap and water before each feeding and after each diaper change.

(1) Only dispenser soap, such as liquid or powder in an appropriate dispenser, shall be used.

(2) Only disposable paper towels in an appropriate holder or dispenser shall be used for hand drying.

(c) Washing, cleaning and sanitizing requirements for areas used by staff with infants, or for areas that infants have access to, are as follows:

(1) Floors, except those carpeted, shall be vacuumed or swept and mopped with a disinfecting solution at least daily, or more often if necessary.

(2) Carpeted floors and large throw rugs that cannot be washed shall be vacuumed at least daily and cleaned at least every six months, or more often if necessary.

(A) Small rugs that can be washed shall be shaken or vacuumed at least daily and washed at least weekly, or more often if necessary.

Commercial–type cleaning machines commonly available through rental stores, grocery stores, etc., may be used to clean carpets and large rugs. A professional cleaning service may also be hired.

(3) Walls and portable partitions shall be washed with a disinfecting solution at least weekly, or more often if necessary.

(4) The diaper–changing area, where residue is splashed from soiled diapers and items and surfaces are touched by staff during the diaper–changing process, shall be washed and disinfected after each diaper change. Such areas, items and surfaces shall include but not be limited to:

(A) Walls and floors surrounding the immediate diaper–changing area.

(B) Dispensers for talc, lotion, soap and paper towels.

(C) Countertops, sinks, drawers and cabinets.

(5) Sinks used to wash infants, or to rinse soiled clothing or diapers, shall be disinfected after each use.

(d) Objects used by infants that are mouthed shall be washed and disinfected at least daily, or more often if necessary. Such objects shall include, but not be limited to, toys and blankets.

(e) Linens laundered by the center shall be washed and sanitized at least daily, or more often if necessary. Such linens shall include, but not be limited to, bedding, towels and washcloths used on or by infants.

(f) A disinfecting solution, which shall be used after surfaces and objects have been cleaned with a detergent or other cleaner, shall be freshly prepared each day using 1/4 cup of bleach per gallon of water. Commercial disinfecting solutions, including one–step cleaning/disinfecting solutions, may be used in accordance with label directions.

(g) All disinfectants, cleaning solutions and other hazardous materials shall be removed immediately and stored as specified in Section 101238.

§ 101438.3. Indoor Activity Space for Infants.

(a) In addition to Section 101238.3, the following shall apply:

(b) Indoor activity space for infants shall be physically separate from space used by children in the child care center and school–age child care center components.

(1) The center may use moveable walls or partitions to separate the above groups in the same room provided that each group has the total amount of square footage in indoor activity space required by this chapter.

(2) Moveable walls or partitions, if used, shall be at least four feet high; shall be constructed of sound–absorbing material; and shall be designed to minimize the risk of injury to infants.

(c) The calculation of indoor activity space for infants shall not include space designated and used for cribs.

(1) The sleeping area for infants shall be physically separate from the indoor activity space. This separation shall be accomplished as specified in (b) above.

(d) The various child care center components in a combination center may share office space, food–preparation space, storage space and any other general–purpose space.

(e) The indoor activity space shall be equipped with a variety of age–appropriate washable toys and equipment.

§ 101439. Infant Care Center Fixtures, Furniture, Equipment and Supplies.

(a) In addition to Section 101239, and notwithstanding Section 101239(h), the following shall apply:

(b) The infant care center shall be equipped with appropriate furniture and equipment including, but not limited to, cribs, cots or mats; changing tables; and feeding chairs.

(c) The type, height and size of furniture and equipment shall be age appropriate.

(d) Swings, playpens and all such equipment and furniture shall be assembled or installed according to the manufacturer's instructions, and shall be maintained in good repair and safe condition.

(1) Equipment that is purchased already assembled shall not be modified.

(2) A baby walker shall not be allowed on the premises of a child care center in accordance with Health and Safety Code Section 1596.846.

(e) High chairs or low–wheeled feeding tables and any such equipment used for seating an infant shall have broad–base legs.

(1) Seats and backrests shall be made of washable and moisture–resistant material.

(2) An infant shall not be permitted to pull on or climb on or into a high chair.

(3) Whenever an infant is in a high chair, the tray shall be properly latched on both sides.

(4) An infant shall not be permitted to stand up in a high chair.

(5) No infant shall be left unattended while in a high chair.

(f) All such equipment or furniture shall be washed with a detergent/disinfectant after each use as specified in Section 101438.1.

(g) Furniture shall be maintained in good repair and safe condition.

(h) Infant changing tables shall:

(1) Have a padded surface no less than one–inch thick and be covered with washable vinyl or plastic.

(2) Have raised sides at least three inches high.

(3) Be maintained in good repair and safe condition.

(4) While in use, be placed within arm's reach of a sink.

(5) Not be located in the kitchen/food–preparation area.

(i) There shall be a minimum of one handwashing sink to every 15 infants and one potty chair to every five infants being toilet trained.

(1) If sufficient potty chairs are not available for the number of infants being toilet trained, a combination of potty chairs and toilets with training seats may be used to meet the ratio specified in (i) above.

(2) Infants shall not be permitted to play with potty chairs.

(j) Toilets and potty chairs and handwashing sinks for infants shall be in close proximity to indoor and outdoor activity space.

(k) Toy storage containers shall meet the following requirements:

(1) Lids and the hardware used to hinge lids on boxes or chests shall be removed.

(2) All edges and corners shall be rounded and padded.

(3) The container shall be well ventilated.

(4) The container shall not be lockable.

(5) The container shall be maintained in good repair and safe condition.

(A) Metal toy boxes shall not have rough or sharp edges, and wooden toy boxes shall not have splinters and other rough areas.

(*l*) Toys shall be safe, and shall not have sharp points or edges or splinters, or be made of small parts that can be pulled off and swallowed.

(1) The combination of toys shall provide and encourage:

(A) Auditory stimulation.

(B) Visual stimulation.

(C) Tactile stimulation.

(D) Manipulative skills.

(2) Pacifiers shall have a shield or guard large enough so that infants cannot choke on them.

(3) Rattles shall be large enough so that they cannot become lodged in an infant's throat and constructed so that they will not separate into small pieces.

(m) Fixtures, furniture, equipment, supplies and toys shall not be made of or contain toxic materials or substances.

§ 101439.1. Infant Care Center Napping Equipment.

(a) In addition to Section 101239.1, the following shall apply:

(b) A standard size six–year crib or porta–crib meeting the following requirements shall be provided for each infant who is unable to climb out of a crib:

(1) Stacking wall cribs or cribs stacked one on top of another, often referred to as tiered cribs, shall not be permitted.

(2) Cribs shall not limit the ability of staff to see the infant.

(3) Cribs shall not limit the infant's ability to stand upright.

(4) Crib mattresses shall be:

(A) Covered with vinyl or similar moisture–resistant material.

(B) Wiped with a detergent/disinfectant daily and when soiled or wet.

(C) Maintained in a safe condition with no exposed foam, batting or coils.

(5) Cribs equipped with bumper pads shall be covered with vinyl or similar moisture–resistant material. Each crib shall have a sheet to cover the mattress and, depending on the temperature, a sheet and/or blanket to cover the infant.

(A) If bumper pads are used, they shall be installed around the entire inner portion of the crib and tied or snapped into place in at least six places.

(B) The mattress shall be set at its lowest position and the side rail shall be locked in its highest position.

(C) Cribs shall have spaces between crib slats of no more than 2 3/8 inches.

(c) Floor mats or cots that meet the requirements of Section 101239.1(b) shall be provided for all infants who have the ability to climb out of a crib.

(d) Each crib, mat or cot shall be occupied by only one infant at a time.

(e) Each infant's bedding shall be used for him/her only. Such bedding shall be replaced when wet or soiled, or when the crib, mat or cot is to be occupied by another infant.

(1) Bedding shall be changed daily, or more often if required by (e) above.

(A) Soiled bedding shall be placed in a suitable container and made inaccessible to infants until washed or picked up by a commercial laundering service.

(f) Cribs, mats or cots shall be arranged so as to provide a walkway and work space between the cribs, mats or cots sufficient to permit staff to reach each infant without having to step over or reach over any other infant.

(1) Placement of cribs, mats or cots shall not hinder entrance or exit to and from the napping space.

Article 4. Enforcement Provisions (Reserved)

Article 5. Administrative Actions (Reserved)

Article 6. Continuing Requirements

§ 101515. School–Age Child Care Center Director Qualifications and Duties.

(a) In addition to Section 101215.1, the following shall apply:

(b) All school–age child care centers shall have a director.

(1) In a combination program that has a school–age child care center component, the director of the child care center component shall maintain ultimate responsibility, in the capacity as director, for the combined program; a separate director for the school–age child care center component is not required.

(A) In a combination program, the director shall designate a fully qualified teacher as specified in Section 101516.2 for the school–age child care center component.

(B) The director of the child care center component within the combination program shall maintain administrative responsibility for the overall program and shall provide direct supervision and guidance to the school–age child care center component.

(c) As an alternative educational prerequisite, any school–age director may substitute six of the units in early childhood education or child development required in Section 101215.1(h)(1)(B) with six units appropriate to elementary school–age children, on a unit–per–unit basis, in any one or a combination of the following:

(1) Recreation, which includes, but is not limited to, art, music and dance relevant to elementary school–age children.

(2) Physical education, which includes, but is not limited to, indoor and outdoor sports activities relevant to elementary school–age children.

(3) Units earned toward an elementary teaching credential.

(d) As an alternative educational prerequisite, the director of a school–age child care center that stands alone may, pursuant to Health and Safety Code Section 1597.21, substitute 20 training hours for each of the required units of education in Section 101215.1(h)(1). (This alternative shall not apply to a director of a combination program that includes a component for school–age children.) Units and training hours may be combined to meet the total educational requirement (15 units or 300 training hours, or any combination thereof).

(1) Health and Safety Code Section 1597.21(b) contains the alternative educational requirements that a director as specified in (d) above may meet.

(2) A director as specified in (d) above may also qualify by possessing any associate of arts or bachelor's degree from an accredited or approved college or university provided at least three units or 60 training hours are in early childhood education, child development or school-age child courses; and three units or 60 training hours are in administration or staff relations.

(3) In accordance with Health and Safety Code Section 1597.21(f), a director as specified in (d) above may use alternative approved sources of education.

(e) Verification of education allowed by Health and Safety Code Section 1597.21 shall be by transcript or certificate (with hours completed shown on the certificate). To verify course or training program approval, a certification on accredited educational institution letterhead that the course or training program has been approved shall accompany the completion certificate. This certification is only necessary for courses or training programs not offered by an accredited educational institution but approved by such an institution.

(f) A director as specified in (d) above may also complete alternative types of experience pursuant to Health and Safety Code Section 1597.21. Such experience shall be verified as having been performed at least three hours per day for a minimum of 100 days in a calendar year.

(1) Health and Safety Code Section 1597.21(e) contains the alternative types of experience that a director as specified in (d) above may complete.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.81, 1596.95, 1597.055 and 1597.21, Health and Safety Code.

§ 101516.2. School-Age Child Care Center Teacher Qualifications and Duties.

(a) In addition to Section 101216.1, the following shall apply:

(b) As an alternative educational prerequisite, a school-age child care teacher may, pursuant to Health and Safety Code Section 1597.21, substitute 20 training hours for each of the required units of education in Section 101216.1. Units and training hours may be combined to meet the total educational requirement (12 units or 240 training hours, or any combination thereof).

(1) Health and Safety Code Section 1597.21(d) contains the alternative educational requirements that a teacher may meet.

(2) In accordance with Health and Safety Code Section 1597.21(f), a teacher may use alternative approved sources of education.

(c) Verification of education allowed by Health and Safety Code Section 1597.21 shall be by transcript or certificate (with hours completed shown on the certificate). To verify course or training program approval, a certification on accredited educational institution letterhead that the course or training program has been approved shall accompany the completion certificate. This certification is only necessary for courses or training programs not offered by an accredited educational institution but approved by such an institution.

(d) A school-age child care center teacher may also complete alternative types of experience pursuant to Health and Safety Code Section 1597.21. To be a fully qualified school-age teacher, such experience shall be verified as having been performed at least three hours per day for a minimum of 50 days in a six-month period.

(1) Health and Safety Code Section 1597.21(e) specifies the alternative types of experience that a teacher may complete.

(e) In a combination program, a fully qualified teacher as specified in Section 101216.1 shall be designated to work closely with the director in planning the daily activities of the school-age child care center component.

(1) The designated teacher shall maintain responsibility for the overall operation of the school-age child care center component under the direction and supervision of the director of the child care center component.

§ 101561. Child Care Center for Mildly Ill Children—Limitations on Capacity and Ambulatory Status.

(a) In addition to Section 101161, the following shall apply:

(b) In a combination child care center with a Level I or Level II component for mildly ill children, facilities and rooms designated for, and used by, mildly ill children shall not be used by children or staff from any other child care center component except as specified in Section 101561(b)(1).

(1) When mildly ill children are not being cared for in the Level I or Level II component, staff and children from another child care center component may use facilities and rooms designated for, and used by, the Level I or Level II component if a qualified staff person approves and sanitation procedures as specified in Section 101638.1 are followed as determined to be necessary by the qualified staff person.

(c) To prevent the spread of illnesses in a combination center with a Level I or Level II component, mildly ill children who begin their day in the Level I or Level II component shall not transfer into any other child care center component for that day unless a qualified staff person approves and the criteria specified in Section 101626.1 are met.

(1) When a child is moved from a Level I or Level II component to another child care center component, the licensee shall document the move in the child's record.

(d) Staff who begin their day in the Level I or Level II component shall not transfer into any other child care center component for that day unless a qualified staff person approves and sanitation procedures as specified in Section 101638.1(d) are followed.

(1) The licensee shall document in the staff file when staff members must follow sanitation procedures as specified in Section 101638.1(d) to prevent the spread of illnesses.

(a) In addition to Sections 101215, 101215.1, 101216, 101415 and 101515, the following shall apply:

(b) The director of a Level I or Level II child care center for mildly ill children shall, prior to employment, meet the requirements of Section 101615(b)(1) OR (2).

(1) Complete three postsecondary semester or equivalent quarter units in the identification, transmission, control and care of common childhood illnesses and communicable diseases at an approved or accredited college or university; and, as specified in Health and Safety Code Section 1596.866, complete at least 15 hours of health and safety training, including pediatric cardiopulmonary resuscitation and pediatric first aid.

(A) Notwithstanding Health and Safety Code Section 1596.866(a), the director shall complete 15 hours of health and safety training.

(2) Notwithstanding Sections 101215.1(h) and (*l*), physicians, physician's assistants, registered nurses and licensed vocational nurses who wish to qualify as a director in a Level I or Level II child care center for mildly ill children shall possess a current and active license issued by the appropriate State of California licensing board; and shall:

(A) Complete at least six postsecondary semester or equivalent quarter units in early childhood education or child development at an approved or accredited college or university.

1. This requirement shall not apply provided a fully qualified teacher as specified in Sections 101616.2(a) and (c) is on the premises of the center at all times.

(B) Possess at a minimum one year of experience in pediatric health care obtained within the last five years.

(c) Verification of licensure required in Section 101615(b)(2) shall be included in an employee's personnel file and shall consist of the following:

(1) A photocopy of the license; and

(2) Documentation of written or verbal contact with the appropriate State of California licensing board to verify licensure status.

(d) Original certified copies of transcripts verifying the completion of units required in Sections 101615(b)(1) and (2) shall be filed in an employee's personnel file.

(e) In a combination child care center with a Level I or Level II component for mildly ill children, a separate director is not required for the Level I or Level II component.

(1) The director of the combination center shall designate a fully qualified teacher as specified in Sections 101616.2(a) and (c) for the Level I or Level II component.

(2) The director of the combination center shall maintain ultimate responsibility for the Level I or Level II component and shall provide guidance and supervision to the fully qualified teacher designated for the Level I or Level II component.

(f) Notwithstanding Section 101215.1(f), the following shall apply:

(1) When the director of a child care center for mildly ill children is absent, a fully qualified teacher as specified in Sections 101616.2(a) and (c) shall act as a substitute for the director.

(g) The director of a child care center for mildly ill children shall develop and implement a written training plan for the center's staff and volunteers.

§ 101616.2. Child Care Center for Mildly Ill Children—Teacher Qualifications and Duties.

(a) In addition to Sections 101216, 101216.1, 101416.2 and 101516.2, the following shall apply:

(b) Notwithstanding Section 101216.1(b), prior to employment a teacher shall complete three postsecondary semester or equivalent quarter units in the identification, transmission, control and care of common childhood illnesses and communicable diseases; and shall complete three postsecondary semester or equivalent quarter units in early childhood education or child development. These units shall be completed at an approved or accredited college or university.

(1) After employment, a teacher hired under Section 101616.2(b) shall complete at least three units each semester or quarter until a total of 12 postsecondary semester or equivalent quarter units in early childhood education or child development is completed as specified in Section 101216.1(c).

(c) To be a fully qualified teacher in a child care center for mildly ill children, a fully qualified teacher as specified in Section 101216.1(c) shall complete three postsecondary semester or equivalent quarter units in the identification, transmission, control and care of common childhood illnesses and communicable diseases at an approved or accredited college or university; and, as specified in Health and Safety Code Section 1596.866, shall complete at least 15 hours of health and safety training, including pediatric cardiopulmonary resuscitation and pediatric first aid.

(1) Notwithstanding Health and Safety Code Section 1596.866(a), each fully qualified teacher shall complete 15 hours of health and safety training.

(d) Original certified copies of transcripts verifying the completion of the required units shall be filed in each teacher's personnel file.

(e) In a combination center with a Level I or Level II component for mildly ill children, a fully qualified teacher as specified in Sections 101616.2(a) and (c) shall work closely with the director in planning the daily activities of the Level I or Level II component.

(1) Under the guidance and supervision of the director, the fully qualified teacher as specified in Section 101616.2(e) shall be responsible for the overall operation of the Level I or Level II component.

§ 101616.3. Child Care Center for Mildly Ill Children—Personnel Requirements.

(a) In addition to Section 101216, the following shall apply:

(b) All staff and volunteers whose duties include the provision of care to, and the supervision and protection of, mildly ill children shall complete training on the practices and procedures of a child care center for mildly ill children.

(1) Training shall be completed within two weeks of a staff member's or volunteer's starting date.

(c) The training plan shall ensure the provision of at least 20 hours of training for each staff member or volunteer and shall include but not be limited to:

(1) Orientation to the center.

(2) Instruction on the identification, transmission and control of communicable diseases, including universal health precautions.

(3) Center practices and procedures for the care of mildly ill children, including those related to:

(A) Handwashing, feeding and diapering.

(B) Special care needs of mildly ill children including, as appropriate, the areas of nutrition and fluids, activities, taking temperatures and administering medications.

(C) Medical emergencies.

(D) Disaster preparedness and evacuation.

(d) Training shall be given by the director and/or a fully qualified teacher.

(e) Completion of training shall be documented in each participant's personnel file.

(1) Documentation shall include the name(s) of the trainer(s), the name(s) of staff members and volunteers receiving training, the date(s) training was completed, the subject area(s) of the training, and the duration of the training (number of hours).

(f) At least one staff member who is trained in pediatric cardiopulmonary resuscitation and pediatric first aid pursuant to Health and Safety Code Section 1596.866 shall be onsite at all times when children are present.

§ 101616.5. Chid Care Center for Mildly Ill Children—Teacher–Child Ratios.

(a) Notwithstanding Sections 101216.3, 101416.5 and 101516.5, the following shall apply:

(b) There shall be a ratio of one teacher to every three infants in attendance.

(1) An aide as specified in Section 101216.2 may be substituted for a teacher when all of the following criteria are met:

(A) A fully qualified teacher as specified in Sections 101616.2(a) and (c) is directly caring for and supervising no more than three infants; and has overall responsibility for supervising a total of no more than 12 infants, with the assistance of three aides as specified in Section 101616.5(b)(1)(B).

(B) Each aide is responsible for the direct care and supervision of no more than three infants.

(c) There shall be a ratio of one teacher to every six preschool–age children in attendance.

(1) An aide as specified in Section 101216.2 may be substituted for a teacher to care for preschool–age children when all of the following criteria are met:

(A) A fully qualified teacher as specified in Sections 101616.2(a) and (c) is directly caring for and supervising no more than six preschool–age children; and has overall responsibility for supervising a total of no more than 12 preschool–age children, with the assistance of one aide as specified in Section 101616.5(c)(1)(B).

(B) The aide is responsible for the direct care and supervision of no more than six preschool–age children.

(d) There shall be a ratio of one teacher to every eight school–age children in attendance.

(1) An aide as specified in Section 101216.2 may be substituted for a teacher to care for school–age children when all of the following criteria are met:

(A) A fully qualified teacher as specified in Sections 101616.2(a) and (c) is directly caring for and supervising no more than eight school–age children; and has overall responsibility for supervising a total of no more than 16 school–age children, with the assistance of one aide as specified in Section 101616.5(d)(1)(B).

(B) The aide is responsible for the direct care and supervision of no more than eight school–age children.

(e) Staffing requirements for mixed–age groups of children shall be determined based on the age of the youngest child in the group.

(f) The ratios specified in Sections 101616.5(b), (c), (d) and (e) shall also apply to napping infants, preschool–age children and school–age children except as follows:

(1) One teacher may supervise six napping infants without assistance provided that the remaining staff member(s) necessary to meet the overall ratio specified in Section 101616.5(b) is immediately available at the center.

(2) One teacher may supervise 12 napping preschool–age children without assistance provided that the remaining staff member(s) necessary to meet the overall ratio specified in Section 101616.5(c) is immediately available at the center.

(3) One teacher may supervise 16 napping school–age children without assistance provided that the remaining staff member(s) necessary to meet the overall ratio specified in Section 101616.5(d) is immediately available at the center.

§ 101620. Child Care Center for Mildly Ill Children—Medical Assessments.

(a) Notwithstanding Section 101220, the following shall apply:

(b) A written medical assessment for the child shall be obtained from the child's authorized representative if a qualified staff person determines that one is necessary based on the nature of the child's symptoms and/or illness.

(1) The medical assessment shall be performed by a physician or other health professional working under the supervision of a physician.

(2) The medical assessment shall include:

(A) Verification that the child's symptoms or illness does not pose a risk to the child or others at the center.

(B) Verification of the child's recent negative test for tuberculosis unless the child is concurrently enrolled in a licensed child care center or a public or private school.

(C) Identification of the child's special requirements.

(D) Identification of prescription and nonprescription medications that the child must take while at the center.

(E) Ambulatory status and restrictions on activities.

(3) Medical assessments shall be filed in the child's record.

(4) When a medical assessment is not required, the licensee shall make a dated notation to that effect in the child's record.

(c) The Department has the authority to require the licensee to obtain a current written medical assessment for any child if such an assessment is necessary to verify the appropriateness of the child's placement.

§ 101621. Child Care Center for Mildly Ill Children—Child's Records.

(a) In addition to Section 101221, the following shall apply:

(b) Each child's record shall include:

(1) A copy of the written medical assessment, when one has been required, as specified in Section 101620.

(A) If a medical assessment has not been required, a dated notation to that effect shall be made in the child's record.

(2) A copy of information regarding instances of authorized representative notification as specified in Sections 101626(b) and (b)(1).

(3) A copy of information regarding prescription and nonprescription medications that the child must take while at the center as specified in Section 101226(e).

(4) A copy of the child's plan of care as specified in Section 101626(c).

(5) A copy of the daily inspection form completed by the qualified staff person performing the daily inspection for illness as specified in Section 101626.1(b).

(6) Health clearances, when required, as specified in Section 101626.1(f).

(7) Observations of the child as specified in Section 101626.3(b).

(8) Information regarding any allergies the child may have.

§ 101626. Child Care Centers for Mildly Ill Children—Health-Related Services.

(a) In addition to Section 101226, and notwithstanding Section 101226(a), the following shall apply:

(b) If the child's illness or injury worsens to the point that it exceeds the maximum level of care specified in the admission policies and for which the center is licensed, the licensee shall immediately notify the child's authorized representative and require the authorized representative to remove the child from the center.

(1) Notification of the authorized representative shall be recorded in the child's record and shall include the date and time of notification and the name of the qualified staff person making the notification.

(c) A written plan of care shall be developed for each child and shall be updated daily.

(1) This plan shall be completed with the assistance of the child's authorized representative; shall be signed and dated by the authorized representative; and shall be maintained in the child's record.

(2) Each plan of care shall include but not be limited to:

(A) Type and frequency of observations of the child.

(B) Activity level.

(C) Dietary restrictions.

(D) Prescription and nonprescription medications that the child must take while at the center.

(E) Special procedures associated with the child's illness/injury, such as any relating to intake of food and liquid, stool and urine output, or temperature. This requirement may be omitted when the nature of the child's illness/injury warrants doing so.

(F) Developmental activities.

(d) Every center shall have provisions for continuing health consultation from a physician or registered nurse with a current and active license issued by the appropriate State of California licensing board. This health professional shall have pediatric experience/training obtained within the last five years.

(1) Health consultation may be provided by a staff member who is also a health professional as specified in Section 101626(d), as part of his/her staff duties; or by an outside consultant as specified in Section 101626(d).

(2) Health consultation shall include developing written plans and procedures and, if necessary, forms for the following, all of which shall be maintained at the center:

(A) Admissions criteria, center operating policies and procedures, daily inspection procedures, procedures for the surveillance of communicable diseases, and plans for the care of individual children.

(B) Liaison with local health departments.

(C) Recordkeeping and reporting of accidents and illnesses involving staff and children.

(D) Obtaining emergency health care, including provisions for listing emergency telephone numbers.

(E) Administration, handling and storage of medications.

(F) Emergency first-aid procedures and assurance of the availability of staff trained in such procedures.

(G) Establishment of an isolation area and development of related procedures.

(H) Provision of continuing health-care services to children in attendance who do not already have access to such services, which may include making referrals to community resources.

(I) Provision of staff training as specified in Section 101616.2.

(3) If health consultation is provided by an outside consultant, a written contract or letter of agreement between the consultant and the center shall be prepared. This documentation shall be maintained in the center's files.

(4) Each center shall maintain in its files each health consultant's name, address, telephone number, area of specialization and evidence of qualifications.

(A) Evidence of qualifications shall include, but not be limited to, verification of licensure required in Section 101626(d) as demonstrated by the following:

1. A photocopy of the license; and

2. Documentation of written or verbal contact with the appropriate State of California licensing board to verify licensure status.

(5) Health consultation shall occur quarterly or more often, if necessary, and not less than semiannually.

(A) After each consultation, the consultant shall prepare a written report of his/her findings and recommendations. These reports shall be maintained in the center's files.

(B) If consultation is not necessary during a quarter, a notation explaining why shall be made in the center's files.

(e) The licensee shall maintain the most current edition of a manual on the identification and control of communicable diseases.

(1) This manual shall be either the American Academy of Pediatrics' Report of the Committee on Infectious Diseases (Red Book) or another manual approved by the health consultant prior to use.

§ 101626.1. Child Care Center for Mildly Ill Children—Daily Inspection for Illness.

(a) Notwithstanding Section 101226.1, the following shall apply:

(b) Upon arrival each day at the center, each child shall have a daily inspection for illness to determine if the child is appropriate for placement in the center.

(1) A qualified staff person shall perform and document the completion of the daily inspection for illness.

(A) A qualified staff person for a Level I center shall be a director as specified in Sections 101615(a) and (b), or a teacher as specified in Sections 101616.2(a) and (b).

(B) A qualified staff person for a Level II center shall be a licensed health professional.

(2) As part of the daily inspection for illness, a child's body temperature shall be determined by using a thermometer with a disposable plastic (Probe) cover.

(3) The licensee shall require the child's authorized representative to remain in the center until the daily inspection for illness is completed and the child is accepted for care.

(c) The licensee shall develop and implement a written procedure for completing daily inspections for illness, which shall include developing a form to document that a daily inspection for illness has been completed prior to a child's acceptance for care.

(1) As required by Section 101626(d), the health consultant shall be consulted on the development of the procedure and form specified in Section 101626.1(c).

(d) This subchapter shall not be interpreted to require the exclusion of a child with a chronic condition protected under the Americans With Disabilities Act of 1990 (42 U.S. Code Section 12101 et seq.) unless the child also has a condition/symptom/illness as specified in Sections 101626.1(e), (g) and (h) that would independently exclude the child from care in a center.

(e) Except as specified in Section 101626.1(f), the licensee shall not accept or retain for care any child with any of the following conditions/symptoms/illnesses or combination thereof:

(1) Body temperature of 102 F (38.9 C) (oral) or 103 F (39.4 C) (rectal or by ear) or 101 F (38.3 C) (axillary), or higher.

(A) For an infant two months of age or under, body temperature of 101.5 F (38.6 C) (rectal or by ear) or higher.

(2) Rapid or labored breathing.

(3) Body temperature of 101 F (38.3 C) (oral) or 102 F (38.9 C) (rectal or by ear) or 100 F (37.8 C) (axillary), or higher, with stiff neck, lethargy, irritability or persistent crying.

(4) Asthmatic with upper respiratory infection and coughing that are interfering with the child's ability to drink, talk or sleep.

(5) Undiagnosed acute rash of two weeks or less in duration.

(6) Yellowing of the eyes or skin.

(7) Abdominal pain that is persistent or intermittent.

(8) Vomiting three or more times, or lasting over a six–hour period, or with signs of dehydration.

(9) Diarrhea (that is, five or more stools in an eight–hour period or an increased number of stools compared to the child's normal pattern, and with increased stool water and/or decreased form), in addition to one or more of the following:

(A) Signs of dehydration (for example, no urine produced for an eight–hour period).

(B) Blood or mucus in the stool unless a physician determines that at least one stool culture demonstrates absence of shigella, salmonella, campylobacter, pathogenic E. coli or other pathogens.

(C) Persistence beyond three days.

(10) Severe lethargy.

(11) Open lesions of the skin or mucous membranes.

(12) Other conditions as may be determined by a qualified staff person on an individual basis.

(f) A Level I or Level II center may accept a child with any of the conditions/symptoms/illnesses as specified in Section 101626.1(e) if the licensee has obtained a written health clearance stating that the child has been diagnosed and reexamined; and is not contagious or a health risk to the child or other children in care.

(1) The written health clearance, which shall be kept in the child's record, shall be obtained from a physician or other health professional working under the supervision of a physician.

(2) A licensee may accept a child for care under Section 101626.1(f) upon the verbal approval of a physician or other health professional working under the supervision of a physician if the required written health clearance is obtained within 24 hours.

(A) Receipt of verbal approval as specified in Section 101626.1(f)(2) shall be recorded immediately in the child's record. The notation shall include the name of the physician or other health professional who gave the verbal approval, the date and time the verbal approval was given, and the name of the qualified staff person who made the notation.

(g) The licensee shall not accept or retain for care any child with any of the following conditions/symptoms/illnesses except as specified:

(1) Diarrhea due to confirmed shigella, salmonella or giardia except as specified in Section 101626.1(i).

(2) Contagious stages of chicken pox or mumps except as specified in Section 101626.1(j).

(h) The licensee shall not, under any circumstances, accept or retain for care any child with any of the following conditions/symptoms/illnesses:

(1) Diarrhea due to campylobacter or cryptosporidium.

(2) Contagious stages of measles, rubella, pertussis, diphtheria or tuberculosis.

(3) Untreated infestation (such as head lice, scabies).

(i) A Level II center may accept a child with diarrhea due to confirmed shigella, salmonella or giardia 24 hours after treatment has been initiated if prior approval is obtained from the Department and the following conditions are met:

(1) In addition to Section 101626.1(b), prior to accepting the child the licensee shall obtain documentation from a physician or other health professional working under the supervision of a physician stating that, based on his/her knowledge of the isolation and separation procedures specified below, the child has been diagnosed and poses no serious health risk to the child or other children in care. This documentation shall be kept in the child's record.

(A) Verbal approval, with written follow–up, shall be acceptable if the procedures specified in Section 101626.1(f)(2) are followed.

(2) The licensee shall provide care for children with each illness in a specific area of a room or a room that is physically separate from those used by children with other illnesses.

(A) In addition to separate rooms, physical separation shall include, but not be limited to, moveable partitions and accordian wall dividers.

(3) Each separate area/room shall include:

(A) Separate toilet and handwashing facilities.

(B) Separate equipment and toys.

(C) Notwithstanding Section 101561(d), staff assigned exclusively to the care of children in each area/room.

(4) Sanitation procedures as specified in Section 101638.1 shall be followed.

(A) The licensee shall document, in the staff file, when staff must follow sanitation procedures as specified in Section 101638.1(d) to prevent the spread of illnesses.

(j) A Level II center may accept a child in the contagious stages of chicken pox or mumps if prior approval is obtained from the Department and the following conditions are met:

(1) In addition to Section 101626.1(b), prior to accepting the child the licensee shall obtain documentation from a physician or other health professional working under the supervision of a physician stating that, based on his/her knowledge of the isolation and separation procedures specified below, the child has been diagnosed and poses no serious health risk to the child or other children in care. This documentation shall be kept in the child's record.

(A) Verbal approval, with written follow–up, shall be acceptable if the procedures specified in Section 101626.1(f)(2) are followed.

(2) The child shall be isolated from children with other illnesses and cared for in a separate room with children having the same illness.

(A) Children with chicken pox and mumps shall not be cared for simultaneously in the same isolation room.

(3) Each isolation room shall include:

(A) A separate door to the outside of the center.

(B) Floor–to–ceiling walls.

(C) A separate ventilation system, preferably a positive airflow system.

(D) Separate toilet and handwashing facilities.

(E) Separate equipment and toys.

(F) Notwithstanding Section 101561(d), staff assigned exclusively to the care of children in each isolation room.

(4) Sanitation procedures as specified in Section 101638.1 shall be followed.

(A) The licensee shall document, in the staff file, when staff must follow sanitation procedures as specified in Section 101638.1(d) to prevent the spread of illnesses.

§ 101626.2. Child Care Center for Mildly Ill Children—Isolation for Illness.

(a) Notwithstanding Section 101226.2, the following shall apply:

(b) A center shall be equipped with an isolation area to care for any child as specified in Section 101626.2(c).

(1) The isolation area shall be physically separate from the indoor activity area and shall be located to afford easy observation of, and access to, children requiring isolation.

(2) The isolation area shall be equipped with a bed, cot, floor mat or couch for each child requiring isolation; and with a crib, cot or floor mat for each infant requiring isolation.

(3) The isolation area shall not be located in the kitchen, food–preparation or toilet areas.

(4) In combination centers with a Level I or Level II component for mildly ill children, only one isolation area that serves all of the child care center components is required.

(c) A child shall be isolated when any one of the following occurs:

(1) The child's condition worsens enough to warrant notifying the child's authorized representative as specified in Section 101626(b); or

(2) The child is determined to have any one of, or combination of, the conditions/symptoms/illnesses as specified in Section 101626.1(e); or

(3) The child is determined to possibly have one of the communicable diseases as specified in Sections 101626.1(g) and (h).

(d) The center shall ensure the isolation of each child within the isolation area when more than one child is present in the isolation area.

(e) Children in the isolation area shall be under the constant observation of a teacher who is present in the isolation area itself.

(f) A child shall remain in the isolation area only until the child's authorized representative can remove the child from the center as specified in Section 101626(b).

2. Change without regulatory effect amending section heading and section filed 10–26–98 pursuant to section 100, title 1, California Code of Regulations (Register 98, No. 44).

§ 101626.3. Child Care Center for Mildly Ill Children—Observation of the Child.

(a) In addition to Section 101226.3(a), and notwithstanding Section 101226.3(b), the following shall apply:

(b) Any changes in the child's behavior or any signs of the child's illness worsening shall be reported to the child's authorized representative and recorded in the child's record on the day they occur.

(c) If indicated by the nature of the child's illness at any time when the child is in care, staff shall record daily observations of the child's behavior and symptoms, including the date and time of the observation(s). The record of the observation(s) shall also include, but not be limited to, the following as appropriate:

(1) Behavior and activities, such as the child's state of alertness, type of complaints, frequency and length of sleep, and pattern of rest and play.

(2) Temperature.

(A) Any child with a body temperature of 100 F (37.8 C) (oral) or 101 F (38.3 C) (rectal or by ear) or 99 F (37.2 C) (axillary), or higher, shall have his/her body temperature taken during the day as follows:

1. For a child 0–1 years of age, within one hour of the original temperature; for a child 0–5 years of age, within two hours of the original temperature; and for a child 6–18 years of age, within three hours of the original temperature.

2. The child's temperature shall also be taken at intervals thereafter depending on the child's observed behavior and symptoms as specified in Section 101626.3(c).

(B) Body temperature shall be determined by using a thermometer with a disposable plastic (Probe) cover.

(3) Breathing.

(4) Vomiting.

(5) Amount of food and fluid intake.

(6) Color, consistency and number of bowel movements.

(7) Frequency of urination.

(A) Notations shall be made at least every four hours if the child has any of the following conditions/symptoms/illnesses:

1. Decreased appetite.
2. Vomiting.
3. Diarrhea as specified in Section 101626.1(e)(9).

(d) Recorded observations shall be in accordance with the center's admission policies and agreements; and in accordance with plans and procedures as specified in Section 101626, including the plan of care as specified in Section 101626(c).

§ 101628. Child Care Center for Mildly Ill Children—Personal Services.

(a) In addition to Section 101428, the following shall apply:

(b) Only disposable diapers shall be used unless cloth diapers are specified in the infant's or child's plan of care.

(c) If cloth diapers are used, they shall be used with an outer waterproof cover.

(1) When cloth diapers are changed, the soiled diaper and outer cover shall be removed at the same time and replaced with a clean diaper and outer cover.

(d) Notwithstanding Section 101428(d)(5), soiled or wet clothing or cloth diapers shall not be rinsed in a sink.

(1) Soiled or wet clothing or cloth diapers provided by the child's authorized representative shall be handled as specified in Section 101428(c).

(2) Soiled cloth diapers provided by the center shall be laundered and sanitized daily. If a diaper service is utilized, the diapers shall be placed in the diaper service company container, as instructed, for pickup by the diaper service.

§ 101630. Child Care Center for Mildly Ill Children—Activities.

(a) Notwithstanding Section 101230, the following shall apply:

(b) The licensee shall develop, maintain and implement a written plan to ensure the provision of indoor and outdoor activities designed to meet the needs of mildly ill children. Such activities shall include but not be limited to:

(1) Quiet and active play.

(2) Rest and relaxation.

(3) Eating.

(4) Toileting.

(5) Individual attention.

(6) Infants being held by care providers.

(c) The licensee shall ensure the participation of mildly ill children in the activities specified in Section 101630(b) as appropriate.

(d) Each child, unless it is not appropriate because of the nature of his/her illness, shall be given the opportunity to nap/sleep whenever he/she wishes without being disturbed by other activities at the center.

(1) No child shall be forced to sleep, to stay awake or to stay in the napping area.

Article 7. Physical Environment

§ 101638.1. Child Care Center for Mildly Ill Children—General Sanitation.

(a) Notwithstanding Section 101438.1, the following shall apply:

(b) Children shall not have access to items used by pets and animals.

(c) Staff and children shall wash their hands at appropriate times, including but not limited to:

(1) Before and after eating or handling food.

(2) After toileting or changing diapers.

(3) Whenever hands are contaminated with bodily fluids.

(d) The following handwashing procedures shall be used:

(1) Use soap and running water.

(A) Only dispenser soap, such as liquid or powder in an appropriate dispenser, shall be used.

(2) Rub hands together vigorously, washing all surfaces including wrists, backs of hands, between fingers and under fingernails.

(3) Rinse hands well.

(4) Dry hands with disposable paper towels.

(A) Only disposable paper towels in an appropriate holder or dispenser shall be used.

(5) When a water faucet can be turned off only by using hand controls, the faucet shall be turned off using a disposable paper towel instead of with bare hands only.

(6) The procedures specified in Sections 101638.1(d)(1) through (5) shall be posted at sinks used by staff.

(e) Washing, cleaning and sanitizing requirements for areas used by staff and children, or for areas that children have access to, shall include:

(1) Floors, except those carpeted, shall be vacuumed or swept and mopped with a disinfecting solution at least daily, or more often if necessary.

(2) Carpeted floors and large throw rugs that cannot be washed shall be vacuumed at least daily and cleaned at least every six months, or more often if necessary.

(A) Small rugs that can be washed shall be shaken or vacuumed at least daily and washed at least weekly, or more often if necessary.

(3) Walls and portable partitions shall be washed and disinfected at least monthly, or more often if necessary.

(4) When infants are in care, the diaper–changing area, where residue is splashed, shall be washed and disinfected after each diaper change. The immediate floor and wall areas shall also be kept clean.

(5) Sinks used to wash infants shall be washed and disinfected after each use.

(6) Sinks used for food preparation shall not be used to wash infants or to wash fecally contaminated hands.

(f) Objects used by children shall be washed and disinfected at least daily, or more often if necessary. Such objects shall include, but not be limited to, toys and blankets.

(g) Linens laundered by the center shall be washed and sanitized at least daily, or more often if necessary. Such linens shall include, but not be limited to, bedding, towels and washcloths used on or by children.

(1) Linens or clothing used on or by any child shall not be used on or by any other child without first being laundered and sanitized.

(h) A disinfecting solution, which shall be used after surfaces and objects have been cleaned with a detergent or other cleaner, shall be freshly prepared each day using 1/4 cup of bleach per gallon of water. Commercial disinfecting solutions, including one–step cleaning/disinfecting so-

lutions, shall be permitted and shall be used in accordance with label directions.

(i) All disinfectants, cleaning solutions, poisons and other hazardous materials shall be stored as specified in Section 101238.

§ 101638.3. Child Care Center for Mildly Ill Children—Indoor Activity Space.

(a) In addition to Section 101238.3, the following shall apply:

(b) In combination centers with a Level I or Level II component for mildly ill children, indoor activity space for the Level I or Level II component shall be physically separate from indoor activity space for any other child care center component.

(1) Physical separation shall include but not be limited to:

(A) Moveable partitions.

(B) Accordian wall dividers.

(C) Separate rooms.

(c) In the designated napping area, there shall be at least 15 square feet of indoor space for each child's bed, cot, floor mat or couch; and for each infant's crib, cot or floor mat.

(1) The square–footage requirement in Section 101638.3(c) shall be in addition to the requirement of 35 square feet of indoor activity space per child as specified in Section 101238.3.

(2) Napping equipment, unless separated by screens, shall be placed at least three feet apart when in use.

(3) The designated napping area shall be separate from the indoor activity area.

§ 102351.1. Specific Exemption.

The provisions of Chapter 1, General Requirements, shall not apply to family child care homes.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.72, 1596.73 and 1596.81, Health and Safety Code.

HISTORY

1. Editorial correction renumbering and amending former division 6, chapter 8.5 (sections 88001–88070, not consecutive) to new division 12, chapter 3 (articles 1–4 and 6, sections 102351.1–102423, not consecutive) filed 7–1–85; designated effective 7–1–85 (Register 85, No. 27).
2. Change without regulatory effect amending section filed 5–7–92 pursuant to section 100, title 1, California Code of Regulations (Register 92, No. 20).
3. Amendment filed 10–6–97; operative 11–5–97 (Register 97, No. 41).

§ 102352. Definitions.

(a)(1) "Adult" or "Substitute Adult" means a person who is 18 years of age or older.

(2) "Applicant" means any person or persons making an application for a license to operate a family child care home.

(3) "Assistant Provider" means a person at least 14 years of age who is primarily involved in caring for children during the hours that the home provides care.

(b) (Reserved)

(c)(1) "California Clearance" means an individual has no felony or misdemeanor convictions reported by the California Department of Justice. However, the individual may have been arrested with no criminal conviction, convicted of a minor traffic offense or adjudicated as a juvenile.

(2) "Capacity" means the maximum number of children for whom care is authorized at any one time.

(3) "Child" means a person, including an infant, who has not yet reached his or her eighteenth birthday.

(4) "Child Abuse Central Index" means the California Department of Justice maintained statewide, multi–jurisdictional, centralized index of child abuse investigation reports. These reports pertain to alleged incidents of physical abuse, sexual abuse, mental/emotional abuse and/or severe neglect. Each child protection agency (police, sheriff, county welfare and probation departments) is required by law to forward to the California Department of Justice a report of every child abuse incident it investigates, unless an incident is determined to be unfounded.

(5) "Child Abuse Central Index Clearance" means that the California Department of Justice has conducted a name search of the index and the search did not result in a match or the search resulted in a match but the California Department of Social Services determined after an investigation that the allegation of child abuse or neglect was not substantiated.

(6) "Completed Application" means that all required information and documentation has been provided to the Department, including the completed application form and, for a large family child care home, a fire clearance; and that a home visit has been completed.

(7) "Conviction" means:

(A) A criminal conviction in California, or

(B) Any criminal conviction of another state, federal, military or other jurisdiction, which if committed or attempted in California, would have been punishable as a crime in California.

(8) "Criminal Record Clearance" means an individual has a California clearance and an FBI clearance.

(d)(1) "Deficiency" means any failure to comply with any provision of the California Child Day Care Act (Health and Safety Code, Section 1596.70 et seq.) and or regulations adopted by the Department pursuant to the Act.

(2) "Department" means the State Department of Social Services. This term supersedes the term "licensing agency" as used in previous regulations.

(3) "Director" means the Director of Social Services.

(e) (Reserved)

(f)(1) "Family Day Care" or "Family Child Care" means regularly provided care, protection and supervision of children, in the caregiver's own home, for periods of less than 24 hours per day, while the parents or authorized representatives are away. The term "Family Child Care" supersedes the term "Family Day Care" as used in previous regulations.

(A) "Small Family Child Care Home" means a home that provides family child care for up to six children, or for up to eight children if the criteria in Section 102416.5(b) are met. These capacities include children under age 10 who live in the licensee's home.

(B) "Large Family Child Care Home" means a home that provides family child care for up to 12 children, or for up to 14 children if the criteria in Section 102416.5(c) are met. These capacities include children under age 10 who live in the licensee's home and the assistant provider's children under age 10.

(2) "Federal Bureau of Investigation (FBI) Clearance" means an individual has no felony or misdemeanor convictions reported by the FBI. The individual may also have been arrested with no criminal conviction, convicted of a minor traffic offense or adjudicated as a juvenile.

(g) (Reserved)

(h)(1) "Home" means the licensee's residence as defined by Government Code Section 244.

(i)(1) "Infant" means a child who has not yet reached his or her second birthday.

(j) (Reserved)

(k) (Reserved)

(*l*)(1) "License" means a written authorization by the Department or licensing agency to operate a family day care home.

(2) "Licensee" means an adult licensed to operate a Family Day Care Home and who is primarily involved in providing care for the children during the hours that the home provides care.

(3) "Licensing agency". See definition for Department.

(m)(1) "Medical Professional" means an individual who is licensed or certified in California to perform the necessary medical procedures within his/her scope of practice. This includes, but is not limited to, Medical Doctor (MD), Registered Nurse (RN) and Licensed Vocational Nurse (LVN).

(n) (Reserved)

(o) (Reserved)

(p)(1) "Parent" or "Authorized Representative" means any person or entity authorized by law to act on behalf or any child. Such person or entity may include but not be limited to a minor's parent, a legal guardian, a conservator or a public placement agency.

(2) "Provider" means anyone providing care to children as authorized by these regulations and includes the licensee, assistant provider or substitute adult.

(q) (Reserved)

(r)(1) "Rehabilitation" means the effort to reestablish good character since the date of the last conviction, including, but not limited to, education, counseling or therapy, training, stable employment, restitution, remorse, changes in lifestyle, or community service.

(2) "Relative" means spouse, parent, stepparent, son, daughter, brother, sister, stepbrother, stepsister, half–brother, half–sister, uncle, aunt, niece, nephew, first cousin or any such person denoted by the prefix "grand" or "great" or the spouse of any of the persons specified in this definition, even after the marriage has been terminated by death or dissolution.

(s)(1) "Simplified Exemption" means an exemption granted on the Department's own motion, as authorized in Health and Safety Code Sec-

tion 1596.871(c)(3), if the individual's criminal history meets specific criteria established by Department regulation.

7. Amendment refiled 11-12-2003 as an emergency; operative 11-12-2003 (Register 2003, No. 46). A Certificate of Compliance must be transmitted to OAL by 3-11-2004 or emergency language will be repealed by operation of law on the following day.
8. Amendment refiled 3-11-2004 as an emergency; operative 3-11-2004 (Register 2004, No. 11). A Certificate of Compliance must be transmitted to OAL by 7-9-2004 or emergency language will be repealed by operation of law on the following day.
9. Certificate of Compliance as to 3-11-2004 order, including further amendment of section, transmitted to OAL 7-9-2004 and filed 8-20-2004 (Register 2004, No. 34).

Article 2. Licensing

§ 102357. Operation Without a License.

(a) If the Department has reason to believe that family child care is being provided without a license, the licensing agency shall:

(1) Conduct a site visit to:

(A) Determine whether the home is operating without a license.

(B) Determine whether continued operation of the facility will be dangerous to the health and safety of the children in care.

(2) Notify the unlicensed provider in writing of the requirements for such licensure.

(3) Issue a Notice of Operation in Violation of Law if it is found and documented that continued operation of the family child care home will be dangerous to the health and safety of the children. Situations endangering the health and safety of the children shall include, but not be limited to:

(A) Evidence of physical or mental abuse.

(B) Children left unattended or left with a minor.

(C) Clear evidence of unsanitary conditions.

(D) Fire safety/fire hazards.

(E) Unfenced or accessible pools or other bodies of water.

(F) Hazardous physical plant.

(4) Issue a Notice of Operation in Violation of Law if the unlicensed provider does not apply for a license within 15 working days from the date of notification.

(b) The Department shall have the authority to issue an immediate civil penalty pursuant to Section 102393 and Section 1596.891 of the Health and Safety Code which provides:

(1) A person who violates Section 1596.80 of the Health and Safety Code may be liable for an immediate assessment of civil penalties in the amount of two hundred dollars ($200) per day.

(2) The penalty specified in Section 102357(b)(1) shall be imposed if the operator of an unlicensed facility refuses to seek licensure or the operator seeks licensure and is denied but continues to operate.

(c) Section 102357 shall be applied pursuant to Section 1596.892 of the Health and Safety Code.

§ 102358. License Exemptions.

(a) Licensure is required before family child care is provided except in the following situations relative to family child care homes as specified in Health and Safety Code Section 1596.792:

(1) Any family day care home providing care for the children of only one family in addition to the operator's own children.

(2) Any cooperative arrangement between parents for the care of their children where no payment is involved and the arrangement meets all of the following conditions:

(A) In a cooperative arrangement, parents shall combine their efforts so that each parent, or set of parents, rotates as the responsible care giver with respect to all the children in the cooperative.

(B) Any person caring for children shall be a parent, legal guardian, stepparent, grandparent, aunt, uncle, or adult sibling of at least one of the children in the cooperative.

(C) There can be no payment of money or receipt of in-kind income in exchange for the provision of care. This does not prohibit in-kind contributions of snacks, games, toys, blankets for napping, pillows and other materials parents deem appropriate for their children. It is not the intent of this paragraph to prohibit payment for outside activities, the amount of which may not exceed the actual cost of the activity.

(D) No more than 12 children are receiving care in the same place at the same time.

(3) Any arrangement for the receiving and care of children by a relative.

§ 102369. Application for Initial License.

(a) To apply for a license to operate a family child care home, an applicant shall file a written application with the Department, on forms provided or approved by the Department.

(b) The applicant shall provide all of the following information at the time of submission of the application:

(1) Name, address, telephone number and confirmation that the applicant is 18 years of age or over.

(2) Age and number of children to whom care will be provided.

(3) Name and age of every person residing in the home where care is to be provided.

(4) A statement that the applicant will comply with all regulations and laws governing family child care homes.

(5) When applying for a license as a large family child care home, substantiation that the provider has at least one year of experience as a regulated small family child care home operator; or one year of experience as an administrator or director of, or as a teacher at, a licensed child care center.

(A) Waiver of this requirement shall be considered by the director upon finding that the applicant has sufficient qualifying experience.

(6) A brief statement confirming that the applicant is financially secure to operate a family child care home for children. The Department shall not require any other specific or detailed financial disclosure.

(7) Evidence that the small family child care home contains a fire extinguisher and smoke detector device which meet standards established by the State Fire Marshal under Section 1597.45(d) of the Health and Safety Code or evidence that the large family child care home meets the standards established by the State Fire Marshal under Section 1597.46(d) of the Health and Safety Code.

(8) Pursuant to Section 102370(a), the fingerprints of any applicant for a family day care home license, and the following adults:

(A) Any person, other than a child, residing in the facility.

(B) Any person who provides care and supervision to the children.

(C) Any staff person or employee who has contact with the children.

(9) Evidence of a current tuberculosis clearance, not more than one year prior to or seven days after initial presence in the home, for any adult in the home during the time that children are under care.

(10) Name, address and telephone number of the city or county fire department, the district providing fire protection services, or the State Fire Marshal's Office having jurisdiction where the Family Day Care Home is located.

(c) Prior to filing an application, the applicant shall attend an orientation provided by the licensing agency.

(1) The orientation shall cover, but not be limited to, the following areas:

(A) Completion of the application for license.

(B) Scope of operation subject to regulation by the Department.

HISTORY

1. Change without regulatory effect repealing Section 102369.1 (Register 86, No. 29).

§ 102370. Criminal Record Clearance.

(a) Prior to the Department issuing a license, the applicant(s) and all adults residing in the home shall obtain a California criminal record clearance or exemption.

(b) The following individuals are exempt from the requirement to submit fingerprints:

(1) A volunteer who is a relative, legal guardian, or foster parent of a child in the facility.

(2) A volunteer that provides time–limited specialized services if all of the following apply:

(A) The volunteer is directly supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(B) The volunteer spends no more than 16 hours per week at the facility.

(C) The volunteer is not left alone with children in care.

(3) A student who is enrolled or participating at an accredited educational institution if all of the following apply:

(A) The student is directly supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(B) The facility has an agreement with the educational institution concerning the placement of the student.

(C) The student spends no more than 16 hours per week at the facility.

(D) The student is not left alone with the children in care.

(4) A third–party repair person, or similar retained contractor, if all of the following apply:

(A) The individual is hired for a defined, time–limited job.

(B) The individual is not left alone with children.

(C) When children are present in the room in which the repairperson or contractor is working, a staff person who has a criminal record clearance or exemption is also present.

(5) A medical professional, as defined in Section 102352(m)(1), who holds a valid license or certification from the individual's governing California medical care regulatory entity if all of the following apply:

(A) The criminal record of the individual has been cleared as a condition of licensure or certification by the individual's California medical care regulatory entity.

(B) The individual is providing time-limited specialized clinical care or services.

(C) The individual is providing care or services within the individual's scope of practice.

(D) The individual is not a community care facility licensee and is not employed, retained, or contracted by the licensee.

(6) Employees of a licensed home health agency who have a contract with a child's parent or guardian and are in the facility at the request of that parent or guardian.

(A) The exemption shall not apply to an individual who is employed, retained or contracted by the licensee.

(7) An attendant or facilitator for a child with a developmental disability who is visiting the client or providing direct care and supervision to the child.

(A) The exemption shall not apply to an individual who is employed, retained or contracted by the licensee.

(c) All individuals subject to a criminal record review shall be fingerprinted and sign a Criminal Record Statement (LIC 508 [Rev. 1/03]) under penalty of perjury.

(1) A person signing the LIC 508 must:

(A) Declare whether he/she has been convicted of a crime, other than a minor traffic violation as specified in Section 102370(g) regardless of whether the individual was granted a pardon for the conviction, received an expungement pursuant to Penal Code 1203.4 or the individual's record was sealed as a result of a court order.

(B) If convicted of a crime other than a minor traffic violation as specified in Section 102370(g), provide information regarding the conviction.

(2) The licensee shall submit these fingerprints to the California Department of Justice along with a second set of fingerprints for the purpose of searching the records of the Federal Bureau of Investigation, or comply with Section 102370(j) prior to the individual's employment, residence, or initial presence in the child care home.

(A) Fingerprints shall be submitted to the California Department of Justice by the licensee or sent by electronic transmission to the California Department of Justice by a fingerprinting entity approved by the California Department of Social Services.

(B) A licensee or an applicant for a license may not submit, or enable another to submit under the licensee's or the applicant's authority, the fingerprints of any person who does not, or whom the licensee or applicant reasonably believes will not reside, provide care and supervision to, or have contact with clients at the licensee's or applicant's facility.

1. If the Department determines that the licensee or applicant has violated Section 102370(c)(2)(B), the Department may immediately cease processing criminal record and Child Abuse Central Index clearances for the facility until the licensee or applicant complies with this section or a disciplinary proceeding is completed.

2. The licensee shall then submit the fingerprints to the California Department of Justice for processing.

(d) All individuals subject to a criminal record review pursuant to Health and Safety Code Section 1596.871 shall prior to working, residing or volunteering in a licensed facility:

(1) Obtain a California clearance or a criminal record exemption as required by the Department or

(2) Request a transfer of a criminal record clearance as specified in Section 102370(j) or

(3) Request and be approved for a transfer of a criminal record exemption, as specified in Section 102370.1(p), unless, upon request for a transfer, the Department permits the individual to be employed, reside or be present at the facility.

(e) Violation of Section 102370(d) will result in a citation of a deficiency and an immediate assessment of civil penalties of one hundred dollars ($100) per violation per day for a maximum of five (5) days by the Department.

(1) Subsequent violations within a twelve (12) month period will result in a civil penalty of one hundred dollars ($100) pre violation per day for a maximum of thirty (30) days.

(2) The Department may assess civil penalties for continued violations as permitted by Health and Safety Code Section 1596.99.

(f) Violation of Section 102370(d) may result in a denial of the license application or suspension and/or revocation of the license.

(g) If the criminal record transcript of any individuals specified in the Health and Safety Code Section 1596.871(b) discloses a plea or verdict of guilty or a conviction following a plea of nolo contendere for a crime other than a minor traffic violation for which the fine was less than $300, and an exemption pursuant to Section 102370.1(a) has not been granted, Department shall take the following actions:

(1) For initial applicants, denial of the application.

(2) For current licensees, the Department may institute an administrative action, including, but not limited to, revocation of the license.

(3) For current employees, exclude the affected individual pursuant to Health and Safety Code Section 1596.8897, and deny the application or revoke the license, if the individual continues to provide services and/or reside at the facility.

(4) For individuals residing in the facility, licensee or employee, exclusion of the affected individual pursuant to Health and Safety Code Section 1596.8897, and denial of the application or revocation of the license, if the individual continues to provide services and/or reside in the facility.

(h) If the conviction was for another crime, except a minor traffic violation, the Department shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered.

(i) A licensee or applicant for a license may request a transfer of a criminal records clearance from one state licensed facility to another, or from TrustLine to a state licensed facility by providing the following documents to the Department:

(1) A signed Criminal Background Clearance Transfer Request, LIC 9182 (Rev. 4/02).

(2) A copy of the individual's:

(A) Driver's license, or

(B) Valid identification card issued by the Department of Motor Vehicles, or

(C) Valid photo identification issued by another state or the United States government if the individual is not a California resident.

(3) Any other documentation required by the Department (e.g., LIC 508, Criminal Record Statement [Rev. 1/03] and job description).

(j) A criminal record clearance may be transferred between state and county licensing agencies or between county licensing agencies provided:

(1) The transfer is to the same facility type.

(2) The individual and the licensing agency that processed the clearance submit a Substitute Agency Notification Request (BCII 9002) to the receiving licensing agency.

(3) The receiving licensing agency submits the Substitute Agency Notification Request (BCII 9002) to the Department of Justice.

(4) The Department of Justice approves the request and returns a completed BCII 9002 to the receiving agency.

(k) The licensee shall maintain documentation of criminal record clearances or criminal record exemptions of employees, volunteers that require fingerprinting and non-client adults residing in the facility.

(l) Documentation shall be available for inspection by the Department.

(l) The Department may seek verification from a law enforcement agency or court of an individual's criminal record as reported to the Department from any member of the public or affected individual.

(l) Upon obtaining confirmation from a law enforcement agency or court of the offense, the Department shall proceed as if this criminal record information was provided by the California Department of Justice.

(n) If the Department determines that any licensee or individual specified in Health and Safety Code Section 1596.871(b) is arrested for a crime for which, if convicted, an individual is not eligible, by law, to receive an exemption, pending completion of its investigation into the facts underlying the arrest, the Department may take the following actions as it deems necessary:

(1) If the arrested individual is a licensee, the Department may notify the licensee, by telephone or in writing, to immediately cease operation for up to 30 days.

(2) If the individual arrested is not a licensee, the Department may notify the licensee and the individual associated with the facility, by telephone or in writing, that the individual may not be present in the facility for up to 30 days.

(3) If the individual arrested is the licensee's spouse or a dependent adult that resides in the licensee's home, the Department may notify the licensee, by telephone or in writing, to immediately cease operation for up to 30 days.

(o) After the Department notifies the licensee, pursuant to Section 102370(n)(1) or (n)(3), or the individual pursuant to Section 102370(n)(2), he or she may present a written appeal that:

(1) he or she is not the individual who was arrested,

(2) he or she has not been arrested for a crime that by law an individual is not eligible to receive an exemption, or

(3) he or she was arrested for a crime that by law an individual is not eligible to receive an exemption but the charges have been dropped or reduced to a crime that by law an individual would be eligible to receive an exemption.

The appeal shall contain the licensee's or individual's current address and telephone number. After the Department receives the appeal and any supporting documentation, it shall review the appeal and notify the licensee or individual of its decision within five (5) working days.

(p) Should the Department determine at any time during the 30 days referred to in Sections 102370(n)(1), (n)(2), and (n)(3) that the criminal charges have been dropped or reduced to a charge for a crime that by law an individual would be eligible to receive an exemption, the Department shall immediately rescind the notice.

(q) Nothing in this section shall be interpreted to supercede the Department's authority under Sections 1596.886 and 1596.8897 of the Health and Safety Code.

§ 102370.1. Criminal Record Exemptions.

(a) The Department will notify a licensee to act immediately to remove from the facility or bar from entering the facility any person described in Sections 102370.1(a)(1) through (5) below while the Department considers granting or denying an exemption. Upon notification, the licensee shall comply with the notice.

(1) Any person who has been convicted of, or is awaiting trial for, a sex offense against a minor;

(2) Any person who has been convicted of a felony;

(3) Any person who has been convicted of an offense specified in Sections 243.4, 273a, 273d, 273g, or 368 of the Penal Code or any other crime specified in Health and Safety Code Section 1596.871(c)(2);

(4) Any person who has been convicted of any crime specified below:

(A) Battery

(B) Shooting at Inhabited Dwelling

(C) Corporal Injury on Spouse/Cohabitant

(D) Discharging Firearm with Gross Negligence

(E) Exhibiting Weapon/Firearm

(F) Threat to Commit a Crime Resulting in Gross Bodily Injury or Death

(G) Criminal Threat to Harm or Injure Another Person

(H) Cruelty to Animals

(I) Willful Harm or Injury to Child; or

(5) Any other person ordered to be removed by the Department.

(6) The Department may assess a civil penalty of $50 per day for failure to comply with Section 102370.1(a).

(b) In addition to the requirements of Section 102370.1(a), the licensee must:

(1) Return the confirmation of removal form that is sent by the Department, within five (5) days of the date of the form, that confirms under penalty of perjury that the individual has been removed from the facility.

(A) Confirmation must be made on either a Removal Confirmation — Exemption Needed, LIC 300A (Rev. 9/03), Removal Confirmation — Denial, LIC 300B (Rev. 9/03), Removal Confirmation — Rescinded, LIC 300C (Rev. 9/03), or Removal Confirmation — Nonexemptible, LIC 300D (Rev. 9/03).

(B) The Department may assess a civil penalty of $50 per day for failure to comply with Section 102370.1(b).

(2) Provide a copy of the Addendum to Notification of Parent's Rights (Regarding Removal/Exclusion) (LIC 995B Rev. 05/03) to one parent or authorized representative of every child currently in care within one day of receipt of the addendum from the Department.

(A) Upon notice from the Department that the individual may return to the facility, provide a copy of the Addendum to Notification of Parent's Rights (Regarding Reinstatement) (LIC 995C Rev. 05/03) to one parent or authorized representative of every child in care within one day of receipt of the notice and addendum from the Department.

(3) Obtain a signed and dated receipt from one parent or authorized representative that acknowledges that he/she was given a copy of the addendum specified in 102370.1(b)(2) and (2)(A).

(4) Maintain copies of the signed and dated receipt required in Section 102370.1(b)(3) in each child's file. Copies shall be made available to the Department upon request.

(c) If it is found that the applicant or any other person residing at or regularly in the home during the hours of care, has ever been convicted of a crime other than a minor traffic infraction as specified in Section 102370.1(b), the application for licensure shall be denied or the license shall be revoked, unless the following apply:

(1) Such person has been granted a full and unconditional pardon for the offense, by the governor.

(2) After a review of the criminal record transcript, the Department may grant an exemption from Section 102370(d) if:

(A) The applicant/licensee requests an exemption for himself or herself, or

(B) The applicant/licensee requests an exemption in writing for a individual associated with the facility, or

(C) The applicant/licensee chooses not to seek an exemption on the affected individual's behalf, and the affected individual requests an individual exemption in writing, and

(D) The affected individual presents substantial and convincing evidence satisfactory to the Department that he/she has been rehabilitated and presently is of such good character as to justify being issued or maintaining a license, employment or residence in a licensed facility.

(3) The Department shall consider factors, including, but not limited to, the following, as evidence of good character and rehabilitation:

(A) The nature of the offense committed including, but not limited to, whether it involved violence or a threat of violence to others.

(B) Time elapsed since the offense was committed, and the number of offenses.

(C) Circumstances surrounding the commission of the crime that would demonstrate the unlikelihood of repetition.

(D) Activities since conviction, such as employment, education, or participation in therapy, that would indicate rehabilitation.

(E) Character references.

1. All character references shall be on a Reference Request form (LIC 301E — Exemptions [Rev. 7/03]).

(F) A Certificate of Rehabilitation from a Superior Court.

(G) Evidence of honesty and truthfulness as revealed in exemption application documents.

1. Documents include, but are not limited to:

a. A Criminal Record Statement (LIC 508, Criminal Record Statement [Rev. 1/03]) and

b. The individual's written statement/explanation of the conviction and the circumstances about the arrest.

(H) Evidence of honesty and truthfulness as revealed in exemption application interviews and conversations with the Department.

(4) The Department shall also consider the following factors in evaluating a request for an exemption:

(A) Facility and type of association.

(B) The individual's age at the time the crime was committed.

(d) To request a criminal record exemption, licensee or license applicants must submit information that indicates that the individual meets the requirements of Section 102370.1(c)(2)(D). The Department will notify the licensee or license applicant and the affected individual, in concurrent, separate notices, that the affected individual has a criminal conviction and needs to obtain a criminal record exemption.

(1) The notice to the affected individual shall include a list of the conviction(s) that the Department is aware of at the time the notice is sent that must be addressed in an exemption request.

(2) The notice will list the information that must be submitted to request a criminal record exemption.

(3) The information must be submitted within forty-five (45) days of the date of the Department's notice.

(A) Individuals who submit a criminal record exemption request shall cooperate with the Department by providing the information required by Section 102370.1(c)(2)(D) and any information requested by the Department, including, but not limited to, police reports and certified court documents to process the exemption request, pursuant to Section 102370.1(c)(3).

(B) If the individual for whom the criminal record exemption is requested is an employee or resident other than a spouse or dependent family member and the licensee/license applicant does not submit the information listed in the Department's written notice within 45 days of the date of the notice, the Department may cease processing the exemption request and close the case.

(C) If the individual for whom the criminal record exemption is requested is an applicant, licensee, spouse or dependent family member and the licensee/license applicant does not submit the information listed in the Department's written notice within 45 days of the date of the notice, the Department may deny the exemption request.

(D) Individuals may request a criminal record exemption on their own behalf if the licensee or license applicant:

1. Chooses not to request the exemption and

2. Chooses not to employ or terminates the individual's employment after receiving notice of the individual's criminal history, or

3. Removes the individual who resides in the facility after receiving notice of the individual's criminal history.

(e) The Department may deny an exemption request if:

(1) The licensee and/or the affected individual fails to provide documents requested by the Department or

(2) The licensee and/or the affected individual fails to cooperate with the Department in the exemption process.

(f) The reasons for any exemption granted or denied shall be in writing and kept by the Department.

(g) The Department has the authority to grant a criminal record exemption that places conditions on the individual's continued licensure, and employment or presence in a licensed facility.

(h) It shall be conclusive evidence that the individual is not of such good character as to justify issuance of an exemption if the individual:

(1) Makes a knowingly false or misleading statement regarding:

(A) Material relevant to their application for a criminal record clearance or exemption,

(B) His or her criminal record clearance or exemption status to obtain employment or permission to be present in a licensed facility, after the Department has ordered that they be excluded from any or all licensed facilities, or

(C) His or her criminal record clearance or exemption status in order to obtain a position with duties that are prohibited to him/her by a conditional exemption; or

(2) Is on probation or parole.

(A) If the individual is currently on probation, and provides sufficient proof that the probationary period(s) is informal, unsupervised and no probation officer is assigned, the Department may, in its discretion, grant a criminal record exemption notwithstanding Section 102370.1(h)(2).

(i) The Department shall consider granting a criminal record exemption for an individual when the individual's criminal record history meets all of the applicable criteria specified in Sections 102370.1(i)(1) through (6) and the individual provides the Department with substantial and convincing evidence of good behavior as specified in Section 102370.1(c)(2)(D). For purposes of this section, a violent crime is a crime that, upon evaluation of the code section violated and/or the reports regarding the underlying offense, presents a risk of harm or violence.

(1) The individual has been convicted of one nonviolent misdemeanor, and one year has lapsed since completing the most recent period of incarceration or probation.

(2) The individual has been convicted of two or more nonviolent misdemeanors and four consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.

(3) The individual has been convicted of one or more violent misdemeanors and 15 consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.

(4) The individual has been convicted of one nonviolent felony and four consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.

(5) The individual has been convicted of two or more nonviolent felonies and ten consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.

(6) The individual has not been convicted of a violent felony.

(7) If the individual is currently on probation, and provides sufficient proof that the probationary period(s) is informal, unsupervised and no probation officer is assigned, the period of lapsed time required in Sections 102370.1(i)(1) through (5) above shall begin from the last date of conviction(s).

(j) It shall be a rebuttable presumption that an individual is not of such good character as to justify the issuance of an exemption if the individual fails to meet the requirements specified in Sections 102370.1(i)(1) through (6).

(k) The Department shall not grant an exemption if the individual has a conviction for any offense specified in Section 1596.871(f) of the Health and Safety Code.

(*l*) The Department shall consider granting a simplified criminal record exemption if the individual has the criminal history profile outlined in Sections 102370.1(*l*)(1) through (4) below:

(1) The individual does not have a demonstrated pattern of criminal activity;

(2) The individual has no more than one conviction;

(3) The conviction is a misdemeanor and is a crime that is nonviolent and does not pose a risk of harm to an individual; and

(4) It has been at least five consecutive years since the completion of the most recent period of incarceration or supervised probation.

(m) At the Department's discretion, an individual who is otherwise eligible for a simplified exemption may be required to go through the standard exemption process if the Department determines such action will help to protect the health and safety of clients.

(n) If the Department denies or cannot grant a criminal record exemption the Department will:

(1) For initial applicants, deny the application.

(2) For current licensees, the Department may institute an administrative action, including, but not limited to, revocation of the license.

(3) For current employees, exclude the affected individual pursuant to Health and Safety Code Section 1596.8897, deny the application or revoke the license, if the individual continues to provide services and/or reside at the facility.

(4) For individuals residing in the facility or the licensee, exclude the affected individual pursuant to Health and Safety Code Section 1596.8897, deny the application or revoke the license, if the individual continues to provide services and/or reside at the facility.

(5) Exemption denial notices shall specify the reason the exemption was denied.

(o) If a request for an exemption has been denied, the individual shall be excluded for a period of two years unless the individual has been convicted of a crime for which no exemption may be granted pursuant to Section102370.1(m). If a request for an exemption has been denied based on a conviction of a crime for which no exemption may be granted, the individual shall be excluded for the remainder of the individual's life.

(1) If the Department determines during the review of an exemption request, that the individual was denied an exemption for a conviction of a crime for which an exemption may be granted within the preceding two years, the Department shall cease any further review of the request until two years have elapsed from the date of the denial. In cases where the individual requested a hearing on an exemption denial, the Department shall cease review of the request for an exemption until two years from the effective date of the decision and order of the Department upholding the denial. In cases where the individual submitted a petition for reinstatement or reduction in penalty pursuant to Government Code Section 11522 that was denied, the Department shall cease review of the request for an exemption until two years from the effective date of the decision and order of the Department denying the petition.

(2) An exclusion order based solely upon a denied exemption shall remain in effect and the individual shall not be employed in or present in a licensed facility or certified home, unless either a petition or an exemption is granted.

(3) If an individual who has previously been denied an exemption reapplies after the relevant time period described in Section 102370.1(o)(1) above, the Department may, in accordance with the provisions in Section 102370.1 et seq., grant or deny the subsequent request for an exemption.

(4) If an individual submits a petition pursuant to Government Code Section 11522 for reinstatement or reduction of penalty for an exclusion, an individual must submit his/her fingerprints through an electronic fingerprinting system approved by the Department and submit to the Department a statement of the reason why the individual should be permitted to work or be present in a facility, along with all information required of an individual requesting a criminal record exemption as provided in Section 102370.1. If it is determined, based upon information provided by the Department of Justice, that the individual has been convicted of a crime for which no exemption may be granted, the petition shall be denied. An individual's failure to submit fingerprints or other information as requested by the Department, shall be grounds for denial of the petition. The burden shall be on the petitioner to prove sufficient rehabilitation and good character to justify the granting of the petition.

(p) A licensee or applicant for a license may request a transfer of a criminal record exemption from one state licensed facility to another by providing the following documents to the Department:

(1) A signed Criminal Record Exemption Transfer Request, LIC 9188 (Rev. 9/03).

(2) A copy of the individual's:

(A) Driver's license, or

(B) Valid identification card issued by the Department of Motor Vehicles, or

(C) Valid photo identification issued by another state or the United States Government if the individual is not a California resident.

(3) Any other documentation required by the Department (e.g., LIC 508, Criminal Record Statement [Rev. 1/03] and job description).

(q) The Department may consider factors including, but not limited to, the following in determining whether or not to approve the transfer of an exemption from one facility to another:

(1) The basis on which the Department granted the exemption;

(2) The nature and frequency of client contact in the new position;

(3) The category of facility where the individual wishes to transfer;

(4) The type of clients in the facility where the individual wishes to transfer;

(5) Whether the exemption was appropriately evaluated and granted in accordance with existing exemption laws or regulations; or

(6) Whether the exemption meets current exemption laws or regulations.

(r) If the Department denies the individual's request to transfer a criminal record exemption, the Department shall provide the individual and the licensee with written notification that states the Department's decision and informs the affected individual of their right to an administrative hearing to contest the Department's decision.

(s) A criminal record exemption may be transferred between state and county licensing agencies or between county licensing agencies provided:

(1) The transfer is to the same facility type.

(2) The individual and the licensing agency that processed the exemption submit a Substitute Agency Notification Request (BCII 9002) to the receiving licensing agency.

(3) The receiving licensing agency submits the Substitute Agency Notification Request (BCII 9002) to the Department of Justice.

(4) The Department of Justice approves the request and returns a completed BCII 9002 to the receiving agency.

(5) The licensing agency approves the exemption transfer after considering the following:

(A) The basis on which the licensing agency granted the exemption;

(B) Whether the exemption was appropriately evaluated and granted.

(t) At the Department's discretion, an exemption may be rescinded if it is determined that:

(1) The exemption was granted in error or

(2) The exemption does not meet current exemption laws or regulations or

(3) The conviction for which an exemption was granted subsequently becomes non–exemptible by law.

(u) The Department may rescind an individual's criminal record exemption if the Department obtains evidence showing that the individual engaged in conduct which is inconsistent with the good character requirement of a criminal record exemption, as evidenced by factors including, but not limited to, the following:

(1) Violations of licensing laws or regulations;

(2) Any conduct by the individual that indicates that the individual may pose a risk to the health and safety of any individual who is or may be a client;

(3) Nondisclosure of a conviction or evidence of lack of rehabilitation that the individual failed to disclose to the Department, even if it occurred before the exemption was issued; or

(4) The individual is convicted of a subsequent crime.

(v) If the Department rescinds an exemption the Department shall:

(1) Notify the licensee and the affected individual in writing; and

(2) Initiate an administrative action.

(w) If the Department learns that an individual has been convicted of a crime after obtaining a criminal record clearance or exemption, the Department, at its sole discretion, may initiate an administrative action to protect the health and safety of clients.

§ 102370.2. Child Abuse Central Index.

(a) Prior to issuing a license for a family child care home, the Department shall check the Child Abuse Central Index (CACI) pursuant to Health and Safety Code Section 1596.877 and Penal Code Section 11170(b)(3). The Department shall check the CACI for the applicant(s) and all individuals subject to a criminal record review pursuant to Health and Safety Code Section 1596.871(a) and shall have the authority to approve or deny a facility license, employment, residence or presence in the facility based on the results of the review.

(1) The applicant shall submit the Child Abuse Central Index checks (LIC 198A [3/99] for state licensed facilities and LIC 198 [02/01] for county licensed facilities) for all individuals required to be checked directly to the California Department of Justice at the same time that the individual's fingerprints are submitted for a criminal background check as required by Section 102370(c)(2).

(A) Individuals who have submitted the Child Abuse Central Index check (LIC 198A [3/99]) for state licensed facilities and LIC 198 [4/99] for county licensed facilities) with fingerprints on or after January 1, 1999 need not submit a new check if the individual can transfer their criminal record clearance or exemption pursuant to Section 80019(e) or Section 80019.1(f).

(2) The Department shall investigate any reports received from the CACI. The investigation shall include, but not be limited to, the review of the investigation report and file prepared by the child protective agency that investigated the child abuse report. The Department shall not deny a license based upon a report from the CACI unless the Department substantiates the allegation of child abuse.

(b) Subsequent to licensure, all individuals subject to a criminal record review, pursuant to Health and Safety Code Section 1596.871 shall complete a Child Abuse Central Index check (LIC 198A [3/99]) for state licensed facilities and LIC 198 [02/01] for county licensed facilities), prior to employment, residence or initial presence in the family child care home.

(1) The licensee shall submit the Child Abuse Central Index checks (LIC 198A [3/99] for state licensed facilities and LIC 198 [02/01] for county licensed facilities) directly to the California Department of Justice at the same time that the individual's fingerprints are submitted for a criminal background check as required by Section 102370(c)(2).

(A) Individuals who have submitted the Child Abuse Central Index check (LIC 198A [3/99]) for state licensed facilities and LIC 198 [4/99] for county licensed facilities) with fingerprints on or after January 1, 1999 need not submit a new check if the individual can transfer their criminal record clearance or exemption pursuant to Section 80019(e) or Section 80019.1(f).

(2) The Department shall check the Child Abuse Central Index (CACI) pursuant to Penal Code Section 11170(b)(3). The Department shall investigate any reports received from the CACI. The investigation shall include, but not be limited to, the review of the investigation report and file prepared by the child protective agency that investigated the child abuse report. The Department shall not deny a license or take any other administrative action based upon a report from the CACI unless the Department substantiates the allegation of child abuse.

(3) The Department shall investigate any subsequent reports received from the CACI. The investigation shall include, but not be limited to, the review of the investigation report and file prepared by the child protective agency that investigated the child abuse report. The Department shall not revoke a license or take any other administrative action based upon a report from the CACI unless the Department substantiates the allegation of child abuse.

Article 4. Enforcement Provisions

§ 102391. Inspection Authority of the Department.

(a) Any duly authorized officer, employee, or agent of the Department shall, upon presentation of proper identification, enter and inspect any place providing personal care, supervision, and services at any time, with or without advance notice, to secure compliance with, or to prevent a violation of, the regulations adopted by the Department governing family child care homes, and in accordance with Section 102396.

(b) The licensee shall permit the Department to inspect the family child care home, and to privately interview children or staff, to determine compliance with or to prevent violations of family child care laws or regulations. The Department shall exercise this authority as specified in Health and Safety Code Section 1596.8535(a).

(c) The licensee shall permit the Department to inspect any part of the family child care home in which family child care services are provided or to which children have access.

(d) The licensee shall permit the Department to inspect, audit, and copy children's records or other family child care home records upon demand during normal business hours. Records may be removed if necessary for copying. Removal of records shall be subject to the following requirements:

(1) Licensing representatives shall not remove the following current records unless the same information is otherwise readily available in another document or format:

(A) Current emergency information cards for current children in care as specified in Section 102417(g)(7).

(B) The current roster of children in care as specified in Section 102417(g)(8).

(C) Children's immunization records as specified in Section 102418(g).

(D) Documentation of completion of health and safety training by the licensee and other personnel as specified in Sections 102368(d) and 102416(c).

(E) Any other records containing current emergency or health-related information for current children in care or staff.

(2) Prior to removing any records, a licensing representative shall prepare a list of the records to be removed, sign and date the list upon removal of the records, and leave a copy of the list with the licensee or designated substitute.

(3) Licensing representatives shall return the records undamaged and in good order within three business days following the date the records were removed.

§ 102392. Site Visits.

(a) Site visits to family child care homes shall be conducted as specified in Health and Safety Code Sections 1596.8535(a) [as referenced in Section 102391(b)] and 1597.55a.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.81(b), 1596.852, 1597.55a and 1597.55b, Health and Safety Code; and Section 18285.5, Welfare and Institutions Code.

HISTORY

1. Renumbering of former section 102396 to new section 102392, including amendment of section and NOTE, filed 10–6–97; operative 11–5–97 (Register 97, No. 41).
2. Repealer and new section and amendment of NOTE filed 5–9–2005; operative 6–8–2005 (Register 2005, No. 19).

§ 102393. Unlicensed Facility Penalties.

(a) A penalty of $200 per day shall be assessed for the operation of an unlicensed facility under either of the following conditions:

(1) The operator has not submitted a completed application for licensure within 15 calendar days of issuance of a Notice of Operation in Violation of Law pursuant to Section 102357, and continues to operate.

(A) For purposes of this section, an application shall be deemed completed if it includes the information required in Section 102369.

(B) The completed application shall be deemed to be submitted when received by the licensing agency.

(2) Unlicensed operation continues after denial of the initial application.

(A) Notwithstanding any appeal action, facility operation must cease within 10 calendar days of the mailing of the notice of denial or upon receipt of the denial notice by the operator, whichever occurs first.

(b) The $200 per day penalty shall be assessed for the continued operation of an unlicensed facility as follows:

(1) On the 16th calendar day after the operator has been issued the Notice of Operation in Violation of Law, and has not submitted a completed application as required.

(A) The $200 per day penalty shall continue until the operator ceases operation or submits a completed application pursuant to Sections 102393(a)(1)(A) and (B).

(2) Within 10 calendar days of the mailing of notice of denial or upon receipt of the denial notice by the operator, whichever occurs first.

(A) The $200 per day penalty shall continue until the operator ceases operation.

(c) If the unlicensed operator or his/her representative reports to the Department that unlicensed operation has ceased, the penalty shall cease as of the day the Department receives the notification.

(1) A site visit shall be made immediately or within five working days to verify that the unlicensed facility operation has ceased.

(2) Notwithstanding (c) above, if the unlicensed facility operation has not ceased, penalties shall continue to accrue without interruption from the date of initial penalty assessment.

(d) All penalties shall be due and payable upon receipt of the Notice for Payment from the licensing agency, and shall be paid only by check or money order made payable to the agency indicated in the notice.

(e) The Department shall have the authority to file a claim in a court of competent jurisdiction or to take other appropriate action for failure to pay penalties as specified in (d) above.

HISTORY

1. Change without regulatory effect amending subsection (a) and adopting subsections (a)(1)–(e)(1) filed 5–7–92 pursuant to section 100, title 1, California Code of Regulations (Register 92, No. 20).
2. Editorial correction of HISTORY 1 (Register 95, No. 25).
3. Subsection redesignation filed 9–26–95; operative 10–26–95 (Register 95, No. 39).
4. Renumbering of former section 102393 to new section 102402, and renumbering and amendment of former section 102402 to new section 102393 filed 10–6–97; operative 11–5–97 (Register 97, No. 41).

§ 102394. Unlicensed Facility Administrative Appeal.

(a) An unlicensed facility operator or his/her representative shall have the right to appeal the penalty assessment within 10 working days after service of the penalty assessments.

(1) If the unlicensed facility operation has not ceased, the $200 per day penalty shall continue to accrue during the appeal process.

(b) The appeal review shall be conducted by a higher level staff person than the evaluator who issued the penalty.

(c) If the reviewer of the appeal determines that the penalty assessment was not issued in accordance with applicable statues and regulations of the Department, he/she shall have the authority to amend or dismiss the penalty assessment.

NOTE: Authority cited: Section 1596.81, Health and Safety Code. Reference: Sections 1596.80, 1596.891 and 1596.893, Health and Safety Code.

HISTORY

1. Change without regulatory effect (Register 86, No. 29).
2. Renumbering of former section 102394 to new section 102403, and renumbering of former section 102403 to new section 102394 filed 10–6–97; operative 11–5–97 (Register 97, No. 41).

§ 102395. Penalties.

(a) An immediate penalty of $100 per cited violation per day for a maximum of five (5) days shall be assessed for the following:

(1) Failure to obtain a California clearance or criminal record exemption, request a transfer of a criminal record clearance or request and be approved for a transfer of an exemption as specified in Section 102370(d) for any individual required to be fingerprinted under Health and Safety Code Section 1596.871 prior to allowing the individual to work, reside or volunteer in the facility.

(A) Subsequent violations within a twelve (12) month period will result in a civil penalty of one hundred dollars ($100) per violation per day for a maximum of thirty (30) days.

(B) The Department may assess civil penalties for continued violations as permitted by Health and Safety Code Section 1596.99.

(2) Failure to provide a copy of the "Addendum to Notification of Parent's Rights Regarding Exclusion" of an individual from the home, to one parent or authorized representative of every child in care.

(A) The requirement to provide a copy shall include the parent of each new child enrolled as long as the exclusion is in effect.

(B) The copy shall be provided on the next day that the child receives care.

(3) Failure to provide a copy of the "Addendum to Notification of Parent's Rights Regarding Reinstatement" permitting an individual to return to the home, to every parent or authorized representative who received a copy of the "Addendum to Notification of Parent's Rights Regarding Exclusion" and whose child is still in care.

(4) Failure to obtain, and keep in the home, a parent's or authorized representative's signature indicating that he/she has been provided with each Addendum.

(A) This section shall be cited only if there is evidence that the parent or authorized representative was notified, but a signature was not obtained or was not maintained.

(5) Failure to provide signed addenda to the Department, when requested.

(b) For purposes of Sections 102395(a)(2), (3) and (4) above, a violation shall be cited for each parent or authorized representative that has not been notified or has not signed the form acknowledging receipt of the notice.

(c) Progressive civil penalties specified in Health and Safety Code Section 1596.99 shall not apply to penalties assessed for violation of Sections 102395(a)(1) through (5) above.

(d) Unless otherwise provided, all penalties are due and payable upon receipt of notice for payment, and shall be paid only by check or money order made payable to the agency indicated in the notice.

Article 5. Administrative Actions

§ 102401. Denial of a License.

(a) When the requirements for licensure are not met, the Department shall deny the application within 30 days after receipt of a completed application.

(b) The Department shall have the authority to deny an application for initial license, if the applicant has failed to pay any civil penalty assessments pursuant to Section 102393, and in accordance with a final judgment issued by a court of competent jurisdiction, unless payment arrangements acceptable to the Department have been made.

(c) Immediately upon the denial of any application for a license, the Department shall notify the applicant in writing. Within 15 days after the Department mails the notice, the applicant may present his or her written petition for a hearing to the Department. Upon receipt by the Department

[The next page is 1465.]

of the petition, the petition shall be set for hearing. The hearing shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(d) An application for licensure shall not be denied solely on the basis that the applicant is a parent who has administered or will continue to administer corporal punishment, not constituting child abuse, on his/her own child(ren).

(1) For the purposes of Section 102401(d), child abuse means a situation in which a child suffers from one or more of the following:

(A) Physical injury which is inflicted by other than accidental means on a child by another person.

(B) Sexual assault of a child or any act or omission described in Sections 102370(c)(4) and (5).

(C) Neglect of a child or abuse in out-of-home care.

(D) Serious physical injury inflicted upon the child by other than accidental means.

(E) Harm by reason of intentional neglect or malnutrition or sexual abuse.

(F) Going without necessary and basic physical care.

(G) Willful mental injury, negligent treatment, or maltreatment of a child under the age of 18 by a person who is responsible for the child's welfare under circumstances which indicate that the child's health or welfare is harmed or threatened thereby, as determined in accordance with regulations prescribed by the Director of Social Services.

(H) Any condition which results in the violation of the rights or physical, mental, or moral welfare of a child or jeopardizes the child's present or future health, opportunity for normal development, or capacity for independence.

(e) No limitation shall be imposed on the licensee or printed on the license solely on the basis of a written or oral admission by the licensee to the use of corporal punishment, not constituting child abuse pursuant to Section 102401(d)(1), on his/her own child(ren).

HISTORY

1. Renumbering of former article 5 to new article 4 and renumbering of former article 4 to new article 5, and renumbering of former section 102391 to new section 102401, including amendment of section and NOTE, filed 10-6-97; operative 11-5-97 (Register 97, No. 41).

§ 102402. Revocation or Suspension of a License or Registration.

(a) The Department shall have the authority to suspend or revoke any license for the following reasons:

(1) Violation by the licensee of any of the laws, rules and regulations governing family child care homes.

(2) Aiding, abetting, or permitting the violation of any of the laws, rules, and regulations governing family child care homes.

(3) Conduct in the operation of maintenance of a family day care home which is inimical to the health, morals, welfare, or safety of either an individual in or receiving services from the facility or the people of the State of California.

(4) The conviction of a licensee, or other person specified in Section 102369(b)(8), as any time during licensure, of a crime as defined in Sections 102370(b) and (c).

(5) Failure to comply with the requirements for training in preventive health practices, including pediatric cardiopulmonary resuscitation and pediatric first aid, as specified in Health and Safety Code Section 1596.866.

(b) The Director may temporarily suspend any license prior to any hearing when, in the opinion of the Director, the action is necessary to protect any child in a family child care home from physical or mental abuse, abandonment or any other substantial threat to health or safety.

(c) The Director shall notify the licensee of the temporary suspension and the effective date thereof and at the same time shall serve the provider with an accusation.

(1) Upon receipt of a notice of defense to the accusation by the licensee, the Director shall, within 15 days, set the matter for hearing, and the hearing shall be held as soon as possible, but not later than 30 days after receipt of the notice.

(d) The temporary suspension shall remain in effect until such time as the hearing is completed and the Director has made a final determination on the merits.

(1) The temporary suspension shall be deemed vacated if the Director fails to make a final determination of the merits within 30 days after the original hearing has been completed.

§ 102402.1. Denial or Revocation of License for Failure to Pay Civil Penalties.

(a) The licensee shall be responsible for paying civil penalties.

(1) Unless otherwise provided, the transfer, surrender, forfeiture or revocation of a license shall not affect the licensee's responsibility for paying any civil penalties accrued while the license was in effect.

(b) The Department shall have the authority to deny or revoke any license for failure to pay civil penalty assessments.

(1) The Department shall have the authority to approve payment arrangements acceptable to the Department.

(2) The Department shall have the authority to approve the form of payment.

(3) The licensee's failure to pay civil penalty assessments pursuant to a payment plan approved by the Department may result in the denial or revocation of any license, and/or any other appropriate action.

(c) Any denial or revocation of the license for failure to pay civil penalties may be appealed as provided by Health and Safety Code Section 1596.887.

Article 6. Continuing Requirements

§ 102416. Personnel Requirements.

(a) The licensee shall provide each employee with a copy of the Notice of Employee Rights (LIC 9052 (4/88)) form furnished by the Department.

(1) Each employee shall be requested to sign and date the notice form acknowledging receipt.

(2) A copy of the signed notice form shall be retained in the employee's personnel record.

(3) If the employee refuses to sign the notice form, a dated notation to that effect shall be retained in the employee's personnel record.

(b) A claim by the employee alleging the violation by the licensee of Section 102416(a) shall be presented to the licensee within 45 days after

the action as to which complaint is made and presented to the Division of Labor Standards Enforcement not later than 90 days after the action as to which complaint is made.

(c) The licensee and other personnel as specified shall complete training on preventive health practices, including pediatric cardiopulmonary resuscitation and pediatric first aid, pursuant to Health and Safety Code Section 1596.866.

(d) Prior to employment or initial presence in the child care home, all employees and volunteers subject to a criminal record review shall:

(1) Obtain a California clearance or a criminal record exemption as required by law or Department regulations or

(2) Request a transfer of a criminal record clearance as specified in Section 102370(j) or

(3) Request and be approved for a transfer of a criminal record exemption, as specified in Section 102370.1(p), unless, upon request for a transfer, the Department permits the individual to be employed, reside or be present at the facility.

§ 102416.2 Reporting Requirements.

(a) The licensee shall report the following information to the Department by telephone or fax within the Department's next business day and during normal working hours (8am to 5pm).

(1) If the applicant or licensee operates a foster family home as defined in Health and Safety Code Section 1502(a)(5) or a certified family home as defined in Health and Safety Code Section 1506(d).

(2) Any change in household composition including adults moving in or out of the home and anyone living in the home who reaches his or her 18th birthday.

(b) The licensee shall report to the Department any of the events as specified in Health and Safety Code Sections 1597.467(b)(1)(A) through (b)(1)(C) that occur during the operation of the family child care home.

(1) Medical treatment means treatment by a medical professional, as defined in Section 101152(m).

(2) Any child absence means any instance where a child in care is missing. For example, any child in care who wanders away from the Family Child Care Home, is lost during an outing, or does not return from school, shall be reported even if the child is later found safe.

(c) In addition to the events specified in Health and Safety Code Sections 1597.467(b)(1)(A) through (b)(1)(C), the licensee shall report the following events to the Department:

(1) Any suspected child abuse or neglect, as defined in Penal Code Section 11165.6, of any child in care, in addition to reporting requirements pursuant to Penal Code Section 11166.

(2) Fires or explosions occurring in or on the premises of the family child care home.

(A) Within 24 hours, the licensee additionally shall report to the local fire authority, or in areas not having organized fire services, to the State Fire Marshal.

(3) A communicable disease outbreak when determined by the local health authority.

(4) Poisonings.

(d) The licensee shall report to the Department as provided by Health and Safety Code Sections 1597.467(b)(1) and (2).

(e) The written report shall be either Form LIC 624B (8/06) Unusual Incident/Injury Report—Family Child Care Home, or a letter that includes the following information, in addition to that required by Health and Safety Code Sections 1597.467(b)(2)(A) through (b)(2)(D):

(1) Child's date of birth.

(2) Child's or parent's primary language, (e.g. English, Spanish, Chinese, Russian).

(3) Time the incident or injury happened.

(4) Date that the parent or authorized representative was notified their child was injured or subjected to any act of violence.

(5) Description of how the incident or injury happened and name of the child(ren) or adult(s) that may have been involved as well as any steps taken to prevent the incident or injury from recurring.

(6) Name and telephone number of any physician or other health care provider that examined the child.

(7) Any agency notified, person contacted, date of the contact, and the telephone or fax number of that agency or person.

(f) As soon as possible but not later than the same business day, the licensee shall notify a child's parent or authorized representative of the injuries or acts that affect that child as specified in Health and Safety Code Section 1597.467(a).

(1) Any injury suffered by a child in care shall be reported to that child's parent or authorized representative regardless of treatment by a medical professional.

(2) Reportable acts of violence include, but are not limited to, those that occur whenever any child in care is a victim of, or subjected to witnessing, others' use of great physical force resulting in bodily harm, or dangerous activity, such as illegal drug use or gunfire.

(g) In addition to the requirements of Health and Safety Code Section 1597.467(a), no later than the same business day, the licensee shall notify a child's parent or authorized representative of the events to be reported to the Department pursuant to Sections 102416.2(b) and (c) that affect that child.

(h) The licensee shall keep a copy of the letter or completed LIC 624B (8/06) (Unusual Incident/Injury Report — Family Child Care Home) in the child's record for the time period specified in Section 102421(a)(1).

HISTORY

1. Change without regulatory effect amending subsection (c) filed 5–7–92 pursuant to section 100, title 1, California Code of Regulations (Register 92, No. 20).
2. Amendment of subsections (a), (b) and NOTE filed 9–26–95; operative 10–26–95 (Register 95, No. 39).
3. Amendment of section and NOTE filed 10–6–97; operative 11–5–97 (Register 97, No. 41).

§ 102417. Operation of a Family Child Care Home.

(a) The licensee shall be present in the home and shall ensure that children in care are supervised at all times. When circumstances require the licensee to be temporarily absent from the home, the licensee shall arrange for a substitute adult to care for and supervise the children during his/her absence. Temporary absences shall not exceed 20 percent of the hours that the facility is providing care per day.

(b) The home shall be kept clean and orderly, with heating and ventilation for safety and comfort.

(c) The home shall maintain telephone service.

(d) The home shall provide safe toys, play equipment and materials.

(e) When a child shows signs of illness he/she shall be separated from other children and the nature of the illness determined. If it is a communicable disease he/she shall be separated from other children until the infectious stage is over.

(f) If food is brought from the children's homes, the container shall be labeled with the child's name and properly stored or refrigerated.

(g) The home shall be free from defects or conditions which might endanger a child. Safety precautions shall include but not be limited to:

(1) Fireplaces and open–face heaters shall be screened to prevent access by children. The home shall contain a fire extinguisher and smoke detector device which meet standards established by the State Fire Marshal.

(2) Gas heaters shall be properly vented and permanently installed.

(3) Where children less than five years old are in care, stairs shall be fenced or barricaded.

(4) Poisons, detergents, cleaning compounds, medicines , firearms and other items which could pose a danger if readily available to children shall be stored where they are inaccessible to children.

(A) Storage areas for poisons, firearms and other dangerous weapons shall be locked.

(B) In lieu of locked storage of firearms, the licensee may use trigger locks or remove the firing pin.

1. Firing pins shall be stored and locked separately from firearms.

(C) Ammunition shall be stored and locked separately from firearms.

(5) All licensees shall ensure the inaccessibility of pools (in–ground and above–ground), fixed–in–place wading pools, hot tubs, spas, fish ponds and similar bodies of water through a pool cover or by surrounding the pool with a fence.

(A) Fences shall be at least five feet high and shall be constructed so that the fence does not obscure the pool from view. The bottom and sides of the fence shall comply with Division 1, Appendix Chapter 4 of the 1994 Uniform Building Code. In addition to meeting all of the aforementioned requirements for fences, gates shall swing away from the pool, self–close and have a self–latching device located no more than six inches from the top of the gate. Pool covers shall be strong enough to completely support the weight of an adult and shall be placed on the pool and locked while the pool is not in use.

1. If licensed prior to June 1, 1995, facilities with existing pool fencing shall be exempt from the fencing requirements specified in Section 102417(g)(5)(A) until such fence is replaced or structurally altered. If the licensee replaces or alters the fence, it shall be required to meet these requirements.

(B) Where an above–ground pool structure is used as the fence or where the fence is mounted on top of the pool structure, the pool shall be made inaccessible when not in use by removing or making the ladder inaccessible or erecting a barricade to prevent access to decking. If a barri-

cade is used, the barricade shall meet the requirements of Section 102417(g)(5)(A).

(6) Outdoor play areas shall either be fenced, or outdoor play areas shall be supervised by the licensee or caregiver.

(A) Outdoor play areas shall not include any area made inaccessible by fencing pursuant to Section 102417(g)(5).

(B) Where natural or man–made hazards such as canals, cliffs, condemned buildings, creeks, ditches, lakes, ocean fronts, mines, power lines, quarries, rivers, ravines, swamps, watercourses, and areas subject to flooding lie on or adjacent to the facility premises, the outdoor play area shall be inaccessible to such hazards.

1. Where a fence or wall is used to make the outdoor play area inaccessible, the requirements of Section 102417(5)(A) shall be met.

(7) An emergency information card shall be maintained for each child and shall include the child's full name, telephone number and location of a parent or other responsible adult to be contacted in an emergency, the name and telephone number of the child's physician and the parent's authorization for the licensee or registrant to consent to emergency medical care.

(8) Each family child care home shall have a current roster of children as specified in Health and Safety Code Section 1596.841.

(9) Each family child care home shall have a written disaster plan of action prepared on a form approved by the Department. All children, age and ability permitting, and the provider, the assistant provider, and other members of the household, shall be instructed in their duties under the disaster plan. As their age and ability permit, newly enrolled children shall be informed promptly of their duties as required in the plan.

(A) Each family child care home shall conduct fire drills and disaster drills at least once every six months.

1. The licensee shall document the drills, including the date and time of each drill. This documentation shall kept at the family child care home.

(10) A baby walker shall not be allowed on the premises of a family child care home in accordance with Health and Safety Code Sections 1596.846(b) and (c).

(h) Only drivers licensed for the type of vehicle to be operated shall be permitted to transport children in care.

(i) The manufacturer's rated seating capacity of the vehicle shall not be exceeded.

(j) Motor vehicles used to transport children in care shall be maintained in safe operating condition.

(k) All vehicle occupants must be secured in an appropriate restraint system.

(2) Children shall not be left in parked vehicles.

(*l*) When transporting infants in any motor vehicle, the licensee shall secure the infants in a car seat, designed for infants, which is secured in the vehicle in accordance with manufacturer's instructions.

(m) The licensee or registrant shall maintain one of the following:

(1) Liability insurance kept in force covering injury to clients and guests in the amount of at least one hundred thousand dollars ($100,000) per occurrence and three hundred thousand dollars ($300,000) in the total annual aggregate, sustained on account of the negligence of the licensee or its employees.

(2) A bond in the aggregate amount of three hundred thousand dollars ($300,000).

(3) A file of affidavits signed by each parent with a child enrolled in the home. The affidavit shall state that the parent has been informed that the family child care home does not carry liability insurance or a bond according to standards established by the state.

(A) If the provider does not own the premises used as the family child care home, the affidavit shall also state that the parent has been informed that the liability insurance, if any, of the owner of the property or the homeowners' association, as appropriate, may not provide coverage for losses arising out of, or in connection with, the operation of the family child care home, except to the extent that the losses are caused by , or result from, an act or omission by the owner of the property of the homeowners' association, for which the owner of the property or the homeowners' association would otherwise be liable under the law.

(B) These affidavits shall be on a form provided by the Department and shall be reviewed at each licensing inspection.

(C) For purposes of Sections 102417(m) and (n), "homeowners' association" is an association of a common interest development, as defined in Section 1351 of the Civil Code.

(n) A family child care home that maintains liability insurance or a bond pursuant to Section 102417(b)(1) or (2), and that provides care in premises that are renewed or leased or uses premises which share common space governed by a homeowners' association, shall name the owner of the property or the homeowners' association, as appropriate, as an additional insured party on the liability insurance policy or bond if all of the following conditions are met:

(1) The owner of the property or governing body of the homeowners' association makes a written request to be added as an additional insured party.

(2) The addition of the owner of the property or the homeowners' association does not result in cancellation or nonrenewal of the insurance policy or bond carried by the family day care home.

(3) Any additional premium assessed for this coverage is paid by the owner of the property or the homeowners' association.

(o) The licensee shall maintain proof of control of property at the family child care home for review by the Department.

(1) If the licensee owns or is buying the home, this is a copy of the property deed, the property tax statement, or a payment coupon from the mortgage company or bank.

(2) If the licensee is operating on rented or leased property, this is a copy of the rental agreement or lease.

(p) A licensee who operates on rented or leased property, and who wishes to increase the capacity of the family child care home as specified in Section 102416.5(b)(3) or Section 102416.5(c)(1), shall obtain the written consent of the property owner/landlord to increase the home's capacity to eight or 14 children.

(1) The original of the completed and signed consent form shall be attached to the family child care home's license and kept on file in the home.

(q) A signed and dated copy of LIC 9052 (4/88), Notice of Employee Rights, shall be maintained in the employee's personnel record.

(r) Upon notice from the Department to remove an individual from the home, pursuant to Health and Safety Code Section 1596.871(c)(2), or to exclude an individual from the home, pursuant to Health and Safety Code Section 1596.8897, the licensee shall;

(1) Immediately remove the individual and prevent the individual from returning to the home or having contact with children in care.

(2) Provide a copy of the Addendum to Notification of Parent's Rights (Regarding Removal/Exclusion) (LIC 995B, Rev. 05/03) to one parent or authorized representative of every child currently in care within one day of receipt of the notice and addendum from the Department.

(A) Upon notice from the Department that the individual may return to the home, provide a copy of the Addendum to Notification of Parent's Rights (Regarding Reinstatement) (LIC 995C, Rev. 03/01) to one parent or authorized representative of every child currently in care within one day of receipt of the notice and addendum from the Department.

(3) Obtain a signed and dated receipt from one parent or authorized representative that acknowledges that he/she was given a copy of the addendum specified in Section 102417(r)(2).

(4) Maintain copies of the signed and dated receipt required in Section 102417(r)(3) in each child's file. Copies shall be made available to the Department upon request.

§ 102419. Admission Procedures and Parental and Authorized Representative's Rights.

(a) The licensee shall inform parents or authorized representatives of children in care of their rights, which include, but are not limited to, the following:

(1) To enter and inspect the family child care home in accordance with Health and Safety Code Section 1596.857.

(2) To file a complaint against the licensee with the local licensing office in accordance with Health and Safety Code Section 1596.853.

(3) To review the family child care home's public file kept by the local licensing office in accordance with Health and Safety Code Section 1596.859.

(4) To review at the family child care home, reports of licensing visits and substantiated complaints against the licensee made during the last three years in accordance with Health and Safety Code Section 1596.859.

(5) To complain to the local licensing office and inspect the family child care home without discrimination or retaliation in accordance with Health and Safety Code Section 1596.857.

(6) To request in writing that a parent not be allowed to visit a child or take a child from the family child care home, provided the custodial parent has shown a certified copy of a court order pursuant to Health and Safety Code Section 1596.857.

(7) To receive from the licensee the name, address and telephone number of the local licensing office in accordance with Section 1596.874.

(8) To be informed by the licensee, upon request, of the name and type of association to the family child care home for any adult who has been granted a criminal record exemption, and that the name of the person may also be obtained by contacting the local licensing office.

(b) The licensee shall post the PUB 394 (8/02), Family Child Care Home Notification of Parents' Rights Poster in a prominent, publicly accessible area in the family child care home at all times children are in care.

(c) The licensee shall provide to the parent or authorized representative the LIC 995E (6/05), Caregiver Background Check Process form.

(d) At the time of acceptance of each child into care, the licensee shall provide the child's parent or authorized representative with a copy of the notice Family Child Care Home Notification of Parents' Rights, LIC 995A (8/06), the Caregiver Background Check Process, LIC 995E (6/05), and the Family Child Care Consumer Awareness Information, LIC 9212 (10/05).

(1) The licensee shall request the child's parent or authorized representative to sign and date the bottom portion of the notice form LIC 995A (8/06), which acknowledges that the parent or authorized representative has received and read the LIC 995A. The bottom portion of this form must be kept in the child's file as proof that the parent or authorized representative has been notified of his or her rights and received a copy of the Caregiver Background Check Process, LIC 995E (6/05), and the Family Child Care Consumer Awareness Information, LIC 9212 (10/05).

(2) Whenever a parent or authorized representative makes a request pursuant to Section 102419(a)(8), the licensee shall note, date, and initial the request in the child's file. The licensee shall request that the parent or authorized representative also initial the notation documenting the request.

(3) Reserved

(A) Upon a finding of noncompliance with a plan of correction for violation of Sections 102419(a)(8), (b), (c), (d), (d)(1), or (d)(2), the Department shall impose a civil penalty of fifty dollars ($50) per day until the deficiency is corrected.

(B) Regardless of whether the licensee complies with an initial plan of correction in the time allotted, if the licensee subsequently violates any provision of Sections 102419(a)(8), (b), (c), (d), (d)(1), or (d)(2) within 12 months of the initial citation, the Department shall assess a civil penalty of $150 plus an assessment of $50 per day until the deficiency is corrected.

(C) Regardless of whether the licensee complies with the deficiency in Section 102419(b)(3)(B), if the licensee subsequently violates any provision of Sections 102419(a)(8), (b), (c), (d), (d)(1), or (d)(2) within

12 months of the citations and assessment in Section 102419(b)(3)(B), the Department shall assess a civil penalty of $150 plus an assessment of $150 per day until the deficienacy is corrected.

(e) Upon presenting identification, the parent or authorized representative of a child in care has the right to enter and inspect the family child care home without advance notice during the family child care home's normal operating hours.

(1) When inspecting the family child care home, the parent or authorized representatives shall be respectful of the children's routines and programmed activities.

(f) No family child care home shall discriminate or retaliate against any child or any child's parent or authorized representative because the parent or authorized representative has exercised his or her right to inspect the family child care home or has lodged a complaint with the Department against the family child care home.

(1) If the licensee denies a parent or authorized representative the right to enter and inspect the family child care home or retaliates against any child or any child's parent or authorized representative, the Department shall issue the licensee a warning citation.

(2) For any subsequent violation of this right, the Department shall take appropriate action including, but not limited to, license revocation and imposition of a civil penalty upon the home of fifty dollars ($50) per violation.

(c) The State/County Plan of Cooperation shall, at a minimum, include all of the following:

(1) A clear description of the specific duties, functions and responsibilities of each party.

(2) Clear and definite standards of performance the local child support agency must meet.

(3) A specific statement that the parties will comply with Title IV–D, implementing federal regulations and any other applicable state and federal laws, regulations and requirements.

(4) The financial arrangements between the parties.

(5) A description of records that shall be maintained and the methods that will be employed to safeguard these records as required by Article 5 of Subchapter 1 of this chapter relating to records management.

(6) A statement of the specific dates on which the State/County Plan of Cooperation begins and ends.

(7) A statement describing any conditions for revision or renewal, and the circumstances under which the State/County Plan of Cooperation may be terminated.

(d) The State/County Plan of Cooperation shall also include the Annual Automation Cooperation Agreement between the Department and the local child support agency specifying the responsibilities, activities, milestones and consequences in regard to automation, as specified in Section 10081 of the Welfare and Institutions Code.

(e) The Department may also include in the State/County Plan of Cooperation special contract provisions detailing the responsibility of the local child support agency for carrying out new initiatives or programs defined by the Department or necessary to address the need for program improvement by a local child support agency.

HISTORY

1. New article 3 (sections 111110–111230) and section filed 5–2–2002 as an emergency; operative 5–2–2002 (Register 2002, No. 18). Pursuant to Family Code section 17306(e)(2), these emergency regulations remain in effect for 180 days. A Certificate of Compliance must be transmitted to OAL by 10–29–2002 or emergency language will be repealed by operation of law on the following day.

2. Certificate of Compliance as to 5–2–2002 order, including amendment of subsections (c)(1), (d) and (e), transmitted to OAL 10–16–2002 and filed 12–2–2002 (Register 2002, No. 49).

§ 111120. General Requirements of State/County Plan of Cooperation.

(a) The State/County Plan of Cooperation shall be one year in duration, commencing at the start of the federal fiscal year, and shall be subject to renewal or amendment as necessary to reflect new or revised state and federal laws, regulations and requirements. Failure of the parties to amend the State/County Plan of Cooperation to reflect new or revised state and federal laws and regulations does not relieve the local child support agency of the responsibility to act in accordance with those laws, regulations, and requirements.

(b) The State/County Plan of Cooperation shall be signed by the director of the local child support agency and returned to the Department by the commencement of the federal fiscal year.

(c) Failure to sign and return the State/County Plan of Cooperation by the start of each federal fiscal year may result in the withholding of part or all of the state or federal funds, including incentive funds, or other compliance actions authorized by state or federal law, regulation or policy.

HISTORY

1. New section filed 5–2–2002 as an emergency; operative 5–2–2002 (Register 2002, No. 18). Pursuant to Family Code section 17306(e)(2), these emergency regulations remain in effect for 180 days. A Certificate of Compliance must be transmitted to OAL by 10–29–2002 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 5–2–2002 order, including amendment of section heading and section, transmitted to OAL 10–16–2002 and filed 12–2–2002 (Register 2002, No. 49).

§ 111210. Authority.

(a) Each local child support agency shall have the authority to enter into a Local Plan of Cooperation with other county agencies, with approval by the Department, to assist in carrying out the local child support agency's responsibilities under the State/County Plan of Cooperation.

(b) When a local child support agency, through a Local Plan of Cooperation, delegates responsibility to provide child support services to another county agency that is not a local child support agency, the local child support agency shall retain responsibility and accountability to the Department for operating, supervising, managing or overseeing Title IV–D functions of the local child support agency under the provisions of the Local Plan of Cooperation.

(c) Nothing in this Article is intended to affect cooperative agreements entered into between local child support agencies and the superior court.

A Certificate of Compliance must be transmitted to OAL by 10–29–2002 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 5–2–2002 order, including amendment of subsection (b) and new subsection (c), transmitted to OAL 10–16–2002 and filed 12–2–2002 (Register 2002, No. 49).

§ 111220. Requirements of Local Plan of Cooperation.

(a) Each Local Plan of Cooperation shall, at a minimum, include all of the following:

(1) A clear description of the specific duties, functions, and responsibilities of each party.

(2) Clear and definite standards of performance the county agency that is entering into the Local Plan of Cooperation with the local child support agency must meet.

(3) A specific statement that the parties shall comply with all state and federal laws, regulations and requirements relative to the subject of the Local Plan of Cooperation.

(4) The financial arrangements between the parties.

(5) A description of records that shall be maintained and the methods that will be employed to safeguard these records as required by Article 5 of Subchapter 1 of this chapter relating to records management.

(6) A statement of the specific dates on which the Local Plan of Cooperation begins and ends.

(7) A statement describing any conditions for termination, and revision or renewal upon written agreement of both parties, including a statement that any provision of the Local Plan of Cooperation which conflicts with new or revised state and federal laws, regulations, and requirements, shall be deemed to be amended consistent with those laws, regulations, and requirements.

(8) Provisions for effective monitoring of the other county agency's performance under the Local Plan of Cooperation, including, but not limited to:

(A) Periodic meetings between parties.

(B) On–site review by the local child support agency.

(C) Records review.

(9) Provisions for corrective action when review of the other county agency's contract performance indicates a deficiency in performance.

(b) A Local Plan of Cooperation shall not exceed three years in duration, subject to annual review and approval by the Department to ensure ongoing consistency with the State/County Plan of Cooperation.

2. Certificate of Compliance as to 5–2–2002 order transmitted to OAL 10–16–2002 and filed 12–2–2002 (Register 2002, No. 49).

§ 111230. Approval of Local Plan of Cooperation.

(a) A local child support agency shall submit any Local Plan of Cooperation to the Department for review and approval.

(1) Within 60 days of receipt of a Local Plan of Cooperation from the local child support agency, the Department shall either approve the Local Plan of Cooperation or notify the agency that the Local Plan of Cooperation is denied.

(2) If the Department fails to respond in writing within 60 days of receipt of a Local Plan of Cooperation, the Local Plan of Cooperation shall be deemed approved.

(3) If the local child support agency is notified that the Local Plan of Cooperation is denied, the agency may submit a revised Local Plan of Cooperation to the Department for further consideration.

(b) The Department shall review a Local Plan of Cooperation for appropriateness, necessity, and cost reasonableness.

(c) Costs associated with a Local Plan of Cooperation must be approved as part of the budget process.

§ 111550. Bonding of Employees.

(a) Each local child support agency shall:

(1) Obtain a surety bond against losses resulting from employee dishonesty for every employee who receives, disburses, handles, or otherwise has access to any child support funds or support collections under the child support enforcement program required by Title IV–D of the Social Security Act.

(2) Ensure surety bonds are established in amounts sufficient to protect the local child support agency against loss from employee dishonesty.

(3) Ensure compliance with the bonding requirements specified in this Section by any other public or private agencies with which a plan of cooperation or purchase of service agreement is established involving any cash handling and/or accounting function.

(b) Bonding requirements may be satisfied by a county's self–bonding or self–insurance program, as permitted by local ordinance, code or local government resolution, if the self–bond or self–insurance is adequate to cover any loss of child support funds or support collections as a result of employee dishonesty.

(c) Any local child support agency that uses a self–bonding or self–insurance program to protect against loss, shall identify a county official to certify the following to the Department: "This county is self–bonded or self–insured for an amount adequate to cover any loss of child support funds or support collections as a result of employee dishonesty."

(d) Each local child support agency shall make available, upon the request of the Department, proof of bonding by providing:

(1) A copy of the bond that meets the requirement specified in subsection (a)(1) above; or

(2) The certification specified in subsection (b)(1) for self–bonded or self–insured counties.

(e) In no case shall any bonds or insurance acquired in compliance with this section reduce or limit the liability of the county or the local child support agency for losses of child support collections.

§ 111910. Collection/Distribution Reports.

(a) The local child support agency shall accurately complete all required child, family, medical, and spousal support collection and distribution reports and submit them to the Department on a monthly basis, by the due date required for each report. These reports shall include, but not be limited to, the following:

(1) "Child Support Services Monthly Report of Collections and Distributions," form CS 34, dated (01/02), incorporated by reference herein. The local child support agency shall submit this report no later than the 15th calendar day after the end of the reporting month.

(2) "Child Support Services Assistance Related Distribution/Disbursement Summary," form CS 35, dated (01/02), incorporated by reference herein. The local child support agency shall submit this report no later than the 15th calendar day after the end of the reporting month.

(3) "Summary Report of Health Insurance Identified — Non–AFDC" form CS 810, dated (1/00), incorporated by reference herein. The local child support agency shall submit this report no later than the 15th business day after the end of the report month. The local child support agency is not required to submit this report if no health insurance activity has occurred during the report month.

(b) If the local child support agency fails to meet the reporting deadlines or to accurately report the required data, the Department shall send written notification to the director of the local child support agency of the missed reporting deadline or the inaccurate report, and require the report to be filed and/or accurately completed within 15 days. If the report has still not been received 15 calendar days after the deadline set forth above or if a report is not received timely for a subsequent reporting period, a written notification by the Department to the County Executive Officer/ County Administrative Officer shall be sent. If the report has still not been received 30 calendar days after the deadline set forth above or if a report is not received timely on a third occasion, notification by the Department to the County Board of Supervisors and the State Legislature shall be sent. The local child support agency will also be sent copies of each notice.

(c) If the local child support agency fails to meet the reporting deadline or fails to provide accurate data, the Department may use the data reported by that local child support agency from prior reporting periods as applicable, noted as such, in any Department reports.

(d) The local child support agency shall submit all reports required by this section with a signature, under penalty of perjury, of the local child support agency director. The Department shall not disburse federal and state funds to the local child support agency if the report is not filed, or is filed without the required signature.

(e) The local child support agency shall remit a copy of the monthly CS 35 report and payment for Federal and State shares of recoupment identified on the monthly CS 35 to the Department by the 15th calendar day following the reporting month. If the local child support agency fails to remit the state and federal share of the collections within the required timeframe, the Department shall send written notification to the director of the local child support agency, requiring remittance of the payment within 15 business days. In the event that the local child support agency does not remit the payment within 15 business days, the Department shall offset the next child support payment to the county.

(f) The local child support agency shall complete all required case level detail reports requested for audit purposes and provide each report as requested by the Department, federal and/or state auditor and child support program reviewers.

(g) The local child support agency shall, consistent with Sections 111430 and 111440, retain copies of all signed collection and distribution reports for four years and four months, provided there are not any outstanding issues in litigation, claims, financial management reviews or audits. If any issue is pending, the local child support agency shall retain the reports, relating to those issues, in any litigation, claim, financial management review, or audit involving the reports until the issue is resolved and final action has been completed.

§ 111920. Activity and Statistical Reports.

(a) The local child support agency shall accurately complete all required activity and statistical reports required by the Department on a quarterly, state fiscal year, and federal fiscal year basis, as applicable. These reports shall include, but not be limited to, the following:

(1) "Child Support Services Quarterly State Performance Report" form CS 457 QTR, dated (1/02), incorporated by reference herein.

(2) "Child Support Services Federal Fiscal Year Annual Data & Accounts Receivable Report" form CS 157 FFY, dated (10/00), incorporated by reference herein.

(b) The local child support agency shall submit the reports to the Department, no later than 15 calendar days after the end of the reporting quarter, state and/or federal fiscal year, as applicable. If such day is not a business day the report shall be submitted the next business day.

(c) If the local child support agency fails to meet the reporting deadlines or to accurately report the required data, the Department shall send written notification to the director of the local child support agency, of the missed reporting deadline or the inaccurate report, and require the report to be filed and/or accurately completed within 15 days. If the report has still not been received 15 calendar days after the deadline set forth above or if a report is not received timely for a subsequent reporting period, a written notification by the Department to the County Executive Officer/County Administrative Officer shall be sent. If the report has still not been received 30 calendar days after the deadline set forth above or if a report is not received timely on a third occasion, notification by the Department to the County Board of Supervisors and the State Legislature

shall be sent. The local child support agency will also be sent copies of each notice.

(d) If the local child support agency fails to meet the reporting deadline and/or fails to provide the requested data, the Department may use the data reported by that local child support agency from prior reporting periods, noted as such, in any Department reports.

(e) The local child support agency shall submit electronically all reports required by this section with a signature, under penalty of perjury, of the local child support agency director or its equivalent using the directors' electronic approval code. The Department shall not disburse federal and state funds if the report is not filed, or filed without the required signature.

(f) The local child support agency shall not be eligible to receive state incentive funds as specified in Section 17704 of the Family Code, if the local child support agency fails to report as required by Section 17600 of the Family Code.

(g) The local child support agency shall complete all required case level detail reports requested for audit purposes and provide each report as requested by the Department, federal and/or state auditor and child support program reviewers.

(h) The local child support agency shall, consistent with Sections 111430 and 111440, retain copies of all activity and statistical reports for four years and four months, provided there are not any outstanding issues in litigation, claims, financial management reviews or audits. If any issue is pending, the local child support agency shall retain the reports, relating to those issues, in any litigation, claim, financial management review, or audit involving the reports until the issue is resolved and final action has been completed.

Each local child support agency shall:

(a) Open a case by establishing a case record within 20 days of receipt of either:

(1) A referral of a CalWORKs, Foster Care or Medically Needy Only recipient from the county welfare department.

(2) The application for services form, CSS 2101, if the minimum data elements necessary to open a case are provided. The minimum data elements shall include the name of an applicant and child(ren) and the signature of the applicant on the application.

(b) Reopen a closed case upon receipt of an application for services or a referral from the county welfare department within the time frame specified in subsection (a), regardless of previous unsuccessful locate attempts.

(c) Assess the case to determine necessary action(s) by considering:

(1) The case type.

(2) Whether the case already exists.

(3) Whether paternity is at issue.

(4) Whether the custodial or noncustodial parent's physical location is known.

(5) Whether a child, medical or spousal support order already exists for the children or spouse for whom services are being requested.

(d) Ensure the case record established pursuant to subsection (a) contains both of the following:

(1) All information and documents pertaining to the case including the information contained on the forms specified in Section 112110.

(2) All facts and dates relevant to the case, including a record of:

(A) All actions taken, the reason and results of each action, and the name of the person taking the action.

(B) Each contact made, the date(s) of contact, and the names of all persons contacted.

(e) Solicit any additional information and initiate verification of information obtained, as necessary, to provide locate, establishment or enforcement services.

(f) Open one case naming the most likely alleged father when paternity is at issue and if that alleged father is excluded, change the case record to reflect the next most likely alleged father. The local child support agency shall repeat this action for each alleged father until the father has been identified or all alleged fathers have been excluded.

(g) Provide written notification to a CalWORKs and Medically Needy Only recipient, unless the recipient is a nonparent caretaker or other relative of the child(ren), of the requirement to cooperate in all required activities necessary to establish paternity and/or establish, modify, or enforce a support order, as specified in Section 112200, as a condition of continued eligibility for CalWORKs or Medi–Cal unless:

(1) Only the children are receiving CalWORKs or Medi–Cal benefits, or

(2) A good cause claim is pending or has been approved by the county welfare department, as specified in Sections 14008.6, or 11477.04, Welfare and Institutions Code, as applicable.

(h) Mail written notification to the noncustodial parent, if his/her address is known, informing the noncustodial parent of the case opening. This notification shall include all of the following:

(1) Any available identifying numbers such as, a court case number or a local child support agency case number.

(2) Information regarding child support services including the noncustodial parent's rights and responsibilities.

(3) An income package containing a cover letter requesting financial information and either a "Financial Statement (Simplified)," as required by the Rules of Court 1285.52, or a Income and Expense Declaration, as required by the Rules of Court 1285.50.

§ 112150. Case Processing—CalWORKs Referrals.

(a) Upon receipt of a CalWORKs referral, each local child support agency shall seek to establish paternity, if necessary, and to obtain either or both of the orders specified in (1) and (2), below:

(1) An order for current support which shall comply with the statewide uniform guideline specified in Article 2, of Part 2, of Division 9, of the Family Code, if either of the conditions specified below exist:

(A) An order for support of all the minor child(ren) subject to the CalWORKs grant does not already exist and the family continues to receive CalWORKs.

(B) Following the receipt of a CalWORKs referral a custodial party ceases to receive public assistance under the CalWORKs program, but continues to receive Title IV–D services.

(2) An order for reimbursement of the costs of any public assistance under the CalWORKs program provided during the period of the noncustodial parent's absence, unless an order has already been established. A reimbursement order sought by a local child support agency shall comply with the statewide uniform guideline specified in Article 2, of Part 2, of Division 9, of the Family Code and shall be reduced by a local child support agency of a county in which a CalWORKs recipient is receiving CalWORKs by any amount actually paid by a noncustodial parent to a custodial party or to a local child support agency during the period of separation or desertion for the support and maintenance of the family. Such orders shall be subject to the following:

(A) For cases filed on or after January 1, 2000, the order for the support and maintenance of the family shall not exceed one year prior to the date of the filing of the petition or complaint.

(B) For cases filed prior to January 1, 2000, the order for the support and maintenance of the family shall not exceed three years prior to the date of the filing of the petition or complaint.

(b) Each local child support agency shall enforce any existing valid support order(s) established for the family and/or child(ren) subject to a CalWORKs grant.

(c) When a CalWORKs recipient is no longer eligible for assistance under the CalWORKs program, a local child support agency shall continue to:

(1) Provide Title IV–D services and notify the former CalWORKs recipient, in writing, within five business days of receipt of the county welfare department's notification of ineligibility, that Title IV–D services shall be continued unless the local child support agency is notified in writing by the former CalWORKs recipient that services should be discontinued. The notice shall inform the former CalWORKs recipient of his/her rights and responsibilities of continuing to receive Title IV–D services, including available services and distribution policies.

(2) Collect any assigned arrearages that have accrued.

§ 112152. Case Processing–Medically Needy Only Referrals.

Each local child support agency shall:

(a) Provide all Title IV–D services to a Medically Needy Only recipient unless he/she notifies the local child support agency that only services related to medical support are wanted.

(b) Establish paternity when appropriate.

(c) Seek to obtain an order for a noncustodial parent to provide medical support for his/her child(ren) receiving benefits under the Medi–Cal program.

(d) Enforce any existing valid medical support order for health insurance established for the child(ren) receiving benefits under the Medi–Cal program.

(e) Forward payments from a noncustodial parent for medical support to the Department of Health Services, if a local child support agency is enforcing a medical support order specifying a dollar amount for medical support.

(f) Provide written notification to the county welfare department and to the Department of Health Services, Third Party Liability Branch, within five days of discovering that a Medically Needy Only recipient received a medical support payment directly from a noncustodial parent, if the local child support agency is enforcing a medical support order specifying a dollar amount for medical purposes.

(g) When a Medically Needy Only recipient is no longer eligible for assistance under the Medi–Cal program, a local child support agency shall continue to provide Title IV–D services, and notify the Medically Needy Only recipient in writing within five business days of receipt of the county welfare department's notification of ineligibility, that Title IV–D services shall be continued unless the local child support agency is notified in writing by the Medically Needy Only recipient that services should be discontinued. The notice shall inform the Medically Needy Only recipient of his/her rights and responsibilities of continuing to receive Title IV–D service, including available services and distribution policies.

Article 5. Cooperation

§ 112200. Determining Cooperation.

Each local child support agency shall:

(a) Determine cooperation throughout case processing from a a CalWORKs or Medically Needy Only applicant or recipient who is receiving Title IV–D services. For the purposes of this Article the following definitions shall apply:

(1) "Applicant or recipient" means a custodial party who is the parent of a child(ren) and who has assigned to a county any rights to support.

(2) "Cooperation" means assistance by an applicant or recipient in all required activities necessary to establish paternity, or to establish, modify or enforce a medical or child support order, unless a finding of good cause has been made as specified in Section 112210.

(b) The activities necessary for cooperation shall include all of the following:

(1) Providing the name of the alleged father or noncustodial parent, as well as other information, if known, such as the alleged father's or noncustodial parent's address, Social Security Number, telephone number, place of employment or school, and the names and addresses of relatives.

(2) Providing the information necessary to complete the "Support Questionnaire," form CA 2.1 Q, for each alleged father or noncustodial parent, as required by CDSS, MPP Section 80–310(c)(2).

(3) Appearing at interviews, hearings, and legal proceedings provided the applicant or recipient is provided with forty eight hours advance notice of the interview, hearing, or legal proceeding, unless otherwise governed by the court, and does not have good cause not to appear. The following shall be considered good cause for not appearing:

(A) Death in the immediate family.

(B) Personal illness or injury to the applicant or recipient or authorized representative.

(C) Sudden and unexpected emergencies including but not limited to traffic accidents on the day of the interview, hearing, or legal proceeding and illness or injury of a household or family member who requires immediate care.

(4) Submitting to genetic tests if paternity is at issue.

(5) Providing any additional information about the alleged father or noncustodial parent that is obtainable by the applicant or recipient.

(c) Not require the applicant or recipient to sign a voluntary declaration of paternity, as specified in Sections 7570 through 7577, Family Code, as a condition of cooperation.

(d) Make a finding regarding whether the applicant or recipient could reasonably be expected to assist in all required activities specified in subsection (b), if the applicant or recipient attests under penalty of perjury that he/she cannot provide such assistance. In making the finding, a local child support agency shall consider all of the following:

(1) The age of the child(ren) for whom support is sought.

(2) The circumstances surrounding the conception of the child.

(3) The age or mental capacity of the applicant or recipient.

(4) The time that has elapsed since the applicant or recipient last had contact with the alleged father or noncustodial parent.

(e) Not make a finding of noncooperation for a CalWORKs or Medically Needy Only applicant or recipient before he/she is given the opportunity to attest, under penalty of perjury, that he/she has no further information about the noncustodial parent and the information already provided is complete and accurate to the best of his/her knowledge and belief.

(f) Prepare and transmit the "Referral To Local Child Support Agency," form CW 371, to the county welfare department as notice that the applicant or recipient has failed to cooperate. If the applicant or recipient subsequently cooperates, the local child support agency shall prepare and transmit form CW 371 to notify the county welfare department of that fact.

Article 6. Family Violence

§ 112300. Screening for Family Violence.

(a) Each local child support agency shall screen all custodial parties and noncustodial parents for family violence, as specified below:

(1) For all new cases, except interstate responding cases, screening shall occur either:

(A) During the initial interview, specified in Sections 112100(e) and 112140; or

(B) If the addresses of either a custodial party or noncustodial parent are unknown, within five business days of receiving locate information about a custodial party or a noncustodial parent.

(2) For all existing, cases screening shall occur either:

(A) Within 60 days of transitioning to an interim child support computer system; or

(B) Within five days of first locating a custodial party or a noncustodial parent.

(b) Except as specified in subsection(a)(1)(A), above, screening shall consist of:

(1) Mailing to a custodial party and a noncustodial parent a domestic violence cover letter #1, "DVCVR #1", CSS 2140, dated (09/01/01), incorporated by reference herein, and a "Child Support Domestic Violence Questionnaire," form CSS 2142. If a child is in foster care, the forms shall be mailed to both noncustodial parents.

(2) Requiring completion and submission of form 2142 to a local child support agency within 30 days of the date the form was mailed, if a custodial party or noncustodial parent believe that the release of identifying information about him/her to the federal government could result in physical or emotional harm to the party/parent(s), or to the children of the party/parent(s).

§ 112301. Determining Family Violence.

(a) Each local child support agency shall determine whether there is, or has been, family violence based upon the information on form 2142 provided by a custodial party or a noncustodial parent. When determining family violence, a local child support agency shall consider the following related to the incident(s) of domestic violence and/or child abuse:

(1) The date(s), time(s) and place(s) of each incident(s).

(2) The names of persons who witnessed the incident(s).

(3) Police, government agency or court records or files.

(4) Documentation from a domestic abuse program.

(5) Documentation from legal, clerical, medical, or other professionals from whom the custodial party or noncustodial parent sought assistance in dealing with domestic abuse or child abuse.

(6) Physical evidence of abuse.

(7) A statement from another individual with knowledge of the circumstances that provide the basis for the claim of abuse.

(8) Protective orders issued.

(9) Any other evidence that supports the incident(s) of domestic violence or child abuse.

(b) If form 2142 is returned with the first box in Section III marked indicating the party is requesting nondisclosure of identifying information, but no detailed family violence information is provided in Section II of the form, a local child support shall mail both of the following to the party that submitted the incomplete form 2142:

(1) A new blank form 2142.

(2) A domestic violence cover letter #2, "DVCVR #2," CSS 2144, dated (09/01/01), incorporated by reference herein. Form 2144 shall notify the party that the form 2142 initially submitted did not contain sufficient detail to stop release of information to the federal government and request completion and submission of a new form 2142 to the local child support agency within 30 days from the date of the letter.

HISTORY

1. New section filed 9–13–2004; operative 10–13–2004 (Register 2004, No. 38).

§ 115510. Processing a Review for Adjustment of a Support Order — Request by a Party.

(a) When the local child support agency becomes aware, during communication with a party to a child support order with a current support obligation, that a change in circumstance pursuant to Section 115520 appears to exist, the local child support agency shall ask if the party wants the local child support agency to review the case and, if appropriate pursuant to Section 115535, seek an adjustment. The local child support agency shall:

(1) Immediately make a verbal inquiry if the local child support agency becomes aware of an apparent change in circumstance during verbal communication with a party.

(2) Make a verbal or written inquiry within 15 business days of becoming aware of an apparent change in circumstance by written communication from a party.

(b) Within 180 days from the date of a request for review for adjustment; or the date a non–requesting party has been located, whichever is later, the local child support agency shall conduct a review of the order and obtain an adjusted order, or determine that the order should not be adjusted. The date of receipt of the request is the date the requesting party provides current and complete income and expense Judicial Council forms and requested documents to the local child support agency.

(c) A local child support agency may, but is not required, to review a case for adjustment if the case has been reviewed for adjustment within the last six months and nothing has changed. If the local child support agency exercises its discretion not to review a case based upon this subsection, the local child support agency shall terminate the review and adjustment process in accordance with Section 115545(c).

(d) Interstate cases shall be handled pursuant to Title 22 California Code of Regulations, Section 117403.

(e) Within 15 business days of receiving an oral or written request for review for adjustment, the local child support agency shall:

(1) Determine whether one of the following appears to exist:

(A) A change in circumstance pursuant to Section 115520 is reasonably expected to last for more than three months.

(B) The parties stipulated to a child support order below the amount established by the statewide uniform guideline. No change of circumstance need be demonstrated to obtain an adjustment of the child support order to the applicable guideline level or above.

(C) A request is based upon the need to include a provision for medical support in the child support order.

(2) Terminate the review and adjustment process in accordance with Section 115545(c) if none of the three situations set forth in Section 115510(e)(1) appears to exist.

(3) Proceed pursuant to 22 California Code of Regulations, Section 116114 if a request is based upon the need to include a provision for medical support in the child support order.

(4) Take the following actions if a change in circumstance appears to exist pursuant to Section 115520 and is reasonably expected to last for more than three months, or the parties stipulated to a child support order below the amount established by statewide uniform guideline:

(A) Determine whether the non–requesting party's location is known.

(B) Determine whether a requesting party, who is a non–custodial parent, has multiple cases within the county. If so, the local child support agency shall proceed pursuant to Section 115510(e)(6)(E).

(5) Follow the procedure set forth in Section 115550 if the location of a non–requesting party is unknown.

(6) Provide to all parties, on the same date, by mail or personal delivery, the appropriate income and expense Judicial Council forms and/or a written notice as follows if the non–requesting party's location is known:

(A) A requesting party, who is a parent, shall be provided with the appropriate income and expense Judicial Council forms and a written notice. The written notice shall include the following information:

(i) The requesting party's current and complete income and expense Judicial Council forms, and requested documents are required to process the request for review for adjustment.

(ii) No action will be taken by the local child support agency until the requesting party provides current and complete income and expense Judicial Council forms and requested documents to the local child support agency.

(iii) The requesting party's failure to submit current and complete income and expense Judicial Council forms and requested documents to the local child support agency within 20 business days from the date of the notice will result in the local child support agency terminating the review and adjustment process.

(iv) The date of receipt of the request for review for adjustment is the date the requesting party provides current and complete income and expense Judicial Council forms, and requested documents to the local child support agency.

(B) A requesting party, who is not a parent, shall be provided with a written notice. The written notice shall include the following information:

(i) An acknowledgement of receipt of the request for review for adjustment.

(ii) The local child support agency's request that the requesting party provide information, which may affect a child support determination, within 20 business days of the date of the notice.

(C) A non–requesting party, who is a parent, shall be provided with the appropriate income and expense Judicial Council forms and a written notice. The written notice shall include all of the following information:

(i) A request for a review for adjustment has been made by another party.

(ii) The local child support agency requests that the non–requesting party provide his or her current and complete income and expense Judicial Council forms and requested documents.

(iii) The non–requesting party's failure to submit current and complete income and expense Judicial Council forms and requested documents to the local child support agency within 20 business days from the date of the notice will result in the local child support agency proceeding with the review for adjustment based upon the information provided by the other party and/or other verified information obtained by the local child support agency.

(D) A non–requesting party, who is not a parent, shall be provided with a written notice. The written notice shall include the following information:

(i) A request for a review for adjustment has been made by another party.

(ii) The local child support agency's request that the non–requesting party provide information, which may affect a child support determination, within 20 business days of the date of the notice.

(E) When a requesting party is a non–custodial parent who has multiple cases with the local child support agency, the local child support agency shall:

(i) Provide the forms and notice as discussed in Section 115510(e)(6)(A) to the requesting party and add a provision to the notice which states that a request for review for adjustment will be construed as a request for review of all of the party's cases within the county.

(ii) Process each of the custodial parties' cases collectively, if possible. If the location of a non–requesting party is unknown, the local child support agency shall follow the procedure set forth in Section 115550 for that particular non–requesting party. If the location of a non–requesting party is known, the local child support agency shall continue to process the request for review for adjustment by providing the forms and/or written notices to the non–requesting party as set forth in Section 115510(e)(6)(C) and (D).

(f) Within 15 business days of receipt of the requesting party's income and expense Judicial Council forms and requested documents, the local child support agency shall review the requesting party's income and expense Judicial Council forms and requested documents for completeness and, if incomplete, notify the requesting party, verbally or in writing, of the following:

(1) The requesting party's complete income and expense Judicial Council forms and requested documents are required before commencement of the review for adjustment.

(2) The specific deficiencies of the income and expense forms and/or failure to submit the forms or requested documents.

(3) Failure to correct the deficiencies within 35 business days of the date of the initial notice set forth in Section 115510(e)(6)(A) will result in the local child support agency terminating the review and adjustment process.

(g) Any alteration(s) to the requesting party's income and expense Judicial Council forms requires the requesting party's signature prior to a hearing.

(h) If the requesting party fails to correct the deficiencies within 35 business days of the date of the initial notice set forth in Section 115510(e)(6)(A), the local child support agency shall terminate the review and adjustment process pursuant to Section 115545(c).

(i) If the requesting party completes and submits income and expense Judicial Council forms and requested documents, the local child support agency shall review for adjustment as set forth in Section 115535 using the following, if applicable:

(1) The non–requesting party's complete and current income and expense Judicial Council forms and requested documents if the non–requesting party submitted such forms and requested documents within 20 business days of the date of the written notices as set forth in Section 115510(e)(6).

(2) The presumption as discussed in Section 115540 if the non–requesting party failed to submit current income and expense Judicial Council forms and requested documents within 20 business days of the date of the written notices as set forth in Section 115510(e)(6) and the presumption criteria is met.

(3) The court findings pursuant to Family Code Section 4058(b).

(4) The non–requesting party's current income and expense information contained within the case file and/or information obtained through automated locate tools and the Federal Case Registry.

§ 115520. Changes in Circumstances — Review Requested by a Party.

(a) Any of the following changes in circumstances or combination of changes in circumstances shall be considered a basis for a review for adjustment. Changes in circumstances may include:

(1) A change in the obligee or obligor's employment status or income.

(2) A change in parenting time or custody. A court order showing a change in parenting time shall be prima facie evidence of a change in the parenting time.

(3) A change in additional child support costs or expenses incurred related to the following:

(A) Child care costs related to employment or reasonably necessary education or training for employment skills.

(B) Reasonable uninsured health care costs for the child(ren) as provided in Section 4063, Family Code.

(C) Costs related to the educational or other special needs of the child(ren).

(D) Travel expenses for visitation.

(4) A financial hardship on the obligee or obligor, as defined in Family Code Section 4071.

(5) The obligee or obligor begins or ceases receiving Unemployment Insurance Benefits, State Disability Insurance, or Worker's Compensation.

(6) Additional child support orders exist for which the obligor is responsible, which were not taken into account when the order was established or last adjusted.

(7) A change in the obligee or obligor's health insurance premium or the availability of health insurance through an employer.

(8) The release of the obligee/obligor from incarceration in a county jail, state or federal prison, or court–ordered rehabilitation facility.

(9) The release of the obligee/obligor from a psychiatric facility.

(10) Any other changes in circumstances that would affect the amount of support.

§ 115525. Processing a Review for Adjustment — Initiated by the Local Child Support Agency.

(a) Within 15 business days of becoming aware of any potential change in circumstance set forth in Section 115530, the local child support agency shall:

(1) Provide the parties, who are parents, by mail or personal delivery, with the appropriate income and expense Judicial Council forms and a written notice. The written notice shall include the following information:

(A) The local child support agency is initiating a review for adjustment based upon a potential change in circumstance.

(B) The local child support agency requests that each parent provide his or her current and complete income and expense Judicial Council forms and requested documents.

(C) The party's failure to submit current and complete income and expense Judicial Council forms and the requested documents within 20 business days of the date of the notice will result in the local child support agency proceeding with the review for adjustment based upon the information the other party provides and/or verified information obtained by the local child support agency.

(2) Provide the parties, who are not parents, by mail or personal delivery, with a written notice that shall include the following information:

(A) The local child support agency is initiating a review for adjustment based upon a potential change in circumstance.

(B) A request that specific information, which may affect a child support determination, be submitted within 20 business days of the date of the notice.

§ 115530. Changes in Circumstances — Automatic Review by Local Child Support Agency.

(a) Any of the following changes in circumstances or combination of changes in circumstances shall be considered a basis for an automatic review for adjustment. Changes in circumstances shall be limited to:

(1) The obligor or obligee is incarcerated in a county jail, state or federal prison, or court–ordered rehabilitation facility and there is no evidence of support potential. If the obligor is incarcerated, the local child support agency shall seek to adjust the current order to zero, and refer to the case closure regulations at 22 California Code of Regulations, Section 118203(a)(5)(B) to determine if case closure is appropriate.

(2) The obligor's sole income is Supplemental Security Income/State Supplementary Payment, CalWORKs, or any other public assistance program for which eligibility is determined on the basis of need, and that income was used in determining the amount of the support order. If the obligor's sole income is Supplemental Security Income/State Supplementary Payment, the local child support agency shall seek to adjust the current order to zero, and refer to the case closure regulations at 22 California Code of Regulations, Section 118203(a)(5)(D) to determine if case closure is appropriate. Pursuant to Section 17400.5, Family Code, the local child support agency shall file a motion to modify the order within 30 days of verification of receipt of the Supplemental Security Income/State Supplementary Payment.

(3) The obligor stops receiving Supplemental Security Income/State Supplementary Payment, CalWORKs, or any other public assistance program for which eligibility is determined on the basis of need.

(4) The obligor has a medically verified total and permanent disability with no evidence of support potential. The local child support agency shall seek to adjust the current order to zero and refer to the case closure regulations at 22 California Code of Regulations, Section 118203(a)(5)(C) to determine if case closure is appropriate.

(5) The obligor is institutionalized in a psychiatric facility and has no evidence of support potential. The local child support agency shall seek to adjust the current order to zero and refer to the case closure regulations at 22 California Code of Regulations, Section 118203(a)(5)(A) to determine if case closure is appropriate.

(6) The child support order was based on presumed income, and the actual income or income history of the obligor becomes known.

(7) The obligor or obligee's health insurance premium was not included in the guideline (Family Code Section 4055) calculation when the child support was established or last adjusted.

(8) The obligor or obligee is a reservist in the military and is called to active duty.

§ 115535. Review for Adjustment.

(a) Within 40 business days of the date of the written notices provided to a party as set forth in Sections 115510(f)(6), or 115525. The local child support agency shall:

(1) Verify whether either of the following situations exists:

(A) A change in circumstance pursuant to either Section 115520 or Section 115530 exists and is reasonably expected to last for more than three months.

(B) The parties stipulated to a child support order below the amount established by the statewide uniform guideline. No change of circumstance need be demonstrated to obtain an adjustment of the child support order to the applicable guideline level or above.

(2) Terminate the review and adjustment process in accordance with 115545(c), if such a change in circumstance does not exist or is not reasonably expected to last for more than three months, and the parties did not stipulate to a child support order below the amount established by the statewide uniform guideline.

(3) Determine whether the amount of the support would be altered, upward or downward, by at least 20% or $50, whichever is less, in instances where a change in circumstance exists and is reasonably expected to last for more than three months, or the parties stipulated to a child support order below the amount established by statewide uniform guideline. The LCSA shall determine the 20% or $50 alteration by either:

(A) Calculating the guideline amount based upon the income and expense information of the parties, or

(B) Presuming that the amount of the support is altered, if the presumption criteria in Section 115540 is met.

(b) The local child support agency shall use the income and expense Judicial Council forms and requested documents provided by a party and/or income and expense information obtained by the local child support agency instead of presuming a 20% or $50 alteration in the child support amount to calculate the guideline amount if the information is provided or obtained at any time prior to the court order modifying the amount of support.

§ 115540. Presumption.

(a) The local child support agency shall presume the amount of the support is altered, upward or downward, by at least 20% or $50, whichever is less, if all of the following are met:

(1) A party fails to return the requested income and expense Judicial Council forms and requested documents within 20 business days from the date of the written notice as set forth in Section 115510(f)(6), or Section 115525.

(2) The local child support agency provided the written notice either by personal delivery to the party, or by mail to the party's "last known address", and the information was not returned to the local child support agency as undeliverable.

(3) The local child support agency has no current income and expense information for the party in the case file.

(4) The local child support agency is unable to obtain information on the party through automated locate tools and the Federal Case Registry.

(5) The income and expense Judicial Council forms and requested documents, provided by either the requesting party as set forth in Section 115510(f)(6), or a party as set forth in Section 115525, or a verified change in circumstance as set forth in Section 115530 suggests a change in the amount of the child support order, upward or downward, by at least 20% or $50, whichever is less.

§ 115545. Process After Adjustment Criteria Assessed.

(a) Within 15 business days of determining that it is appropriate to seek an adjustment, the local child support agency shall take one of the following actions:

(1) File a motion for modification or an order to show cause to seek an adjustment with the court and serve the notice of motion for modification or order to show cause on the parties. Service shall be conducted in accordance with the requirements of Section 1013, Code of Civil Procedure or any other manner allowed in the Code of Civil Procedure.

(2) File a motion to set aside the child support order and serve the notice of motion to set aside on the parties if a child support order meets the

criteria for set aside pursuant to Section 17432, Family Code. Service shall be conducted in accordance with the requirements of Section 1013, Code of Civil Procedure or any other manner allowed in the Code of Civil Procedure.

(3) Enter into a stipulation with all necessary parties and file the stipulation with the court.

(b) Within 14 days of the issuance of an adjusted order, the local child support agency shall send a copy of the adjusted court order to the parties.

(c) Within 14 days of a determination that an adjustment will not be sought, the local child support agency shall provide, by mail or personal delivery, a written notice of the determination to the parties which includes the following information:

(1) The local child support agency's determination that it will not seek an adjustment of the child support order because of one of the following:

(A) The criteria was not met.

(B) The order has been reviewed for an adjustment within the last six months and nothing has changed since the last time the requesting party requested a review.

(C) The requesting party failed to submit current and complete income and expense forms and/or the requested documents.

(2) An explanation of why the adjustment criteria was not satisfied, if applicable.

(3) A statement informing the parties that each party may file his or her own notice of motion or order to show cause for adjustment of the child support order and may obtain the necessary forms from the local child support agency.

(4) A statement informing the parties of the option to obtain the assistance of the local Family Law Facilitator.

(5) The name(s), address and public telephone number for the local Family Law Facilitator.

(6) Information on the availability of the complaint resolution and state hearing processes pursuant to 22 California Code of Regulations, Chapter 10, Section 120001 et seq.

Subchapter 6.1. Immediate Enforcement Actions

Article 1. Income Withholding Orders

§ 116100. Preparing and Serving an Income Withholding Order—General Requirements and Timeframes.

(a) If a child support order exists, a local child support agency shall serve an income withholding order on an obligor's employer, unless a court has ordered that service be stayed. The income withholding order shall specify the following amounts, as applicable, to be withheld from the obligor's disposable earnings whether for child, family, spousal, and/or medical support:

(1) The amount(s) of current support specified in the most recent support order.

(2) The amount specified in the court order to be withheld for the liquidation of any support arrearage.

(3) An amount to be withheld for the liquidation of any support arrearage, if no amount(s) of payment toward any arrearage is specified in the court order, or additional arrears have accrued after the date of a court order for support. If both current support and arrearages exist, the amount to be withheld from salary or wages towards the liquidation of arrearages shall not exceed 25 percent of the current support order, or when combined with the current support amount, the maximum amount withheld cannot exceed 50 percent of the obligor's disposable earnings.

(A) In addition to the amount specified in (a)(3) above, when an obligor's current support obligation for a child terminates by operation of law but an arrearage balance exists, the local child support agency shall serve an amended income withholding order on the obligor's employer within 30 days that provides for a monthly payment that is equal to the current support payment that has terminated for each child, to be applied towards the liquidation of arrearages not to exceed the maximum amount withheld cannot exceed 50 percent of the obligor's disposable earnings.

(B) An income withholding order issued by a local child support agency for the liquidation of arrearages, shall not exceed five percent of a disabled obligor's total monthly Social Security Disability Insurance (SSDI) benefits pursuant to Title II of the Social Security Act, if the obligor provides the local child support agency with proof that the obligor meets the Supplemental Security Income (SSI) resource test and is receiving SSI/State Supplementary Program (SSP) benefits and/or SSDI,

or, but for excess income, would be eligible to receive SSI/SSP. Proof that the obligor is otherwise eligible for SSI/SSP, but for excess income, includes SSDI check stubs and self certification by the obligor declaring under penalty of perjury that the obligor meets the SSI resource limits.

(b) In addition to the original income withholding order served on an employer, a local child support agency also shall serve, the following on the obligor's employer to deliver to the obligor:

(1) A second copy of the income withholding order.

(2) A blank request for hearing regarding wage and earnings assignment, and the information sheet for request for hearing regarding wage and earnings assignment.

(c) An income withholding order and the documents specified in subsection (b) shall be served on an obligor's employer:

(1) Within 15 days of any of the following:

(A) The date the support order is received by the local child support agency, if the address of the obligor's employer is known on that date.

(B) The date the obligor's employer is located. If the obligor's employer is located through the State Directory of New Hires, the income withholding order shall be served within the timeframe specified in subparagraph (2), below.

(C) The date the local child support agency opens a case, if the address of the obligor's employer is known on that date and the support order was entered prior to case opening, and the local child support agency confirms the existence of the court order. The local child support agency shall take appropriate action to confirm the existence of the court order within 10 days of opening the case.

(D) The date information is received from the Independent Contractor Registry.

(E) The date the foreign state order is registered by the local child support agency in California pursuant to Section 117503 and the employer is known.

(2) Within two business days after the date information regarding a newly hired employee is entered into the State Directory of New Hires.

(d) Service on an employer of the documents specified in subsections (a) and (b) may be made by either:

(1) Electronic means, such as fax or email.

(2) First class or express mail.

Article 2. Medical Support Enforcement

§ 116114. General Requirements.

(a) When a local child support agency determines that an existing support order for current support does not contain a health insurance coverage provision, except as provided in Subsection (b), the local child support agency shall concurrently:

(1) File a notice of motion or order to show cause with the court to include a health insurance coverage provision in the support order.

(2) Serve by first class mail, a blank form "Dependent's Health Insurance Information," CSS 4330, dated 04/02, incorporated by reference herein, on the obligor, along with written notification that the form shall be completed by the obligor and returned to the local child support agency within 20 days of the date of the notification.

(3) If an obligor's employer is known, serve by first class mail, a blank form "Employees' Dependent Health Insurance Information," CSS 4333, dated 04/02, incorporated by reference herein, on the employer, along with written notification that the form shall be completed by the employer and returned to the local child support agency within 30 days of the date of the notification.

(b) If an obligee in a non–Title IV–A case informs the local child support agency that there is private health insurance coverage for his or her child(ren) and does not want enforcement services for health insurance coverage, a local child support agency shall:

(1) Obtain health insurance coverage documentation pursuant to Section 116122, subsection (b)(1), (2), and (4) which shows that the minor child(ren) is currently covered by private health insurance.

(2) Document the evidence of health insurance coverage for the minor child(ren) in the case file.

(c) Upon receipt of a support order requiring an obligor to provide health insurance coverage, a local child support agency shall take the following actions:

(1) If health insurance coverage is available at a reasonable cost to the obligor's minor child(ren), a local child support agency shall:

(A) Comply with the requirements of Section 116116 for employment–related group health insurance coverage, or

(B) Comply with the requirements of Section 116122 for other group health insurance coverage.

(2) If health insurance coverage is not available at a reasonable cost to an obligor's minor child(ren), a local child support agency shall monitor the case for changes in the obligor's employment status, and/or availability of employment–related health insurance coverage, or other group health insurance.

(A) If information is received that the status of the obligor's employment has changed, or that employment–related health insurance coverage is available, a local child support agency shall serve the National Medical Support Notice, as specified in Section 116116.

(B) If information is received that other group health insurance may be available to an obligor, a local child support agency shall obtain proof of health insurance coverage for the child(ren), as specified in Section 116122.

(d) A local child support agency shall complete a "Medical Insurance Form," DHS 6110 for all Title IV–A or IV–E cases as required by Title 22, California Code of Regulations, Section 50765, and forward the form to the Department of Health Services, Third Party Liability Branch, within 10 business days of the date health insurance coverage enrollment information for the minor child(ren) has been received by the local child support agency.

(e) A local child support agency shall update the "Medical Insurance Form," DHS 6110 specified in subsection (d), and forward the form to the Department of Health Services, Third Party Liability Branch, within 10 business days of the date of notification of any of the following affecting a recipient of Title IV–A or IV–E services:

(1) Any health insurance coverage has lapsed.

(2) Any health insurance coverage provider has changed.

(3) Any term of the health insurance coverage has changed.

(4) Any health insurance coverage has been terminated.

(5) Any medical support order or assignment order has been quashed or set aside by court order.

(f) The local child support agency shall forward any health insurance policy information received from a Plan Administrator to the obligee within 10 business days of the receipt of such information. Health insurance policy information shall include the information specified in Section 116122(b).

(g) A local child support agency shall document the case record and include copies of the forms and notices required by this Article.

§ 116116. Serving a National Medical Support Notice—General Requirements and Timeframes.

(a) If an order requiring an obligor to provide health insurance coverage for his/her minor child(ren) exists, a local child support agency shall complete and serve a "National Medical Support Notice (NMSN)," Part A, "Notice to Withhold for Health Care Coverage," OMB 0970–0222, and Part B, "Medical Support Notice to Plan Administrator," OMB 1210–0113, on an obligor's employer, upon of receipt of employer information pursuant to the timeframes specified in Section 116100(c).

(b) A local child support agency shall specify on the National Medical Support Notice that the total amount withheld for both current support and health insurance premiums shall not exceed 50 percent of the obligor's disposable earnings, or the amount that is indicated on the court order/judgment, whichever is less. If funds are insufficient to withhold for both current support and health insurance premiums, a local child support agency shall:

(1) For Title IV–A or IV–E cases, specify that the employer withhold for current support.

(2) For non–Title IV–A cases, contact the obligee to determine whether he/she chooses to have the employer withhold for either, current support or health insurance premiums and specify the obligee's decision on the National Medical Support Notice. If the obligee does not respond within 10 days after the initial contact attempt, then the local child support agency shall specify that the employer withhold for current support.

(c) In addition to the notice specified in subsection (a), a local child support agency also shall serve the following on an obligor's employer, upon receipt of employer information pursuant to the timeframes specified in Section 116100(c):

(1) The form and notice specified in Section 116114(a)(3).

(2) A written request that the employer provide written notification to the local child support agency within 10 business days of any lapse in health insurance coverage for the minor child(ren) that includes all of the following information:

(A) The reason(s) for the lapse in health insurance coverage.

(B) Whether or not the lapse is temporary.

(C) The date upon which coverage is anticipated to resume, if the lapse is temporary.

(3) Written notification that the employer is required to deliver a copy of the National Medical Support Notice to the obligor within 10 days of receipt of the order, along with a written statement of the obligor's rights and the procedures under the law to seek to quash such an order.

(d) The local child support agency shall serve the following pursuant to the timeframes specified in Section 116100(c) and by a method specified in 116100(d):

(1) All documents specified in this section,

(2) An income withholding order, if:

(A) A current support order and/or arrearages exist, and

(B) A current income withholding order has not already been served on the employer.

§ 116118. Processing the National Medical Support Notice.

(a) Upon receipt of a completed National Medical Support Notice, Part A, from an obligor's employer indicating that court–ordered health insurance coverage for the minor child(ren) cannot be provided, a local child support agency shall:

(1) Provide written notification to the obligor within 10 business days of receipt of Part A that other group health insurance coverage must be provided when it is available at no or reasonable cost.

(2) Provide written notification to the obligee within 10 business days of receipt of Part A that the court–ordered health insurance coverage cannot be enforced for one of the following reasons:

(A) The obligor's employer does not maintain or contribute to a plan providing dependent or family health care coverage.

(B) The obligor is among a class of employees ineligible for family health coverage under any group health plan maintained by the employer or to which the employer contributes.

(C) The obligor is no longer employed by the employer.

(D) State or federal withholding limitations prevent withholding from the obligor's disposable earnings the amount required to obtain coverage under the terms of the employer's group health insurance plan.

(3) Request written or oral notification from the obligor's employer within 15 days of any change in status or circumstance which would result in the eligibility of the obligor's child(ren) for health insurance coverage.

(b) Upon receipt of a completed National Medical Support Notice, Part B, indicating that the minor child(ren) of the obligor is/are, or will be enrolled under the obligor's health insurance coverage, a local child support agency shall take the action required by Section 116114(d), if the obligor's child(ren) is/are receiving Title IV–A or IV–E services.

(c) Upon receipt of a completed National Medical Support Notice, Part B, from a Plan Administrator indicating there is more than one option available under a health insurance coverage plan, and the obligor is not enrolled in any option under the plan or refuses to enroll in one of the options, a local child support agency shall:

(1) Provide written notification to the obligee within five business days of receipt of Part B of all of the following:

(A) A description of the health insurance coverage plan options available through the obligor's employment, including whether additional contributions will be necessary by the obligor to obtain coverage for the child(ren) under each option, and whether there is a limited service area for any option.

(B) Notice that the obligee must select a plan for the child(ren) from the available health insurance plans within 10 days of receipt of the written notification from the local child support agency.

(C) Notice that failure by the obligee to select a health insurance coverage plan option within 10 days of receipt of the written notification from the local child support agency will result in enrollment of the child(ren) in the default option, if any.

(D) Notice that if the plan does not have a default option the local child support agency shall determine and select the available plan that will provide the lowest cost plan that provides coverage where the child resides.

(2) Provide written notification to the Plan Administrator, within 20 business days after the postmark date of the receipt of Part B, of the option selected by the obligee or the local child support agency.

(d) Upon receipt of a completed National Medical Support Notice, Part B, indicating that the notice does not constitute a qualified medical child support order because:

(1) The name or mailing address of the minor child(ren) or obligor is unavailable, a local child support agency shall take all actions necessary to obtain missing information, including accessing all appropriate locate sources specified in Section 113100, and resubmit a National Medical Support Notice to the Plan Administrator within five business days after obtaining all necessary information.

(2) The child(ren) identified in the notice is/are at or above the age at which dependents are no longer eligible for coverage under the plan, a local child support agency shall verify the information provided to the Plan Administrator is correct within five business days of the receipt of the completed Part B.

(A) If erroneous information pertaining to the age of the child(ren) was provided, a local child support agency shall inform the Plan Administrator in writing, by telephone, or electronic means of the error and provide documentation to the Plan Administrator verifying the age of the child(ren) within five business days of the receipt of the completed Part B.

(B) If the child(ren) is/are at or above the age at which dependents are no longer eligible for coverage under the plan, a local child support agency shall provide written notification of such to the obligee within five business days of receipt of the completed Part B.

(e) A local child support agency shall provide written notification to an obligee within five business days of receiving notice from a Plan Administrator of any lapse of health insurance coverage for the minor child(ren).

§ 116120. Terminating a National Medical Support Notice.

(a) A local child support agency shall terminate the National Medical Support Notice within 10 days of obtaining any of the following documentation:

(1) An order for medical support that was quashed or terminated by the court.

(2) An order for medical support is no longer in effect.

(3) Proof that the child(ren) has died or reached the age of emancipation.

(4) A request in writing from an obligee in a non–Title IV–A case to cease medical support establishment and enforcement services. The local child support agency shall follow procedures pursuant to Section 116114(b).

(5) A request in writing from an obligee in a non–Title IV–A case to close a case.

(b) Upon terminating the National Medical Support Notice for any reasons specified in subsection (a), the local child support agency shall update the case file and notify the obligor, obligee and the obligor's employer in writing of the following:

(1) If the National Medical Support Notice was terminated for the reasons specified in either subsection (a)(1), (2), or (3), that there is no longer a current order for medical support in effect and that the obligor may continue health insurance coverage voluntarily for any qualifying dependents.

(2) If the National Medical Support Notice was terminated for the reason specified in either subsection (a)(4) or (5), that there is still a medical support order in effect, that the obligor must continue health insurance coverage for the child(ren) unless the order for health insurance is terminated by the court, and that the obligor may continue health insurance coverage voluntarily for any other qualifying dependents.

(c) If the local child support agency is notified that the health insurance coverage is terminated or changed, the local child support agency shall complete the "Medical Insurance Form" DHS 6110 pursuant to Section 116114.

§ 116122. Other Health Insurance Coverage.

(a) If an order requiring an obligor to provide health insurance coverage for his/her minor child(ren) exists, and other group health insurance coverage is available, or the court ordered individual health insurance coverage, a local child support agency shall request in writing, proof of health insurance coverage from the obligor, or the entity providing other group health insurance. The request shall:

(1) Be made within 10 days of service of the order on the obligor requiring the provision of health insurance coverage; and

(2) Include a written statement of the obligor's right and the procedures under the law to seek to quash the order.

(b) Proof of health insurance coverage shall include, but not be limited to:

(1) The health insurance membership or identification card(s) for the child(ren).

(2) The evidence of coverage and disclosure form from the health insurance provider.

(3) Claim forms and other documents necessary to submit claims.

(4) Any other pertinent information provided to the obligor, or received from the entity providing other group health insurance coverage, about health insurance coverage for the child(ren).

(c) The local child support agency shall request in writing that the other group health insurance provider provide written notification to the local child support agency within 10 business days of any lapse in health insurance coverage for the minor child(ren) that includes all of the following information:

(1) The reason(s) for the lapse in health insurance coverage.

(2) Whether or not the lapse is temporary.

(3) The date upon which coverage is anticipated to resume, if the lapse is temporary.

(d) Within five business days of receipt of the information specified in subsection (b), a local child support agency shall provide the obligee with such information.

(e) A local child support agency shall review the case for civil or criminal prosecution of an obligor if the obligor has willfully failed to provide health insurance coverage as ordered by the court.

Article 3. Real Property Liens

§ 116130. Recording/Creating Real Property Liens.

(a) A local child support agency shall record a real property lien against the real property of an obligor to obtain compliance with money judgments or orders enforced by a local child support agency pursuant to Title IV–D of the Social Security Act. A local child support agency shall prepare and submit for recording a real property lien within 45 days of the date a money judgment or order is received by the local child support agency, a case is opened for enforcement of an existing order or judgment, or an existing order is registered for enforcement. A local child support agency shall not record a real property lien when the order indicates a zero support amount, or when the order is reserved.

(b) A local child support agency shall not record a real property lien against the real property of an obligor who has filed for bankruptcy under Chapter 13, except in those instances where the real property is not part of the bankruptcy estate.

(c) A local child support agency shall record a real property lien for the following types of cases:

(1) Intercounty responding cases.

(2) Intracounty cases.

(3) Interstate initiating cases. Real property liens shall only be recorded if the obligor is known to have or is likely to acquire real property interests in California.

(4) Interstate responding cases.

(d) A local child support agency shall record a real property lien by recording with the county recorder one of the following:

(1) An abstract of support judgment.

(2) An Abstract of Support Judgment (notice of support judgment) Form CA 8580 (7/1/03).

(3) A certified copy of the order/money judgment.

(4) A federal Notice of Lien. The local child support agency shall record such a lien in another state when the custodial party resides in California and the obligor resides in a state other than California only if the local child support agency does not request enforcement by another state through the two-state interstate process as specified in Chapter 7.

(e) A local child support agency shall record a real property lien as follows:

(1) In the county where the obligor resides.

(2) In the counties where the parent(s) of the obligor resides, if known and if different from the county of the obligor.

(3) In the counties where the obligor is known to have, or could reasonably be expected to acquire, real property.

HISTORY

1. New article 3 (sections 116130–116134) and section filed 10–21–2002 as an emergency; operative 10–21–2002 (Register 2002, No. 43). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 4–21–2003 or emergency language will be repealed by operation of law on the following day.
2. New article 3 (sections 116130–116134) and section refiled 4–3–2003 as an emergency; operative 4–21–2003 (Register 2003, No. 14). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 10–20–2003 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 4–3–2003 order filed 10–17–2003; Certificate of Compliance withdrawn 12–1–2003 and repealer of section by operation of Government Code section 11346.1 (Register 2004, No. 19).
4. New article 3 (sections 116130–116134) and section filed 5–4–2004; operative 5–4–2004 by operation of Government Code section 11343.4 (Register 2004, No. 19).

§ 116132. Satisfaction of Judgment/Substitution of Payee.

(a) Upon satisfaction of a support obligation, a local child support agency shall within the time frames established in subsections (c) through (d) file a full satisfaction of judgment, or a matured installment satisfaction by doing both of the following:

(1) File an acknowledgment of satisfaction of judgment with the court.

(2) Provide the obligor with an acknowledgement of satisfaction of judgment that can be recorded in any county in which an abstract of support judgment, or certified copy of the judgment was filed.

(b) For all cases enforced by a local child support agency pursuant to Title IV–D of the Social Security Act, a local child support agency shall take one of the following actions as specified in subsections (c) through (e), as appropriate to the case.

(c) Prior to case closure, a local child support agency shall prepare and file a full satisfaction of judgment in the following circumstances:

(1) In those cases where the local child support agency recorded a certified copy of the judgment or order for support, an abstract of support judgment, or an Abstract of Support Judgment CA 8580 (7/1/03) only when all of the support arrears have been paid in full and all of the children subject to the support order have emancipated as specified in Section 110248.

(2) In any other situation where the local child support agency determines it would be appropriate to record a full satisfaction of judgment.

(d) Upon request of a representative of a title and/or escrow company or the obligor or the custodial party, the local child support agency shall prepare a matured installment satisfaction of judgment for signature by a representative of the local child support agency only when all of the support arrears have been paid in full and some or all of the children subject to the support order have not reached the age of emancipation as specified in Section 110248.

(e) The local child support agency shall prepare a substitution of payee in the following circumstances:

(1) The non–public assistance custodial party has requested that the local child support agency close the case, the custodial party has given permission to the local child support agency to disclose a mailing address to the obligor for payments, and unassigned current support and/or unassigned arrears are due to the custodial party. The local child support agency shall specify on a notice regarding payment of support, that payments for current support and unassigned arrears shall be paid to the custodial party and, if any assigned arrears remain unpaid and due to the county, that payments for assigned arrears shall be paid to the local child support agency. The assigned arrears portion of the case shall remain open until such time as the case qualifies for case closure as specified in Chapter 8.

(2) The local child support agency has determined all of the support arrears for which the local child support agency provided enforcement services have been paid in full, and the custodial party alleges that other support arrears are still due the custodial party and the custodial party has given permission to the local child support agency to disclose a mailing address to the obligor for payments.

(3) The local child support agency has transferred its case to another local child support agency in California for Title IV–D services. In this situation, the transferring local child support agency shall complete and file a notice regarding payment of support and specify that payments for current support and arrearages shall be paid to the address of the local child support agency to which the case was transferred. A notice regarding payment of support shall be completed and filed with the court prior to case closure by the transferring county.

(4) In any other situation where the local child support agency determines it would be appropriate to record a substitution of payee.

HISTORY

1. New section filed 10–21–2002 as an emergency; operative 10–21–2002 (Register 2002, No. 43). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 4–21–2003 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 4–3–2003 as an emergency; operative 4–21–2003 (Register 2003, No. 14). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 10–20–2003 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 4–3–2003 order filed 10–17–2003; Certificate of Compliance withdrawn 12–1–2003 and repealer of section by operation of Government Code section 11346.1 (Register 2004, No. 19).
4. New section filed 5–4–2004; operative 5–4–2004 by operation of Government Code section 11343.4 (Register 2004, No. 19).

§ 116134. Releasing Real Property Liens.

A local child support agency shall release real property liens by preparing and providing to the obligor the Release of Judgment Lien, Form CA 8581 (New July 1, 2003), to be recorded by the obligor with the county recorder, or a local child support agency shall release real property liens by recording the Release of Judgment Lien with the county recorder. A local child support agency shall process the release of real property liens in the following situations:

(a) When a written demand is received from a property owner for a recordable document releasing the lien and proof is provided by the property owner to the satisfaction of the local child support agency that the property upon which the lien has been created is owned by a person who is not the obligor but has the same or similar name as the obligor. Within 15 days of receipt of such written demand and proof, a local child support agency shall record a Release of Judgment Lien indicating a general release of lien.

(b) When a court order has been received by a local child support agency to prepare and deliver to the property owner a recordable document releasing the lien, unless such order has been appealed and the ac-

tion ordered is stayed pending the appeal. A Release of Judgment Lien indicating a general release of lien shall be prepared and delivered within the time frames established by the court order or within15 days from receipt of the court order, whichever is less.

(c) When a local child support agency has determined all of the support arrears for which the local child support agency provided enforcement services have been paid in full. Within five days of making the determination that the case should be closed because all support has been paid, a local child support agency shall prepare and deliver to the obligor a Release of Judgment Lien indicating a general release of lien.

(d) When a request is received from a representative of a title and/or escrow company or the obligor and the support arrears for which the local child support agency provided enforcement services have been paid in full. Within five days of the request, a local child support agency shall prepare and deliver to the requesting party, a Release of Judgment Lien indicating a specific property release of lien.

Article 4. Credit Reporting

§ 116140. Reporting Child Support Obligations and Arrearages—General Requirements and Timeframes.

(a) Each local child support agency shall compile and maintain a list of obligors who have child support obligations ordered by a court, administrative agency or quasi–judicial entity authorized to establish, enforce, or modify support orders or to determine paternity, whether or not arrearages are owed, and submit a certified list of those obligors to the Department, as specified in subsection (d), for subsequent consolidation and submission to credit reporting agencies.

(b) The list required by subsection (a) shall include, at a minimum, the following data for each obligor. The obligor's:

(1) Name(s).

(2) Date of birth.

(3) Last known address.

(4) Social Security Number.

(5) Current and past due child support debt amounts.

(c) Prior to including an obligor's arrearage data on the list required by subsection (a), the local child support agency shall do all of the following:

(1) Prepare a copy of the obligor's payment record, or obtain an affidavit signed by the obligee attesting to the amount of support owed.

(2) Ensure the case record contains a copy of the order, including any modifications to the order.

(3) Verify the accuracy of the obligor's name(s) and Social Security Number.

(4) Ensure the case record contains the obligee's last known address, if the obligee is not receiving public assistance.

(5) Verify the arrears by determining whether there are any former CalWORKs or foster care assigned arrears in addition to the arrears that accrued when the obligee was not receiving public assistance.

(d) When the list required by subsection (a) is transmitted to the Department, the director of the local child support agency, or his/her designee, shall complete and sign a "Child Support Credit Reporting/State Licensing Match Transmittal," CS 914, dated (8/02), incorporated by reference herein, to transmit the list and to certify the following under penalty of perjury:

(1) The requirements of subsection (c)(1) through (5) have been met.

(2) The compilation of the list was supervised by the director of the local child support agency or his/her designee.

(e) Prior to the initial reporting of a child support obligation or an arrearage to the Department, the local child support agency shall provide written notification to an obligor at his/her last known address of the proposed release of information to credit reporting agencies, and the detail of that information, and allow the obligor 30 days from the date of the written notice to contest the accuracy of the information, or to pay the arrearage, if any.

(1) If an obligor fails to contest the accuracy of the information in writing within 30 days of the date of the notice, the local child support agency shall include the obligor on the list submitted to the Department pursuant to subsection (f).

(2) If an obligor provides timely written notification that he/she wishes to contest the accuracy of the information, that notification shall be deemed a request for complaint resolution and the local child support agency shall delay submission of the obligor's information until the requirements of Article 2 of Chapter 10, commencing with Section 120100, have been completed.

(3) If an obligor pays an amount to satisfy an arrearage in whole or in part within the 30–day timeframe, the local child support agency shall revise the arrearage balance for that obligor prior to submitting the information specified in subsection (b)(5) to the Department pursuant to subsection (f).

(f) Each local child support agency shall submit to the Department monthly updates to the list specified in subsection (a) through electronic media. The updates shall be submitted by the 12th day of the month following the month being reported. The monthly update shall contain all new obligors for whom the local child support agency has completed the requirements specified in subsection (e), and either:

(1) All obligors submitted the previous month, including those obligors with changes to the information previously reported, such as, a change in case status or arrearage balance, or

(2) Only those obligors with changes to the information previously reported.

(g) In cases in which a child support collection is made by one county for a case being enforced in another county, the county enforcing the case shall submit the information specified in subsection (b) to the Department.

(h) In interstate cases when California is the responding state, the local child support agency shall submit the information specified in subsection (b) to the Department.

(i) In cases in which the accuracy of information is contested by the obligor and the credit reporting agency is conducting a reinvestigation, the local child support agency shall research the accuracy of information and respond to the credit reporting agency within 30 days from the date the local child support agency receives notice that the accuracy of the information is being contested.

(1) In the event the information being contested is correct, the local child support agency shall respond to the credit reporting agency within 30 days by fax or in writing, notifying the credit reporting agency that the information is correct.

(2) In the event the information being contested is incorrect, the local child support agency shall correct the information by submitting a Universal Data Form to the credit reporting agency by fax or in writing on the same working day that the information is verified as being incorrect. The local child support agency shall also submit information updating the case to the Department as specified in subsection (f).

Article 2. Long Arm Jurisdiction

§ 117200. General Requirements.

(a) A local child support agency shall establish parentage and/or a child support order by exercising long arm jurisdiction if paternity and support have not been established, but the facts of the case indicate that the requirements for asserting personal jurisdiction over the alleged parent in another state are met.

(b) In cases in which paternity must be established and an alleged father does not reside in California, a local child support agency shall obtain sufficient information to determine whether any basis exists upon which California can assert long arm jurisdiction over the alleged father.

(c) In making the determination described in subsections (a) and (b), the local child support agency shall review the case for any of the following factors which may give a tribunal personal jurisdiction:

(1) The noncustodial parent is personally served with notice within California.

(2) The noncustodial parent submits to the jurisdiction of California by consent, by entering a general appearance, or by filing a responsive document having the effect of waiving any contest to personal jurisdiction.

(3) The noncustodial parent resided with the child in California.

(4) The noncustodial parent formerly resided in California and provided prenatal expenses or support for the child.

(5) The child resides in California as a result of the acts or directives of the noncustodial parent.

(6) The noncustodial parent engaged in sexual intercourse in California and the child may have been conceived by that act of intercourse.

(7) The noncustodial parent has signed a voluntary declaration of paternity in California.

(8) Any other basis consistent with the constitutions of California and the United States for the exercise of personal jurisdiction.

(d) A local child support agency seeking to establish an order through the exercise of long arm jurisdiction shall be subject to the same due process requirements as cases where the noncustodial parent resides in California.

HISTORY

1. New article 2 (section 117200) and section filed 9–24–2001 as an emergency; operative 9–24–2001 (Register 2001, No. 39). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 3–25–2002 or emergency language will be repealed by operation of law on the following day.
2. New article 2 (section 117200) and section refiled 3–19–2002 as an emergency; operative 3–26–2002 (Register 2002, No. 12). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 9–23–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 3–19–2002 order, including amendment of subsection (a), transmitted to OAL 9–13–2002 and filed 10–28–2002 (Register 2002, No. 44).

Article 3. General Provisions

§ 117300. Continuing, Exclusive Jurisdiction to Modify a Support Order.

(a) Except as specified in subsection (b), only the issuing state shall have continuing, exclusive jurisdiction to modify a support order.

(b) In determining whether it believes California or another state has continuing, exclusive jurisdiction to modify a support order, the local child support agency shall apply the following rules:

(1) Only one state shall have continuing, exclusive jurisdiction to modify a support order at any given time.

(2) If the child, the obligee who is an individual, or the obligor resides in the state that issued the controlling order, that state has continuing, exclusive jurisdiction to modify.

(3) Once a state has continuing, exclusive jurisdiction, it shall retain jurisdiction as long as any one of the parties or children in the case still resides in the state, unless the parties file a written consent in the issuing tribunal allowing another state, with personal jurisdiction over any of the parties, to assume continuing, exclusive jurisdiction to modify the order.

(c) When an obligee or obligor requests review and modification of a child support order, the local child support agency shall determine whether California has continuing, exclusive jurisdiction to modify the order, or whether the local child support agency must forward the request to another state for modification.

(d) If there is a state that has continuing, exclusive jurisdiction, a local child support agency shall forward the request for modification to the state that has continuing, exclusive jurisdiction.

(e) If a local child support agency determines that no state has continuing, exclusive jurisdiction, a local child support agency shall forward the request for review and modification to the state of the non–requesting parent.

(f) A California tribunal may review and modify the order when it does not have continuing, exclusive jurisdiction, if both parents file a written consent form with the tribunal in the state that issued the order and the California court has personal jurisdiction over at least one of the parents.

(g) In formulating its determination of whether California or another state has continuing, exclusive jurisdiction to modify the order, the local child support agency should make diligent efforts to determine whether there is any other entity having jurisdiction.

(h) If California was the issuing state, and Californias loses jurisdiction, a local child support agency may not bring a request to modify the support order once another tribunal has properly assumed continuing, exclusive jurisdiction and modified the order.

(i) If a tribunal of another state has assumed continuing, exclusive jurisdiction, and has modified the order, the local child support agency loses its authority to enforce the order prospectively, but retains jurisdiction to enforce the order as to amounts that accrued prior to the modification and as to nonmodifiable aspects of the order.

2. New section refiled 3–19–2002 as an emergency; operative 3–26–2002 (Register 2002, No. 12). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 9–23–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 3–19–2002 order, including amendment of section, transmitted to OAL 9–13–2002 and filed 10–28–2002 (Register 2002, No. 44).

§ 117302. Interest.

(a) If a tribunal in the state of California issued the controlling order, a local child support agency shall:

(1) Calculate and document how much interest has accrued on arrears.

(2) Request a responding state to collect accrued interest.

(3) Update the balances on arrears and interest and provide those balances to a responding state for collection upon the request of a responding state.

(b) If a tribunal in a state other than California issued the controlling order, a local child support agency shall:

(1) Collect interest based upon calculations and documentation provided by the issuing state, provided both of the following criteria are met:

(A) The issuing state's law authorizes the accrual and collection of interest on support arrears.

(B) The issuing state requests collection of arrears and interest.

(2) Request a certified statement of the balances on arrears and interest from the issuing state when needed to proceed with further action on a case.

HISTORY

1. New section filed 9–24–2001 as an emergency; operative 9–24–2001 (Register 2001, No. 39). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 3–25–2002 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 3–19–2002 as an emergency; operative 3–26–2002 (Register 2002, No. 12). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 9–23–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 3–19–2002 order transmitted to OAL 9–13–2002 and filed 10–28–2002 (Register 2002, No. 44).

§ 117303. Reconciling Multiple Orders/Determination of Controlling Order.

(a) A local child support agency shall identify and obtain copies of all child support orders in each case.

(b) If there are multiple orders, all orders issued by a tribunal having subject matter jurisdiction to hear and issue the order, and personal jurisdiction over the parties, shall be enforceable until a determination of the controlling order is made. Any payments collected under one support order for a particular period shall be credited against amounts accruing for the same period under a support order issued by another state. Once the tribunal having personal jurisdiction over the parties determines the controlling order, arrearages on all other orders shall stop accruing, and only the controlling order may be enforced prospectively.

(c) In developing a recommendation for the tribunal, a local child support agency shall use the following rules for determining the controlling order:

(1) If there is only one order, that is the controlling order.

(2) If two or more tribunals have issued child support orders but only one of the tribunals has continuing, exclusive jurisdiction, the order of that tribunal controls and shall be so recognized.

(3) If two or more tribunals have issued child support orders and more than one of the tribunals has continuing, exclusive jurisdiction, an order issued by a tribunal in the current home state of the child controls and shall be so recognized.

(4) If two or more tribunals have issued child support orders and more than one has continuing, exclusive jurisdiction, but none of the orders has been issued in the current home state of the child, the order most recently issued in a state having continuing, exclusive jurisdiction controls and shall be so recognized.

(5) If none of the tribunals has continuing, exclusive jurisdiction, a tribunal of this state may issue the controlling child support order if the tribunal has jurisdiction over the parties.

(d) If a local child support agency discovers a new order after the determination of controlling order has been made, a local child support agency shall review the case to determine if the newly discovered order affects the controlling order determination or the arrears determination.

(1) If the newly discovered order affects the controlling order determination or the arrears determination, and California has personal jurisdiction over the parties, a local child support agency shall petition the tribunal for a new determination of controlling order, based upon the newly discovered order.

(2) If California does not have personal jurisdiction over the parties, a local child support agency shall petition the tribunal with personal jurisdiction over the parties to make a new determination of controlling order, based upon the newly discovered order.

(e) Within 30 days of issuance of an order determining the controlling order, a local child support agency shall send a certified copy of the order to each tribunal that issued or registered an earlier order of child support.

2. New section refiled 3–19–2002 as an emergency; operative 3–26–2002 (Register 2002, No. 12). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 9–23–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 3–19–2002 order, including amendment of subsections (b), (c)(4) and (d)(1), transmitted to OAL 9–13–2002 and filed 10–28–2002 (Register 2002, No. 44).

Article 4. California As Initiating State

§ 117400. General Requirements and Timeframes.

(a) A local child support agency shall establish paternity, and establish and enforce support orders when the noncustodial parent resides in a state other than California and the custodial party resides in California, or when neither parent resides in California and one parent applies directly for Title IV–D services in California.

(b) A local child support agency shall:

(1) Use long arm jurisdiction when establishing judgments of parentage and child support orders in accordance with Article 2, Long Arm Jurisdiction (commencing with Section 117200 of this Chapter).

(2) Initiate an interstate case action if utilization of long arm jurisdiction is not possible.

(c) A local child support agency shall identify the case status as public assistance, non–public assistance, never assistance, or foster care, at the time of initiating the interstate referral and notify the responding jurisdiction of the case status. A local child support agency shall subsequently notify the responding jurisdiction at any time the case status changes.

(d) Whenever a local child support agency initiates an interstate case it shall:

(1) Refer the case to the responding state's central registry for action within 20 days of determining that an interstate action is necessary. As part of the referral, a local child support agency shall submit the appropriate Child Support Enforcement Transmittal forms specified in Section 117407 and any additional necessary documentation sufficient to allow the responding state to act on the case.

(2) Provide requested information to the responding state or notify the responding state when the information will be provided, within 30 days of receiving a request for additional information from the responding state.

(3) Notify the responding state of any new information regarding the case within 10 business days of receiving such information.

(4) Provide a payment record showing a month–by–month breakdown of amounts owed and paid at the time the case is referred.

(e) A local child support agency shall determine the amount of arrears owed under multiple orders. When computing arrears under multiple orders, a local child support agency shall:

(1) Begin with the order with the earliest date.

(2) Continue with the order with the highest child support amount in effect in any given month.

(3) Include accrual of interest on arrears to the extent the issuing state charges interest.

(4) Credit payments collected under one support order for a particular period against amounts accruing for the same period under different support orders.

(f) A local child support agency shall request responding states to enforce valid orders for accrued arrears, even though the family is no longer on public assistance and no ongoing support order is sought.

§ 117401. Paternity.

When California is the initiating state and paternity must be established, a local child support agency shall:

(a) Pay for the costs of genetic testing in actions to establish paternity.

(b) Allow a responding state to select the laboratory, schedule the genetic tests and cooperate in obtaining samples from the parent and child.

(c) Request that the responding jurisdiction attempt to secure a judgment against the noncustodial parent to recover a local child support agency's costs for the genetic testing.

HISTORY

1. New section filed 9–24–2001 as an emergency; operative 9–24–2001 (Register 2001, No. 39). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 3–25–2002 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 3–19–2002 as an emergency; operative 3–26–2002 (Register 2002, No. 12). Pursuant to Family Code section 17306(e), a Certificate of Compliance must be transmitted to OAL by 9–23–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 3–19–2002 order, including amendment of subsection (b), transmitted to OAL 9–13–2002 and filed 10–28–2002 (Register 2002, No. 44).

§ 117402. Disclosure of Information on Uniform Interstate Family Support Act Pleadings.

(a) A local child support agency shall advise the custodial party of the requirement to disclose his/her residence address on pleadings in Uniform Interstate Family Support Act cases and the right of the custodial party to obtain a nondisclosure order to keep the address off the documents, if disclosure may put at risk the health, safety or liberty of a party.

(b) A local child support agency shall instruct the custodial party to notify the local child support agency of any previously obtained protective or restraining orders or whether a good cause exception has been granted pursuant to Section 14008.6 or 11477.04, Welfare and Institutions Code. If such orders have been obtained or good cause has been granted, the local child support agency shall inform the custodial party that upon request, it shall seek an order of nondisclosure on behalf of the custodial party.

(c) A local child support agency shall use the term "nondisclosure" on the Uniform Interstate Family Support Act documents upon a finding by a tribunal that the health, safety, or liberty of a party or child would be unreasonably put at risk by the disclosure of identifying information. The local child support agency shall attach all orders for nondisclosure of information to the appropriate action form when transmitting a case to another state.

§ 117403. Modification of Child Support Orders.

(a) Within 20 days of receiving information necessary to conduct a review, and determining that a request for review and adjustment of a support order should be sent to the state that has continuing, exclusive jurisdiction to modify the order, a local child support agency shall request that the other state conduct a review and adjustment of a child support order.

(b) If there is no state with continuing, exclusive jurisdiction to modify a support order, a local child support agency shall transmit a request for registration and modification by the obligee or obligor to the state where the non–requesting party resides.

(c) A local child support agency shall proceed with a modification of a child support order even if a party leaves the state while the proceedings are pending, if a motion to modify support has been filed and served, unless both parties agree to terminate the modification proceeding.

3. Certificate of Compliance as to 3–19–2002 order transmitted to OAL 9–13–2002 and filed 10–28–2002 (Register 2002, No. 44).

§ 117405. Direct Income Withholding.

(a) Except as specified in (b) below, a local child support agency shall send the Federal Form (OMB NO.: 0970–0154) "Order/Notice to Withhold Income for Child Support," directly to an employer, as defined in Section 110250, in another state when the obligor resides outside of California, the employer is known, and a local child support agency has not initiated an interstate case.

(b) A local child support agency shall use an interstate process rather than direct income withholding when it has reason to believe:

(1) The obligor has more than one family and another state has sent a income withholding order to the obligor's employer.

(2) The obligor's arrears are in dispute.

(3) There are multiple support orders and the controlling order and arrears determinations have not been made.

(4) The obligor has declared bankruptcy.

(5) The obligor has a history of short term employment or job hopping.

(6) The obligor is unemployed.

(7) The obligor is incarcerated.

(8) The obligor is self–employed.

(c) When there is an active interstate case in progress and the local child support agency decides to file a direct income withholding order, the local child support agency shall notify the responding state to close its case.

(d) When a local child support agency has a direct income withholding order in place, and wishes to initiate an interstate case, a local child support agency shall advise the responding state of the direct income withholding order and coordinate withdrawal of the direct income withholding order with service of the responding state's withholding order.

(e) If the obligor contests the direct income withholding order, a local child support agency shall:

(1) Contact the Title IV–D agency in the responding state to request its assistance in appearing on behalf of the local child support agency.

(2) Comply with a responding state's request to withdraw the direct income withholding order and file an interstate action to authorize the responding state to appear on behalf of the initiating state, if the responding state determines such action is necessary.

(f) A local child support agency shall contact the employer if an employer does not comply with the direct income withholding order and attempt to resolve the issue informally. If that effort fails, a local child support agency shall initiate an interstate case requesting the responding state to register and serve an income withholding order.

(g) A local child support agency shall open a case and assist an obligor in registering a support order or direct income withholding order that is being contested if an obligor requests Title IV–D services, which includes the right to initiate a contest.

Article 5. California As Responding State

§ 117500. General Requirements/Time Frames.

(a) A local child support agency shall provide Title IV–D interstate cases the same services required in Title IV–D intrastate cases including all of the following:
(1) Establishing paternity and attempting to obtain a judgment for genetic testing costs, should paternity be established.
(2) Establishing a child support order.
(3) Processing and enforcing orders using the same remedies applied in Title IV–D intrastate cases.
(4) Collecting and monitoring support payments and forwarding payments to the location specified by the initiating state's Title IV–D agency.
(5) Reviewing and modifying child support orders.
(b) Within 75 days of receipt of an interstate case from the California Central Registry, the local child support agency shall do all of the following:
(1) Provide locate services, if the request is for location services or the case does not include adequate information to locate the obligor and/or the obligor's assets.
(2) Request additional or corrected documentation from the initiating state's Title IV–D agency if the local child support agency is unable to proceed with the case because the provided documentation is insufficient.
(3) Process the case to the extent possible pending receipt of the necessary documentation from the initiating state, if the documentation initially received by a local child support agency is insufficient and cannot be remedied without assistance of the initiating state.
(c) A local child support agency shall provide notice of any hearings that might result in establishment or modification of an order to the initiating state's Title IV–D agency within 14 business days after notice of the time, date and location of a hearing.
(d) If the local child support agency receives a substantive written communication from the party against whom the order is being enforced, or that party's attorney, the local child support agency shall send a copy of that communication to the initiating state within 10 business days of receipt of the communication.
(e) A local child support agency shall notify an initiating state within 10 business days of receipt of new information by submitting an updated Federal Form OMB No.: 0970–0085.
(f) A local child support agency shall, to the extent allowed under Section 17402, Family Code, comply with another state's request to establish an order for a prior time period and collect assigned arrears only.
(g) A local child support agency shall enforce an issuing state's valid orders for accrued arrears, even in cases in which the obligee and child are no longer on public assistance.

Article 2. Case Closure

§ 118203. Requirements for Case Closure.

(a) Each local child support agency shall establish and use a system for closing Title IV–D cases and shall close any case when it meets at least one of the following case closure criteria:

(1) There is no longer a current support order and no arrearage payments were made in the preceding twelve consecutive months, and assigned and unassigned arrears total less than $500 or arrears are unenforceable under state law. Situations to which this criterion apply include, but are not limited to, the following:

(A) Reconciliation of the family.

(B) The death of a child for whom support is owed.

(C) Paternity is established and is the only Title IV–D service needed because both parents in a Title IV–A grant are living together.

(D) A child for whom support is sought dies before paternity can be established.

(E) Cases with medical support orders with specific dollar amounts and arrears which accrue under such orders.

(F) Emancipation of the youngest child.

(2) The noncustodial parent or alleged father is deceased and no further action can be taken, including a levy against the estate. The local child support agency shall:

(A) Verify the death of the noncustodial parent or alleged father.

(B) Document that attempts to identify assets in the estate that could be levied against were unsuccessful. The closure notice required by subsection (b) below, shall include information about possible Social Security Administration death benefits pursuant to subsection (b)(3)(C).

(3) Paternity cannot be established because of one of the following:

(A) The youngest child requiring paternity establishment has reached 18 years of age and there is no pending judicial action to establish the child's paternity.

(B) A genetic test, or court, or administrative process has excluded the alleged father and the custodial party has attested under penalty of perjury that he or she does not know the identity of other individuals who could be the father.

(C) A local child support agency, in conjunction with the county welfare department, determines that the child's best interest will not be served by establishing paternity in a case involving incest or forcible rape, or a case where legal proceedings for adoption are pending.

(D) Either the first or the last name of the biological father is unknown and cannot be identified after diligent efforts, including at least one face–to–face interview by the local child support agency with the custodial party. For the purpose of this subparagraph "diligent efforts" means acting on leads the custodial party may provide that could help identify and locate the biological father, such as a last known address or employer. The interview required in this subparagraph may be conducted by telephone when the custodial party would have to travel at least 60 miles, or take time from work to be interviewed face–to–face, or is disabled, or lacks transportation.

(E) The child was conceived as the result of artificial insemination of a woman other than the donor's wife, and the husband of the woman, if any, did not consent to the insemination.

(4) The noncustodial parent's or alleged father's residence, employment address, earnings and assets are unknown and the local child support agency has made diligent but unsuccessful quarterly attempts using all locate sources, pursuant to Section 113100, to locate the noncustodial parent or alleged father and his/her earnings or assets. Such efforts shall be made over a three–year period when there is sufficient information to initiate an automated locate effort, or over a one–year period when there is insufficient information to initiate an automated locate effort.

(A) For the purpose of this subparagraph, "sufficient information" means the first and last name and date of birth, and/or Social Security Number of the noncustodial parent or alleged father.

(B) For the purpose of this subparagraph, "diligent" means a local child support agency has done both of the following:

1. For the one–year period, contacted the custodial party at least once to ask for information which might serve to further identify and locate the noncustodial parent or alleged father.

2. Made every reasonable effort to obtain the missing or incomplete Social Security Number of the noncustodial parent or alleged father using all appropriate sources including, but not limited to, the California Parent Locator Service, the Department of Motor Vehicles, the Social Security Administration, and the Federal Parent Locator Service.

(5) The local child support agency determines that the noncustodial parent has no earnings or assets which could be levied or attached for support and the noncustodial parent cannot pay support for the duration of the child's minority for any of the following reasons:

(A) The noncustodial parent is institutionalized in a psychiatric facility.

(B) The noncustodial parent is incarcerated with no chance of parole.

(C) The noncustodial parent has a medically verified total and permanent disability with no evidence of support potential.

(D) The noncustodial parent receives SSI/SSP and has no other attachable income or assets.

(6) The noncustodial parent lives in a foreign country.

(A) The noncustodial parent resides in a country other than Mexico and all of the following apply:

1. The noncustodial parent is a citizen of that country.

2. The noncustodial parent does not work for the United States government or a company which has its headquarters or offices in the United States.

3. The noncustodial parent has no reachable domestic earnings or assets.

4. California does not have reciprocity with the country.

(B) The noncustodial parent resides in Mexico and in addition to the criteria specified in (A)1. through 3. above, the case is a California–initiated request for reciprocal child support services with Mexico, and at least one of the following apply:

1. Paternity is at issue and either California does not have the basis to establish paternity using long–arm jurisdiction, specified in Section 4905, Family Code, or use of long–arm jurisdiction to establish paternity is appropriate and has been attempted but the local child support agency is unable to establish paternity.

2. The noncustodial parent's location is not known.

3. The noncustodial parent is not known to be working, or the local child support agency is unable to determine the noncustodial parent's employer.

4. The local child support agency cannot be provided with a photograph of the noncustodial parent.

5. The only issue in the case is retroactive support for past public assistance paid.

(7) A local child support agency has provided non–Title IV–D location–only services, pursuant to Section 113200, as requested by the cus-

todial party, legal guardian, attorney, or agent, of a child who is not receiving public assistance, whether or not such services were successful.

(8) A recipient of services who is currently not receiving public assistance under Title IV–A, requests closure of a case and there is no assignment for medical support and no assigned arrears.

(9) The court determines it would be inappropriate to establish a child support order for a case in which retroactive child support for past assistance paid is the only issue.

(10) There has been a finding of good cause, as specified in Section 11477.04, or Section 14008.6, Welfare and Institutions Code, or other exceptions to cooperation with the local child support agency, and the State or county welfare department has determined that support enforcement may not proceed without risk of harm to the child or caretaker.

(11) Except as specified in subparagraph (C), a local child support agency is unable to contact a non–Title IV–A recipient of services over a 60–day period after having made at least one attempt to contact the recipient of services by telephone, sending a letter by first–class mail to the last known address of the recipient of services, and after using the Department of Motor Vehicles and other locate sources to locate the recipient of services.

(A) The 60–day period shall commence with the date that the contact letter is mailed to the last known address of the recipient of services.

(B) A local child support agency shall not mail the case closure letter required by subsection (b), below, until 60 days have elapsed from the date the contact letter was mailed to the recipient of services; and until all responses from queried locate sources have been received indicating no new information is available that would allow the case to remain open.

(C) When the recipient of services is a custodial party and a local child support agency has a child support collection that needs to be distributed to that custodial party, the local child support agency shall attempt to locate the custodial party for six months, pursuant to Section 113100(g), before the case qualifies for closure under this criterion.

(D) A Medically Needy Only recipient's case shall not be closed under this closure criterion. A local child support agency shall contact the county welfare department for assistance in locating the recipient of services.

(12) A non–Title IV–A recipient of services, except a Medically Needy Only recipient, is uncooperative and an action by the recipient of services is essential for the next step in providing Title IV–D services. A local child support agency shall explain the incident of the noncooperation to the recipient of services in writing and warn the recipient of services that further noncooperation may result in case closure, and shall document circumstances of noncooperation in the case record. Noncooperation shall include any action or inaction by the recipient of services which is essential for the next step in providing Title IV–D services such as:

(A) Continuing to accept direct child support payments.

(B) Failing to attend hearings.

(C) Refusing to sign forms.

(D) Refusing to report private attorney actions.

(13) A recipient of services has moved to another county or state and both, subparagraphs (A) and (B) apply:

(A) The recipient of services applied for services in the other county or state.

(B) The local child support agency documents in the case record that contact was made with the other county or state to confirm that the recipient of services has applied for services in the other county or state; and, in the case of an inter–county transfer, to confirm that the case, with its support order and arrears, has been transferred.

(C) Notwithstanding subparagraphs (A) and (B), above, if there are assigned arrears, a case shall not be closed under this closure criterion until one of the following occurs:

1. The assigned arrears are collected.

2. The case is closed under another closure criterion.

3. Responsibility for collecting the assigned arrears is transferred to another county or state.

(14) A local child support agency documents failure by an initiating state in an interstate case to take an action which is essential for the next step in providing Title IV–D services.

(A) If California is the responding state and a local child support agency needs additional information to process an interstate case, that local child support agency shall send to the initiating state a notice requesting the initiating state to provide the information within 30 days, or provide a response within 30 days as to when the information shall be provided.

1. If the information or notice of when information will be provided is not received by the local child support agency after 30 days from mailing the request specified in subparagraph (A) above, the local child support agency shall notify the initiating state that the case will be closed in 60 days.

2. The local child support agency shall also send a copy of the closure notification to the initiating state's central registry with a notation requesting any assistance the central registry can provide the initiating state's Title IV–D agency in obtaining information necessary to keep the case open.

(B) When the initiating state requests case closure and does not provide the case closure criterion, or provides a case closure criterion that is inconsistent with subparagraphs (1) through (13) and (15), the local child support agency shall send the initiating state a written notice of intent to close the case in 60 days, unless the initiating state provides a case closure criterion that is consistent with subparagraphs (1) through (13) and (15).

(C) The case shall be closed after 60 days have elapsed from the date of mailing the closure notice specified in subparagraph (A)1. and (B) above, if the initiating state does not provide the information needed to process the interstate case or a response stating when the information will be provided.

(15) A Title IV–D case is erroneously opened and both of the following apply:

(A) No Title IV–D services can be appropriately provided for the case.

(B) There is clear and complete documentation in the case file explaining why the case was erroneously opened and why no Title IV–D services can be provided.

(b) A local child support agency shall notify the recipient of services in writing when closing a case pursuant to subsections (a)(1) through (6) and (11) through (14), above, of the local child support agency's intent to close the case.

(1) Written notice shall not be provided for cases closed pursuant to subsections (a)(7), (8), (9), (10) or (15), above.

(2) Written notice of case closure shall be mailed to the last known address of a recipient of services 60 days prior to closing a case. When the only address for a recipient of services is a Title IV–A agency, a local child support agency shall send the closure notice to that Title IV–A agency's address.

(3) A notice of intent to close the case shall, at a minimum, include the following information:

(A) The reason the case is being closed.

(B) The circumstances under which the case will be reopened, such as receipt of new information regarding the location of the noncustodial parent's or alleged father's residence or earnings or assets, as specified in subsection (c), below.

(C) Whom to contact to apply for possible Social Security death benefits for cases closed for the reasons specified in subsection (a)(2), above.

(4) When a case qualifies for closure pursuant to subsection (a)(1) because the parents have reconciled and the reconciliation makes the family ineligible for public assistance, and there are no arrears assigned to the state that are eligible for enforcement, a local child support agency shall mail a case closure notice to both the custodial party and noncustodial parent. The notice shall state both of the following:

(A) The case is being closed because the family has reconciled.

(B) Title IV–D service shall be terminated.

(5) A case shall remain open if:

(A) A recipient of services responds to a closure notice with information that could lead to the establishment of paternity or a support order or enforcement of an order; or

(B) Contact is re–established with a recipient of services within the timeframes specified in subsection (a)(11).

(c) The local child support agency shall reopen a case that has been closed when a non–Title IV–A former recipient of services requests that the case be reopened and can provide information that could lead to the establishment of paternity or a support order or enforcement of an order. When a non–Title IV–A former recipient of services requests resumption of Title IV–D services, the recipient of services shall complete a new application package pursuant to Section 112100(b)(2).

(d) Closed Title IV–D case records shall be retained for a minimum of four years and four months from the date of closure, unless otherwise specified, and summary criminal history information shall be disposed of, in accordance with record disposal requirements specified in Section 111460.

(e) When a local child support agency closes a case, it shall evaluate the case to determine whether it is appropriate to release, remove, rescind or terminate establishment and enforcement actions initiated against the obligor.

(1) A local child support agency shall release, remove, rescind or terminate all establishment and enforcement actions, when an obligor never had or no longer has a current child support or a medical support obligation, and no arrearage exists.

(2) For purposes of subparagraph (1) above, release, removal, rescission or termination of establishment and enforcement actions includes, but is not limited to, the following:

(A) Dismissal of Summons and Complaints without prejudice. A Summons and Complaint may be dismissed only when a judgment for support has not been entered; or, when a judgment for support has been entered and the court has entered an order to set aside or vacate the judgment.

(B) Termination of income withholding orders and National Medical Support Notices. When the criteria set forth in subparagraph (1) above, are satisfied, such orders shall be terminated under any of the following circumstances, unless the court order specifies alternative termination provisions:

1. The child reaches the age of 18, or, if the child continues to be a full–time high school student, is unmarried, and is not self–supporting, then at the time the child completes the 12th grade or reaches the age of 19, whichever occurs first.

2. The child for whom child support is ordered has legally emancipated.

3. The child for whom child support is ordered has died.

(C) Removal of an obligor's name and social security number from all State and federal intercepts.

(D) Release of personal and real property liens.

(3) If a local child support agency closes a case when the obligor continues to have a current child support or medical support obligation or unassigned arrears exist pursuant to subparagraph (8) of subsection (a), the local child support agency shall release, remove, rescind or terminate establishment or enforcement actions as appropriate. For purposes of this subparagraph, release, removal, rescission or termination of establishment and enforcement actions includes, but is not limited to, the following:

(A) Removal of obligor's name and Social Security Number from all State and federal intercepts.

(B) Substitution of payee on income withholding and medical support order. The local child support agency shall substitute the obligee as the payee on any income withholding and medical support orders.

(C) Substitution of payee on real property lien. The local child support agency shall file and record a substitution of payee in each county in which a judgment or abstract of judgment has previously been recorded.

(D) Substitution of payee on notice of child support lien or lien against personal property lien. The local child support agency shall file a substitution of payee with the Secretary of State for any notice of child support lien previously filed pursuant to Section 17523, Family Code.

(4) When a recipient of services has a family violence indicator, a local child support agency shall obtain from a recipient of services a substitute address, when necessary for releasing, removing, rescinding or terminating establishment and enforcement actions and shall not disclose the whereabouts of the recipient of services and the affected child(ren) unless ordered to do so by a court of competent jurisdiction after proper notice and hearing.

Article 5. General Requirements

§ 119184. Monthly Statement of Collections and Distribution and Important Information Sheet.

(a) Each local child support agency shall issue a "Monthly Statement of Collections and Distribution", CS 916, dated (03/02), and "Notice of Important Information", CS 917, dated (03/02), each incorporated by reference herein, to each custodial party who is a recipient of child support services. The statement shall include, but not be limited to, the information required by Title IV–D of the Social Security Act, federal regulation, and the First Amended Permanent Injunction and Judgment, filed with the United States District Court, Eastern District of California, in the case of Barnes v. Anderson, Case No. CIV–S–90–0579.

(b) The statement specified in (a), above, shall be sent to all custodial parties within 45 days from the end of the statement period when there is either a collection or distribution of support during the period covered by the statement.

HISTORY

1. New chapter 9, article 4 (section 119184) and section filed 5–29–2002 as an emergency; operative 7–1–2002 (Register 2002, No. 22). Pursuant to Family Code section 17306, a Certificate of Compliance must be transmitted to OAL by 12–30–2002 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 5–29–2002 order, including renumbering and amendment of former article 4 heading to new article 5 heading and amendment of NOTE, transmitted to OAL 10–17–2002 and filed 12–3–2002 (Register 2002, No. 49).

Article 6. Compromise of Assigned Arrearages — Family Reunification

§ 119191. Compromise of Assigned Arrearages — Family Reunification.

(a) The local child support agency shall provide a Compromise Application Packet to a person on the day it is requested in person, or mail the Compromise Application Packet within 5 business days of receipt of a telephone or written request, or whenever the local child support agency becomes aware that an obligor has been reunited with his/her child(ren). The Compromise Application Packet shall consist of:

(1) Application for Compromise — Family Reunification, form DCSS 0027, dated (09/03), incorporated by reference herein,

(2) Relevant court form(s) providing information on the applicant's income, expenses, and assets, and

(3) Application for Compromise — Family Reunification Information Sheet, form DCSS 0026, dated (09/03), incorporated by reference herein.

(b) When the local child support agency receives a Compromise Application Packet, the local child support agency shall review the Compromise Application Packet for completeness. For purposes of completeness, applicants are not required to submit the Compromise of Arrearages Information Sheet — Family Reunification, form DCSS 0026. The local child support agency shall verify that the applicant returned the required documents and that the documents are complete, or that the local child support agency otherwise has the information required available.

(1) Within 10 business days of the date of receipt of an incomplete Compromise Application Packet, the local child support agency shall mail to the applicant a Notice of Incomplete Application for Compromise — Family Reunification, form DCSS 0031, dated (09/03), incorporated by reference herein.

(2) Within 10 business days of the date of receipt of the completed Compromise Application Packet, the local child support agency shall take the following actions:

(A) Make a determination of an applicant's eligibility for temporary suspension of enforcement and collection actions pending a final determination of eligibility for compromise as specified in Subsection (d).

(B) If the applicant meets the requirements specified in Subsection (d) below, the local child support agency shall send the applicant a Notice of Temporary Suspension Of Child Support Collection and Enforcement — Family Reunification, form DCSS 0030, dated (09/03), incorporated by reference herein. The applicant shall be advised that his/her application for compromise is complete and that he/she does qualify for temporary suspension of collection and enforcement actions on the assigned arrearages which accrued during the time that his/her child was in out–of–home care, as defined in Subsection (d)(2) below.

(C) If the applicant does not meet the requirements specified in Subsection (d) below, the local child support agency shall send the applicant a Notice of Denial of Application for Compromise — Family Reunification, form DCSS 0029, dated (09/03), incorporated by reference herein.

(c) Within two business days of the completion of the actions specified in Subparagraph (b)(2)(B) above, the local child support agency shall take administrative action to suspend enforcement of the obligation, and collection activities on the assigned arrearages that accrued during the time the child was in placement until a final determination is made on the application.

(d) The applicant shall qualify for temporary suspension of enforcement and collection actions, pending a final determination of eligibility for compromise, if all of the following requirements are satisfied:

(1) The applicant has provided a completed Compromise Application Packet.

(2) Either of the following criteria are met:

(A) The child has been adjudged a dependent of the court under Section 300 of the Welfare and Institutions Code and Aid to Families with Dependent Children–Foster Care or KinGAP was expended while the child was a dependent of the court, and the child is residing with and has been reunified with the applicant pursuant to a court order; or

(B) The child received public assistance while living with a guardian or relative caregiver and the child has been returned to the custody of and is residing with the applicant, provided that the applicant for whom the debt compromise is being considered was the applicant with whom the child resided prior to the child's placement with the guardian or relative caregiver.

(3) The applicant for whom the debt compromise is being considered has a gross income less than 300 percent of the federal poverty level guidelines for that family size.

(e) Within 20 business days from determining the applicant's qualification for a temporary suspension as specified in Subsection (b)(2)(B), the local child support agency shall take the following actions to determine the applicant's eligibility for compromise:

(1) Verify that one of the following conditions are satisfied:

(A) The child has been adjudged a dependent of the court under Section 300 of the Welfare and Institutions Code and Aid to Families with Dependent Children–Foster Care or KinGAP was expended while the child was a dependent of the court, and the child is residing with and has been reunified with the applicant pursuant to a court order; or

(B) The child received public assistance while living with a guardian or relative caregiver and the child has been returned to the custody of and is residing with the applicant, provided that the applicant for whom the debt compromise is being considered was the applicant with whom the child resided prior to the child's placement with the guardian or relative caregiver.

(2) Verify the following information from local child support or county welfare department case information or the Application for Compromise — Family Reunification, form DCSS 0027, dated (09/03), and the relevant court form(s) providing information on the applicant's income, expenses, and assets:

(A) Local child support agency's case identification number.

(B) Address of the applicant.

(C) Social Security number of the applicant, if any.

(D) Address of the child(ren) for whom arrearages are being considered for compromise.

(E) Social Security number(s) of the child(ren) for whom arrearages are being considered for compromise.

(F) Applicant's relationship to the child(ren).

(G) Time period when the child(ren) was out of the home.

(H) Child(ren) received assistance payments during placement as required by Subparagraph (e)(1).

(I) Child(ren) is currently living with the applicant.

(J) Child(ren) lived with the applicant prior to the child(ren)'s placement in out–of–home care.

(K) Applicant's gross monthly income as defined by Family Code Section 4058.

(L) Applicant's net monthly income as defined by Family Code Section 4059.

(M) All reported extraordinary expenses, such as day care, medical and dental expenses.

(N) Justification for other uses of income as outlined in a reunification plan.

(3) Determine if the applicant has a net disposable income less than 250 percent of the current federal poverty level guidelines.

(A) The 250 percent shall be applied to the family group, which includes the applicant and any other child(ren) the applicant is legally obligated to support and who resides with the applicant.

(B) The 250 percent shall be calculated by comparing the applicant's net disposable income to 250 percent of the federal poverty level for that family size. Income will be computed based on the current month's income at the time of application. Net disposable income shall be computed in accordance with Family Code Section 4059 and by deducting other expenses as justified in Subparagraph (2)(M) and (N) above, from the applicant's gross income.

(4) It shall be presumed that compromise is necessary for a child's support, if the applicant meets the requirements in Subparagraphs (1) and (3) above. The presumption may be rebutted by a finding that the applicant owns assets as verified in Subparagraph (e)(2) valued in excess of $10,000 dollars, excluding the applicant's primary residence and one vehicle used for transportation, that could be applied to satisfy the arrearages being considered for this compromise.

(5) After the local child support agency has determined that the applicant has met the requirements in Subparagraphs (e)(1) above, the local child support agency shall confer with the county welfare worker assigned to develop and/or assess compliance with the reunification plan prior to making a final determination on the ability of the applicant to support the child. In the event that the county welfare worker provides written justification within the time frame specified in Subsection (e) that supports a finding that a compromise is not in the best interest of the child, the local child support agency shall deny the request for compromise.

(f) Once the local child support agency has completed the verification of all required elements of eligibility for compromise and determined that the applicant does not meet the requirements specified in Subparagraphs (e)(1), (3) or (4) above, or if the county welfare worker determines a compromise is not in the best interest of the child as specified in Subparagraph (e)(5) the local child support agency shall take the following actions:

(1) Within 10 business days of the applicant's final determination of ineligibility for compromise, a Notice of Denial of Application for Compromise of Arrearages — Family Reunification, form DCSS 0029, dated (09/03), shall be sent to the applicant.

(2) Recompute the balance owing on arrearages.

(3) Initiate any appropriate enforcement or other actions for the repayment of any remaining arrearage balance.

(g) Once the local child support agency has completed the verification of all required elements of eligibility for compromise and determined that the applicant meets the requirements specified in Subparagraphs (e)(1), (3) and (4) above, the local child support agency shall take the following actions:

(1) Within 10 business days after determining eligibility for compromise, send the applicant a Notice of Eligibility for Compromise of Arrearages — Family Reunification, form DCSS 0028, dated (09/03), incorporated by reference herein. The Notice of Eligibility for Compromise of Arrearages — Family Reunification shall advise the applicant that he/she does qualify for a compromise of 100 percent of the principal and interest on the assigned arrearages that accrued as a result of the placement.

(2) The Notice of Eligibility for Compromise of Arrearages — Family Reunification shall advise the applicant that without a signed stipulation the application for compromise shall be denied. If the applicant refuses to sign the stipulation or fails to return the stipulation within 20 business days, the local child support agency shall:

(A) Send a Notice of Denial of Application for Compromise of Arrearages — Family Reunification, form DCSS 0029, dated (09/03), to the applicant.

(B) Recompute the balance owing on arrearages.

(C) Initiate any necessary court actions and take appropriate enforcement actions for the repayment of any remaining arrearage balance.

(3) Upon receipt of a signed stipulation, the local child support agency shall take the following actions:

(A) Within 10 business days, file the stipulation to implement the compromise of assigned arrearages.

(B) Within 10 business days initiate any other necessary court actions.

(C) Within 10 business days after the receipt of an approved stipulation and order from the court, make any necessary adjustments to reduce the total arrearages based on the compromise amount.

(D) Initiate the appropriate enforcement action(s) and set a monthly payment amount for the repayment of any remaining arrearage balance when appropriate.

(h) An obligor parent shall not be approved for compromise more than three times in 36 consecutive months, except for those instances where the child is adjudged a dependent of the court under Section 300 of the Welfare and Institutions Code.

Article 2. Local Complaint Resolution Process

§ 120100. General Provisions.

(a) Each local child support agency shall:

(1) Adopt and maintain the complaint resolution process specified in this Article.

(2) Not discourage a complainant from filing a complaint or requesting a state hearing.

(3) Not refuse to assist a complainant in requesting a state hearing.

(4) Track and report complaints in the Department's complaint resolution tracking system.

(b) This Article shall:

(1) Be interpreted in a manner that complies with Chapter 1, Program Administration, Article 5, Records Management regulations.

(2) Be interpreted in a manner that protects a complainant's right to complaint resolution.

(3) Not be interpreted in a manner that alters other statutory or regulatory time frames or requirements for taking other child support actions.

(c) If the last date for the performance of any act required within a time frame specified by this Article or the provisions of Chapter 5 of Division 17 of the Family Code (commencing with Section 17800) is not a business day, then such period shall be extended to the next business day.

NOTE: Authority cited: Sections 17306, 17310 and 17312, Family Code. Reference: Sections 17800, 17801, 17802 and 17804, Family Code.

§ 120101. Right to Complaint Resolution.

(a) A complainant shall have the right to make a request for complaint resolution subject to the requirements of this Article. The subject of a complaint may pertain to any local child support agency or Franchise Tax Board child support action or inaction, except the following:

(1) Complaints arising from a child support matter which must, by law, be addressed by motion, order to show cause, or appeal, in a court of law, unless an administrative review is provided for by statute.

(2) A review of any of the following:

(A) A court order for child support or child support arrears.

(B) A court order or equivalent determination of paternity.

(C) A court order for spousal support.

(3) Child custody determinations.

(4) Child visitation determinations.

(b) All requests for complaint resolution shall:

[The next page is 1473.]

(1) Be made within 90 days after a complainant knew, or should have known of the complained of child support action or inaction. A complainant shall be presumed to have known of a complained of action or inaction under the following circumstances:

(A) Five (5) business days after the postmark date of the written notice regarding an action or inaction which is the basis of a complaint.

(B) In the absence of any evidence to the contrary, the date a complainant alleges knowledge for the basis of a complaint, or the date a complainant notified a local child support agency of the subject of the complaint.

(2) Be directed to a local child support agency.

(A) Each local child support agency shall encourage, but not require, a complainant to make a written complaint on the "Request for Complaint Resolution," LCR001, dated (12/01), incorporated by reference herein.

(B) Each local child support agency shall document a complainant's oral complaint on the "Request for Complaint Resolution," LCR001, dated (12/01), and mail a copy of the completed LCR001 to the complainant no later than five (5) business days after receiving an oral complaint. The local child support agency shall mail to the complainant the forms required by Section 120102.

(3) Include the following information:

(A) A complainant's name and address, and if available, phone number, FAX number, and e-mail address.

(B) The local child support agency case number.

(C) A description of the local child support agency or Franchise Tax Board action or inaction a complainant requests to have resolved.

(c) A request for complaint resolution shall not be deemed invalid for failure to include the information required by subsection (b)(3)(B).

HISTORY

1. New section filed 6-26-2001 as an emergency; operative 7-1-2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12-28-2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12-18-2001 as an emergency; operative 12-30-2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6-28-2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12-18-2001 order, including amendment of section, transmitted to OAL 6-11-2002 and filed 7-24-2002 (Register 2002, No. 30).

§ 120102. Written Complaint Acknowledgement.

Within five (5) business days after the complaint receipt date, a local child support agency shall mail a "Request for Complaint Resolution Acknowledgement," LCR002, dated (10/01), incorporated by reference herein, and a "Request for State Hearing," SH001, dated (10/01), incorporated by reference herein to the complainant. The written complaint acknowledgement shall include an explanation of both of the following:

(a) The complaint resolution process and time frames specified in this Article.

(b) The state hearing process and time frames specified in Article 3.

NOTE: Authority cited: Sections 17306, 17310 and 17312, Family Code. Reference: Section 17800, Family Code.

HISTORY

1. New section filed 6-26-2001 as an emergency; operative 7-1-2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12-28-2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12-18-2001 as an emergency; operative 12-30-2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6-28-2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12-18-2001 order, including amendment of section, transmitted to OAL 6-11-2002 and filed 7-24-2002 (Register 2002, No. 30).

§ 120103. Complaint Investigation.

(a) Each local child support agency shall assign a complaint investigator to investigate the complaint. A complaint investigator shall not be the individual whose action or inaction is the subject of a complaint, or an Ombudsperson.

(b) The complaint investigator shall within five (5) business days of the complaint receipt date, determine the jurisdictional authority of the local child support agency to resolve the complaint. The local child support agency that took the action, failed to take action, or requested the Franchise Tax Board to take action, shall have jurisdictional authority.

(1) If the subject of the complaint is outside the jurisdiction of the child support program or is one of the issues enumerated in Section 120101(a), the local child support agency shall notify the complainant by mailing the notice required by Section 120105 immediately, but in no event more than 30 days after the complaint receipt date. To the extent possible, the local child support agency shall refer the complainant to the appropriate agency for complaint resolution.

(2) If the proper jurisdiction for the complaint is a local child support agency in another county, the local child support agency shall transfer the complaint pursuant to Section 120104, and notify the complainant by mailing the notice required by Section 120104 within five (5) business days of transferring the complaint.

(3) If the subject of the complaint is within the jurisdiction of the child support program and the local child support agency, but the local child support agency believes the complaint is not eligible for complaint resolution because it was filed untimely pursuant to Section 120101(b), the local child support agency shall notify the complainant by mailing the notice required by Section 120105 within 30 days of the complaint receipt date. This subparagraph shall not be interpreted to prohibit the local child support agency from trying to assist the complainant to resolve the complaint or other outstanding issues that are not subject to the local complaint resolution process.

(c) The complaint investigator shall discuss and clarify the basis of the complaint with the complainant. The complaint investigator shall attempt to resolve the complaint to the satisfaction of the complainant.

(1) If the nature of the complaint is substantively modified based on the complaint investigator's discussion with the complainant, the local child support agency shall document the new complaint information on a "Complaint Amendment," LCR003, dated (10/01), incorporated by reference herein, and mail the "Complaint Amendment," LCR003, to the complainant no later than five (5) business days after the complaint investigator's discussion with the complainant. The requirements of Section 120105 shall continue to apply based on the original complaint receipt date.

(2) If the complaint is resolved to the satisfaction of the complainant, the local child support agency shall mail a written notice of complaint resolution pursuant to Section 120105.

(3) If the complaint is not resolved to the satisfaction of the complainant after the discussion between the complaint investigator and the complainant, and further investigation is necessary, the complaint investigator shall do the following, as appropriate:

(A) Obtain pertinent case information regarding the subject of the complaint from the case worker(s) responsible for the action or inaction complained of, the Franchise Tax Board, and/or other agency.

(B) Obtain additional information or documents from any appropriate source necessary for prompt resolution of the complaint.

(C) Determine the local child support agency and/or Franchise Tax Board action required to resolve the complaint, if any. The local child support agency and/or Franchise Tax Board shall complete the required action within statutory time frames. In the absence of statutory time frames, the local child support agency and/or Franchise Tax Board shall complete the required action within 30 days after the complaint receipt date.

(D) Determine the action required by a third party or other agency, if any, to resolve the complaint.

1. The local child support agency shall inform such third party or other agency in writing of the action required to resolve the complaint,

and facilitate the resolution of the complaint with such third party or other agency until the requested action is completed.

2. The local child support agency shall inform the complainant pursuant to Section 120105 of the action(s) required by the complainant to resolve the complaint.

(E) Prepare the written notice of complaint resolution pursuant to Section 120105.

NOTE: Authority cited: Sections 17306, 17310 and 17312, Family Code. Reference: Sections 17800 and 17802, Family Code.

HISTORY

1. New section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12–18–2001 order, including amendment of section, transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120104. Complaint Transfer.

(a) Upon the local child support agency's determination that proper jurisdiction for the complaint is a local child support agency in another county, the local child support agency that received the complaint shall do both of the following:

(1) Complete a "Complaint Transfer," LCR004, dated (10/01), incorporated by reference herein, and email or fax the "Complaint Transfer," LCR004, and all other relevant complaint documents, forms, or other written or oral information received from the complainant, to the appropriate local child support agency within five (5) business days after the complaint receipt date.

(2) Notify the complainant of the complaint transfer by mailing the complainant a copy of the completed LCR004 within five (5) business days after transferring the complaint to another county.

(b) A local child support agency that receives a "Complaint Transfer," LCR004, as specified in (a), shall complete the requirements of Sections 120101 through 120105(a) within 30 days after receiving the "Complaint Transfer," LCR004.

(c) If the transferring and receiving local child support agencies cannot agree to the proper jurisdiction for the complaint, the receiving local child support agency shall contact the Department by telephone, and follow up by fax, for jurisdictional determination within five (5) business days of receipt of the "Complaint Transfer," LCR004. The Department shall make the jurisdictional determination within five (5) business days after contact. If the Department determines the jurisdiction for the complaint belongs to the transferring county, the complaint receipt date shall continue to be the date the local child support agency initially received the complaint pursuant to Section 120003. If the Department determines the jurisdiction for the complaint belongs to the receiving county, the complaint receipt date shall be the date the receiving county received the LCR004 from the transferring county, as specified in Section 120003.

HISTORY

1. New section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12–18–2001 order, including amendment of section, transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120105. Notice of Complaint Resolution/Complaint Extension.

(a) The local child support agency shall mail a "Notice of Complaint Resolution," LCR006, dated (10/01), incorporated by reference herein, and a "Request for State Hearing," SH001, dated (10/01), to the complainant no later than 30 days after the complaint receipt date. The LCR006, shall be signed by the director of the local child support agency, or his/her designee, and shall include a brief description or explanation of all of the following:

(1) The complaint and the complaint receipt date.

(2) The local child support agency's decision regarding the complaint, including the reason the local child support agency believes the complaint is not eligible for complaint resolution, if applicable, or the reason complaint resolution cannot be completed by the local child support agency. Citations to applicable laws, regulations, or Department policy letters shall be referenced in the explanation.

(3) The actions taken or that will be taken by the local child support agency to resolve the complaint.

(4) The complainant's right to file a request for a state hearing, the process and time frames for filing a request for state hearing, and the issues within the jurisdiction of a state hearing, if the complainant is dissatisfied with the resolution of the complaint by the local child support agency.

(b) The director of the local child support agency, or in the director's absence, his or her designee, shall be permitted to grant a one–time extension of the complaint resolution period for a specified complaint up to maximum of 30 days, if the director of the local child support agency, or in the director's absence, his or her designee, determines more time is needed to resolve the complaint. The local child support agency shall exercise due diligence in attempting to resolve all complaints within 30 days of the complaint receipt date, and shall only take an extension under extraordinary circumstances. The local child support agency shall do both of the following for each complaint resolution extension:

(1) Mail a "Notice of Complaint Resolution Extension," LCR005, dated (10/01), incorporated by reference herein, to a complainant and the State Hearing Office no later than 30 days after the complaint receipt date. The LCR005 shall be signed by the director of the local child support agency, or in the director's absence, his or her designee, and shall explain the local child support agency's need to extend the complaint resolution period to resolve the complaint, and the time frames to file a state hearing will be extended based on the date of the local child support agency's written resolution response provided pursuant to subparagraph (2).

(2) Mail a "Notice of Complaint Resolution," LCR006, dated (10/01), to the complainant no later than 60 days from the complaint receipt date.

(c) If the local child support agency is unable to initiate or complete a complaint investigation due to lack of information from the complainant, and the complaint investigator was unable to obtain the required information during discussion with the complainant as specified in Section 120103(c), the local child support agency shall attempt at least one additional verbal contact with the complainant to obtain the required information. If the results of the contact are unsuccessful, the local child support agency shall notify the complainant in writing of the required information, and that failure of the complainant to provide the information will result in the local child support agency closing the complaint. If the local child support agency does not receive the information required to resolve the complaint, the local child support agency shall mail a "Notice of Complaint Resolution," LCR006, dated (10/01), to the complainant no later than 30 days after the complaint receipt date, that explains the reason for closing the complaint.

Article 3. State Hearing

§ 120200. General Provisions.

(a) The Department shall be responsible for the administration of the state hearing process.

(b) The local child support agency shall not discourage a complainant from requesting a state hearing, or refuse to assist a complainant with a request for a state hearing.

(c) This Article shall:

(1) Be interpreted in a manner that complies with Chapter 1, Program Administration, Article 5, Records Management regulations.

(2) Be interpreted in a manner that protects the complainant's right to a state hearing.

(3) Apply to child support issues subject to a state hearing specified in Section 120201.

(4) Not be interpreted in a manner that alters other statutory or regulatory time frames or requirements for taking other child support actions.

(d) If the last date for the performance of any act required within a specified period of time by this Article or the provisions of Chapter 5 of Division 17 of the Family Code (commencing with Section 17800) is not a business day, then such period shall be extended to the next business day.

HISTORY

1. New article 3 (sections 120200–120222) and section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.
2. New article 3 (sections 120200–120222) and section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12–18–2001 order transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120201. Right to a State Hearing.

(a) A complainant who is dissatisfied with the resolution of a complaint made with a local child support agency, pursuant to Article 2, shall

have the right to request a state hearing pursuant to the requirements of this Article. The subject of the request for a state hearing shall be limited to any one or more of the following actions or failures to take action by a local child support agency or the Franchise Tax Board:

(1) An application for child support services has been denied or has not been acted upon within the required time frame.

(2) The child support services case has been acted upon in violation of federal or state law, regulation, or Department policy letter, or has not been acted upon within the required time frame, including services for the establishment, modification, and enforcement of child support orders and child support accountings.

(3) Child support collections have not been distributed or have been distributed or disbursed incorrectly, or the amount of child support arrears, as calculated by the local child support agency, is inaccurate.

(A) State hearing jurisdiction shall not extend to arrears issues if there is no dispute as to the accounting of the amount owed, but the complainant is seeking relief from enforcement of the order or judgment, or if the complainant is seeking credit for payments that were made to someone other than the local child support agency.

(B) The complainant shall not be entitled to request a state hearing and a court review at the same time. If the complainant or the other party files for a court determination of arrears either before or after a state hearing is requested, the local child support agency shall notify the State Hearing Office, and any state hearing that has been requested on the same issues shall be dismissed.

(C) The local child support agency shall not be required to give notice to the non–complaining party of a state hearing request that concerns the calculation of the arrears. However, in order to protect the property rights of the parties, the local child support agency shall send the non–complaining party a copy of any hearing decision, in which the calculation of arrears is at issue, and provide notice of the right to have the arrears issue heard in court. The local child support agency shall redact all confidential information, including the complaining party's address, prior to sending the hearing decision to the non–complaining party.

(4) The local child support agency's decision to close a child support case.

(b) The following issues shall not be heard at a state hearing:

(1) Complaints arising from a child support matter which must, by law, be addressed by motion, order to show cause, or appeal, in a court.

(2) A review of any of the following:

(A) A court order for child support or child support arrears.

(B) A court order or equivalent determination of paternity.

(C) A court order for spousal support.

(3) Child custody determinations.

(4) Child visitation determinations.

(5) Complaints of alleged discourteous treatment by a local child support agency employee unless such conduct resulted in one of the actions or inactions enumerated in subsection (a)(1) through (4).

(c) Prior to requesting a hearing, the complainant shall exhaust the local complaint resolution process specified in Article 2, unless a local child support agency has not, within the time frames specified in Section 120105, submitted a written resolution of the complaint. Only a complaint that was raised in the local complaint resolution process can be raised in a state hearing.

(d) All requests for a state hearing shall:

(1) Be made orally or in writing to the State Hearing Office. Complainants shall be encouraged, but not be required, to complete a "Request for State Hearing," SH001, dated (10/01), incorporated by reference herein.

(2) Be made within 90 days after any of the following:

(A) The date the complainant received the local child support agency's "Notice of Complaint Resolution," LCR006, dated (10/01). There shall be a rebuttable presumption that the complainant received a "Notice of Complaint Resolution," LCR006, dated (10/01), five (5) business days after the postmark date of the LCR006.

(B) The date the complainant made the complaint with the local child support agency, if the local child support agency failed to issue a "Notice of Complaint Resolution," LCR006, dated (10/01).

(C) The date the complainant received the "Complaint Transfer," LCR004, dated (10/01), from the local child support agency that transferred the complaint pursuant to Section 120104, if the local child support agency to which the complaint was transferred has not issued a "Notice of Complaint Resolution," LCR006, dated (10/01) within the time frame specified in Section 120105.

(D) The date the complainant received the "Notice of Complaint Resolution Extension," LCR005, dated (10/01) from the local child support agency that took an extension pursuant to Section 120105, if the local child support agency has not issued a "Notice of Complaint Resolution," LCR006, dated (10/01) within 60 days from the complaint receipt date.

(3) Include, at a minimum, the information specified in Section 120101(b)(3). A request for a state hearing shall not be deemed invalid for failure to include the information specified in Section120101(b)(3)(B).

(e) If a local child support agency receives a "Request for State Hearing," SH001, dated (10/01), directly from a complainant, the local child support agency shall fax the SH001 to the State Hearing Office by the close of business of the following business day.

§ 120202. Scheduling the State Hearing.

The state hearing shall:

(a) Be set to commence within 30 days after the hearing request is received by the State Hearing Office.

(b) Be held by telephone or in person within the complainant's county of residence, if the complainant resides in California, unless the complainant requests the hearing be held in another California county.

(1) Hearings for complainants residing outside California shall be conducted by telephone unless the complainant voluntarily offers to return to California for the hearing, or authorizes a representative in California to attend the hearing.

(2) Hearings for complainants who are inmates of penal institutions, or residents of other institutions, shall be conducted by telephone unless the complainant authorizes a representative to attend the hearing.

§ 120204. Local Child Support Agency Responsibilities.

(a) A local child support agency shall:

(1) Attempt to resolve a complaint to the satisfaction of the complainant during the local complaint resolution process and prior to the state hearing.

(2) Provide the complainant with Department–approved informational materials regarding the state hearing process.

(3) Assist the complainant in requesting a state hearing.

(4) Provide the complainant with relevant information pertaining to the subject of the complaint to help the complainant prepare for the state hearing.

(5) Notify the State Hearing Office of the complainant's need for an interpreter and/or reasonable disability accommodation at the state hearing, if known.

(6) Report to the State Hearing Office, any changes in the complainant's address or other circumstances that might affect the conduct of the state hearing, if known.

(7) Prepare a typewritten position statement that includes all of the following:

(A) A short statement of the facts of the case.

(B) Statutory and regulatory citations, or Department policy, applicable to the local child support agency's and/or Franchise Tax Board's action or inaction.

(C) All relevant information in the local child support agency's possession regarding the subject of the complaint.

(D) Copies of documentary evidence itemized as exhibits, including copies of any forms prepared or submitted as part of the complaint resolution process, and a list of witnesses the local child support agency intends to use during the hearing.

(E) A complete fiscal accounting of the case, if the complaint pertains to child support collections that have not been distributed or have been distributed or disbursed incorrectly, or the amount of child support arrears calculated by the local child support agency.

(8) Mail the position statement specified in subsection (7) above, and pertinent documents to the complainant and the State Hearing Office at least five (5) business days prior to the scheduled hearing.

(9) Assign a local child support agency representative to each child support case for which a state hearing has been scheduled, who shall provide a copy of the position statement at the state hearing, and have the full responsibility to present the case at the state hearing in accordance with the requirements of this Article. The representative shall not be the individual whose action or inaction is the subject of the complaint, or the Ombudsperson.

(10) Provide the State Hearing Office with the name of the local child support agency representative, specified in (9) above.

(11) Review any state hearing request to make a preliminary determination of whether the non–complaining party needs to be notified of the state hearing to protect his or her rights or interests.

(A) If the local child support agency believes the non–complaining party should receive notice and be given the opportunity to appear at the hearing, the local child support agency shall notify the State Hearing Office of its determination and request a subpoena be issued pursuant to Section 120208.

(B) The local child support agency shall notify the State Hearing Office in advance of any case in which the local child support agency knows that the non–complaining party may appear at the hearing.

(C) If the local child support agency is aware of a history of domestic violence or a potential for violent behavior, the local child support agency shall notify the State Hearing Office of that history.

(D) Whenever possible, the State Hearing Office shall arrange to have one of the parties appear by telephone.

(b) The local child support agency representative shall perform the following case presentation activities at the state hearing as necessary:

(1) Orally summarize the written position statement that supports the local child support agency's and/or Franchise Tax Board's action(s) or inaction(s).

(2) Examine local child support agency and/or Franchise Tax Board witness(es).

(3) Cross–examine the complainant or the complainant's authorized representative, and the complainant's witnesses.

(4) Respond to any questions from the complainant or authorized representative, or Administrative Law Judge concerning the case.

(5) Make available at the hearing, the local child support agency case record documents that are not confidential, or for which disclosure is authorized under Section 111440, and are relevant to the complaint.

(6) Make binding agreements and stipulations on behalf of the local child support agency during the hearing.

(c) If the hearing is to be held in a county other than the county responsible for the case, the responsible local child support agency shall ensure a copy of the position statement specified in subsection (a)(7) is available at the other county's office at least two (2) business days before the hearing, and shall choose one of the following actions:

(1) Send a local child support agency representative to the county in which the hearing is held to ensure the requirements specified in subsection (b) have been met.

(2) Have a local child support agency representative appear by telephone during the hearing. A local child support agency representative who appears by telephone has the same responsibilities as a local child support agency representative who appears in person, including making binding agreements and stipulations on behalf of the local child support agency.

(3) Send the original case record information relative to the complaint, or a certified copy thereof pursuant to Evidence Code Sections 1530 through 1532, containing all relevant information in the local child support agency's possession and the position statement required by subsection (a)(7), to the local child support agency in the county where the hearing is to be held with the request that the other county represent the responsible local child support agency at the hearing.

(A) The responsible local child support agency shall declare under penalty of perjury that the information submitted is from the case record of the complainant.

(B) If certified copies pursuant to Evidence Code, Sections 1530 through 1532, of the record are sent instead of the original, the responsible local child support agency shall attest that the copies are true copies of the original records.

(C) The request shall be made no later than five (5) business days prior to the hearing to allow the local child support agency in the county in which the state hearing is held to arrange for representation or to notify the responsible local child support agency of its inability to provide such representation.

HISTORY

1. New section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.

2. New section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.

3. Certificate of Compliance as to 12–18–2001 order transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120206. State Hearing — General Rules.

(a) Attendance at the hearing shall be limited to the complainant, the authorized representative, the local child support agency representative, Franchise Tax Board representative, a certified interpreter, and witnesses relevant to the issue.

(1) Other persons may attend the hearing only if their attendance is permitted by the complainant, and the Administrative Law Judge determines their presence will not be adverse to the hearing.

(2) The Administrative Law Judge shall be permitted to exclude a witness during the testimony of other witnesses, or exclude persons who are disruptive to the hearing.

(b) Personal or telephonic appearance by the complainant or authorized representative, if any, shall be required at the hearing, unless the hearing is a rehearing or further hearing, and the State Hearing Office determines the appearance of the complainant or authorized representative is not necessary.

(c) The hearing shall be conducted in an impartial manner.

(d) All testimony shall be submitted under oath, affirmation, or penalty of perjury.

(e) The proceedings at the hearing shall be reported by tape recorder or otherwise perpetuated by mechanical, electronic, or other means capable of reproduction or transcription.

(f) The issues at the hearing shall be limited to those issues previously identified in the "Request for State Hearing," SH001, by the complainant, or documented by the State Hearing Office from a verbal request for a state hearing by the complainant, and that are issues specified in Section 120201(a). Only a complaint that was raised in the local complaint resolution process can be raised in a state hearing.

(1) If a jurisdictional issue is raised at the hearing, either by the local child support agency representative, the complainant, the authorized representative, if any, or the Administrative Law Judge, the parties shall submit evidence on the substantive issues except as provided in subparagraph (3) below, or Sections 120211(a)(1), (2), or (5).

(2) No determination of the timeliness of the hearing request or other jurisdictional issue shall be made at the hearing. The request shall be dismissed by a written decision, if the Administrative Law Judge determines that jurisdiction does not exist, the request is untimely, or there is no subject matter jurisdiction.

(3) If prior to or at the state hearing, the parties agree to discuss only the jurisdictional issue, or the Administrative Law Judge on his/her own motion determines that only the jurisdictional issue will be discussed, the parties need not submit evidence on the substantive issues, and the Administrative Law Judge shall take evidence only on the jurisdictional issue. The Administrative Law Judge shall do one of the following:

(A) Inform the parties orally at the hearing or in writing within ten (10) days after the close of the record, that he/she will not proceed on the substantive issues and a decision will be prepared on the jurisdictional issue.

(B) Inform the parties orally at the hearing or in writing ten (10) days after the close of the record, that an additional hearing will be held on the substantive issues and provide the parties a minimum of ten (10) days in which to prepare on the substantive issues.

(g) An interpreter shall be provided by the State Hearing Office if one is requested by the complainant, or authorized representative, if any, prior to the hearing, or if at the hearing, the Administrative Law Judge determines that an interpreter is necessary. The Administrative Law Judge shall:

(1) Determine if the interpreter has been certified.

(2) If the interpreter is not certified, examine the qualifications and competency of the interpreter.

(3) Assure objective interpretation and disqualify interpreters who are:

(A) The complainant's relatives, friends, or authorized representative.

(B) Local child support agency staff responsible for the action or inaction that is the basis of the complaint.

(C) The local child support agency's state hearing representative.

(D) Determined by the Administrative Law Judge to be detrimental to the hearing process, or appear to have an interest in the outcome of the case.

(4) Administer a separate oath or affirmation to the interpreter to interpret accurately and maintain confidentiality.

(h) Both the complainant and the local child support agency shall have the right to:

(1) Bring witnesses.

(2) Examine parties and witnesses.

(3) Conduct cross–examination for a full disclosure of the facts.

(4) Introduce exhibits.

(5) Examine all documents that will be introduced as evidence prior to and during the hearing.

(6) Question opposing witnesses and parties on any matter relevant to the issues even though the matter was not covered in the direct examination.

(7) Make oral or written argument.

(8) Rebut the evidence.

(i) Written communications submitted by either the complainant or the local child support agency concerning the hearing shall be made available to both parties. Copies of all such documents shall be provided to the complainant free of charge.

(j) The merits of a pending state hearing shall not be discussed between the Administrative Law Judge and a local child support agency representative, Franchise Tax Board representative, a complainant, or authorized representative, outside the presence of the other party.

§ 120207. Evidence.

(a) The Administrative Law Judge shall identify the issue(s) and shall state the order in which evidence shall be received. The taking of evidence in a hearing shall be conducted by the Administrative Law Judge in a manner best suited to ascertain the facts and to control the conduct of the hearing.

(b) Except as specified in (1) through (3) below, evidence shall be admitted if it is the type of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs.

(1) The rules of evidence as applicable in judicial proceedings shall not be applicable in state hearings.

(2) The Administrative Law Judge shall be permitted to exclude evidence that is irrelevant, cumulative or unduly repetitious.

(3) The Administrative Law Judge shall exclude evidence that is privileged under the Evidence Code if the privilege is claimed in accordance with law.

(c) The Administrative Law Judge shall consider the nature of the evidence admissible pursuant to subsection (b) in assessing its probative value.

(d) The Administrative Law Judge shall recognize the existence and truth of certain facts, such as a proposition of law or fact, that have a bearing on the issue in the case through official notice, without requiring the actual production of evidence to prove such facts.

(1) The Administrative Law Judge shall take official notice of those matters that must be judicially noticed by a court under Section 451 of the Evidence Code.

(2) The Administrative Law Judge may take official notice of those matters set forth in Section 452 of the Evidence Code.

(3) The Administrative Law Judge may take official notice of any generally accepted fact relating to the enforcement of child support.

(4) With respect to matters under subparagraph (3) above, and subdivision (f) of Section 451 and subdivision (g) of Section 452 of the Evidence Code that are of substantial consequence to the determination of the action, each party shall be given reasonable opportunity, subject to Section 120210(c) before the decision is submitted, to present information relevant to:

(A) The propriety of taking official notice; and

(B) The tenor of the matter to be noticed.

(e) The standard of proof to be used by the Administrative Law Judge in reaching his/her decision in the matter shall be by a preponderance of the evidence.

(f) In determining whether a local child support agency acted properly, where the action or inaction that is the subject of the complaint is discretionary, the standard of review shall be whether the local child support agency's exercise of discretion was arbitrary and capricious.

HISTORY

1. New section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12–18–2001 order, including amendment of section, transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120208. Examination of Records and Issuance of Subpoenas.

(a) The complainant shall have the right to examine non–confidential portions of the case record, portions for which disclosure is authorized under Section 111440, or non–confidential information the local child support agency used to make its decision, during regular business hours.

(b) The local child support agency shall reproduce without charge, or at a charge not to exceed the cost of reproduction pursuant to Government Code 6253, all specific policy materials, including regulations, necessary for a complainant to determine whether a state hearing should be requested, or to prepare for a state hearing.

(c) Before the hearing is commenced, the State Hearing Office shall be permitted to, upon the written or oral request of the complainant or the local child support agency, issue either or both of the following:

(1) A subpoena under the authority of Government Code Sections 11180 through 11191, requiring the presence of any witness whose expected testimony has been shown to be relevant, and not cumulative or unduly repetitious.

(2) A subpoena duces tecum under the authority of Government Code Sections 11180 through 11191, for the production by a witness of either original or certified copies pursuant to Evidence Code, Sections 1530 through 1532, of books, papers, correspondence, memoranda, or other records. The party requesting the subpoena duces tecum shall:

(A) Submit a statement under penalty of perjury describing the materials desired to be produced and their relevancy.

(B) Serve the subpoena duces tecum. Service of the subpoena duces tecum shall be made to allow the witness a reasonable time to produce the materials requested and to prepare and submit a statement to the State Hearing Office.

(d) The Administrative Law Judge assigned to the case shall be permitted to issue a subpoena or subpoena duces tecum after the hearing as necessary.

HISTORY

1. New section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12–18–2001 order transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120210. Postponements and Continuances.

(a) The State Hearing Office or the Administrative Law Judge shall have the authority to postpone the hearing for good cause. Good cause for a postponement is any of the following:

(1) Death in the family.

(2) Personal illness of or injury to the complainant or authorized representative.

(3) Sudden and unexpected emergencies including, but not limited to, traffic accidents on the day of the hearing and illness of or injury to a household or family member who requires immediate care.

(4) A conflicting court appearance that cannot be postponed.

(5) The local child support agency does not make a position statement required by Section 120204 available to the complainant at least two (2) business days prior to the date of the scheduled hearing, or the local child support agency has substantively revised the position statement required

by Section 120204 subsequent to providing the statement to the complainant and the complainant requests a postponement.

(6) The complainant did not receive notice of the time and place of the hearing. Failure by the complainant to notify the local child support agency or the State Hearing Office of a change of address while a request for state hearing is pending, shall not constitute a reason for postponement under this section.

(7) Any other reason the State Hearing Office or Administrative Law Judge deems appropriate.

(b) The Administrative Law Judge shall have the authority to grant a continuance of the hearing for a stated period not to exceed 30 days, for additional evidence or close the hearing and hold the record open for a stated period not to exceed 30 days, in order to permit the submission of additional documentary evidence.

(c) When a hearing is postponed, continued, or reopened, the State Hearing Office shall mail or give written notice to the parties that explains the hearing date may be put off for a period not to exceed 30 days.

HISTORY

1. New section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12–18–2001 order, including amendment of section, transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120211. Dismissals.

(a) The State Hearing Office shall dismiss a hearing request prior to the hearing when:

(1) The hearing request has been withdrawn pursuant to Section 120212.

(2) The issue is not within the jurisdiction of a state hearing as specified in Section 120201(a).

(3) The request for state hearing is filed beyond the time limit set forth in Section 120201(d)(2).

(4) The request for hearing raises a compliance issue, such as an allegation that the local child support agency and/or Franchise Tax Board failed to comply with a previously adopted state hearing decision.

(5) The issue is moot.

(b) Prior to dismissing a hearing for the reasons specified in subsection (a)(2) through (5), the State Hearing Office shall notify the complainant by mail of the reason(s) for the dismissal and that a dismissal shall occur 15 days after the notice is sent, unless the complainant sets forth further facts and/or arguments, orally or in writing, that would indicate the matter should not be dismissed. The procedure for dismissing a case prior to hearing based upon the complainant's withdrawal is set forth in Section 120212.

(1) If the complainant presents information that may indicate the hearing request should not be dismissed, a hearing shall be scheduled pursuant to Section 120203.

(2) If the complainant presents information that fails to establish the hearing request should not be dismissed, the State Hearing Office shall dismiss the hearing request and provide written notice to the complainant within ten (10) days of dismissing the hearing request. If the complainant fails to respond to notification sent by the State Hearing Office within 15 days, the State Hearing Office notice sent pursuant to subsection (b) shall serve as notice of dismissal.

(c) The Administrative Law Judge, in addition to the authority set forth in subsection (a), shall dismiss by proposed decision, a hearing request, or portion thereof, when:

(1) The Administrative Law Judge determines the complainant or authorized representative is unwilling to present the complainant's case at the state hearing. This paragraph shall not apply to abandonments. Dismissal of hearing requests based upon abandonment by the complainant is set forth in Section 120213.

(2) The Administrative Law Judge determines the issue(s) has/have been the subject of a previous state hearing involving the complainant.

(3) The Administrative Law Judge determines the person who requests the state hearing does not have standing to request the state hearing.

(4) The Administrative Law Judge fails to receive a written authorization following the hearing pursuant to Section 120222(b)(1).

HISTORY

1. New section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12–18–2001 order, including amendment of section, transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120212. Withdrawals.

(a) The complainant shall have the right to make an oral or written request to the State Hearing Office to withdraw the hearing request any time before the Director or Director's designee signs the decision. If the complainant has unconditionally verbally withdrawn the hearing request prior to the hearing, the State Hearing Office shall mail the complainant and the local child support agency a letter confirming the withdrawal of the hearing request, which shall serve as the written withdrawal. The hearing request shall be considered withdrawn unless, within 15 days after the mailing of such letter, the complainant notifies the State Hearing Office verbally or in writing the hearing request has not been withdrawn.

(b) An unconditional written withdrawal of the hearing request shall result in the immediate dismissal of the hearing request. The dismissal shall be without prejudice, and the complainant shall have the right to file a new hearing request raising the identical issue provided the request is filed within the time frames specified in this Article.

(c) A conditional withdrawal of the hearing request shall include a signed agreement between the complainant and the local child support agency. Any agreement under this subsection shall provide that the actions of both parties will be completed within 30 days from the date the conditional withdrawal is signed by both parties. The complainant shall be responsible to reinstate the hearing request within 90 days after receipt of the local child support agency's notice of action(s) taken, if the complainant is not satisfied that the action(s) or ultimate outcome are consistent with the agreement.

HISTORY

1. New section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12–18–2001 order, including amendment of subsection (c), transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120213. Abandonment.

(a) If a complainant or authorized representative fails to appear at the scheduled hearing without good cause as specified in Section 120210(a)(1) through (6), the hearing request shall be considered abandoned.

(b) Prior to dismissing a hearing request based on the complainant's abandonment, the State Hearing Office shall notify the complainant by

mail that the matter shall be dismissed on the failure of the complainant or authorized representative to appear, and that a dismissal shall occur 15 days after the notice is sent, unless the complainant requests the hearing request be reinstated and establishes good cause as specified in Section 120210(a)(1) through (6) for failing to appear at the hearing.

(1) The State Hearing Office shall have authority to request a written declaration or other verification from the complainant to support the reason(s) for the nonappearance.

(2) If the complainant presents information to explain the failure to appear, but the information fails to establish good cause for the nonappearance, the State Hearing Office shall dismiss the hearing request and provide written notice to the complainant within ten (10) days of the dismissal.

(3) If the complainant fails to respond to the notification sent by the State Hearing Office within the time allotted, the notice sent pursuant to subsection (b) shall serve as notice of dismissal.

§ 120214. Disqualification of an Administrative Law Judge.

(a) The Administrative Law Judge shall voluntarily withdraw from any proceeding in which the Administrative Law Judge cannot give a fair and impartial hearing or in which the Administrative Law Judge has an interest.

(b) A party may request at any time prior to the close of the record, that the Administrative Law Judge be disqualified upon the grounds that a fair and impartial hearing cannot be held, or a fair and impartial decision cannot be rendered. Such request shall be ruled upon by the Administrative Law Judge prior to the close of the record.

(c) If, at the beginning or during the hearing, the Administrative Law Judge upholds a party's motion for disqualification, the matter shall be postponed for no more than 30 days, and a different Administrative Law Judge shall be assigned. A postponement due to a disqualification of an Administrative Law Judge shall be considered a postponement with good cause. If, after the hearing, but before the close of the record, the Administrative Law Judge determines that disqualification is appropriate, a further hearing shall be granted pursuant to Section 120217(a)(3).

§ 120217. Action by the Director or Director's Designee.

(a) The Director or Director's designee shall review the proposed decision submitted pursuant to Section 120216 and take one of the following actions:

(1) Adopt the proposed decision in its entirety.

(2) Issue an alternate decision based on the case record, including the transcript, with or without taking additional evidence. If the Director or Director's designee renders an alternate decision, the decision shall be in writing and include a statement of the facts, reference to the applicable statutes and regulations, and the reasoning to support the decision. The decision shall be based on only those circumstances and issues existing at the time of the local child support agency and/or Franchise Tax Board action or inaction in dispute that were the subject of the unresolved dispute and the request for state hearing.

(3) Order a further hearing to be conducted.

(b) A final decision shall be rendered by the Director or Director's designee for all state hearings within 20 business days from the date of the close of the record.

HISTORY

1. New section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12–18–2001 order, transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120220. Rehearing.

(a) The complainant or the local child support agency shall have the right to file a written request for rehearing with the State Hearing Office no later than 30 days after receipt of the adopted decision. The rehearing request shall contain a statement regarding the date the adopted decision was received. In the absence of such statement, the date of receipt shall be either three (3) business days after the date of the postmark on the envelope containing the decision, or three (3) business days after the date the decision was released by the Department or the State Hearing Office, whichever is later.

(b) The filing date of the rehearing request shall be the postmark on the envelope containing the rehearing request. If the postmark on the envelope is unreadable, the filing date shall be the date the request for rehearing is signed. If the postmark is unreadable, and the request for rehearing is undated, the filing date shall be three (3) business days prior to the date the rehearing request is stamped "received" by the State Hearing Office.

(c) If the rehearing request is to permit presentation of additional evidence, the request shall:

(1) Describe the additional evidence.

(2) State why it was not previously introduced.

(3) Explain its materiality.

(4) Explain how the additional evidence will change the outcome of the hearing decision.

(d) Upon receipt of a rehearing request filed within the time frame specified in subsection (a), the State Hearing Office shall mail a copy of the request to the other party to the hearing. The other party shall be permitted to file a statement supporting or opposing the rehearing request. Such statement from the other party shall be in writing and shall be filed with the State Hearing Office no later than ten (10) business days after the mailing.

(e) The Director or Director's designee shall grant or deny the rehearing request no earlier than ten (10), nor later than 20, business days after it is received by the State Hearing Office. If the Director or Director's designee does not act within this time frame, the rehearing request shall be deemed denied.

(f) The criteria for granting a rehearing shall be one or more of the following:

(1) Newly discovered evidence is now available but was not available to the requesting party at the time of the hearing, and the new evidence, if it had been introduced, could have changed the result of the decision.

(2) The adopted decision is inconsistent with the law.

(3) The adopted decision is not supported by the evidence of record.

(g) If a rehearing request is granted, the Director or Director's designee shall do one of the following:

(1) Order reconsideration of one, several, or all issues decided in the adopted decision on the basis of the evidence in the record, and any additional evidence submitted by the complainant or the local child support agency. Such additional evidence shall be submitted to the opposing party for rebuttal.

(2) Order a new oral hearing on one or more of the issues presented at the original state hearing.

(h) If a rehearing request is denied, the Director or Director's designee shall mail a written notice of denial to the complainant no later than 20 business days after the rehearing request is received by the State Hearing Office. The notice of denial shall contain a statement concerning the complainant's right to judicial review and shall advise the complainant that, if the court decides the case in the complainant's favor, the complainant shall be entitled to reasonable attorney's fees and the cost of the suit.

(i) A rehearing request shall be permitted to be withdrawn by the requesting party any time.

(j) A rehearing decision shall not be subject to another rehearing. Any further appeal must be by petition to the Superior Court under Section 1094.5 of the Code of Civil Procedure.

HISTORY

1. New section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12–18–2001 order, including amendment of section, transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120221. Compliance with Adopted State Hearing Decision.

(a) Immediately upon receipt of the adopted decision, the local child support agency shall:

(1) Initiate action to comply with such decision.

(2) Comply with the adopted decision even if a rehearing is requested and/or granted, unless a request to stay compliance pending rehearing has been requested concurrently with the request for rehearing, and has been granted by the Department.

(3) Comply with a rehearing decision subsequently rendered, to the extent the decision differs from the original adopted decision.

(b) If the adopted decision is wholly or partially in favor of the complainant, the local child support agency shall, within 30 days of receipt of the adopted decision, submit a compliance report to the Department. The local child support agency shall be presumed to have received the adopted decision 15 business days after the decision is adopted by the Director or the Director's designee. Such compliance report shall set forth the specific manner in which the local child support agency has complied and/or is complying with the order in the adopted decision. The Department shall review the compliance report and notify the complainant and the local child support agency that the plan for compliance has been approved, or the action that must be taken to ensure proper compliance with the adopted decision.

(c) The complainant shall have the right to contact the Department, orally or in writing, to express dissatisfaction with the local child support agency's compliance with the adopted decision. There shall be no right to another state hearing concerning noncompliance with the adopted decision. The Department shall determine the local child support agency's compliance with the adopted decision and provide notice to the complainant. If the Department determines the local child support agency is not complying with the adopted decision, the Department shall take any action necessary to ensure compliance, and provide notice to the complainant of the action taken by the Department.

HISTORY

1. New section filed 6–26–2001 as an emergency; operative 7–1–2001 (Register 2001, No. 26). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 12–28–2001 or emergency language will be repealed by operation of law on the following day.
2. New section refiled 12–18–2001 as an emergency; operative 12–30–2001 (Register 2001, No. 51). Pursuant to Family Code section 17306(e)(2), a Certificate of Compliance must be transmitted to OAL by 6–28–2002 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 12–18–2001 order, including amendment of subsection (b), transmitted to OAL 6–11–2002 and filed 7–24–2002 (Register 2002, No. 30).

§ 120222. Authorized Representative.

(a) The complainant shall have the right to appoint an authorized representative during all aspects of the hearing process by signing and dating a written statement to that effect, or by stating on the record at the hearing that the person is so authorized.

(1) If the complainant is not present at the hearing, the written statement authorizing a representative to act on behalf of the complainant for hearing purposes shall be signed and dated by the complainant on or after the date of the action or inaction with which the complainant is dissatisfied.

(2) The authorization may be limited in scope or duration by the complainant, and may be revoked by the complainant at any time. The authorization shall be presumed to be a valid authorization. Such presumption is rebuttable.

(3) If the complainant is not present at the hearing and the written authorization does not meet the requirements set forth in subsection (a), the Administrative Law Judge may proceed with the hearing if the circumstances indicate that the complainant wishes to proceed with the hearing process. In such cases, an amended authorization shall be submitted within five (5) days from the hearing.

(b) If the complainant has not authorized the representative in writing and is not present at the hearing, the person may be recognized as the authorized representative if the person is the complainant's attorney, guardian or conservator, or has a power of attorney, or if at the hearing, the person swears or affirms under penalty of perjury on the record that the complainant has so authorized him/her to act as the complainant's authorized representative, and the Administrative Law Judge further determines the person is so authorized.

(c) The Administrative Law Judge may make the determination of a representative being authorized by the complainant by contacting the complainant or collateral source. When the purported authorized representative is not an attorney, a guardian or conservator, or does not have a power of attorney, a written authorization shall be submitted within five (5) days from the hearing unless this time period is extended by the Administrative Law Judge. If no written authorization is submitted, the case shall be considered abandoned, and shall be dismissed by written decision after the hearing pursuant to Section 120211.

(d) Whenever the complainant is represented by an authorized representative, the authorized representative shall be furnished a copy of all notices and decisions concerning the state hearing that are provided to the complainant. The authorized representative shall have the same right as the complainant to review the complainant's case record pursuant to Chapter 1, Program Administration, Article 5, Records Management.

(e) All references in this Article to rights and responsibilities of a complainant in the state hearing process apply to a duly authorized representative, unless the authorization is limited pursuant to subsection (a)(2).

HISTORY

1. New chapter 11, article 1 (sections 121100–121140) and section filed 9–6–2001 as an emergency pursuant to Family Code section 17306; operative 9–6–2001 (Register 2001, No. 36). A Certificate of Compliance must be transmitted to OAL by 3–5–2001 or emergency language will be repealed by operation of law on the following day.
2. Editorial correction of HISTORY 1 (Register 2002, No. 10).
3. New chapter 11, article 1 (sections 121100–121140) and section refiled 3–5–2002 as an emergency pursuant to Family Code section 17306; operative 3–5–2002 (Register 2002, No. 10). A Certificate of Compliance must be transmitted to OAL by 9–3–2002 or emergency language will be repealed by operation of law on the following day.
4. Certificate of Compliance as to 3–5–2002 order, including amendment of subsection (a)(2), transmitted to OAL 8–29–2002 and filed 10–9–2002 (Register 2002, No. 41).

§ 121120. State Performance Measures.

(a) Each local child support agency shall report the following data to the Department and the Department will use the data to calculate performance measures for the following categories:

(1) Percent of cases with a court order for current child support. The performance measure will be calculated as follows:

The total number of cases in the caseload with a court order for current child support compared to the total number of cases in the caseload, except medically needy only cases.

(2) Percent of cases with collections for current child support. The performance measure will be calculated as follows:

The total number of cases in the caseload for which at least one payment for current support has been collected during the reporting period compared to the total number of cases in the caseload for which current child support is due.

(3) Average amount collected per case for all cases with collections. The performance measure will be calculated as follows:

The total amount of child support collected as compared to the total number of cases for which some collections were received during the reporting period.

(4) Percent of cases with an order for arrearages. The performance measure will be calculated as follows:

The total number of cases in the caseload with arrears due compared to the total number of cases in the caseload, except medically needy only cases.

(5) Percent of cases on which arrearages were collected. The performance measure will be calculated as follows:

The total number of cases in the caseload for which arrears were collected compared to the total number of cases in the caseload for which arrears are owed.

(6) Percent of alleged obligors who were served with a Summons and Complaint to establish paternity or a support order. The performance measure will be calculated as follows:

The total number of alleged fathers or obligors who were served with a Summons and Complaint to establish paternity or a support order compared to the total number of cases in the caseload that required service of a summons and complaint to establish paternity or a child support order during the reporting period.

(7) Percent of children for whom paternity has been established. The performance measure will be calculated as follows:

The total number of children for whom paternity has been established or acknowledged during the reporting period compared to the total number of children in the caseload who require the establishment of paternity.

(8) Percent of cases that had a child support order established. The performance measure will be calculated as follows:

The total number of cases in the caseload for which a child support order was established compared to the total number of cases in the caseload that required the establishment of a child support order during the reporting period.

(9) Cost–effectiveness. The performance measure will be calculated as follows:

The total amount of child support collected and distributed for each dollar expended by the local child support agency. For purposes of this measurement, the electronic data processing costs for consortia counties will be allocated to each county, based on actual costs.

(10) Percent of cases with orders for which medical support has been ordered. The performance measure will be calculated as follows:

The total number of cases in the caseload for which medical support has been ordered compared to the total number of cases in the caseload for which either current child support and/or medical support only has been ordered.

(11) Percent of cases with health insurance provided as ordered. The performance measure will be calculated as follows:

The total number of cases in the caseload for which health insurance was provided as ordered compared to the total number of cases in the caseload for which health insurance was ordered.

(b) These performance measures shall be reported to the Department in accordance with the requirements of Section 111920. Failure to report, or the reporting of inaccurate data shall be subject to provisions of subsection (c) of Section 111920.

(c) In publishing the results of any state performance measurement which is identical to a federal performance measurement, except for the period reported, the Department will annotate those reported measures with an explanation of any discrepancies between the numbers reported for those measures.

HISTORY

1. New section filed 9–6–2001 as an emergency pursuant to Family Code section 17306; operative 9–6–2001 (Register 2001, No. 36). A Certificate of Compliance must be transmitted to OAL by 3–5–2001 or emergency language will be repealed by operation of law on the following day.
2. Editorial correction of HISTORY 1 (Register 2002, No. 10).
3. New section refiled 3–5–2002 as an emergency pursuant to Family Code section 17306; operative 3–5–2002 (Register 2002, No. 10). A Certificate of Compliance must be transmitted to OAL by 9–3–2002 or emergency language will be repealed by operation of law on the following day.
4. Certificate of Compliance as to 3–5–2002 order, including amendment of subsections (a)(9) and (a)(11), transmitted to OAL 8–29–2002 and filed 10–9–2002 (Register 2002, No. 41).

§ 121140. Federal Performance Measures.

(a) Each local child support agency shall report the following data to the Department for calculation of federal performance measures.

(1) Paternity establishment percentage. The performance measure will be calculated as follows:

The total number of children for whom paternity has been established during the reporting period compared to the total number of children in the caseload who require the establishment of paternity.

(2) Percent of cases with a child support order. The performance measure will be calculated as follows:

The total number of cases with support orders as compared with the total caseload. Support orders are broadly defined as all legally enforceable orders, including orders for health insurance and zero support orders.

(3) Percent of current support collected. The performance measure will be calculated as follows:

The total amount of current support collected as compared to the total amount of current support owed.

(4) Percent of arrears collected. The performance measure will be calculated as follows:

The total number of cases in the caseload for which arrears were collected compared to the total number of cases in the caseload for which arrears are owed.

(5) Cost-effectiveness. The performance measure will be calculated as follows:

The total amount of child support collected and distributed as compared to each dollar expended by the local child support agency. For the purposes of this measurement, the electronic data processing costs for consortia counties will be allocated to each county, based on actual costs.

(b) These performance measures shall be reported to the Department in accordance with the requirements of Section 111920. Failure to report, or the reporting of inaccurate data shall be subject to provisions of subsection (c) of Section 111920.

Chapter 12. Automation Requirements (Reserved)

Chapter 13. Conflict of Interest Code

§ 123000. California Department of Child Support Services Conflict of Interest Code.

The Political Reform Act, Government Code Section 81000, et seq., requires each state and local government agency to adopt and promulgate a conflict of interest code. The Fair Political Practices Commission has adopted a regulation, 2 Cal. Code of Regs., Section 18730, which contains the terms of a standard conflict of interest code. It can be incorporated by reference and may be amended by the Fair Political Practices Commission after public notice and hearings to conform to amendments in the Political Reform Act. Therefore, the terms of 2 Cal. Code of Regs., Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, along with the attached Appendices in which officials and employees are designated and disclosure categories are set forth, and the place of filing is specified, shall constitute the conflict of interest code of the California Department of Child Support Services.

Designated employees shall file statements of economic interests with the California Department of Child Support Services which shall make the statements available for public inspection and reproduction. Upon receipt of the statement of the Director, the California Department of Child Support Services shall make and retain a copy of the statement and send the original to the Fair Political Practices Commission. Statements for all other designated employees will be retained by the Department.
